To qualify, candidates must secure an aggregate mark of 50 per cent. of the total in the three papers with a minimum of 40 per cent. in each paper.

7. **Reservation of posts for persons rendering war services.**—Attention of candidates is drawn to the fact that it has been decided by Government that 20 per cent. of the vacancies in all Civil Services will be left unfilled at present and will be offered after the termination of the war, to persons rendering war services.

It has also been decided that such recruits will be assigned places in the cadres of the services with due regard to their ages and period of war service and their seniority in the services will be determined not from their actual dates of joining the civil posts, but on the assumption that these posts had been originally filled in the ordinary way as in normal times. As regards age a candidate who has rendered war service will be permitted to deduct the period of his war service from his age.

Public Health

NOTIFICATIONS.

Calcutta.—No. 923C./P.H.—27th October 1943.—Mr. Habibur Rahman, B.E., temporary Assistant Engineer, Public Health Department, is appointed temporarily to hold charge of the materials of the Calcutta Tube-well Scheme at No. 60 and No. 144, Dharmatollah Street, Calcutta, in addition to his own duties, with effect from the 23rd September 1941.

Malda.—No. 971C./P.H.—11th November 1943.—Whereas the Governor is satisfied that the district of Malda is threatened with an outbreak of cholera:

Now, therefore, in exercise of the power conferred by section 2A, read with sub-section (*1*) of section 2 of the Epidemic Diseases Act, 1897 (Act III of 1897), the Governor is pleased to prescribe the following temporary regulations, for a period of three months, for the prevention and control of cholera,

and for the medical inspection, isolation, observation and surveillance of persons suffering from, or suspected of being infected with, cholera in the said district:—

Temporary regulations for the prevention and control of cholera.

1. In these regulations, unless there is anything repugnant in the subject or context:—

(*a*) "District Health Officer" means the Health Officer of the district appointed by the District Board under sub-section (*3*) of section 91 of the Bengal Local Self-Government Act of 1885 (Bengal Act III of 1885);

(*b*) "Sanitary Inspector" means a Sanitary Inspector appointed by the District Board under sub-section (*3*) of section 91 of the Bengal Local Self-Government Act of 1885;

(*c*) "Board" means a District Board constituted under the Bengal Local Self-Government Act of 1885;

(*d*) "Union Board" means a Union Board constituted under the Bengal Village Self-Government Act, 1919 (Bengal Act V of 1919);

(*e*) "suspected cholera" means any disease accompanied by vomiting and diarrhœa;

(*f*) "patient" means a person suffering from or suspected to be suffering from cholera;

(*g*) "medical practitioner" means any person practising the medical profession.

2. Whenever any land is held jointly by two or more persons, whether as owners or occupiers of that land, such persons shall be held jointly and severally liable for carrying out any measure ordered in a notice under these regulations, and the names of any one or more of such joint-holders may be entered upon such notice at the discretion of the District Health Officer and the District Health Officer shall not be bound to enter the names of all the joint-holders in the notice.

Notices.

3. If in any case the District Health Officer considers that the issue of a notice under these regulations is likely to lead to such an amount of delay as might facilitate the spread of cholera he may forthwith take such steps as he may think fit for carrying out the work, and shall thereafter, as soon as possible, issue a notice on the person concerned stating the reason why such work has been carried out.

4. If any measure which the District Health Officer has, by a notice issued under these regulations, required to be carried out, be not carried out to his satisfaction within the time stated in the notice the District Health Officer shall be entitled to carry out the measure.

Costs and compensation.

5. (*1*) All expenses incurred in carrying out any work in pursuance of an order issued under these regulations shall be paid by the Board except in any case where the order directs a person to carry out any work in relation to property in his possession, in which case the expenses shall be paid by that person:

Provided that, where the conditions, which led the District Health Officer to pass such an order, are not attributable to any act or default of the persons in possession of the property, the Board may pay to such person the whole or a part of the expenses incurred by him in carrying out the order.

(*2*) The Board may recover all expenses incurred by the District Health Officer in carrying out the measure under regulation 4 from the person or persons to whom the notice was originally issued.

6. The Board shall pay adequate compensation to any person who has sustained substantial loss or damage by reason of anything done under these regulations:

Provided that no person shall receive any compensation for anything done or suffered under these regulations, if he has failed to carry out an order issued under these regulations within the time specified in the order and to the satisfaction of the District Health Officer.

Location of disease.

7. When a case of cholera or suspected cholera occurs in a house, the nearest male relative in attendance upon the patient, or in the absence of any such relative the occupier of the house, or if the occupier be the patient, some male inmate of the house shall, within twenty-four hours of the onset of the disease, give information regarding the occurrence of such case either personally or in writing or by means of the chaukidar or other village watchman to the nearest Sanitary Inspector.

8. (*1*) If information has not already been given under regulation 7, the medical practitioner called in to attend upon any case of cholera shall forthwith give notice of the case by special messenger to the nearest Sanitary Inspector and by post to the District Health Officer and the cost of such messenger in each case shall be defrayed by the Board.

(*2*) The doctor-in-charge of a hospital or a dispensary within the district shall forthwith give notice of any case of cholera brought to such hospital or dispensary for treatment to the nearest Sanitary Inspector by a special messenger and to the District Health Officer by post and the cost of such messenger in each case shall be defrayed by the Board.

9. Presidents of Union Boards in union board areas and thana officers in non-union board areas shall supply to the District Health Officer such periodical returns of cases of cholera as he may from time to time call upon them to furnish.

10. The District Health Officer or a Sanitary Inspector may examine any person who is, or suspected to be, suffering from cholera or who, in his opinion, may be infected with or likely to spread cholera.

Isolation of patients and evacuation of houses, etc.

11. When the District Health Officer or a Sanitary Inspector considers that the isolation of any patient is a precaution necessary for the protection of the neighbouring population, he shall order the patient to observe isolation and may order the nearest relative in attendance on the patient, or the occupier of the house in which the patient is staying, to arrange for the isolation of the patient in such a manner and for such a time as may be approved by the District Health Officer or the Sanitary Inspector.

He shall not direct the patient to be removed from the house unless it is in his opinion impossible to make proper arrangements for his isolation therein.

12. The District Health Officer or a Sanitary Inspector may order that any person, who has in his opinion been exposed to infection from cholera, shall take such drugs in such quantities as may be specified by the District Health Officer or Sanitary Inspector or shall submit himself to anti-cholera inoculation within a time to be specified in the order.

13. No person shall enter any place wherein a patient is isolated under regulation 11 without the permission of the Districtc Health Officer or a Sanitary Inspector.

14. The Board shall provide free of charge suitable places, with necessary attendants, medicine, diet and other necessaries for persons isolated under regulation 11: Provided that a private individual may provide places certified by the District Health Officer as being fit for the purpose of such isolation.

15. No person, who is or has been suffering from cholera, shall leave the place where he has been staying until he has received from the District Health Officer or a Sanitary Inspector written permission to do so.

16. The District Health Officer or a Sanitary Inspector may require any person to allow to be carried out by such agency and within such time as may be specified in the order, such measures for the disinfection or evacuation of any premises in the occupation of such person or for the disinfection or destruction of any of his personal effects, as the said officer or inspector may consider necessary.

16A. The District Health Officer or a Sanitary Inspector authorised by the District Health Officer in writing in that behalf may, during the prevalence of any outbreak of cholera, order that any bazar, shop or other public place shall remain closed for such time as may appear to him to be necessary and may forbid the holding of any fair, *mela* or other gathering to which people from several villages commonly or periodically resort.

17. The District Health Officer or a Sanitary Inspector may direct the owner or occupier of any premises to cause to be inoculated with anti-cholera vaccine within a time to be specified in the order any person residing on such premises and under the control of such owner or occupier if the District Health Officer or Sanitary Inspector is of opinion that such person has been exposed to infection from cholera.

18. The District Health Officer or a Sanitary Inspector may forbid any person who has been a patient or who has, to his knowledge, been in contact with a patient, to act as vendor of any article for such period as may be specified in the order.

18A. No person shall carry or permit to be carried in a public conveyance a patient except in the case where a patient is carried with proper precautions to a hospital.

19. No person shall sell any article which has been in contact with a patient until it has been disinfected to the satisfaction of the District Health Officer or a Sanitary Inspector.

19A. No person shall expose in any street, shop, bazar or any public place any clothing, bedding or other article which has been in contact with a patient or shall cause or suffer such articles to be carried in any public conveyance, but nothing in this regulation shall apply to a person who transmits with proper precautions against spreading the disease any such article for the purpose of having the same disinfected.

19B. No person shall carry or permit to be carried in a public conveyance the dead body of any person who has died of cholera without the previous written permission of the District Health Officer or Sanitary Inspector, and without taking proper precautions against spreading the said disease.

Water-supply.

20. (*1*) When the District Health Officer or a Sanitary Inspector is of opinion that the water in any well, tank, pool or other possible source of water-supply is contaminated or is likely to be contaminated, he may at once take such steps as he deems necessary to close such well, tank, pool or other source of water-supply, or may require the owner or occupier of land upon which such well, tank, pool or source of water-supply is situated, to take steps to close the same to the satisfaction of the District Health Officer or the Sanitary Inspector, as the case may be, within such time as may be specified in the order.

(*2*) The District Health Officer or a Sanitary Inspector may require such owner or occupier to keep closed during such a period as shall be specified in the order any well, tank, pool or other sources of water-supply closed under paragraph (*1*) of this regulation.

Explanation.—In this regulation, "to close" includes the placing of chaukidars to prevent access to the well, tank, pool or other source of water-supply.

21. When the District Health Officer or a Sanitary Inspector is of opinion that the water in any well, tank, pool or source of water-supply is contaminated he may disinfect it or order its owner or occupier to disinfect it with such disinfectants as he may specify in such quantities and at such times as he may think fit.

22. The District Health Officer or a Sanitary Inspector may prohibit persons from entering into or using for drinking, bathing, or any other purpose, during such period as may be specified in the order, the water in any well, tank, pool or other possible source of water-supply, which, in his opinion, is contaminated or likely to be contaminated.

23. The District Health Officer or a Sanitary Inspector may, by an order published at such places as he may think fit, set apart any well, tank, part of a river, stream or channel not being private property, or being private property with the consent of the owner, for the supply of water for drinking or culinary purposes, and may prohibit therein or within a distance therefrom to be stated in the order all bathing, washing of clothes or animals, or other acts calculated to pollute the water; and may similarly set apart any well, tank, part of a river, stream or channel for the purpose of bathing or for the purpose of washing animals or clothes or for any other purpose connected with the health and cleanliness of the people using such water-supply.

24. The District Health Officer or a Sanitary Inspector may prohibit persons from easing themselves, or throwing, depositing or discharging any rubbish, sewage or offensive matter, into any well, tank, pool or other source of water-supply, which is used by the public, or within such a distance from such well, tank, pool or source of water-supply as he may fix.

Conservancy and sewage disposal.

25. The District Health Officer or a Sanitary Inspector may (1) prohibit the committal or continuance of any nuisance, or (2) require the person causing any nuisance or the person occupying the premises on which any nuisance exists to remove such nuisance.

Explanation.—In this regulation, "nuisance" means anything which in the opinion of the District Health Officer or Sanitary Inspector is likely to spread or to cause the outbreak of cholera.

26. Whenever the District Health Officer or a Sanitary Inspector is satisfied that the condition of any privy, urinal, drain, sewer or cesspool is such as to cause risk of spreading cholera to the inhabitants of the neighbourhood he may order the occupier of the land in which such privy, urinal, drain, sewer or cesspool is situated to disinfect, or to allow an officer of the Board to disinfect, the same with such disinfectants in such quantities and at such time as the said officer or inspector shall think fit.

27. The District Health Officer or a Sanitary Inspector may for the prevention of the outbreak or spread of cholera order the owner or occupier

of any land to repair or make efficient to the satisfaction of that officer or inspector any drain, sewer, privy, urinal or cesspool which is situated upon such land or to remove any such drain, sewer, privy, or urinal or close any such cesspool within such time as may be fixed by the said officer or inspector.

Miscellaneous.

28. The District Health Officer or a Sanitary Inspector may during the prevalence of any outbreak of cholera order that any market, shop or other public place shall remain closed for such time as may appear to him to be necessary and may forbid the holding of any fair, *mela* or other gathering to which people from several villages commonly or periodically resort.

29. The District Health Officer or a Sanitary Inspector may require the owner or occupier of any land to clear and remove, within the period specified in the order, any vegetation upon such land the existence of which in the opinion of the said officer or inspector conduces to the committing of nuisances upon such land.

30. The District Health Officer or a Sanitary Inspector may issue general orders that by a specified date certain sanitary precautions of a simple nature, such as lime-washing of houses, clearing of latrines or the removal of filth or rubbish shall be carried out to his satisfaction.

31. The District Health Officer or a Sanitary Inspector may prohibit persons from retaining or selling clothes taken from the bodies of persons who have died of cholera and may cause any such clothes to be destroyed.

32. No person shall, without the written permission of the District Health Officer or a Sanitary Inspector, dispose of any corpse except by burning or burial.

33. The District Health Officer may approve burning or burial grounds and may by order direct either generally or specially in respect to any specified area, that corpses shall not be burnt or buried at places other than those so approved by him.

34. Any person burning or causing to be burnt any corpse shall cause the same to be completely reduced to ashes, and shall likewise cause the clothes or other articles brought with such corpse to be reduced to ashes.

35. The District Health Officer may direct that no person shall bury or cause to be buried any corpse which, in the opinion of the District Health Officer, is likely to spread cholera in a grave not constructed of masonry and less than six feet deep.

36. The District Health Officer may order that no *dome* or other servant of the Board employed for the disposal of corpses shall withdraw from his duties without the permission of the District Health Officer unless such *dome* or other servant of the Board has given notice in writing not less than one month previously of his intention so to withdraw.

37. The District Health Officer or a Sanitary Inspector may through any person authorised by such officer or inspector in that behalf seize and dispose of any corpse, which in the opinion of the said officer or inspector, is infected with or likely to spread cholera, unless the relatives or friends of the deceased person satisfy him that they are prepared and able to dispose of the corpse in a manner which will prevent the spread of cholera.

38. (*1*) The District Health Officer or a Sanitary Inspector may require any person who appears to be acquainted with facts in connection with any case of cholera or suspected cholera to attend before him at a time to be stated in the order and at any place not more than one mile from the place where such person resides or is staying when the order is issued, and such person shall appear as so required.

(*2*) When the person summoned to appear under paragraph (*1*) is a female who, by the custom of the country, does not appear in public suitable precaution shall be taken to respect the said custom.

39. (*1*) The District Health Officer or a Sanitary Inspector may examine orally any person who appears to be acquainted with the facts and circumstances of a case of cholera or suspected cholera.

(*2*) When the person to be examined under paragraph (*1*) is a female who, by the custom of the country, does not appear in public, the officer shall take her statement under such conditions as shall admit of due respect to the said custom.

(*3*) Such person shall be bound to answer all questions relating to such case put to him or her by such officer, other than questions the answers to which would have a tendency to expose him or her to any criminal charge.

40. The District Health Officer or a Sanitary Inspector may, with such assistants (if any), as he thinks fit, enter upon any land, or after two hours' notice in writing, into any premises or buildings used for human habitation at any time between sunrise and sunset for the purpose of carrying out any measure or making any enquiries authorised by these regulations.

41. The crew of any inland steam vessel or boat which plies in any canal or river and other persons residing on such vessel or boat shall be subject to these regulations.

42. All inoculations under these regulations shall be performed gratuitously.

43. (*i*) Orders issued by the District Health Officer or a Sanitary Inspector under these regulations shall be in writing.

(*ii*) The officer issuing such orders shall cause copies of them to be served upon any persons named in them.

(*iii*) The nearest relative of a patient or the occupier of the house in which the patient is staying shall, if a copy of the order under regulation 11 has been served upon him, give to the nearest Sanitary Inspector or to his office, immediate notice of any disobedience of the order by the patient.

Jessore.—No. 9720./P.H.—11th November 1943. —Whereas the Governor is satisfied that the district of Jessore is threatened with an outbreak of cholera:

Now, therefore, in exercise of the power conferred by section 2A, read with sub-section (*1*) of section 2 of the Epidemic Diseases Act, 1897 (Act III of 1897), the Governor is pleased to prescribe the following temporary regulations for a period of three months for the prevention and control of cholera, and for the medical inspection, isolation, observation and surveillance of persons suffering from, or suspected of being infected with, cholera in the said district.

Temporary regulations for the prevention and control of cholera.

1. In these regulations, unless there is anything repugnant in the subject or context:—

(*a*) "District Health Officer" means the Health Officer of the district appointed by the District Board under sub-section (*3*) of section 91 of the Bengal Local Self-Government Act of 1885 (Bengal Act III of 1885);

(*b*) "Sanitary Inspector" means a Sanitary Inspector appointed by the District Board under sub-section (*3*) of section 91 of the Bengal Local Self-Government Act of 1885;

(*c*) "Board" means a District Board constituted under the Bengal Local Self-Government Act of 1885;

(*d*) "Union Board" means a Union Board constituted under the Bengal Village Self-Government Act, 1919 (Bengal Act V of 1919);

(*e*) "suspected cholera" means any disease accompanied by vomiting and diarrhœa;

(*f*) "patient" means a person suffering from or suspected to be suffering from cholera;

(*g*) "medical practitioner" means any person practising the medical profession.

2. Whenever any land is held jointly by two or more persons, whether as owners or occupiers of that land, such persons shall be held jointly and severally liable for carrying out any measure ordered in a notice under these regulations, and the names of any one or more of such joint-holders may be entered upon such notice at the discretion of the District Health Officer and the District Health Officer shall not be bound to enter the names of all the joint-holders in the notice.

Notices.

3. If in any case the District Health Officer considers that the issue of a notice under these regulations is likely to lead to such an amount of delay as might facilitate the spread of cholera he may forthwith take such steps as he may think fit for carrying out the work, and shall thereafter, as soon as possible, issue a notice on the person concerned stating the reason why such work has been carried out.

4. If any measure which the District Health Officer has, by a notice issued under these regulations, required to be carried out, be not carried out to his satisfaction within the time stated in the notice the District Health Officer shall be entitled to carry out the measure.

Costs and compensation.

5. (*1*) All expenses incurred in carrying out any work in pursuance of an order issued under these regulations shall be paid by the Board except in any case where the order directs a person to carry out any work in relation to property in his possession, in which case the expenses shall be paid by that person:

Provided that where the conditions, which led the District Health Officer to pass such an order, are not attributable to any act or default of the persons in possession of the property, the Board may pay to such person the whole or a part of the expenses incurred by him in carrying out the order.

(*2*) The Board may recover all expenses incurred by the District Health Officer in carrying out the measure under regulation 4 from the person or persons to whom the notice was originally issued.

6. The Board shall pay adequate compensation to any person who has sustained substantial loss or damage by reason of anything done under these regulations:

Provided that no person shall receive any compensation for anything done or suffered under these regulations, if he has failed to carry out an order issued under these regulations within the time specified in the order and to the satisfaction of the District Health Officer.

Location of disease.

7. When a case of cholera or suspected cholera occurs in a house, the nearest male relative in attendance upon the patient, or in the absence of any such relative the occupier of the house, or if the occupier be the patient, some male inmate of the house shall, within twenty-four hours of the onset of the disease, give information regarding the occurrence of such case either personally or in writing or by means of the chaukidar or other village watchman to the nearest Sanitary Inspector.

8. (*1*) If information has not already been given under regulation 7, the medical practitioner called in to attend upon any case of cholera shall forthwith give notice of the case by special messenger to the nearest Sanitary Inspector and by post to the District Health Officer and the cost of such messenger in each case shall be defrayed by the Board.

(*2*) The doctor-in-charge of a hospital or a dispensary within the district shall forthwith give notice of any case of cholera brought to such hospital or dispensary for treatment to the nearest Sanitary Inspector by a special messenger and to the District Health Officer by post and the cost of such messenger in each case shall be defrayed by the Board.

9. Presidents of Union Boards in union board areas and thana officers in non-union board areas shall supply to the District Health Officer such periodical returns of cases of cholera as he may from time to time call upon them to furnish.

10. The District Health Officer or a Sanitary Inspector may examine any person who is, or suspected to be, suffering from cholera or who, in his opinion, may be infected with or likely to spread cholera.

Isolation of patients and evacuation of houses, etc.

11. When the District Health Officer or a Sanitary Inspector considers that the isolation of any patient is a precaution necessary for the protection of the neighbouring population he shall order the patient to observe isolation and may order the nearest relative in attendance on the patient, or the occupier of the house in which the patient is staying, to arrange for the isolation of the patient in such a manner and for such a time as may be approved by the District Health Officer or the Sanitary Inspector.

He shall not direct the patient to be removed from the house unless it is in his opinion impossible to make proper arrangements for his isolation therein.

12. The District Health Officer or a Sanitary Inspector may order that any person, who has in his opinion been exposed to infection from cholera, shall take such drugs in such quantities as may be specified by the District Health Officer or Sanitary Inspector or shall submit himself to anti-cholera inoculation within a time to be specified in the order.

13. No person shall enter any place wherein a patient is isolated under regulation 11 without the permission of the District Health Officer or a Sanitary Inspector.

14. The Board shall provide free of charge suitable places, with necessary attendants, medicine, diet and other necessaries for persons isolated under regulation 11: Provided that a private individual may provide places certified by the District Health Officer as being fit for the purpose of such isolation.

15. No person, who is or has been suffering from cholera, shall leave the place where he has been staying until he has received from the District Health Officer or a Sanitary Inspector written permission to do so.

16. The District Health Officer or a Sanitary Inspector may require any person to allow to be carried out by such agency and within such time as may be specified in the order, such measures for the disinfection or evacuation of any premises in the occupation of such person or for the disinfection or destruction of any of his personal effects, as the said officer or inspector may consider necessary.

16A. The District Health Officer or a Sanitary Inspector authorised by the District Health Officer

in writing in that behalf may during the prevalence of any outbreak of cholera order that any bazar, shop or other public place shall remain closed for such time as may appear to him to be necessary and may forbid the holding of any fair, *mela* or other gathering to which people from several villages commonly or periodically resort.

17. The District Health Officer or a Sanitary Inspector may direct the owner or occupier of any premises to cause to be inoculated with anti-cholera vaccine within a time to be specified in the order any person residing on such premises and under the control of such owner or occupier if the District Health Officer or Sanitary Inspector is of opinion that such person has been exposed to infection from cholera.

18. The District Health Officer or a Sanitary Inspector may forbid any person who has been a patient or who has, to his knowledge, been in contact with a patient, to act as vendor of any article for such period as may be specified in the order.

18A. No person shall carry or permit to be carried in a public conveyance a patient except in the case where a patient is carried with proper precautions to a hospital.

19. No person shall sell any article which has been in contact with a patient until it has been disinfected to the satisfaction of the District Health Officer or a Sanitary Inspector.

19A. No person shall expose in any street, shop, bazar or any public place any clothing, bedding or other article which has been in contact with a patient or shall cause or suffer such articles to be carried in any public conveyance, but nothing in this regulation shall apply to a person who transmits with proper precautions against spreading the disease any such article for the purpose of having the same disinfected.

19B. No person shall carry or permit to be carried in a public conveyance the dead body of any person who has died of cholera without the previous written permission of the District Health Officer or Sanitary Inspector, and without taking proper precautions against spreading the said disease.

Water-supply.

20. (*1*) When the District Health Officer or a Sanitary Inspector is of opinion that the water in any well, tank, pool or other possible source of water-supply is contaminated or is likely to be contaminated, he may at once take such steps as he deems necessary to close such well, tank, pool or other source of water-supply, or may require the owner or occupier of land upon which such well, tank, pool or source of water-supply is situated, to take steps to close the same to the satisfaction of the District Health Officer or the Sanitary Inspector, as the case may be, within such time as may be specified in the order.

(*2*) The District Health Officer or a Sanitary Inspector may require such owner or occupier to keep closed during such a period as shall be specified in the order any well, tank, pool or other sources of water-supply closed under paragraph (*1*) of this regulation.

Explanation.—In this regulation, "to close" includes the placing of chaukidars to prevent access to the well, tank, pool or other source of water-supply.

21. When the District Health Officer or a Sanitary Inspector is of opinion that the water in any well, tank, pool or source of water-supply is contaminated he may disinfect it or order its owner or occupier to disinfect it with such disinfectants as he may specify in such quantities and at such times as he may think fit.

22. The District Health Officer or a Sanitary Inspector may prohibit persons from entering into or using for drinking, bathing, or any other purpose, during such period as may be specified in the order, the water in any well, tank, pool or other possible source of water-supply, which, in his opinion, is contaminated or likely to be contaminated.

23. The District Health Officer or a Sanitary Inspector may, by an order published at such places as he may think fit, set apart any well, tank, part of a river, stream or channel not being private property, or being private property with the consent of the owner, for the supply of water for drinking or culinary purposes and may prohibit therein or within a distance therefrom to be stated in the order all bathing, washing of clothes or animals, or other acts calculated to pollute the water; and may similarly set apart any well, tank, part of a river, stream or channel for the purpose of bathing or for the purpose of washing animals or clothes or for any other purpose connected with the health and cleanliness of the people using such water-supply.

24. The District Health Officer or a Sanitary Inspector may prohibit persons from easing themselves, or throwing, depositing or discharging any rubbish, sewage or offensive matter, into any well, tank, pool or other source of water-supply, which is used by the public, or within such a distance from such well, tank, pool or source of water-supply as he may fix.

Conservancy and sewage disposal.

25. The District Health Officer or a Sanitary Inspector may (1) prohibit the committal or continuance of any nuisance, or (2) require the person causing any nuisance or the person occupying the premises on which any nuisance exists to remove such nuisance.

Explanation.—In this regulation, "nuisance" means anything which in the opinion of the District Health Officer or Sanitary Inspector is likely to spread or to cause the outbreak of cholera.

26. Whenever the District Health Officer or a Sanitary Inspector is satisfied that the condition of any privy, urinal, drain, sewer or cesspool is such as to cause risk of spreading cholera to the inhabitants of the neighbourhood he may order the occupier of the land in which such privy, urinal, drain, sewer or cesspool is situated to disinfect, or to allow an officer of the Board to disinfect, the same with such disinfectants in such quantities and at such time as the said officer or inspector shall think fit.

27. The District Health Officer or a Sanitary Inspector may for the prevention of the outbreak or spread of cholera order the owner or occupier of any land to repair or make efficient to the satisfaction of that officer or inspector any drain, sewer, privy, urinal or cesspool which is situated upon such land or to remove any such drain, sewer, privy, or urinal or close any such cesspool within such time as may be fixed by the said officer or inspector.

Miscellaneous.

28. The District Health Officer or a Sanitary Inspector may during the prevalence of any outbreak of cholera order that any market, shop or other public place shall remain closed for such time as may appear to him to be necessary and may prohibit the holding of any fair, *mela* or other gathering to which people from several villages commonly or periodically resort.

29. The District Health Officer or a Sanitary Inspector may require the owner or occupier of

any land to clear and remove, within the period specified in the order, any vegetation upon such land the existence of which in the opinion of the said officer or inspector conduces to the committing of nuisances upon such land.

30. The District Health Officer or a Sanitary Inspector may issue general orders that by a specified date certain sanitary precautions of a simple nature, such as lime-washing of houses, clearing of latrines or the removal of filth or rubbish shall be carried out to his satisfaction.

31. The District Health Officer or a Sanitary Inspector may prohibit persons from retaining or selling clothes taken from the bodies of persons who have died of cholera and may cause any such clothes to be destroyed.

32. No person shall, without the written permission of the District Health Officer or a Sanitary Inspector, dispose of any corpse except by burning or burial.

33. The District Health Officer may approve burning or burial grounds and may by order direct either generally or specially in respect to any specified area, that corpses shall not be burned or buried at places other than those so approved by him.

34. Any person burning or causing to be burnt any corpse shall cause the same to be completely reduced to ashes, and shall likewise cause the clothes or other articles brought with such corpse to be reduced to ashes.

35. The District Health Officer may direct that no person shall bury or cause to be buried any corpse which, in the opinion of the District Health Officer, is likely to spread cholera in a grave not constructed of masonry and less than six feet deep.

36. The District Health Officer may order that no *dome* or other servant of the Board employed for the disposal of corpses shall withdraw from his duties without the permission of the District Health Officer unless such *dome* or other servant of the Board has given notice in writing not less than one month previously of his intention so to withdraw.

37. The District Health Officer or a Sanitary Inspector may through any person authorised by such officer or inspector in that behalf seize and dispose of any corpse, which, in the opinion of the said officer or inspector, is infected with or is likely to spread cholera, unless the relatives or friends of the deceased person satisfy him that they are prepared and able to dispose of the corpse in a manner which will prevent the spread of cholera.

38. (*1*) The District Health Officer or Sanitary Inspector may require any person who appears to be acquainted with facts in connection with any case of cholera or suspected cholera to attend before him at a time to be stated in the order and at any place not more than one mile from the place where such person resides or is staying when the order is issued, and such person shall appear as so required.

(*2*) When the person summoned to appear under paragraph (*1*) is a female who, by the custom of the country, does not appear in public suitable precaution shall be taken to respect the said custom.

39. (*1*) The District Health Officer or a Sanitary Inspector may examine orally any person who appears to be acquainted with the facts and circumstances of a case of cholera or suspected cholera.

(*2*) When the person to be examined under paragraph (*1*) is a female who, by the custom of the country, does not appear in public, the officer shall take her statement under such conditions as shall admit of due respect to the said custom.

(*3*) Such person shall be bound to answer all questions relating to such case put to him or her by such officer, other than questions the answers to which would have a tendency to expose him or her to any criminal charge.

40. The District Health Officer or a Sanitary Inspector may, with such assistants (if any) as he thinks fit, enter upon any land, or after two hours' notice in writing, into any premises or buildings used for human habitation at any time between sunrise and sunset for the purpose of carrying out any measure or making any enquiries authorised by these regulations.

41. The crew of any inland steam vessel or boat which plies in any canal or river and other persons residing on such vessel or boat shall be subject to these regulations.

42. All inoculations under these regulations shall be performed gratuitously.

43. (*i*) Orders issued by the District Health Officer or a Sanitary Inspector under these regulations shall be in writing.

(*ii*) The officer issuing such orders shall cause copies of them to be served upon any persons named in them.

(*iii*) The nearest relative of a patient or the occupier of the house in which the patient is staying shall, if a copy of the order under regulation 11 has been served upon him, give to the nearest Sanitary Inspector or to his office, immediate notice of any disobedience of the order by the patient.

A plan of the land may be inspected in the office of the Special Land Acquisition Officer, Burdwan, as well as in that of the Superintendent, New Beerbhum Coal Company, Ltd., Asansol.

In exercise of the powers conferred by the aforesaid section, the Governor is pleased to authorise the officers for the time engaged in the undertaking, with their servants and workmen, to enter upon and survey the land and do all other acts required or permitted by that section.

In exercise of the powers conferred by section 17(*4*) of the Land Acquisition Act I of 1894, as amended by Act XXXVIII of 1923, the Governor is pleased to direct that the provisions of section 5A of the Act shall not apply to this area.

Burdwan.—No. 16405L.A.—13th November 1943.—The following agreement is published under section 42 of the Land Acquisition Act, I of 1894, for general information:—

Agreement.

MEMORANDUM OF AGREEMENT made this eleventh day of November, One thousand nine hundred and forty-three BETWEEN THE NEW BEERBHOOM COAL COMPANY, LIMITED (Managing Agents, Messrs. Balmer Lawrie & Co., Ltd.), a Company duly registered under the Indian Companies Act, 1913, and having its registered office at 103, Clive Street, Calcutta, local head office at Dhadka (hereinafter called "the Company") of the one part and the Governor of the Province of Bengal (hereinafter called "the Governor") of the other part.

WHEREAS for the construction and maintenance of dwelling houses or huts for providing quarters for the workmen to be employed by the Company at Panchgechhia and for carrying on the works of a colliery at Panchgechhia and for the construction of railway siding, hospital, isolation hut, arrangements for the supply of pure drinking water for such workmen, drainage and other works for the improvement of the sanitation of the locality and for the provision of other amenities for the workmen employed therein the Company has applied to the Government of Bengal for the acquisition under the provisions of the Land Acquisition Act, 1894, of the four pieces or parcels of land containing 25·05 acres of land or thereabout, situate in village Panchgechhia, thana Baraboni, district Burdwan, and more particularly described in the Schedule hereto and delineated in the plan* hereunto annexed.

AND WHEREAS the said Government of Bengal being satisfied by an enquiry held under section 40 of the said Act that the proposed acquisition is needed for the aforesaid purposes and that the said work is likely to prove useful to the public has consented to acquire on behalf of the Company the pieces or parcels of land hereinbefore described.

AND WHEREAS the said Government of Bengal has required the Company under the provisions of section 41 of the abovementioned Act to enter into the Agreement with the Governor hereinafter contained.

NOW THIS INDENTURE WITNESSETH that it is hereby agreed and declared as follows:—

1. On demand the Company shall and will pay to the said Government of Bengal all and every compensation in respect of the said land, tendered, paid or awarded or to be tendered, paid or awarded by the Collector, under the Land Acquisition Act, 1894, or by the Court to which a reference under Part III of the said Act may be made, or by the Court to which an appeal from the award of the said Court may be preferred and all costs, charges, and expenses of the proceedings in the aforesaid Courts or otherwise incidental to the proposed acquisition or payable in respect thereof under the provisions of the said Act.

2. On demand made by the said Collector the obligations of the Company under the last preceding clause not being thereby limited the Company shall and will deposit with the said Collector such sum or sums of money as in his discretion the said Collector may in anticipation estimate to be necessary for the purposes mentioned in the last preceding clause.

3. On payment by the Company of all demands under the foregoing first clause or in the discretion of the said Government of Bengal (on deposit by the Company of all estimated amounts as provided in the second clause), but not before possession shall have been taken under the provisions of the abovementioned Act, the Governor shall make over possession of the said land to the Company and shall execute and do all such acts and deeds as may be necessary and proper for effectually vesting the same in the Company.

4. The said land shall be held by the Company for the purpose of the construction and maintenance of dwelling houses or huts for providing quarters for the workmen employed by the Company at the said place for carrying on the works of a colliery at Panchgechhia and for the construction of railway siding, hospital, isolation hut, arrangements for the supply of pure drinking water for such workmen, drainage and other works for improvement of the sanitation of the locality and for the provision of other amenities for the workmen employed therein (hereinafter referred to as "the said works") and without the sanction in writing of the said Government of Bengal first had and obtained for no other purposes whatsoever and the same shall not at any time be dealt with, transferred or otherwise disposed of by the Company separately from the said concern and shall

*Not printed but may be inspected in the office of the Special Land Acquisition Officer, Burdwan, as well as in that of the Superintendent, New Beerbhoom Coal Company, Ltd., Asansol.

not be subjected or be liable to be partitioned or sub-divided for separate occupation or enjoyment of parts thereof without such sanction as aforesaid.

5. The said works shall be completed (and fully equipped in all respects ready for use) within three years from the date on which possession of the said land shall have been given to the Company.

6. Should the said work not be completed (and fully equipped in all respects ready for use) within the period stated in the last preceding clause or within such further period as in its discretion may be prescribed or allowed by the said Government of Bengal or should the said land at any time thereafter cease for a period of six consecutive months to be held and used or cease to be required for the purpose or purposes provided for in the foregoing fourth clause then and in any such case the said Government may summarily re-enter upon and take possession of the said land, together with buildings thereon, whether such buildings were erected before or after transfer of the land to the Company and thereupon the interest of the Company in the said land and buildings shall absolutely cease and determine.

7. On taking such possession the said Government may sell or otherwise deal with the said land and buildings as it may think proper.

(*i*) Should the said Government sell the land with the buildings, the said Government after deducting the expenses incurred in connection with the said taking of possession and with such sale shall pay the proceeds to the Company.

(*ii*) Should the said Government decide not to sell the land and buildings, the said Government shall retain the said land and buildings thereon in which case the Governor shall repay to the Company the market value as on the day of re-entry of all the buildings erected by the Company and all sums received from the Company in respect of all and every compensation as provided in the foregoing first clause (less the statutory allowance of fifteen per cent. and less any amount received on account of trees and buildings which are not in existence at the time of resumption) but will not repay any sums paid and received on account of costs, charges and expenses.

(*iii*) Should the said Government decide to sell the buildings only, upon such sale, the Governor after deducting the expenses of taking possession and selling, pay the balance of the proceeds of the sale to the Company together with the sum received from the Company in respect of the compensation for the land (less the statutory allowance of fifteen per cent. and less any amount received from the Company on account of trees and buildings which are not in existence at the time of resumption) but will not repay any sum paid and received on account of costs, charges and expenses.

8. Should any dispute or difference arise touching or concerning the subject matter of this Agreement or any covenant, clause or thing therein contained the same shall be referred to the said Government of Bengal and the opinion and decision of the said Government upon such dispute or difference shall be final and conclusive and binding on the parties hereto.

PART IA—Orders and Notifications by the Government of India republished for general information.

HOME DEPARTMENT.

New Delhi, the 23rd September 1943.

No. 50/1/36-Public (C).—The following rules made by the Secretary of State for India are published for general information:—

"I, Leopold Charles Maurice Stennett Amery, one of His Majesty's Principal Secretaries of State, in virtue of the powers conferred by section 247(1), section 250 and section 269 of the Government of India Act, 1935, hereby make, with the concurrence of my Advisers, the following rules, namely:—

Title and application.

1. (1) These rules may be called the Secretary of State's Services (Conduct) Rules, 1942.

(2) They apply to Government servants whether on duty, leave or foreign service,—

(i) appointed by the Secretary of State in Council or the Secretary of State to a civil service of, or a civil post under, the Crown in India;

(ii) other than those specified in clause (i) who have been appointed substantively in accordance with the provisions of rules under section 246 of the Government of India Act, 1935, to posts reserved under that section;

(iii) who hold any civil post under the Crown in India and are, or were when first appointed to such a post, officers of His Majesty's forces:

Provided that nothing in these rules shall apply to any such Government servant when holding the office of Governor of a Province, of Member of the Executive Council of the Governor General, of Auditor-General of India, or of Judge of the Federal Court, a High Court, Chief Court or Judicial Commissioner's Court.

Definitions.

2. In these Rules:—

(1) "the Government" means—

(i) as respects a Government servant serving in connection with the affairs of the Federation, the Governor General in Council until the commencement of Part II of the Government of India Act, 1935, and thereafter the Governor General exercising his individual judgment; or

(ii) as respects a Government servant serving in connection with the affairs of a Province, the Governor of the Province exercising his individual judgment:

Provided that the powers of the Government shall be exercisable when the Government servant is outside India, whether on duty, leave or foreign service, by the Secretary of State.

(2) "Member of a Government servant's family" includes—

(*a*) a wife, child or step-child, whether residing with the Government servant or not, and

(*b*) any other relative of his or his wife's when residing with him, but does not include a wife legally separated from the Government servant, or a child or step-child who is no longer in any way dependent upon him or of whose custody the Government servant has been deprived by law.

Gifts.

3. (1) Save as otherwise provided in this rule, no Government servant shall, except with the previous sanction of the Government, accept or permit any member of his family to accept from any person any gift the receipt of which will place him under any form of official obligation to the donor. If the offer of a gift cannot be refused without giving undue offence, it may be accepted and delivered to Government for decision as to its disposal.

(2) If any question arises, whether the receipt of a gift places the recipient under any form of official obligation to the donor the decision of the Government thereon shall be final.

(3) A Government servant may accept a ceremonial gift from the Ruler of an Indian State if the gift is such that a return gift will be made at Government expense. A gift so accepted shall be delivered to the Government.

Public demonstrations in honour of Government servants.

4. (1) Save as otherwise provided in this rule, no Government servant shall, except with the previous sanction of the Government—

(*a*) receive any complimentary or valedictory address, accept any testimonial or attend any meeting or entertainment held in his honour; or

(*b*) take part in the presentation of a complimentary or valedictory address or a testimonial to any other Government servant or any person who has recently quitted the service of the Crown or attend a meeting or entertainment held in honour of such other Government servant or person.

(2) Notwithstanding anything contained in sub-rule (1)—

(*a*) a Chief Commissioner may receive an address;

(*b*) a Government servant may at the request of any public body sit for a portrait, bust or statue not intended for presentation to him;

(*c*) subject to the provisions of any general or special order of the Government, a Government servant may take part in the raising of a fund to be expended, in recognition of the services of any another Government servant or of a person who has recently quitted the service of the Crown, on the foundation of a scholarship or any other public or charitable object or on the execution of any portrait, bust or statue not intended for presentation to such other Government servant or person;

(*d*) subject to the provisions of any general or special order of the Government, a Government servant may attend a farewell entertainment of a substantially private and informal character held in honour of himself or any other Government servant or any person who has recently quitted the service of the Crown, on the occasion of the retirement from the service or departure from a district or station of himself or such other Government servant or person.

Presentation of trowels, etc., at ceremonial functions.

5. (1) No Government servant shall, except with the previous sanction of the Government, receive any trowel, key or other similar article offered to him at a ceremonial function, such as the laying of a foundation stone or the opening of a public building.

(2) Nothing in sub-rule (1) shall apply to a Chief Commissioner, to a Member of a Board of Revenue, to a Financial Commissioner, or to a Commissioner of a Division.

Subscriptions.

6. Except with the previous sanction of the Government, if he is a Commissioner of a Division or a Head of a Department, or of the Commissioner or the Head of his Department in other cases, no Government servant shall ask for, or accept, or in any way participate in the raising of, any subscription or other pecuniary assistance in pursuance of any object whatsoever.

Lending and Borrowing.

7. (1) No Government servant shall—

(*a*) directly or indirectly engage in the business of money lending; or

(*b*) except with the previous sanction of the Government, lend money to any person possessing land within the local limits of his authority, or at interest to any person; or

(*c*) save in the ordinary course of business with a bank or a firm of standing, borrow money from, or otherwise place himself under pecuniary obligation to, any person within the local limits of his authority; or

(*d*) except with the previous sanction of the Government permit any relative under his direct control to enter into any transaction of the nature of those prohibited in the case of Government servants:

Provided that (i) clause (*b*) does not preclude the making of advances of pay to private servants even if they possess land within the local limits of the Government servant's authority;

(ii) clause (*c*) does not preclude the acceptance of a purely temporary loan of small amount, free of interest, from a personal friend or the operation of a credit account with a *bona fide* tradesman;

(iii) this sub-rule shall, in its application to the dealings of a Government servant with a co-operative society registered under the Co-operative Societies Act, 1912 (II of 1912) or under any similar provincial law, be subject to such relaxation as the Government may by special or general order direct.

(2) When a Government servant is appointed or transferred to a post of such a nature as to involve him in the breach of any of the provisions of sub-rule (1), he shall forthwith report the circumstances to the Government, and shall thereafter act in accordance with such orders as may be passed by Government.

Buying and selling houses and other valuable property.

8. Save in the case of a transaction conducted in good faith with a regular dealer or permitted under rule 9, a Government servant who intends to transact any purchase, sale or disposal by other means of movable or immovable property exceeding in value of Rs. 200 with any person residing, possessing immovable property or carrying on business within the local limits of the official authority of such Government servant, shall declare his intention to the Government. The declaration shall state fully the circumstances, the price offered or demanded and, in the case of disposal otherwise than by sale, the method of disposal, and the Government servant shall thereafter act in accordance with such orders as may be passed by the Government:

Provided that a Government servant who is about to quit the local limits of his official authority may, without reference to the Government, dispose of any of his movable property by circulating lists of it among the public generally or by causing it to be sold by public auction.

Holding or acquiring immovable property.

9. (1) No Government servant domiciled outside Asia shall, save in good faith for the purpose of residence directly or indirectly hold or acquire immovable property—

(a) within the Province in which he is employed or within any Province with the administration of which he is concerned or within an Indian State in which he is employed; or

(b) except with the previous sanction of the Government, within any other Province or Indian State.

(2) No Government servant domiciled in Asia shall, save in good faith for the purpose of residence, acquire any immovable property in India by purchase or gift, except with the previous sanction of the Government.

Control over immovable property held or acquired by Government servants.

10. Subject to the provisions of any general or special order of the Government, every Government servant shall make to the Government, through the usual channel, a declaration of all immovable property in India from time to time held or acquired by him or by his wife or by any member of his family living with, or in any way dependent upon, him. The declaration shall state the district or the Indian State within which the property is situated and shall contain such further information as the Government may by general or special order require.

Investments.

11. (1) No Government servant shall speculate in investments. For the purposes of this sub-rule, the habitual purchase and sale of securities of notoriously fluctuating value shall be deemed to be speculation in investments.

(2) No Government servant shall make any investment likely to embarrass or influence him in the discharge of his official duties.

(3) If any question arises whether a security or an investment is of the nature referred to in sub-rule (1) or sub-rule (2) respectively, the decision of the Government thereon shall be final.

Promotion and Management of Companies.

12. No Government servant shall, except with the previous sanction of the Secretary of State, take part in the promotion, registration or management of any bank or company:

Provided that a Government servant may, with the previous sanction of the Government, enter into the service of a railway company:

Provided also that a Government servant may, in accordance with the provisions of any general or special order of the Government, take part in the promotion, registration or management of a co-operative society registered under the Co-operative Societies Act, 1912 (II of 1912), or under any similar Provincial law.

Private trade or employment.

13. No Government servant shall, except with the previous sanction of the Government, engage in any trade or undertake any employment or work, other than his official duties:

Provided that a Government servant may, without such sanction, undertake honorary work of a social or charitable nature or occasional work of a literary or artistic character, subject to the condition that his official duties do not thereby suffer; but he shall not undertake, or shall discontinue, such work if so directed by the Government.

Insolvency and habitual indebtedness.

14. A Government servant shall avoid habitual indebtedness. If a Government servant is adjudged or declared insolvent, or if the whole of that portion of his salary which is liable to attachment is frequently attached for debt, has been continuously so attached for a period of two years, or is attached for a sum which, in ordinary circumstances, he could not repay within a period of two years, he should be presumed to have contravened this rule. But he need not be so deemed if he proves that the insolvency or indebtedness is the result of circumstances which, with the exercise of ordinary diligence, he could not have

foreseen or over which he had no control and has not proceeded from extravagant or dissipated habits. A Government servant who applies to be or is adjudged or declared insolvent shall forthwith report his insolvency to the head of the office or department in which he is employed.

Communication of official documents or information.

15. No Government servant shall, except in accordance with any special or general order of the Government, communicate, directly or indirectly, any official document or information to a Government servant unauthorised to receive the same, to a non-official person, or to the press.

Connection with press.

16. No Government servant shall, except with, and during the continuance of, the previous sanction of the Government, own wholly or in part, or conduct or participate in the editing or management of any newspaper or other periodical publication.

Anonymous publication of documents and anonymous communications to the press.

17. No Government servant shall, in any document which he publishes anonymously or in any anonymous communication to the press, criticise the policy or action of Government intemperately or unreasonably. A Government servant shall in respect of any such publication or communication be subject to the provisions of rule 15.

Publication of documents and communications to the press in the name of Government servants and public speeches.

18. (1) No Government servant shall, in any document published over his own name or in any communication made to the press over his own name or in any public utterance delivered by him, make any statement of fact or opinion which is capable of embarrassing—

(a) the relations between the Central Government or any Provincial Government and the people of India or any section thereof, or

(b) the relations between His Majesty's Government or the Central Government and any foreign country or Indian State.

(2) A Government servant who intends to publish any document over his own name or to make any communication to the press over his own name or to deliver any public utterance containing statements in respect of which any doubt as to the application of the restrictions imposed by sub-rule (1) may arise shall submit to the Government a copy or draft of the document which he intends to publish or of the utterance which he intends to deliver, and shall thereafter act in accordance with such orders as may be passed by the Government.

Evidence before Committees.

19. (1) No Government servant shall give evidence before a public committee except with the previous sanction of the Government.

(2) No Government servant giving such evidence shall criticise the policy or decisions of the Secretary of State, of the Central Government or of any Provincial Government.

(3) This rule shall not apply to evidence given before statutory committees which have power to compel attendance and the giving of answers, nor to evidence given in judicial inquiries.

Taking part in politics and elections.

20. (1) (i) No Government servant shall take part in, subscribe in aid of, or assist in any way any political movement in India, or relating to Indian affairs.

Explanation.—The expression "political movement" includes any movement or activities tending directly or indirectly to excite disaffection against, or to embarrass, the Government as by law established, or to promote feelings of hatred or enmity between different classes of His Majesty's subjects, or to disturb the public peace.

(ii) No Government servant shall permit any person dependent on him for maintenance or under his care or control to take part in, or in any way assist, any movement or activity which is, or tends directly or indirectly to be, subversive of Government as by law established in India.

Explanation.—A Government servant shall be deemed to have permitted a person to take part in or assist a movement or activity within the meaning of clause (ii) if he has not taken every possible precaution and done everything in his power to prevent such person from so acting, or if, when he knows or has reason to suspect that such person is so acting, he does not at once inform the Government or the officer to whom he is subordinate.

(2) No Government servant shall canvass or otherwise interfere or use his influence in connection with, or take part in, any election to a legislative body, whether in India or elsewhere:

Provided that a Government servant who is qualified to vote at such election may exercise his right to vote; but, if he does so, shall give no indication of the manner in which he proposes to vote or has voted.

(3) A Government servant who issues an address to electors or in any other manner publicly announces himself or allows himself to be publicly announced as a candidate or prospective candidate for election to a legislative body shall be deemed for the purposes of sub-rule (2) to take part in an election to such body.

(4) The provisions of sub-rules (2) and (3) shall, so far as may be, apply to elections to local authorities or bodies, save in respect of Government servants required or permitted by or under any law, or order of the Government, for the time being in force to be a candidate at such elections.

Vindication of acts and character of Government servants as such.

21. (1) No Government servant shall, except with the previous sanction of the Government, have recourse to any Court or to the press for the vindication of his official acts or character from defamatory attacks.

(2) Nothing in sub-rule (1) shall derogate from the right of a Government servant to vindicate his private acts or character.

Membership of Service Associations.

22. No Government servant shall be a member, representative or officer of any association representing, or purporting to represent, Government servants or any class of Government servants unless such association satisfies the following conditions, namely:—

(*a*) Membership of the association shall be confined to a distinct class of Government servants, and shall be open to all Government servants of that class.

(*b*) The association shall not be in any way connected with, or affiliated to any association which does not, or any federation of associations which do not, satisfy condition (*a*).

(*c*) The association shall not be in any way connected with any political party or organisation, or engaged in any political activity.

(*d*) The association shall not—

(i) issue or maintain any periodical publication except in accordance with any general or special order of the Government;

(ii) except with the previous sanction of the Government, publish any representation on behalf of its members, whether in the press or otherwise.

(*e*) The association shall not, in respect of any election to a legislative body, or to a local authority or body, whether in India or elsewhere—

(i) pay, or contribute towards, any expenses incurred in connection with his candidature by a candidate for such election;

(ii) by any means support the candidature of any person for such election; or

(iii) undertake or assist in the registration of electors, or the selection of a candidate for such election.

(*f*) (i) The association shall not maintain or contribute towards the maintenance of any member of a legislative body, or of any member of a local authority or body, whether in India or elsewhere; or

(ii) pay, or contribute towards, the expenses of any trade union which has constituted a fund under section 16 of the Indian Trade Unions Act, 1926 (XVI of 1926):

Provided that conditions (*a*) and (*b*) shall not be held to debar any Government servant from remaining or becoming a member of the European Government Servants' Association or the Indian Officers' Association and that the Government may, for reasons to be recorded in writing, by general or special order, dispense with those conditions in the case of any other association.

Saving.

23. Nothing in these rules shall be deemed to derogate from the provisions of any law, or of any order of any competent authority, for the time being in force, relating to the conduct of Government servants.

24. The Government Servants' Conduct Rules, 1935 (a), are hereby cancelled in so far as they are applicable to the Government servants to whom these rules apply.

Given under my hand this 23rd day of July, 1942.

L. S. AMERY,
One of His Majesty's
Principal Secretaries of State."

No. 50/1/36-I-Pub. (C).—The following amendments made by the Secretary of State for India to the Secretary of State's Services (Conduct) Rules, 1942, are published for information:—

(515—1)

Public Service Commission, Bengal.

NOTICE.

APPLICATIONS are invited from male candidates to fill about 50 temporary posts of Lawyer-Magistrates. The appointments will be made for one year in the first instance. The Bengal Services Recruitment (Communal Ratio) Rules, 1940, will be applicable to the appointments.

(1) **Method of recruitment.**—The appointments will be made by selection from among candidates possessing the qualifications specified below.

(2) **Pay, etc.**—The selected candidates will draw a fixed pay of Rs. 300 per mensem. They will be regarded as being on probation for the first three months of their employment. In all cases they will be posted to districts where they have no clients and no landed property. They will not be allowed to draw travelling allowance for the journey to take up their first appointment. They will be liable to transfer to the same extent as are officers of the Bengal Civil Service. Their leave will be governed by the Leave Rules applicable to temporary Government servants.

(3) **Qualifications.**—Every candidate must possess the following qualifications:—

(i) he must be a British subject or be the subject of a State in India in respect of whom a declaration has been made under section 262(2) of the Government of India Act, 1935;

(ii) he must not be more than 40 years of age on the 1st of December 1943;

(iii) he must be a pleader of the mofussil or an advocate or barrister of the High Court, having not less than eight years' experience.

(4) **Date of submission of applications.**—Applications are to be made in writing in the prescribed form, copies of which may be obtained from the Secretary, Public Service Commission, Bengal, Darjeeling, personally or **on sending an addressed envelope with a nine pies stamp.** They must reach the Secretary not later than the 5th December 1943.

(5) **Particulars and certificates required.**—Each candidate must furnish evidence of his age (copy of Matriculation Certificate duly attested by a Magistrate or other responsible person), qualifications and previous experience together with two certificates, written not more than one year prior to the date of his application, from two responsible persons not related to him or connected with him by marriage, testifying to his private character. He must also furnish a statement showing the names of the districts where he has clients and landed property.

(6) **Fee.**—Every candidate must enclose with his application a fee of Rs. 5 in the form of a receipted chalan from a Government Treasury or the Reserve Bank of India, Calcutta, under the head XXXVI—Miscellaneous. Money orders, cheques, etc., in lieu of treasury chalans, are not accepted. In no circumstances will this fee be refunded.

(7) **Address.**—Every candidate should give his present address and should communicate at once any subsequent change of address.

(8) **Canvassing.**—Any attempt on the part of a candidate to enlist support for his application through persons of influence or officials of Government will disqualify him for appointment. Spontaneous recommendations from persons interested in the candidates or otherwise known to them will be disregarded.

(9) **General.**—The Commission will only acknowledge receipt of an application if a stamped envelope accompanies the enquiry or request for acknowledgment. The Commission are unable to give any indication of what has been their recommendation to Government in respect of an application received by them.

Applications from candidates who are in permanent or temporary employment under any Government in India will be rejected unless they are submitted through the appointing authority of the post or service of the candidates.

P. B. RUDRA, Secretary,
Public Service Commission, Bengal.

Calcutta, the 17th November 1943.

The Calcutta Gazette

THURSDAY, NOVEMBER 18, 1943

PART IV A—Bills introduced in the Bengal Legislative Assembly; Reports of Select Committees presented or to be presented to that Assembly; and Bills published before introduction in that Assembly.

BENGAL LEGISLATIVE ASSEMBLY DEPARTMENT.

NOTIFICATION.

No. 2008L.A.—12th November, 1943.—In pursuance of the provisions of rule 50 of the Bengal Legislative Assembly Procedure Rules, the following Bill which was introduced in the Bengal Legislative Assembly on September 28, 1943, is hereby published for general information together with the Statement of Objects and Reasons annexed thereto.

THE ADVOCATES ROBES BILL, 1943.

(As introduced in the Assembly on September 28, 1943.)

WHEREAS it is expedient to help in the creation of a unified Bar for the Province of Bengal and as a necessary step towards that and to prescribe a uniform robe for Advocates of the High Court;

It is hereby enacted as follows :—

1. This Act may be called the Advocates Robes Act, 1943.

2. This Act shall come into operation in the whole of Bengal on the day on which it is published in the *Calcutta Gazette* and it shall apply to all legal practitioners pleading in the High Court.

3. In this Act the words "High Court" shall mean the High Court of Judicature at Fort William in Bengal in its original as well as appellate jurisdictions and the word "Advocate" shall have the same meaning and import as in the Indian Bar Councils Act, 1926. Act XXXVIII of 1926.

4. Within a period to be prescribed by the High Court not being more than three months from the date on which this Act comes into force the High Court shall prescribe one uniform robe for all Advocates while appearing in Court without reference to any other robe which such Advocates might be entitled to wear as a member of any learned body.

STATEMENT OF OBJECTS AND REASONS.

It appears that the question of robes for its Advocates has long been agitating the High Court, at least since 1929. While trying to dispose of the matter in the interests of uniformity the Court made rules which led to uniformity but really to diversity. At present there are three classes of robes worn by Advocates of the High Court :—

(1) An Advocate's robe prescribed by the Court.

(2) A Barrister's Gown.

(3) A blue gown prescribed by the Court in 1907 for Vakils.

Recently there have been instances where the Court has itself not followed its own rules.

The idea for a long time has been to have a self-contained Indian Bar. Uniformity in robes is a step towards that end.

This Bill is therefore introduced to secure that end.

NISHITHA NATH KUNDU,
Member-in-charge.

K. ALI AFZAL,
Secy. to the Bengal Legis. Assembly.

BENGAL LEGISLATIVE ASSEMBLY DEPARTMENT.

NOTIFICATION.

No. 2005L.A.—12th November 1943.—In pursuance of the provisions of rule 50 of the Bengal Legislative Assembly Procedure Rules, the following Bill which was introduced in the Bengal Legislative Assembly on September 28, 1943, is hereby published for general information together with the Statement of Objects and Reasons annexed thereto.

THE BENGAL HINDU WOMEN'S RIGHTS TO AGRICULTURAL LAND BILL, 1943.

(As introduced in the Assembly on September 28, 1943.)

A BILL

to amend the Hindu Law governing Hindu women's rights to Agricultural land.

WHEREAS it is expedient to amend the Hindu Law to give better rights to women in respect of agricultural land in Bengal ;

It is hereby enacted as follows :—

Short title, Extent and effect.

1. (*i*) This Act may be called the Bengal Hindu Women's Rights to Agricultural Land Act, 1943.

(*ii*) It extends to the whole of Bengal.

(*iii*) It shall have retrospective effect as if it had come into force on the 14th day of April, 1937.

Application.

2. Notwithstanding any rule of Hindu Law or custom to the contrary, the provisions of section 3 shall apply where a Hindu dies intestate.

3. (*1*) When a Hindu governed by the *Dayabhag* School of Hindu Law dies intestate leaving any agricultural land in Bengal, and when a Hindu governed by any other school of Hindu Law or by customary law dies intestate leaving such land in Bengal, his widow, or if there is more than one widow all his widows together, shall, subject to the provisions of sub-section (*3*), be entitled in respect of such agricultural land in respect of which he dies intestate to the same share as a son :

Provided the widow of a predeceased son shall inherit in like manner as a son if there is no son surviving of such predeceased son and shall inherit in like manner as a son's son if there is surviving a son or son's son of such predeceased son :

Provided further that the same provisions shall apply *mutatis mutandis* to the widow of predeceased son of a predeceased son :

Provided further that if there is a daughter or daughters of the intestate and a sonless widow or widows of a predeceased son, but no son, grandson or great-grandson of the intestate living, all of them shall inherit the estate equally.

(*2*) When a Hindu governed by any school of Hindu Law other than the *Dayabhag* School or by customary law dies having at the time of his death an interest in a Hindu joint family property consisting of agricultural land in Bengal, his widow shall, subject to the provisions of sub-section (*3*), have in such property the same interest as he himself had.

(*3*) Any interest devolving on a Hindu widow under the provisions of this section shall be the limited interest known as a Hindu women's estate, provided however that she shall have the same right of claiming partition as a male owner.

(*4*) The provisions of this section shall not apply to an estate which by a customary or other rule of succession or by the terms of the grant applicable thereto descends to a single heir to any property to which the Indian Succession Act, 1925, applies. Act XXXIX of 1925.

Savings.

4. Nothing in this Act, shall apply to the property of any Hindu dying intestate before the fourteenth day of April, 1937.

5. For the purposes of this Act, a person shall be deemed to die intestate in respect of all property of which he has not made a testamentary disposition which is capable of taking effect.

STATEMENT OF OBJECTS AND REASONS.

The object of this Bill is to give to a daughter that share of inheritance in her father's estate to which she should be entitled in equity and justice and according to the instinct of natural love and affection.

BENGAL LEGISLATIVE ASSEMBLY DEPARTMENT.

NOTIFICATION.

No. 2006L.A.—12th November, 1943.—In pursuance of the provisions of rule 50 of the Bengal Legislative Assembly Procedure Rules, the following Bill which was introduced in the Bengal Legislative Assembly on September 28, 1943, is hereby published for general information together with the Statement of Objects and Reasons annexed thereto.

THE BENGAL FISHERIES BILL, 1943.

(As introduced in the Assembly on September 28, 1943.)

A BILL

to provide for State control, extension and improvement of fisheries of Bengal and protection against exploitation of people engaged in Fishing Industry.

WHEREAS it is expedient to provide for State control, extension and improvement of fisheries of Bengal, and protection against exploitation of people engaged in fishing industry;

It is hereby enacted as follows :—

Short title, extent and commencement.

1. (*a*) This Act may be called the Bengal Fisheries Act, 1943.

(*b*) It extends throughout the Presidency of Bengal including that portion of the Bay of Bengal which lies within 3 nautical miles from low water mark which is included within the territorial limits of Bengal.

(*c*) It shall come into force on such date as the Provincial Government may by notification in the *Official Gazette* appoint.

Definitions.

2. (*a*) "Lessee of fishery" in this Act means the person who has taken lease for actually catching fish himself or by his relations.

(*b*) "Fishery rent" means the rent paid for fishing by any actual catcher of fish.

3. All fishermen as well as private individuals fishing in any river of Bengal whether navigable or not and whether fishery right thereof belongs to Government or to private individuals, shall observe the rules forbidding destruction of small fries and larvacidal fish, and draining fisheries dry, enjoining close seasons, controlling *jag* and *kata* system of fishing, controlling the size of nets in estuarian areas, etc., as prescribed by the Fisheries Department of Government from time to time and published in the *Official Gazette*.

4. Fishing by angle or *jhaki* or other small nets shall be free in all the rivers of Bengal.

5. Fishing for purposes of sale by big nets shall be liable to rent but in spite of anything in any contract in no case shall the superior interest be entitled to more than 50 *per cent.* of the value of the fish caught according to the prices in the nearest market from the lessee of a fishery.

6. The fishery rent shall be enhanceable and shall also be liable to reduction due to increase and decrease in the value of the catch from time to time, but such enhancement and reduction shall only be made on the decree of a court which shall in all such cases take average value of catch of the immediately preceding 3 years.

7. Any sum realised in excess of rent under any denomination whatsoever shall be illegal and the person by whom and for whom the sum is realised shall be liable to a fine which may amount to 25 times of the amount realised.

8. Anyone disobeying the provisions of section 3 shall be liable to a fine which may extend to Rs. 500 in the first instance, in default 1 year's rigorous imprisonment and to rigorous imprisonment for 2 years on repetition.

9. The Provincial Government may have the estuarian fisheries surveyed and may lease them out or hold them *khas*, but the provisions of this Act shall under all circumstances apply to such estuarian fisheries also.

STATEMENT OF OBJECTS AND REASONS.

Fish is one of the chief articles of diet in Bengal, but its supply is steadily decreasing and there is serious apprehension of shortage of fish in the near future unless legislation is made for State control, extension and improvement of fisheries.

It is also necessary to protect the actual catchers of fish from exploitation.

With the above object in view the present Bill has been drawn up and provisions have been made in it for protection of fries, for observance of close seasons, for catching of fish and for removal of *jak*, etc., and also for fixing the maximum proportion of rent realised from the fishermen.

BENGAL LEGISLATIVE ASSEMBLY DEPARTMENT.

NOTIFICATION.

No. 2009L.A.—12th November, 1943.—In pursuance of the provisions of rule 50 of the Bengal Legislative Assembly Procedure Rules, the following Bill which was introduced in the Bengal Legislative Assembly on September 28, 1943, is hereby published for general information together with the Statement of Objects and Reasons annexed thereto.

THE BENGAL MONEY-LENDERS (AMENDMENT) BILL, 1943.

(As introduced in the Assembly on September 28, 1943.)

A

BILL

to amend the Bengal Money-Lenders Act, 1940.

WHEREAS it is expedient to amend the Bengal Money-Lenders Act, 1940, in the manner hereinafter appearing; Ben. Act X of 1940.

It is enacted as follows :—

1. (*1*) This Act may be called the Bengal Money-Lenders (Amendment) Act, 1943.

(*2*) It shall come into force on such date hereinafter called the commencement of this Act as the Provincial Government may by notification in the *Official Gazette* appoint in this behalf.

2. In sub-section (*22*) of section 2 of the Bengal Money-Lenders Act, 1940, hereinafter referred to as the said Act, the year "1926" be substituted for the year "1939".

3. (*1*) In section 36 clause (*1*)(*a*) after the words "reopen any transaction" the following words shall be added "and reopen all decrees passed on account of principal and interest after the 1st day of January, 1926".

(*2*) In section 36 clause (*1*)(*b*) of the said Act, after the word "reopen any account already taken between the parties" the following words shall be added "and cancel or declare null and void any transfer by *Kobala* or otherwise or lease of any denomination in consideration of the original debt with interest *plus* an amount in cash or not either in favour of the creditor, his relation or *benamdars* or assigns".

(*3*) In section 36 clause (*1*) of the said Act, after sub-clause (*c*) the following shall be added :—

"and grant such number of annual *kists*, not exceeding twenty years as the Court may think fit."

4. In section 36(*2*) clause (*a*) of the said Act, after the words "opportunity of being heard " and before the words "pass a new decree" the words "reopen the original decree, whatever be its nature, in its entirety" shall be inserted.

5. In section 36(*6*) sub-clause (*11*) in place of the word "one" before the word "year" the word "two" shall be substituted.

6. After section 36 of the said Act, the following shall be added as section 36A :—

"36A. The powers of the Court under section 36 of this Act may be exercised notwithstanding that the money-lender's right of action for the recovery of the money lent, or the right of execution for the balance of the decretal dues is barred. Notwithstanding anything to the contrary in the Provincial or Presidency Small Cause Court Act or in any other law for the time being in force an appeal against an order of granting or refusing an application or a borrower's suit under section 36 of this Act shall ordinarily lie to the Court authorised to hear appeals from the decision of the Court passing the order within the meaning of section 96 of the Civil Procedure Code, 1908." Act V of 1908.

7. After the proposed new section 36A of the said Act, the following shall be added as new section 36B :—

"36B. This Act shall be retrospective in operation and shall have retrospective effect, and a borrower shall be entitled to file a fresh application notwithstanding that a previous application was dismissed, provided that the new application is filed within one year from the commencement of this section."

STATEMENT OF OBJECTS AND REASONS.

The main purpose of this amendment is to give better and more effective relief to the debtors. The practical working of the Act shows that in the majority of cases no relief can be granted by the courts because of the technical difficulties created by the definition of the expression "suit to which this Act applies". It is invariably seen that the more intelligent section of the money-lenders had purchased valuable properties in execution proceedings for a fractional share of the decretal dues and allowed the balance to be barred by limitation without taking any steps in execution. Whereas others in similar circumstances kept alive the decree and are now hit by the Money-Lenders Act. This has caused heartburning amongst this class of money-lenders. In former cases the debtors too cannot get the intended relief. Hence to bring the said cases of hardship within the operation of the Act the proposed amendment of section 2(*22*) and the insertion of section 36A have been made.

It has been held that a decree in a mortgage suit cannot be reopened for the purpose of granting instalments only. In these days of all-round economic depression and in view of the recent devastations caused by floods and cyclones, the granting of instalments should be treated as an appropriate relief. The proposed amendment seeks to grant this relief of paying decretal dues by easy instalments.

Some courts are found to make a distinction between a mortgage decree and a personal decree for the unsatisfied part of the decretal dues after sale of the mortgaged property. It should be made clear that the entire mortgage decree should be reopened.

The period of filing a review application should be extended as it is felt necessary.

A provision for appeal against granting or refusing an application under section 36 is essentially necessary to safeguard the interest of the parties.

New section 36A is suggested on the lines of Money-Lenders Act (England), 1927, and is adopted from that Act. If barred debts cannot be taken into consideration for the purpose of reopening decrees no suitable relief by way of restoration of property is possible in majority of cases.

The other amendments are incidental and consequential to the proposed amendments.

In short the main purpose of the amendment is to provide for better and more effective relief to the mass of the indebted and suffering humanity.

No. 2007L.A.—12th November, 1943.—In pursuance of the provisions of rule 50 of the Bengal Legislative Assembly Procedure Rules, the following Bill which was introduced in the Bengal Legislative Assembly on September 28, 1943, is hereby published for general information together with the Statement of Objects and Reasons annexed thereto.

THE BENGAL VILLAGE SELF-GOVERNMENT (AMENDMENT) BILL, 1943.

(As introduced in the Assembly on September 28, 1943.)

A
BILL

to amend the Bengal Village Self-Government Act, 1919. Ben. Act V of 1919.

WHEREAS it is expedient to make further provision for the amendment of the Bengal Village Self-Government Act, 1919;

It is hereby enacted as follows:—

1. (1) This Act may be called the Bengal Village Self-Government (Amendment) Act, 1943.

(*2*) It extends to the whole of Bengal.

(*3*) It shall come into force on such date as the Provincial Government may, by notification in the *Official Gazette*, appoint.

2. In section 17B after the words "the election of a member of a Union Board" the following words shall be added :—

"or in respect of the nomination paper filed by him ".

STATEMENT OF OBJECTS AND REASONS.

This amendment is necessary in order to remove all doubts regarding the scope of the dispute to be referred to the District Magistrate for final decision. The amendment will give power to the District Magistrate to decide all disputes regarding nomination papers wrongly accepted or rejected by the Circle Officer whose decision is final and cannot even be questioned by the District Magistrate under the present election rules, however arbitrary and illegal it may be.

THE BENGAL TENANCY (AMENDMENT) BILL, 1943.

As introduced in the Assembly on September 28, 1943.)

A

BILL

further to amend the Bengal Tenancy Act, 1885, and the Bengal Tenancy (Amendment) Act, 1940.

WHEREAS it is expedient further to amend the Bengal Tenancy Act, 1885, and the Bengal Tenancy (Amendment) Act, 1940, for the purposes and in the manner hereinafter appearing; Ben. Act VIII of 1885. Ben. Act XVIII of 1940.

It is hereby enacted as follows:—

Short title. **1.** (*1*) This Act may be called the Bengal Tenancy (Amendment) Act, 1943.

(*2*) It shall come into force on such date as the Provincial Government may, by notification in the *Official Gazette*, appoint, but not later than the 31st March, 1943.

Amendment of section 168A. **2.** In section 168A of the Bengal Tenancy Act, 1885, as amended by Bengal Act XVIII of 1940—

(*a*) for the words "other than the entire tenure or holding to which the decree or certificate relates", at the end of the first paragraph of sub-section (*1*) (*a*), the following words shall be substituted :—

"other than the entire interest of the judgment-debtor or certificate-debtor in the tenure or holding";

(*b*) for the proviso to sub-section (*1*) (*a*), the following proviso shall be substituted:—

"Provided that the provisions of this clause shall not apply if—

(*i*) in any manner, other than by surrender of the entire tenure or holding to the decree-holder or certificate-holder, the tenancy ceases to exist; or

(*ii*) for any reason whatsoever, the interest in the tenancy of the judgment-debtor or certificate-debtor against whom execution is sought is not available to the decree-holder or certificate-holder for attachment and sale in execution of his decree or certificate".

3. For sub-section (*1*) (*b*) the following shall be substituted :—

"(*b*) The bid of a purchaser, other than the decree-holder or certificate-holder, at a sale held in execution of a decree or certificate for arrears of rent in respect of a tenure or holding or the interest of the judgment-debtor or certificate-debtor in the same, shall not be accepted by the Court, if the said bid is less than the amount due under the decree or certificate together with the costs incurred in bringing the tenure or holding to sale".

4. Sub-section (*3*) shall be deleted.

STATEMENT OF OBJECTS AND REASONS.

The insertion of section 168A in the Bengal Tenancy Act, 1885, by the Bengal Act XVIII of 1940 has made realisation of arrear rents by attachment and sale of any moveable or immoveable property other than the entire tenure or holding to which the decree or the certificate relates, illegal. Even this restricted remedy has been made infructuous by circumstances which were evidently not foreseen by the legislators.

Firstly, clause (*a*) of sub-section (*1*) of the section by providing for the attachment and sale of "the entire tenure or holding to which the decree or certificate relates" has made a demand on the landlord which is very difficult of execution in practice. Instead of having the entire tenure or holding available for realisation of his arrear rents, he will be satisfied only with the interests of the judgment-debtor or the certificate-debtor in the tenure or holding concerned.

Secondly, there is no safeguard provided in the section against fictitious or real transfer by the judgment-debtor or the certificate-debtor of his interests in the tenure or holding after defaulting payment of rent for the maximum period and before the attachment of his tenure or holding. This lacuna has proved most disastrous to the decree-holders and has left them practically without any remedy.

It is only with this object of removing the defect which was not the purpose of this section and without in any way interfering with the broad principles underlying the same, that this amendment is proposed.

NOTIFICATION.

No. 2010L.A.—12th November, 1943.—In pursuance of the provisions of rule 50 of the Bengal Legislative Assembly Procedure Rules, the following Bill which was introduced in the Bengal Legislative Assembly on September 28, 1943, is hereby published for general information together with the Statement of Objects and Reasons annexed thereto.

THE BENGAL LOCAL SELF-GOVERNMENT (AMENDMENT) BILL, 1943.

(As introduced in the Assembly on September 28, 1943.)

A

BILL

further to amend the Bengal Local Self-Government Act of 1885.

WHEREAS it is expedient to further amend the Bengal Local Self-Government Act of 1885 for the purpose of providing for the abolition of District Boards and for providing the Local Boards with similar powers of the existing District Boards ; Ben. Act III of 1885.

It is hereby enacted as follows :—

1. This Act may be called the Bengal Local Self-Government (Amendment) Act, 1943.

2. It shall come into force at once.

3. Notwithstanding anything contained elsewhere in this Act, the Provincial Government may by notification abolish District Boards with effect from a date to be specified in the notification.

4. Section 6 of the Act be modified as follows :—

"6. The Provincial Government shall, by notification, establish a Local Board for every subdivision or in any part of a district where there is no subdivision. A Local Board shall have authority, for the purposes of this Act, over the area for which it is established."

5. The first paragraph of section 9(*1*) be modified as follows :—

9. (*1*) All the members of a Local Board shall be elected by secret ballot by persons entitled to vote for the purpose within the area under the authority of the Local Board within such time and in accordance with such rules as may be prescribed in their behalf under clause (*a*) of section 138.

(*2*) Every person who is qualified to vote at an election of members of a Local Board or of a Union Board within the areas under the authority of a Local Board shall, subject to the provisions of section 15A, be entitled to be a member of the Local Board, if duly elected.

6. Section 10A of the said Act be repealed.

7. Sections 11 and 12 of the said Act be repealed.

8. Section 36A of the Bengal Local Self-Government (Amendment) Act, 1936, be repealed. Ben. Act XIV of 1936.

STATEMENT OF OBJECTS AND REASONS.

With the introduction of provincial autonomy it has been imperatively necessary to develop and decentralise the system of Local Self-Government and to secure this end it has been proposed to empower the Local Boards with semi-autonomous powers in their respective subdivisions similar to that of the District Boards of Bengal, like what was contemplated by section 101 of the Local Self-Government Act and to abolish the District Boards.

A

BILL

to regulate the conditions to be implied on letting of small house.

WHEREAS it is expedient to regulate the conditions of letting of small houses to working classes ; and

WHEREAS it is expedient to introduce measures against persons who while default continues demand or collect rent in respect of house occupied by a working class ; it is hereby enacted as follows :—

CHAPTER I.

Introduction.

Short title.

1. (*1*) This Act may be called the Bengal Housing Act, 1943.

Commencement.

(*2*) It shall come into force on such date (hereinafter called "the commencement of the Act") as the Provincial Government may, by notification in the local *Official Gazette*, appoint in this behalf.

Extent.

(*3*) It extends to the entire area under the Calcutta Corporation, Municipalities, and industrial places.

CHAPTER II.

Definition.

Definition.

2. (*1*) "Tenant" means a person who belongs to working classes and who takes a lease written or verbal for the use and occupation of a house or a portion thereof from the owner or a superior lessee of the house or from an employer as the case may be on the condition of payment of rent per month or for any period or free of rent as may be agreed upon between the parties.

(*2*) "Landlord" means and includes an owner or a lessee under him or an employer who lets out a house or a portion thereof to an employee free of rent.

(*3*) "Minister" means Minister in charge of Public Health or includes any person authorised by the Minister to function on his behalf.

(*4*) "Rent" means money payable by a tenant for the use and occupation of the house in his tenancy and may include or exclude municipal tax.

(*5*) "Local authority" means and includes officers of the Public Health Department of the Government, Calcutta Corporation and Municipalities.

(*6*) "Working classes" means and includes person who receives from an employer salary not more than Rs. 100 a month excluding any other allowances drawn by him.

CHAPTER III.

Condition to be implied in letting small house.

Condition in letting small house.

3. In any contract for letting for human habitation a house at a rent not exceeding—

(*a*) in the case of a house situated within the Calcutta Corporation Rs. 20 ; and

(*b*) in the case of a house situated elsewhere Rs. 10.

Penalty for default.

4. House occupied by persons of working classes the name and addresses of the health officers of the district and of the landlord or other person who is directly responsible for keeping the house in all respects reasonably fit for human habitation shall be inserted in the rent-book or where rent book is not used shall be delivered in writing to the tenant at the commencement of the tenancy and before any rent is demanded or collected ; and where there has been any failure to comply with the provisions of the section in respect of any house any person who while the default continues demands or collects any rent in respect of the house as aforesaid shall on summary conviction be liable to a fine not exceeding rupees fifty.

The Bengal Housing Bill, 1943.

(Clauses 5—6.)

Duty of local authority in regard to inspection of houses.

5. It shall be the duty of every local authority to cause an inspection of their jurisdiction to be made from time to time with a view to ascertaining whether any house therein is unfit for human habitation and for that purpose it shall be the duty of the authority and every officer of the authority to comply with such regulations and to keep such records as the Minister may prescribe.

Power of local authority to make and enforce bye-laws.

6. The local authority may, and if required by the Minister, shall make and enforce bye-laws with respect to houses which are occupied or are of a type suitable for occupation by persons of the working classes—

(*a*) for fixing and from time to time varying the number of persons who may occupy such a house and for the separation of the sexes therein ;

(*b*) for the registration and inspection of such houses ;

(*c*) for enforcing drainage and promoting cleanliness and ventilation of such houses ;

(*d*) for requiring provisions adequate for the use of and readily accessible to each family of the tenants—

(*i*) closet accommodation,

(*ii*) water-supply and washing accommodation, and

(*iii*) accommodation for storage of foodstuff and cooking of foods ; and, where necessary, for securing separate accommodation as aforesaid for every part of any such house which is occupied as a separate dwelling ;

(*e*) for keeping in repair and adequate lighting of any common staircases in such houses ;

(*f*) for securing stability and the prevention of and safety from fire ;

(*g*) for the cleansing and redecoration of the premises at stated times and for the paving of the courts and courtyards ;

(*h*) for the provision of hand rails where necessary, for all staircases for such houses ;

(*i*) for securing the adequate lighting of every room in such houses ;

(*j*) for the prevention of nuisance arising from or in a part of the building or an underground room in respect of which a closing order under section 7 of this of Act, is in force ; and

(*k*) as respects houses situate in the municipal or industrial areas for taking precautions in the case of infectious disease.

The Bengal Housing Bill, 1943.

(Clause 7.)

Repair, demolition and closing of insanitary premises.

7. (*1*) Where a local authority upon consideration of an official representation or a report from any of their officers, or other information in their possession, are satisfied that any house which is occupied or is of a type suitable for occupation by persons of the working classes, is in any respect unfit for human habitation, they shall unless they are satisfied that it is not capable of reasonable expenses of being rendered so fit serve upon the person having control of the house, a notice requiring him within such a reasonable time, not being less than twenty-one days as may be specified in the notice to execute the works specified in the notice and stating that in the opinion of the authority these works will render the house fit for human habitation.

(*2*) In addition to serving a notice under this section on the person having control of the house, the local authority may serve a copy of the notice on any other person having an interest in the house, whether as free-holder mortgagee, lessee or otherwise.

(*3*) In determining for the purpose of this Act, whether a house can be rendered fit for human habitation at a reasonable expense, regard shall be had to the estimated cost of the works necessary to render it so fit and the value which it is estimated that the house will have when the works are completed.

STATEMENT OF OBJECTS AND REASONS.

It has been a long-felt grievance of the tenants that for want of proper control of the house occupied by working classes in respect of proper sanitation, ventilation and regular repairs they suffer from various difficulties which develop pernicious diseases in them and many of them become victims of diseases of respiratory organs. Tuberculosis is also the cause of living in houses which have been rendered unfit for human habitation due to negligence of the owners of the houses. From humanitarian point of view this Bill has been brought before the House to introduce control of the houses of the working classes who are the pivot of all industries, trade and commerce of the country.

NOTIFICATIONS.

No. 2995F.G.—15th November 1943.—In exercise of the powers conferred by clauses (*a*) and (*f*) of sub-rule (*2*) of rule 81 of the Defence of India Rules, the Governor is pleased to make the following Order, namely:—

Order.

1. No consignment or any part thereof of any of the commodities specified in the Schedule below arriving at any of the railway or steamer stations in Calcutta and the Industrial Area shall be delivered to the consignee or to anybody else, unless such delivery is authorised by an endorsement in writing to this effect made by the Director of Civil Supplies, Bengal, or an officer empowered by him in this behalf on the railway or steamer receipt under which such consignment or part thereof is deliverable:

Provided that nothing in this Order shall apply to the delivery of any consignment, (*1*) the total weight of which does not exceed two and a half maunds or (*2*) which is booked under a military credit note or to an officer of the Defence services by designation.

Explanation.—In this Order—

(*1*) "Calcutta" means the town of Calcutta as defined in section 3 of the Calcutta Police Act, 1866, together with the suburbs of Calcutta as defined by notification under section 1 of the Calcutta Suburban Police Act, 1866;

(*2*) "Consignee" includes the Director of Civil Supplies, Bengal, or any officers of Government to whom any of the commodities specified in the Schedule has been consigned; and

(*3*) "Industrial Area" means the Sadar and Barrackpore subdivisions of the district of the 24-Parganas, the Sadar subdivision of the district of Howrah and the Sadar and Serampore subdivisions of the district of Hooghly.

2. No railway or steamer receipt in respect of any consignment or part thereof of any of the commodities specified in the Schedule below arriving at any of the railway or steamer stations in Calcutta or the Industrial Area shall be transferred by sale or otherwise to any person other than the consignee unless the Director of Civil Supplies, Bengal, has specially permitted such transfer by an order in writing.

Police

NOTIFICATION.

No. 8944Pl.—25th November 1943.—In exercise of the powers conferred by sub-rule (*2*) of rule 81 of the Defence of India Rules, the Governor is pleased to make the following Order:—

Order.

1. (*1*) This Order may be called the Dealers in Old Metals (Registration) Order, 1943.

(*2*) It shall come into force at once.

(*3*) It extends to Calcutta and to the Sadar and Barrackpore subdivisions of the district of the 24-Parganas, the Sadar subdivision of the district of Howrah and the Serampore and the Sadar subdivisions of the district of Hooghly.

2. In this Order, unless there is anything repugnant in the subject or context,—

(*a*) "Calcutta" means the town of Calcutta as defined in section 3 of the Calcutta Police Act, 1866, together with the suburbs of Calcutta as defined by notification under section 1 of the Calcutta Suburban Police Act, 1866;

(*b*) "dealer in old metals" means a person engaged in any undertaking which involves,—

(*i*) the purchase, storage for sale or sale of old metals only or mainly of old metals, or

(*ii*) the purchase, storage for sale or sale of old metals together with any second-hand machines, machine tools, machine parts, wires or other goods or any second-hand marine stores;

(*c*) "marine stores" include anchors, cables, sails, old junk and old iron;

(*d*) "old metals" include scrap metal, broken metal or partly manufactured metal goods, or defaced or old metal goods;

(*e*) "police-station" means within the jurisdiction of the Calcutta Police, a police section.

3. (*1*) Every dealer in old metals shall, before the expiration of twenty-one days from the commencement of this Order, or before the expiration of twenty-one days from the date on which after the commencement of this Order he becomes first subject to the provisions of this paragraph, apply to the Officer-in-charge of the police-station within the jurisdiction of which he carries on his undertaking to be registered as a dealer in old metals.

(*2*) When an application has been made by a dealer in old metals under sub-paragraph (*1*) the Officer-in-charge of the police-station to whom the application is made shall register such dealer by including his name and the particulars regarding his place of business and the place or places at which he stores old metals for sale, in a register to be maintained for the purpose by such officer in the form set forth in Schedule I annexed hereto.

(*3*) No dealer in old metals shall,—

(*a*) after the expiry of the period referred to in sub-paragraph (*1*) engage in any undertaking which involves purchase, storage or sale of any old metals unless he has applied for registration under the said paragraph and has been duly registered thereunder, or

(*b*) after registration under sub-paragraph (*2*) store old metals for sale at any place or places other than the place or places which have been recorded in respect of his registration under sub-paragraph (*2*).

4. Every dealer in old metals shall, whenever he intends to remove to a new place of business, or to store the old metals or any portion thereof at any place other than that which has been recorded in respect of his registration in the register referred to in paragraph 3, give notice of such intention at least seven days before such removal or storage is effected together with

the full address of the new place of business or storage, as the case may be, to—

(*a*) the Officer-in-charge of the police-station within the jurisdiction of which he is carrying on his undertaking at the time when such notice is given, and

(*b*) the Officer-in-charge of any other police-station within the jurisdiction of which he intends to have his new place of business or to store the old metals or any portion thereof.

5. Every dealer in old metals shall, when applying for registration under paragraph 3 or giving notice under paragraph 4, furnish such information as may be necessary for the completion of the register in the form set forth in Schedule I annexed hereto.

6. Every dealer in old metals registered under this Order shall maintain in the form set forth in Schedule II annexed hereto—

(*a*) a record of all old metals which come in to his possession from time to time with the name of the person by whom, the time and place at which and the name of the person from whom, they were purchased or received; and

(*b*) a record of all old metals which he may from time to time sell or otherwise dispose of with the name, business and place of abode or business of the person to whom they were sold or otherwise transferred.

7. Any Officer-in-charge of police-station may, for the purpose of securing compliance with the provisions of this Order—

(*a*) require any dealer in old metals to produce any books, accounts or other documents relating to his undertaking and furnish any information relating thereto and every such dealer shall comply with such requisition; and

(*b*) at any time enter and inspect any premises used or believed to be used by a dealer in old metals for carrying on his undertaking.

8. If any person contravenes the provisions of paragraph 3 or paragraph 6 of this Order, then, without prejudice to any other punishment to which he may be liable, any court trying the offence may order that any old metals in respect of which the court is satisfied that the offence has been committed, shall be forfeited to His Majesty.

By order the Governor,
E. W. HOLLAND, Secy.

NOTIFICATIONS.

Bogra.—No. 1173C./M.—13th November 1943.—The following draft of a set of by-laws, which has been framed by the Commissioners of the Bogra Municipality, under section 417 of the Bengal Municipal Act, 1932 (Bengal Act XV of 1932), and which the Governor proposes to confirm under section 506 of the Act, is published for the information of persons likely to be affected thereby.

2. The draft will be taken into consideration on the 15th February 1943, and any objection or suggestion received by the undersigned through the District Magistrate and the Divisional Commissioner before that date will be duly considered:—

Draft by-laws.

1. In these by-laws the word "vendor" includes a shop-keeper, stall-holder, squatter or other salesman in any market or in any other place within the municipality.

2. All vendors within the municipality shall use—

(*i*) Government standard weights, that is to say, a *maund*, consisting of forty *seers*, a *seer* consisting of eighty *tolas* and a *tola* consisting of one hundred and eighty *grains*, and

(*ii*) a standard cubit consisting of eighteen inches for the measure of commodities other than land.

3. The Commisisoners shall require the superintendents of the municipal markets or any other officers duly authorised by them in that behalf, and may require the owner, manager or other person in charge of a private market to keep in their custody standards of weights and measures conforming with the standard prescribed in by-law 2 for the purpose of verifying the weights and measures used by any vendor for the sale of articles in any market or in any other place. Such superintendents or other officers duly authorised by the Commissioners shall keep in their custody a die for the purpose of stamping weights and measures, which have been duly verified in the manner provided in by-law 4.

4. The Superintendent of a municipal market or any other officer duly authorised by the Commissioners in that behalf, shall, not less than once in every three months, test and verify the weights and measures used by each vendor in every market or other place by comparison with the aforesaid standards and shall also similarly test and verify every weight or measure that may be brought to him by any person at his office for the purpose of verification; and if, in either case, he finds the same to be correct, shall stamp it with the die mentioned in by-law 3 by way of verification on payment of such fee, not *exceeding annas four* in each case as the Commissioners may from time to time direct:

Provided that weights and measures once stamped shall not be stamped with the die a second time unless the stamp has become faint or obliterated.

Khulna.—No. 1174C./M.—13th November 1943.—It is hereby notified under section 50 of the Bengal Municipal Act, 1932 (Bengal Act XV of 1932), that the following gentlemen have been duly elected as Commisisoners of the Satkhira Municipality in the district of Khulna:—

Ward No. II—Babu Chitta Ranjan Banerjee, Babu Ranga Lal Bose and Maulvi Tofazzuddin Ahamed (reserved seat).

Ward No. III—Babu Lilapada Majumder and Khan Shahib Maulvi Abdur Rouf Khan Chaudhury (reserved seat).

Ward No. IV—Babu Hemendra Nath Ghose and Maulvi Md. Abdul Jabber Khan (reserved seat).

2. Under section 16 of the Act, the Governor is pleased to appoint the following gentlemen to be Commissioners of the said municipality—

Dr. Moazzam Hossain Khan Chaudhuri, Babu Satyapriya Chatterji and Babu Srimanta Mistri.

Bakarganj.—No. 1175C./M.—13th November 1943.—The following draft of a set of by-laws, which has been framed by the Commissioners of the Jhalakati Municipality, in the district of Bakarganj, under section 269(*b*), (*c*) and (*f*) of the Bengal Municipal Act, 1932 (Bengal Act XV of 1932), and which the Governor proposes to confirm under section 506 of the Act, is published for the information of persons likely to be affected thereby.

2. The draft will be taken into consideration on the 1st February 1943, and any objection or suggestion received by the undersigned through the District Magistrate and the Divisional Commissioner before that date will be duly considered:—

By-laws under section 269(b), (c) and (f) of the Bengal Municipal Act, 1932, regarding privies and urinals of hand removal system.

1. *Plans of privies and urinals to be submitted to Commissioners.*—(*1*) Every person who intends to construct any service privy or service urinal or to make any substantial additions to, or alterations in, any such privy or urinal, shall send to the Commissioners an application in such form (to be supplied to the applicant free of charge) as may be laid down by the Commissioners.

(*2*) Such application shall be accompanied by—

(*a*) a site plan, in triplicate unless the Commissioners otherwise direct, drawn to a scale of not less than twenty feet to the inch and showing all surrounding to a distance of fifty feet from the privy or urinal, and

(*b*) a detailed plan in triplicate of the privy or urinal with sections and cross-sections, drawn to a scale of four feet to the inch and showing the means of ventilation and any other particulars which may be required by the Commissioners.

2. *Power to Commissioners to refuse to sanction service privy or service urinal which will be nuisance.*—The Commissioners may, for reasons to be recorded by them in writing and furnished to the applicant free of charge, refuse to grant permission to erect any service privy or service urinal which will, in their opinion, be a nuisance.

3. *Regulation of site of service privies and service urinals.*—(*1*) No service privy or service urinal exceeding eleven feet in height shall be placed in the space required by this Act to be left at the back of a building.

(*2*) No service privy or service urinal situated in, or adjacent to, a building shall be placed at a distance of less than six feet from—

(*i*) any public building, or

(*ii*) any building which is, or is likely to be, used as a dwelling place, or kitchen, or as a place in which any person is, or is intended to be, employed in any manufacture, trade or business.

(3) No service privy or service urinal shall be constructed in any premises occupied by a masonry building, or, without the special sanction of the Commissioners, in any other premises which are situated in a street which has been sewered and has an adequate water supply.

(*4*) Every service privy and service urinal shall be detached from the inhabited portion of any building.

4. *Prohibition of construction of service privy or service urinal on upper floor of a building.*—No service privy or service urinal shall be placed on any upper floor of a building.

5. *Models and type plans.*—Models and type plans of service privies and urinals approved by the Commissioners, with estimates of the cost of constructing service privies and urinals in accordance therewith, shall be kept in the municipal office, and shall be open to inspection by any person at all reasonable times without charge; but no person shall be bound to construct any service privy or urinal in accordance with any such model or type plan if such privy or urinal be constructed in accordance with these by-laws.

6. *Drains.*—(*1*) A drain shall be provided for every service privy or service urinal.

(*2*) Such drain shall be constructed of some impervious material and shall connect the floor of the privy or urinal—

(*a*) with a drain communicating with a municipal sewer, or

(*b*) if permitted by the Commissioners, with—

(*i*) an impervious cesspool the contents of which can be removed by hand or by vacuum gulley-pit emptying machine, or

(*ii*) a soak-pit, as described in by-law No. 33(*a*) of the model by-laws, regarding privies, urinals and drains of water carriage system, or

(*iii*) a municipal drain.

7. *Floor.*—The floor of every service privy and every service urinal shall—

(*1*) be made of cement or other impervious material, or if the owner so desires, of glazed tiles, artificial stone, or glazed sanitary ware,

(*2*) be in every part at a height of not less than six inches above the level of the surface of the ground adjoining the privy or urinal, and

(*3*) be made with a fall or inclination of at least half an inch to the foot towards the drain specified in by-law 6.

8. *Walls.*—The walls and roof of every service privy, and the walls and roof (if any) of every service urinal, shall be made of such materials as may be approved by the Commissioners: Provided that the entire surface of the walls of a privy below the platform shall be surfaced with cement, or other materials as specified in by-law 7(*1*).

9. *Platform.*—(*1*) The platform of every service privy or service urinal shall either be plastered with cement or be made of some water-tight non-absorbent material as specified in by-law 7(*1*).

(*2*) In the case of service privies or urinals with an outlet drain constructed in accordance with by-law 6(*2*) (*b*) (*iii*), the platform must be sloped towards the aperture with an inclination of at least half an inch to the foot. In all other cases detailed in by-law 6(*2*), the platform may, if so directed by the Commissioners, be sloped away from the aperture towards a drain communicating with a municipal drain or a drain connected with a municipal sewer.

10. *Ventilation.*—Every service privy and every service urinal situated in, or adjacent to a building shall have an opening, of not less than three square feet in area, in one of the walls of the privy or urinal, as near the top of the wall as may be practicable and communicating directly with the open air.

11. *Construction of privies.*—(*1*) Every service privy and service urinal shall be provided with a movable receptacle for sewage.

(*2*) The following provisions shall have effect with regard to such privies, urinals and receptacles, namely:—

(*a*) the space beneath the platform of the privy or urinal shall be of such dimensions, as to admit of a movable receptacle for sewage, of a capacity not exceeding two cubic feet, being placed and fitted beneath the platform in such manner and position as will effectually prevent the deposit, otherwise than in such receptacle, of any sewage falling or thrown through the aperture in the platform;

(*b*) the privy or urinal shall be so constructed as to afford adequate access to the said space for the purpose of cleansing it and of placing therein, and removing therefrom, a proper receptacle for sewage;

(*c*) the said receptacle shall be watertight, and shall be made of metal, well-tarred earthenware or glazed stoneware, and shall be of such construction and shape as the Chairman may consider suitable;

(*d*) the door of the opening for the insertion and removal of the said receptacle shall be so made as completely to cover the said opening.

Calcutta.—No. 981C./P.H.—12th November 1943.—Dr. B. Mookherjee, M.B., D.P.H., Director of Public Health, Bengal, is temporoarily appointed to act as Deputy Director of Public Health, Bengal, with effect from the 13th November 1943, or any subsequent date on which he is relieved.

Noakhali.—No. 974C./P.H.—12th November 1943.—Whereas the Governor is satisfied that the district of Noakhali is threatened with an outbreak of small-pox:

Now, therefore, in exercise of the power conferred by section 2A, read with sub-section (*1*) of section 2 of the Epidemic Diseases Act, 1897 (Act III of 1897), the Governor is pleased to prescribe the following temporary regulations for the prevention and control of small-pox, and for the medical inspection, isolation, observation and surveillance of persons suffering from or suspected of being infected with small-pox in the said district for a period of three months:—

Temporary regulations for the prevention and control of small-pox.

1. In these regulations, unless there is anything repugnant in the subject or context—

(*a*) "District Health Officer" means the Health Officer of the district appointed by the District Board under sub-section (*3*) of section 91 of the Bengal Local Self-Government Act of 1885 (Bengal Act III of 1885);

(*b*) "Sanitary Inspector" means a Sanitary Inspector appointed by the District Board under sub-section (*3*) of section 91 of the Bengal Local Self-Government Act of 1885;

(*c*) "Board" means a District Board constituted under the Bengal Local Self-Government Act of 1885;

(*d*) "Union Board" means a Union Board constituted under the Bengal Village Self-Government Act, 1919;

(*e*) "small-pox" means any disease accompanied by an eruption of vesicles or pustules;

(*f*) "patient" means a person suffering from or suspected to be suffering from small-pox;

(*g*) "medical practitioner" means any person practising the medical profession.

Notices.

2. If in any case the District Health Officer considers that the issue of a notice under regulation 20 is likely to lead to such an amount of delay as might facilitate the spread of small-pox, he may forthwith take such steps as he may think fit for carrying out the work, and shall thereafter, as soon as possible, issue a notice on the person concerned stating the reason why such work has been carried out.

3. If any measure which the District Health Officer has, by a notice issued under regulation 20, required to be carried out, be not carried out to his satisfaction within the time stated in the notice the District Health Officer shall be entitled to carry out the measure.

Costs and compensation.

4. (*1*) All expenses incurred in carrying out any work in pursuance of an order issued under these regulations shall be paid by the Board except in any case where the order directs a person to carry out any work in relation to property in his possession, in which case the expenses shall be paid by such person:

Provided that where the conditions which led the District Health Officer to pass such an order are not attributable to any act or default of the person in possession of the property, the Board may pay to such person the whole or a part of the expenses incurred by him in carrying out the order.

(*2*) The Board may recover all expenses incurred by the District Health Officer in carrying out the measure under regulation 3 from the person or persons to whom the notice was originally issued.

5. The Board shall pay adequate compensation to any person who has sustained substantial loss or damage by reason of anything done under these regulations:

Provided that no person shall receive any compensation for anything done or suffered under these regulations if he has failed to carry out an order issued under these regulations within the time specified in the order and to the satisfaction of the District Health Officer.

Location of disease.

6. When a case of small-pox occurs in a house, the nearest male relative in attendance upon the patient, or in the absence of any such relative the occupier of the house, or if the occupier be the patient, the senior male inmate of the house other than the patient of the house shall, within twenty-four hours of the onset of the disease, give information regarding the occurrence of such case either personally or in writing or by means of the chaukidar or other village watchman to the nearest Sanitary Inspector.

7. (*1*) Every medical practitioner called in to attend upon any case of small-pox shall forthwith give notice of the case by a special messenger to the nearest member of the outdoor staff of the Board and to the District Health Officer by post and the cost of such messenger in each case shall be defrayed by the Board.

(*2*) The doctor-in-charge of a hospital or a dispensary within the district shall forthwith give notice of any case of small-pox brought to such hospital or dispensary for treatment to the nearest Sanitary Inspector by a special messenger and to the District Health Officer by post, and the cost in each case shall be defrayed by the Board.

8. Presidents of Union Boards in union board areas and thana officers in non-union board areas shall supply to the District Health Officer such periodical returns of cases of small-pox as he may from time to time call upon them to furnish.

9. The District Health Officer or a Sanitary Inspector may examine any person who is, or suspected to be, suffering from small-pox or who, in his opinion, may be infected with or likely to spread small-pox.

Isolation of patients.

10. When the District Health Officer or a Sanitary Inspector considers that the isolation of any patient is a precaution necessary for the protection of the neighbouring population, he shall order the patient to observe isolation and may order the nearest relative in attendance on the patient, or the occupier of the house in which the patient is staying, to arrange for the isolation of the patient in such a manner and for such a time as may be approved by the District Health Officer.

He shall not direct the patient to be removed from the house unless it is, in his opinion, impossible to make proper arrangements for his isolation therein.

11. The District Health Officer or a Sanitary Inspector may order that any person, who has been in contact with a person found to be suffering from small-pox, shall be segregated for a period not exceeding a fortnight in a manner and in a place to be approved by the District Health Officer.

12. The District Health Officer or a Sanitary Inspector may order that any person who has been in contact with a person found to be suffering from small-pox shall be vaccinated or revaccinated within a time to be specified in the order.

13. No person shall enter any place wherein a patient is isolated under regulation 10 without the permission of the District Health Officer or a Sanitary Inspector.

14. When a patient has been removed from a house for isolation under regulation 10, the Board shall provide for him free of charge a suitable place, with necessary attendants, diet, etc.

15. No person, who is or has been suffering from small-pox, shall leave the place where he has

been staying until he has received from the District Health Officer or a Sanitary Inspector written permission to do so.

15A. No person while suffering from evident symptoms of small-pox or in the convalescent stage of the disease with scabs of pocks on his body shall expose himself in any street, road, public place, shop, bazar or any place used in common by persons other than members of the family or household to which such infected persons belong or shall move from place to place unless he is proceeding to a hospital for admission and treatment.

Miscellaneous.

16. The District Health Officer or a Sanitary Inspector may require any person to allow to be carried out by such agency and within such time as may be specified in the order, such measures for the disinfection of any premises in the occupation of such person or for the disinfection or destruction of any of his personal effects, as the said officer or inspector may consider necessary.

16A. The District Health Officer or a Sanitary Inspector authorised by the District Health Officer in writing in that behalf may during the prevalence of any outbreak of small-pox order that any bazar, shop or other public place shall remain closed for such time as may appear to him to be necessary and may forbid the holding of any fair, *mela* or other gathering to which people from several villages commonly or periodically resort.

17. The District Health Officer or a Sanitary Inspector may direct the owner or occupier of any premises to take steps to have vaccinated or revaccinated within a time to be specified in the order any person residing on such premises and under the control of such owner or occupier if the District Health Officer is of opinion that such person has been in contact with anyone suffering from small-pox.

18. The District Health Officer or a Sanitary Inspector may forbid any person who has been a patient or who has to his knowledge been in contact with a patient to act as vendor of any article for such period as may be specified in the order.

18A. No person shall carry or permit to be carried in a public conveyance a patient except in the case where a patient is carried to a hospital with the following precautions against spreading the disease, namely:—

(*i*) that he is so well covered that the discharge and scabs from the lesions do not come directly into touch with the body of the conveyance;

(*ii*) that he is taken to the hospital direct and the conveyance does not halt at any other place for transacting any business; and

(*iii*) that excepting one or two attendants for the patient no other person is carried in the conveyance at the same time.

18B. Every conveyance in which a patient or a dead body of a person who has died of small-pox or any article that has been in contact with a patient is carried shall be disinfected before it is used again. The disinfection will be effected—

(*i*) in the case of a conveyance carrying a patient to hospital, by the authorities of the hospital before such conveyance leaves the hospital;

(*ii*) in the case of a conveyance carrying any clothing, bedding or other article of a patient to the disinfecting station, by the authorities of such station; and

(*iii*) in the case of a conveyance carrying a dead body to the burial or cremation ground, by the owner of the conveyance himself and such owner shall effect the disinfection with a strong solution of formalin (1 in 400), lysol (1 in 500), izol (1 in 500) or of saponified cresol (1 in 160).

19. No person shall sell any article which has been in contact with a patient until it has been disinfected to the satisfaction of the District Health Officer or a Sanitary Inspector.

19A. No person shall expose in any street, shop, bazar or any public place any clothing, bedding or other article which has been in contact with a patient or shall cause or suffer such articles to be carried in any public conveyance, but nothing in this regulation shall apply to a person who transmits any such article for the purpose or having the same disinfected with the following precautions against spreading the disease:—

(*i*) the article is so well covered with a cloth soaked in a strong solution of formalin (1 in 400), lysol (1 in 500), izol (1 in 500) or of saponified cresol (1 in 160) that it does not come directly into touch with the body of the conveyance;

(*ii*) the article is taken to the disinfecting station direct and the conveyance does not halt at any other place for transacting any business; and

(*iii*) excepting one attendant for the purpose of taking the infected article to the disinfecting station no other person is carried in the conveyance.

20. The District Health Officer or a Sanitary Inspector may issue general orders that by a specified date certain sanitary precautions of a simple nature, such as lime-washing of houses, clearing of latrines or the removal of filth or rubbish, shall be carried out to his satisfaction.

20A. No person shall carry or permit to be carried in a public conveyance the dead body of any person who has died of small-pox without the previous written permission of the District Health Officer or a Sanitary Inspector and without taking the following precautions against spreading the said disease:—

(*i*) the dead body is so well covered with a cloth soaked in a strong solution of formalin (1 in 400), lysol (1 in 500), izol (1 in 500), or of saponified cresol (1 in 160) that the discharge and scabs from the lesions do not come directly into touch with the body of the conveyance;

(*ii*) the dead body is taken to the burial or cremation ground direct and the conveyance does not halt at any other place for transacting any business; and

(*iii*) excepting attendants for the dead body no other person is carried in the conveyance at the same time.

21. The District Health Officer or a Sanitary Inspector may prohibit persons from retaining or selling clothes taken from the bodies of persons who have died of small-pox and may cause any such clothes to be destroyed.

22. No person shall, without the written permission of the District Health Officer, dispose of any corpse except by burning or burial.

23. The District Health Officer may approve burning or burial grounds and may by order direct either generally or specially in respect to any specified area, that corpses shall not be burned or buried at places other than those so approved by him.

24. Any person burning or causing to be burnt any corpse shall cause the same to be completely reduced to ashes and shall likewise cause the clothes or other articles brought with such corpse to be reduced to ashes.

25. The District Health Officer may direct that no person shall bury or cause to be buried any corpse, which in the opinion of the District Health Officer, is likely to spread small-pox, in a grave, not constructed of masonry and less than 6 feet deep.

26. The District Health Officer may order that no *dome* or other servant of the Board employed for the disposal of corpses shall withdraw from his duties without the permission of the District Health Officer unless such *dome* or other servant of the Board has given notice in writing not less than one month previously of his intention so to withdraw.

27. The District Health Officer or a Sanitary Inspector may through any person authorised by such officer or inspector in that behalf seize and dispose of any corpse which in the opinion of the said officer or inspector is infected with or is likely to spread small-pox, unless the relatives or friends of the deceased person satisfy him that they are prepared and able to dispose of the corpse in a manner which will prevent the spread of small-pox.

28. (*1*) The District Health Officer or a Sanitary Inspector may require any person who appears to be acquainted with facts in connection with any case or suspected case of small-pox to attend before him at a time to be stated in the order and at any place not more than one mile from the place where such person resides or is staying when the order is issued, and such person shall appear as so required.

(*2*) When the person summoned to appear under paragraph (*1*) is a female who, by the custom of the country, does not appear in public, suitable precaution shall be taken to respect the said custom.

29. (*1*) The District Health Officer or a Sanitary Inspector may examine orally any person who appears to be acquainted with the facts and circumstances of a case or suspected case of small-pox.

(*2*) When the person to be examined under paragraph (*1*) is a female who, by the custom of the country, does not appear in public, the officer shall take her statement under such conditions as shall admit of due respect of the said custom.

(*3*) Such person shall be bound to answer all questions relating to such case put to him or her by such officer, other than questions the answers to which would have a tendency to expose him or her to any criminal charge.

30. The District Health Officer or a Sanitary Inspector may, with such assistants (if any) as he thinks fit, enter upon any land, or after two hours' notice in writing, into any premises or building used for human habitation at any time between sunrise and sunset for the purpose of carrying out any measure or making any enquiries authorised by these regulations.

31. The crew of any inland steam-vessel or boat which plies in any canal or river and other persons residing on such vessel or boat shall be subject to these regulations.

32. (*1*) All vaccinations under these regulations shall be performed gratuitously provided they be done (*a*) at such public vaccination stations as may be opened by the District Board, or (*b*) by house to house visits in the case of such females as are by the custom of the country unable to attend at public vaccination stations and are too poor to pay fees.

(*2*) Persons desirous of being vaccinated in their own houses other than those specially exempted under sub-regulation (*1*) shall pay a fee of two annas for each vaccination for which they shall get a printed receipt: provided that the total amount of fees payable for any number of operations performed in one family at the same house and at the same time shall not exceed annas eight.

33. (*i*) Orders issued by the District Health Officer or a Sanitary Inspector under these regulations shall be in writing.

(*ii*) The officer issuing such orders shall cause copies of them to be served upon any persons named in them.

(*iii*) The nearest relative of a patient or the occupier of the house in which the patient is staying shall, if a copy of the order under regulation 10 has been served upon him, give to the nearest Sanitary Inspector or to his office immediate notice of any disobedience of the order by the patient.

By order of the Governor,
E. W. HOLLAND, Secy.

RESOLUTION—No. 3034IND.

Calcutta, the 18th November 1943.

Read an application, dated the 31st March 1943, from Babu Bejoy Krishna Das of Murshidabad, for a loan of Rs. 2,000 (Rupees two thousand only) under section 19(*1*)(*a*) of the Bengal State Aid to Industries Act, 1931 (Bengal Act III of 1931), for the purpose of improving and expanding his existing silk reeling industry.

Read also the resolution adopted by the Board of Industries, Bengal, at a meeting held on the 30th September 1943, incorporated in the report, submitted with letter No. 9819B.I., dated the 20th October 1943, from the Secretary to the Board of Industries, Bengal.

Order—Ordered that the loan of Rs. 2,000 (Rupees two thousand only) be sanctioned, provided that it does not exceed 50 per cent. of the net value of the assets of the applicant in the industry together with his landed property in Murshidabad after deducting all encumbrances thereon existing at the time when the application was made. The loan is also subject to the following conditions:—

(1) that the entire amount of the loan should be utilised in purchasing up-to-date machines and cocoons for silk reeling industry;

(2) that a mortgage bond be executed by the applicant in the form prescribed by Government for the purpose;

(3) that interest be charged at the rate of 8 per cent. per annum payable with each instalment on the balance of the unpaid principal;

(4) that if the instalments with interest thereon are paid promptly on the due dates or within seven days thereafter interest will be accepted at the reduced rate of 6¼ per cent. per annum; and

(5) that the entire amount of the loan with interest thereon be repaid in five yearly instalments of Rs. 400 each *plus* interest, the first instalment being payable next year on the day and month in which it will be advanced this year.

Ordered also that the resolution be published in the *Calcutta Gazette*.

RESOLUTION—No. 3035IND.

Calcutta, the 18th November 1943.

Read an application, dated the 26th June 1942, from the North Bengal Soap Factory of Dinajpur, for a loan of Rs. 5,000 (subsequently reduced to Rs. 2,500) under section 19(*1*)(*a*) of the Bengal State Aid to Industries Act, 1931 (Bengal Act III of 1931), for the purpose of improving and developing their existing soap factory.

Read also the resolution adopted by the Board of Industries, Bengal, at a meeting held on the 27th August 1943, incorporated in the report, submitted with letter No. 9838B.I., dated the 20th October 1943, from the Secretary to the Board of Industries, Bengal.

Order—Ordered that the loan of Rs. 2,500 (Rupees two thousand and five hundred only) be sanctioned, provided that it does not exceed 50 per cent. of the net value of the assets of the applicants in the industry together with the landed property in Dinajpur of the owners of the factory after deducting all encumbrances thereon existing at the time when the application was made. The loan is also subject to the following conditions:—

(1) that the entire amount of the loan should be utilised for purchasing adequate stock of raw materials required for the soap factory;

(2) that a mortgage bond be executed by the applicants jointly in the form prescribed by Government for the purpose;

(3) that interest be charged at the rate of 8 per cent. per annum payable with each instalment on the balance of the unpaid principal;

(4) that if the instalments with interest thereon are paid promptly on the due dates or within seven days thereafter, interest will be accepted at the reduced rate of 6¼ per cent. per annum; and

(5) that the entire amount of the loan with interest thereon be repaid in five yearly instalments of Rs. 500 each *plus* interest, the first instalment being payable next year on the day and month in which it will be advanced this year.

Ordered also that the resolution be published in the *Calcutta Gazette*.

RESOLUTION No. 3051IND.

Calcutta, the 20th November 1943.

The Governor is pleased to reconstitute the Overseer Examination Board, constituted last in the old Agriculture and Industries Department resolution No. 4578, dated the 9th November 1923, as follows:—

DEPARTMENT OF PUBLIC HEALTH AND LOCAL SELF-GOVERNMENT

Public Health

NOTIFICATION.

Murshidabad.—No. 1029C./P.H.—22nd November 1943.—Whereas the Governor is satisfied that the municipality of Berhampore is threatened with an outbreak of cholera:

Now, therefore, in exercise of the power conferred by section 2A, read with sub-section (*1*) of section 2 of the Epidemic Diseases Act, 1897 (Act III of 1897), the Governor is pleased to prescribe the following temporary regulations for the prevention and control of cholera, and for the medical inspection, isolation, observation and surveillance of persons suffering from, or suspected of being infected with, cholera in the said town, for a period of six months:—

Temporary regulations for the prevention and control of cholera.

1. In these regulations, unless there is anything repugnant in the subject or context:—

(*a*) "Health Officer" means the Health Officer of the municipality;

(*b*) "Sanitary Inspector" means a Sanitary Inspector appointed by the municipality;

(*c*) "suspected cholera" means any disease accompanied by vomiting and diarrhœa;

(*d*) "patient" means a person suffering from or suspected to be suffering from cholera;

(*e*) "medical practitioner" means any person practising the medical profession.

2. Whenever any land is held jointly by two or more persons, whether as owners or occupiers of that land, such persons shall be held jointly and severally liable for carrying out any measure ordered in a notice under these regulations, and the names of any one or more of such joint-holders may be entered upon such notice at the discretion of the Health Officer or a Sanitary Inspector and the Health Officer or a Sanitary Inspector shall not be bound to enter the names of all the joint-holders in the notice.

Notices.

3. If in any case the Health Officer or a Sanitary Inspector considers that the issue of a notice under these regulations is likely to lead to such an amount of delay as might facilitate the spread of cholera he may forthwith take such steps as he may think fit for carrying out the work, and shall thereafter, as soon as possible, issue a notice on the person concerned stating the reason why such work has been carried out.

4. If any measure which the Health Officer or a Sanitary Inspector has, by a notice issued under these regulations, required to be carried out, be not carried out to his satisfaction within the time stated in the notice the Health Officer or a Sanitary Inspector shall be entitled to carry out the measure.

Costs and compensation.

5. (*1*) All expenses incurred in carrying out any work in pursuance of an order issued under these regulations shall be paid by the municipality except in any case where the order directs a person to carry out any work in relation to property in his possession, in which case the expenses shall be paid by that person:

Provided that where the conditions, which led the Health Officer or a Sanitary Inspector to pass such an order, are not attributable to any act or default of the persons in possession of the property, the municipality may pay to such person the whole or a part of expenses incurred by him in carrying out the order.

(*2*) The municipality may recover all expenses incurred by the Health Officer or a Sanitary Inspector in carrying out the measure under regulation 4 from the person or persons to whom the notice was originally issued.

6. The municipality shall pay adequate compensation to any person who has sustained substantial loss or damage by reason of anything done under these regulations:

Provided that no person shall receive any compensation for anything done or suffered under these regulations, if he has failed to carry out an order issued under these regulations within the time specified in the order and to the satisfaction of the Health Officer or a Sanitary Inspector.

Location of disease.

7. When a case of cholera or suspected cholera occurs in a house, the nearest male relative in attendance upon the patient, or in the absence of any such relative the occupier of the house, or if the occupier be the patient, some male inmate of the house shall, within twenty-four hours of the onset of the disease, give information regarding the occurrence of such case either personally or in writing to the Health Officer or a Sanitary Inspector.

8. (*1*) If information has not already been given under regulation 7, the medical practitioner called in to attend upon any case of cholera shall forthwith give notice of the case by special messenger to the Health Officer or a Sanitary Inspector and the cost of such messenger in each case shall be defrayed by the municipality.

(*2*) The doctor-in-charge of a hospital or a dispensary within the municipality shall forthwith give notice of any case of cholera brought to such hospital or dispensary for treatment to the Health Officer or a Sanitary Inspector by a special messenger and the cost of such messenger in each case shall be defrayed by the municipality.

9. Registrars of births and deaths shall supply to the Health Officer or a Sanitary Inspector such periodical returns of cases of cholera as he may from time to time call upon them to furnish.

10. The Health Officer or a Sanitary Inspector may examine any person who is, or suspected to be, suffering from cholera or who, in his opinion, may be infected with or likely to spread cholera.

Isolation of patients and evacuation of houses, etc.

11. When the Health Officer or a Sanitary Inspector considers that the isolation of any patient is a precaution necessary for the protection of the neighbouring population he shall order the patient to observe isolation and may order the nearest relative in attendance on the patient, or the occupier of the house in which the patient is staying, to arrange for the isolation of the patient in such a manner and for such a time as may be approved by the Health Officer or a Sanitary Inspector.

He shall not direct the patient to be removed from the house unless it is in his opinion impossible to make proper arrangements for his isolation therein.

12. The Health Officer or a Sanitary Inspector may order that any person, who has in his opinion been exposed to infection from cholera, shall take such drugs in such quantities as may be specified by the Health Officer or a Sanitary Inspector or shall submit himself to anti-cholera inoculation within a time to be specified in the order.

13. No person shall enter any place wherein a patient is isolated under regulation 11 without the permission of the Health Officer or a Sanitary Inspector.

14. The municipality shall provide free of charge suitable places, with necessary attendants, medicine, diet and other necessaries for persons isolated under regulation 11: Provided that a private individual may provide places certified by the Health Officer or a Sanitary Inspector as being fit for the purpose of such isolation.

14A. If it is not possible for the municipal commissioners to provide suitable places with necessary attendants, diet and other necessaries for

isolation of the patient or if satisfactory arrangement for such isolation is not also possible in the house where the patient is staying, the patient shall be sent, under proper sanitary precautions, to the hospital within or outside the nearest municipality where there is suitable arrangement for isolation.

15. No person, who is or has been suffering from cholera, shall leave the place where he has been staying until he has received from the Health Officer or a Sanitary Inspector written permission to do so.

16. The Health Officer or a Sanitary Inspector may require any person to allow to be carried out by such agency and within such time as may be specified in the order, such measures for the disinfection or evacuation of any premises in the occupation of such person or for the disinfection or destruction of any of his personal effects, as the said officer or inspector may consider necessary.

17. The Health Officer or a Sanitary Inspector may direct the owner or occupier of any premises to cause to be inoculated with anti-cholera vaccine within a time to be specified in the order any person residing on such premises and under the control of such owner or occupier if the Health Officer or a Sanitary Inspector is of opinion that such person has been exposed to infection from cholera.

18. The Health Officer or a Sanitary Inspector may forbid any person who has been a patient or who has, to his knowledge, been in contact with a patient, to act as vendor of any article for such period as may be specified in the order.

18A. No person shall carry or permit to be carried in a public conveyance a patient except in the case where a patient is carried with proper precautions to a hospital.

19. No person shall sell any article which has been in contact with a patient until it has been disinfected to the satisfaction of the Health Officer or a Sanitary Inspector.

19A. No person shall expose in any street, shop, bazar or any public place any clothing, bedding or other article which has been in contact with a patient or shall cause or suffer such articles to be carried in any public conveyance, but nothing in this regulation shall apply to a person who transmits with proper precautions against spreading the disease any such article for the purpose of having the same disinfected.

19B. No person shall carry or permit to be carried in a public conveyance the dead body of any person who has died of cholera without the previous written permission of the Health Officer or a Sanitary Inspector, and without taking proper precautions against spreading the said disease.

Water-supply.

20. (*1*) When the Health Officer or a Sanitary Inspector is of opinion that the water in any well, tank, pool or other possible source of water-supply is contaminated or is likely to be contaminated, he may at once take such steps as he deems necessary to close such well, tank, pool or other source of water-supply, or may require the owner or occupier of land upon which such well, tank, pool or source of water-supply is situated, to take steps to close the same to the satisfaction of the Health Officer or the Sanitary Inspector, as the case may be, within such time as may be specified in the order.

(*2*) The Health Officer or a Sanitary Inspector may require such owner or occupier to keep closed during such a period as shall be specified in the order any well, tank, pool or other sources of water-supply closed under paragraph (*1*) of this regulation.

Explanation.—In this regulation, "to close" includes the placing of watchman to prevent access to the well, tank, pool or other source of water-supply.

21. When the Health Officer or a Sanitary Inspector is of opinion that the water in any well, tank, pool or source of water-supply is contaminated he may disinfect it or order its owner or occupier to disinfect it with such disinfectants as he may specify in such quantities and at such times as he may think fit.

22. The Health Officer or a Sanitary Inspector may prohibit persons from entering into or using for drinking, bathing, or any other purpose, during such period as may be specified in the order, the water in any well, tank, pool or other possible source of water-supply, which, in his opinion, is contaminated or likely to be contaminated.

23. The Health Officer or a Sanitary Inspector may, by an order published at such places as he may think fit, set apart any well, tank, part of a river, stream or channel not being private property, or being private property with the consent of the owner, for the supply of water for drinking or culinary purposes and may prohibit therein or within a distance therefrom to be stated in the order all bathing, washing of clothes or animals, or other acts calculated to pollute the water; and may similarly set apart any well, tank, part of a river, stream or channel for the purpose of bathing or for the purpose of washing animals or clothes or for any other purpose connected with the health and cleanliness of the people using such water-supply.

24. The Health Officer or a Sanitary Inspector may prohibit persons from easing themselves, or throwing, depositing or discharging any rubbish, sewage or offensive matter, into any well, tank, pool or other source of water-supply, which is used by the public, or within such a distance from such well, tank, pool or source of water-supply as he may fix.

Conservancy and sewage disposal.

25. The Health Officer or a Sanitary Inspector may (1) prohibit the committal or continuance of any nuisance, or (2) require the person causing any nuisance or the person occupying the premises on which any nuisance exists to remove such nuisance.

Explanation.—In this regulation, "nuisance" means anything which in the opinion of the Health Officer or Sanitary Inspector is likely to spread or to cause the outbreak of cholera.

26. Whenever the Health Officer or a Sanitary Inspector is satisfied that the condition of any privy, urinal, drain, sewer or cesspool is such as to cause risk of spreading cholera to the inhabitants of the neighbourhood he may order the occupier of the land in which such privy, urinal, drain, sewer or cesspool is situated to disinfect, or to allow an officer of the municipality to disinfect, the same with such disinfectants in such quantities and at such time as the said officer or inspector shall think fit.

27. The Health Officer or a Sanitary Inspector may for the prevention of the outbreak or spread of cholera order the owner or occupier of any land to repair or make efficient to the satisfaction of that officer or inspector any drain, sewer, privy, urinal or cesspool which is situated upon such land or to remove any such drain, sewer, privy, or urinal or close any such cesspool within such time as may be fixed by the said officer or inspector.

Miscellaneous.

28. The Health Officer or a Sanitary Inspector may during the prevalence of any outbreak of cholera order that any market, shop or other public place shall remain closed for such time as may appear to him to be necessary and may prohibit the holding of any fair, *mela* or other gathering to which people from surrounding places commonly or periodically resort.

29. The Health Officer or a Sanitary Inspector may require the owner or occupier of any land to clear and remove, within the period specified in the order, any vegetation upon such land the existence of which in the opinion of the said officer or inspector conduces to the committing of nuisances upon such land.

30. The Health Officer or a Sanitary Inspector may issue general orders that by a specified date certain sanitary precautions of a simple nature, such as lime-washing of houses, clearing of latrines or the removal of filth or rubbish shall be carried out to his satisfaction.

31. The Health Officer or a Sanitary Inspector may prohibit persons from retaining or selling clothes taken from the bodies of persons who have died of cholera and may cause any such clothes to be destroyed.

32. No person shall, without the written permission of the Health Officer or a Sanitary Inspector, dispose of any corpse except by burning or burial.

33. The Health Officer or a Sanitary Inspector may approve burning or burial grounds and may by order direct either generally or specially in respect to any specified area, that corpses shall not be burned or buried at places other than those so approved by him.

34. Any person burning or causing to be burnt any corpse shall cause the same to be completely reduced to ashes, and shall likewise cause the clothes or other articles brought with such corpse to be reduced to ashes.

35. The Health Officer or a Sanitary Inspector may direct that no person shall bury or cause to be buried any corpse which, in the opinion of the Health Officer, is likely to spread cholera in a grave not constructed of masonry and less than six feet deep.

36. The Health Officer or a Sanitary Inspector may order that no *dome* or other servant of the municipality employed for the disposal of corpses shall withdraw from his duties without the permission of the Health Officer or a Sanitary Inspector unless such *dome* or other servant of the municipality has given notice in writing not less than one month previously of his intention so to withdraw.

37. The Health Officer or a Sanitary Inspector may through any person authorised by such officer or inspector in that behalf seize and dispose of any corpse, which, in the opinion of the said officer or inspector, is infected with or is likely to spread cholera, unless the relatives or friends of the deceased person satisfy him that they are prepared and able to dispose of the corpse in a manner which will prevent the spread of cholera.

38. (*1*) The Health Officer or a Sanitary Inspector may require any person who appears to be acquainted with facts in connection with any case of cholera or suspected cholera to attend before him at a time to be stated in the order and at any place not more than one mile from the place where such person resides or is staying when the order is issued, and such person shall appear as so required.

(*2*) When the person summoned to appear under paragraph (*1*) is a female who, by the custom of the country, does not appear in public suitable precaution shall be taken to respect the said custom.

39. (*1*) The Health Officer or a Sanitary Inspector may examine orally any person who appears to be acquainted with the facts and circumstances of a case of cholera or suspected cholera.

(*2*) When the person to be examined under paragraph (*1*) is a female who, by the custom of the country, does not appear in public, the officer shall take her statement under such conditions as shall admit of due respect to the said custom.

(*3*) Such person shall be bound to answer all questions relating to such case put to him or her by such officer, other than questions the answers to which would have a tendency to expose him or her to any criminal charge.

40. The Health Officer or a Sanitary Inspector may, with such assistants (if any) as he thinks fit, enter upon any land, or after two hours' notice in writing, into any premises or buildings used for human habitation at any time between sunrise and sunset for the purpose of carrying out any measure or making any enquiries authorised by these regulations.

41. The crew of any inland steam vessel or boat which plies in any canal or river and other persons residing on such vessel or boat shall be subject to these regulations.

42. All inoculations under these regulations shall be performed gratuitously.

43. (*i*) Orders issued by the Health Officer or a Sanitary Inspector under these regulations shall be in writing.

(*ii*) The officer issuing such orders shall cause copies of them to be served upon any persons named in them.

(*iii*) The nearest relative of a patient or the occupier of the house in which the patient is staying shall, if a copy of the order under regulation 11 has been served upon him, give to the nearest Sanitary Inspector or to his office, immediate notice of any disobedience of the order by the patient.

By order of the Governor,
E. W. HOLLAND, Secy.

(4) Integral Calculus and Differential Equations—

Edwards. Integral Calculus for Beginners.
Prasad, Ganesh. Integral Calculus.
Das, B. C. and Mukherjee, B. N. Integral Calculus.

(5) Hydrostatics—

Sen, D. K. Hydrostatics
Loney. Elements of Hydrostatics.

(6) Astronomy—

Mallik, D. N. Elements of Astronomy.
Parker. Astronomy.
Students are recommended to read Taucock's "Descriptive Astronomy" as an introduction to the subject and to use "Stars in the Northern Tropics", by T. Bhattacharyya

(Honours Course.)

(1) Higher Algebra—

Hall and Knight. Higher Algebra.
Smith, C. Treatise on Algebra.

(2) Elementary Theory of Equations—

Biswas, Raicharan. Theory of Equations and Complex Variables.
Burnside and Panton. Theory of Equations, Vol. I.

(3) Higher Plane Trigonometry—

Todhunter. Plane Trigonometry. Edited by Hogg.
Hobson. Treatise on Trigonometry, Chapters XII and XIII.
Das, B C and Mukherjee, B N. Higher Trigonometry.

(4) Plane Analytical Geometry—

Smith, C. Elementary Treatise on Conic Sections.
Salmon. Conic Sections.
Askwith. Plane Co-ordinate Geometry.
Ray, Upendranath. Analytical Conics.

(5) Elementary Solid Geometry—

Smith, C. Elementary Treatise on Solid Geometry.
Bell. Analytical Geometry of Three Dimensions.

(6) Elementary Principles of Vector and Vector Analysis—

Weatherburn. Elementary Vector Analysis.

(7) Differential Calculus—

Edwards. Treatise on Differential Calculus.
Williamson. Differential Calculus.
Prasad, Ganesh., Differential Calculus.
Mitra, S. K. and Datta, G. K. Text-book of the Differential Calculus.

(8) Integral Calculus and Differential Equations—

Williamson. Integral Calculus.
Murray. Introductory Course in Differential Equations.

(9) Statics—

Minchin. Statics, Vol. 1.
Loney. Statics.
Lamb. Statics (including Hydrostatics).

(10) Dynamics of a Particle—

Loney. Dynamics of a Particle.
Ramsay. Dynamics of a Particle.

(11) Hydrostatics—

Sen, D. K. Hydrostatics.
Greaves. Hydrostatics.
Lamb. Statics (including Hydrostatics).

(12) Astronomy—

Barlow and Bryan. Astronomy.
Students are recommended to read Tancock's "Descriptive Astronomy" as an introduction to the subject and to use "Stars in the Northern Tropics", by T. Bhattacharyya.

PHYSICS.

Books recommended to be used by students in the studying the subject in accordance with the Syllabus. (Latest editions only are to be used):—

(Pass Course.)

Grimshel. Text-book of Physics, edited by R. Tomaschek and translated by L. A. Woodward and W. N. Deans.
The book is published in the following five volumes:—
Vol. I—Mechanics. Vol. II—Heat and Sound. Vol. III—Electricity and Magnetism. Vol. IV—Optics. Vol. V—Physics of the Atom.
Mandal, T. A Text-book of General Physics.
Mandal, T. A Text-book of Sound.
Saha and Srivastava. A Text-book of Heat for Junior Students.
Barton. A Text-book of Heat.
Hadley. Electricity and Magnetism.
Edser. Light.
Watson. A Text-book of Physics.
Allen and Moore. A Text-book of Practical Physics.
Datta, S. A Text-book of Practical Physics.

(Honours Course.)

(In addition to the books recommended for the Pass Course.)

Edser. General Physics.
Newman and Searle. General Physics.
Barton. Sound.
Wood, A. B. Text-book of Sound.
Saha and Srivastava. A Treatise on Heat.
Roberts. Text-book of Heat and Thermodynamics.
Hoare. Thermodynamics.
Fermi. Thermodynamics.
Houston. Light.
Wood. Physical Optics.
Starling, S. C. Electricity and Magnetism.
Thomson, J. J. Elements of Electricity and Magnetism.
Pohl. Physical Principles of Electricity and Magnetism.
Hutchinson. Electricity and Magnetism, 2 Volumes.
Castelfranchi. Atomic Physics.
Newman. Recent Advances in Non-Atomic Physics.
Ghosh, R. N. and Rai, R. N. A Text-book of Sound.
Worsnop and Flint. Practical Physics.
Strong and Others. Procedures in Experimental Physics (1st edition).
Strong and Others. Modern Physical Laboratory Pratice (2nd edition).

CHEMISTRY.

Books recommended to be used by students in studying the subject in accordance with the Syllabus (Latest editions only are to be used):—

(Pass Course.)

Lowry and Sugden. Class-book of Physical Chemistry.
Mellor. Inorganic Chemistry.
Millard. Physical Chemistry.
Mollow Perkin, E. Qualitative Chemical Analysis (Organic and Inorganic).
Partington. Inorganic Chemistry.
Perkin and Kipping. Organic Chemistry, Parts I and II.
Sherwood, Taylor. Inorganic and Theoretical Chemistry.
Sherwood, Taylor. Organic Chemistry.
Palit, Santiranjan. Elementary Physical Chemistry.
Kundu, P. N. Outlines of Physical Chemistry.
Vogel. Qualitative Analysis, 1941. Quantitave Analysis, 1939 (Longmans Green & Co.).

(Honours Course.)

(In addition to the books recommended for the Pass Course.)

Bernthsen (revised by Sudborough) A Text-book of Organic Chemistry (edition of 1911).
Bjerrum. Inorganic Chemistry (translated by R. P. Bill). (Heinemann Ltd., Lond.).
Lowry. Inorganic Chemistry, 1931.
Mee. Physical Chemistry.
Partington and Tweedy. Calculations in Physical Chemistry (Blackie & Son, Ltd.).
Perkin and Kipping. Organic Chemistry, Part III.
Riesenfeld and Ray. Manual of Practical Inorganic Chemistry (translated by P. Ray).
Taylor. Elementary Physical Chemistry.
Vogel. Quantitative Analysis (Longmans Green & Co.).
The following books are recommended for reference only. Only the portions covered by the Syllabus are to be read:—
Bronsted. Physical Chemistry (Heinemann, Ltd., Lond.).
F. Ephraim. Text-book of Inorganic Chemistry (translated by P. C. L. Thorner, 1930), latest edition, 1939).
Schmidt. Organic Chemistry (translated by Rale).
Scott, W. V. Standard Methods of Chemical Analysis in 2 Vols. (D. Van Nostraud Co., 1939).
Treadwell and Hall. Vol. 1. Qualitative Analysis.
Treadwell and Hall. Vol. II. Quantitative Analysis (Revised by Hall).

PHYSIOLOGY.

Books recommended to be used in studying the subject in accordance with the Syllabus. (Latest editions only are to be used):—

(Pass Course.)

McDowall. Halliburton's Hand-book of Physiology.
Winton and Bayliss. Human Physiology.
Pal and Chakravarti. Hand-book of Modern Physiology.

Practical.

Schafer. Essentials of Histology (edited by Charleton).
Halliburton. Essentials of Chemical Physiology (edited by Hewitt and Robson).
Schafer. Experimental Physiology (edited by Bain).
Cole. Practical Physiological Chemistry.

(Honours Course.)

(In addition to the books recommended for the Pass Course.)

Howell. Text-book of Human Physiology.
Starling (edited by Evans). Principles of Human Physiology.

Books recommended for consultation—

Newton. Evan's Recent Advances in Physiology (latest edition).
MacLeod (edited by P. Bard). Physiology in Modern Medicine (latest edition).
Cameron. Text-book of Bio-Chemistry.
Thorpe. Bio-Chemistry for Medical Students.
Samson Wright. Applied Physiology.

Practical.

The same as for the Pass Course, with the addition of Smith and Visscher's Experimental Physiology.

BOTANY.

Books recommended to be used by students in studying the subject in accordance with the Syllabus. (Latest editions only are to be used):—

(Pass Course.)

Bose, G. C. A Manual of Indian Botany (1920).
Coulter, J. M., Barness, C. R., and Cowles, H. C. Text-book of Botany, Vol. I.
Strasburger, E., and others. Text-book of Botany (English translation).
Maximov, N. A. A Text-book of Plant Physiology (1938).
Priestly, I. H. and Lorna L. Scott. An Introduction to Botany (1938).

For reference—

Smith, G. M. Cryptogamic Botany, I (1938).
Eames, A. T. and MacDaniels, L. N. Introduction of Plant Anatomy (1925).
Rendle, A. B. The Classification of flowering plants, Vol. I (1930) and Vol. II (1938).

Practical.

Cavers, F. Practical Botany (1928).
Banerji, S. C. Analytical Key to Natural Orders (published by the Calcutta University).
Prain, D. Bengal Plants, 2 vols.

(Honours Course.)

(In addition to the books recommended for the Pass Course.)

Theoretical.

Smith, G. M. Cryptogamic Botany, I-II (1938).
Rendle, A. B. Classification of flowering plants, Vol. I (1930), Vol. II (1938).
Chamberlain, C. J. Gymnosperms. Structure and Evolution (1934).
Walton. Introduction to the study of fossil plants (1940).
Leach, W. Ecology (1933).
Ford, E. B. Mendelism and Evolution (Methuen & Co., Ltd.), 1934.
Maximov. A Text-book of Plant Physiology (1938).
Eames and MacDaniels. Introduction of Plant Anatomy (1925).

For reference—

Weaver and Clements. Plant Ecology (1938).

Practical.

Hutchinson, J. Families of flowering plants, I. Dicotyledons (1926). II. Monocotyledons (1934).
Hitchcock, A. S. Descriptive Systematic Botany.
Cavers, F. Practical Botany (1928).

Prain, D. Bengal Plants. Vols. I and II (1905).
Hooker, J. D. Flora of British India, Vols. I—VII (1875-97).

ZOOLOGY.

Books recommended to be used in studying the subject in accordance with the Syllabus. (Latest editions only are to be used):—

(Pass Course.)

Arthur Thomson. Outlines of Zoology (latest edition).
Shipley and MacBride. Zoology.
Bourne. Comparative Anatomy of Animals.
Dendy. Outlines of Evolutionary Biology.
Doncaster. An Introduction to the Study of Cytology.
Kellicot. Outlines of Chordate Development

Practical.

Marshall. The Frog.
Marshall and Hurst. Junior Course of Practical Zoology.

(Honours Course.)

(In addition to the books recommended for the Pass Course.)

Parkar and Haswel. Text-book of Zoology (latest edition).
Lull. Organic Evolution.
Walter. Genetics.

Practical.

(The same as for the Pass Course.)

Recommended for reference—

The Cambridge Natural History.
Ray Lankester. A Treatise on Zoology.
Sedgwick. Students' Text-books of Zoology.

PSYCHOLOGY.

Books recommended to be used in studying the subject in accordance with the Syllabus. (Latest editions only are to be used):—

(Pass Course.)

Paper I.—General Psychology.

(1) Titchener. Text Book of Psychology (Chapters on Introduction, Sensations, Affection, Attention, Action and Emotion).
(2) Woodworth. Psychology—A study of mental life. (1940 Edition.) Chapters II to V, VIII to X, XIII, XVI to XVIII. (The individual in his environment. The individual differences in Ability, Intelligence, Personality. The Nervous system, Learning, Memory, Observation, Thinking, Imagination and Personal application.)

Paper II.—Genetic and Abnormal Psychology.

(1) Holmes. Evolution of Animal Intelligence.
(2) Kirkpatrick. Fundamentals of Child Study (1938 Edition), Chapters I to IX, XI and XV.
(3) Tansley. New Psychology.

Paper III.—Practical.

Titchener, Experimental Psychology—Students' Manual, Volume I, Part I.

Recommended for preparatory reading—

Sinha & Bose. Elements of General Psychology.
Bridges. Psychology, Normal and Abnormal.
People's Book Series—(*a*) Heredity, (*b*) Evolution.

(Honours Course.)

(In addition to the books recommended for the Pass Course.)

Paper I.—General Psychology.

Myers. Text-book of Experimental Psychology, Part I. Chapters I, IX, X, XI, XIV, XV, XVII and XVIII.

Paper II.—Genetic and Abnormal Psychology.

(1) Murphy. Outlines of Abnormal Psychology (Latest Edition).
(2) Curti. Child Psychology (omitting chapters on Meaning and Personality).
(3) Alvedes. Psychology of Animals (omitting chapters on Introduction, Association and Human Society from Biological Standpoint).

Paper III.—Social Psychology and History of Psychology.

(1) Wundt. Elements of Folk Psychology, Chapter I.
(2) Ginsberg. The Psychology of Society (omitting Chapters III, V, VI, XI).
(3) Pillsbury. History of Psychology.
(4) McDougall. Introduction to Social Psychology, Chapters I, II, V and VIII.

Paper IV.—Educational and Industrial Psychology.

(1) Pintner. Educational Psychology.
(2) Welch and Miles. Industrial Psychology in Practice.

For preparatory reading—

Myers. Industrial Psychology (Home University Library).

Papers V and VI.—Practical.

Myers. Text-book of Experimental Psychology, Parts I-II.

GEOGRAPHY.

Books recommended to be used in accordance with the Syllabus. (Latest editions only are to be used):—

(Pass Course.)

Paper I—Regional Geography.

(*a*) Asia with fuller treatment of India:—

Stamp, L. D. Asia (Methuen & Co.—Fourth Edition), Part I—Chapters 1, V, VII; Part II—Chapter IV.

(*b*) Europe and North America:—

Preece, D. M. and Wood, H. R. B. Modern Geography, Book III—Europe (University Tutorial Press, London, 1939).
Lane, E. V. North America (George G. Harrap), subject to its being available in India.

Paper II—Principles of Human and Physical Geography.

Lake, Philip. Physical Geography (Cambridge University Press—Latest Edition).
Huntington, E. Principles of Human Geography (John Wiley & Sons—Fifth Edition), Chapters 1, 2, 10, 11, 12.

Paper III—Practical.

Bygott, J. Map Work and Practical Geography (University Tutorial Press—Second Edition, 1938).
Topographical maps of India are to be studied.

Note.—Students are expected to attend lectures on topics included in the syllabus, but not dealt with in the above recommended books.

(Honours Course.)

Papers I and II—General Regional Geography.

Paper I.

(*a*) India and the Monsoon Lands of Asia—

Stamp, L. D. Asia (Methuen & Co.—Fourth Edition, 1939). The following chapters, in addition to the chapters prescribed for the Pass Course:—Part II, Chapters V-VII (excluding the East Indies and the Philippines), and Chapter X.
Lyde, L. W. The Continent of Asia (Macmillan & Co.), Chapters I-XIII and XXII-XXXVIII.

A. P. DASGUPTA,
Controller of Examinations (offg.).

Orders by the Executive Council of the University of Dacca, dated the 6th November 1943.

Ramna, Dacca, the 6th November 1943.

Preliminary B.L. Examination, July and August 1943.

The undermentioned candidates have passed the Preliminary B.L. Examination held in July and August 1943:—

Roll numbers, names of halls and names of candidates.

SECOND CLASS.

(In alphabetical order.)

2 Jagannath, Haripada Das. 3 Fazlul Huq Muslim, Kabiruddin Ahmad. 4 Fazlul Huq Muslim, Mocksud Uddin Biswas. 5 Fazlul Huq Muslim, Mosleh Uddin Ahmad. 9 Salimullah Muslim, Syed Abuzar Abdul Wahid.

Final B.L. Examination, August 1943.

The undermentioned candidates have been admitted to the Degree of Bachelor of Law on the results of the examination of August 1943:—

Roll numbers, names of halls and names of candidates.

FIRST CLASS.

(In order of merit.)

15 Jagannath, Matilal Biswas.

SECOND CLASS.

(In alphabetical order.)

11 Dacca, Amalendu Bandyopadhyay. 12 Jagannath, Arunkisor Dasgupta. 13 Dacca, Bimalendra Mitra.

Final B.L. Supplementary Examination, August 1943.

WITHOUT CLASS.

(In alphabetical order.)

19 Dacca, Birendrakisor Sinha.

The following candidates have failed in the subject or subjects noted against their names at the Final B.L. Examination of August 1943, and are entitled to appear in the subject or subjects at a Supplementary Examination under conditions laid down in the Ordinances and Regulations:—

Roll numbers, names of halls, names of candidates and subjects.

16 Fazlul Huq Muslim, Md. Mumtazul Hoq—(1) Law of Transfer and Succession, (2) Law of Crimes. 18 Dacca, Nanigopal Pal—Law of Crimes.

University Test Examination in English Composition.

The following candidates have passed the University Test Examination in English Composition held on the 7th September 1943:—

Roll numbers, names of halls, names of candidates and class.

1. Jagannath, Abaniranjan Das—B.A. 2nd Yr. Pass. 2 Salimullah Muslim, Abdul Awwal Miah—B.A. 2nd Yr. Pass. 3 Fazlul Huq Muslim, Abdul Jabber Khan—B.A. 2nd Yr. Hons. 4 Salimullah Muslim, Abdul Khaleq—B.Com. 2nd Yr. 5 Salimullah Muslim, Abdul Majeed (son of Munshi Mohammad Ali Hossain)—B.A. 2nd Yr. Pass. 6 Salimullah Muslim, Abdul Majid (son of Munshi Abdus Shafi)—B.A. 2nd Yr. Pass. 7 Salimullah Muslim, Abdul Majid Mia—B.A. 2nd Yr. Hons. 8 Fazlul Huq Muslim, Abdul Mannan Khan—B.A. 2nd Yr. Pass. 10 Salimullah Muslim, Abdur Rashid—Appeared at the B.Com. Exam. held in 1942. 11 Salimullah Muslim, Abdus Sattar—B.A. 2nd Yr. Hons. 12 Jagannath, Abinaschandra Chakrabarti—B.Com. 2nd Yr. 13 Salimullah Muslim, Abu Bakr Siddique—B.A. 2nd Yr. Pass.

Roll numbers, names of halls, names of candidates and class.

14 Salimullah Muslim, Abul Bashar Fakharuddin Ahmed—B.A. 2nd Yr. Pass. 15 Salimullah Muslim, Abul Bashar Muhammad Abdus Shahid—B.A. 2nd Yr. Hons. 16 Salimullah Muslim, Abul Fazl Md. THURSDAY, NOVEMBER 25, 1943

PART IV A—Bills introduced in the Bengal Legislative Assembly; Reports of Select Committees presented or to be presented to that Assembly; and Bills published before introduction in that Assembly.

BENGAL LEGISLATIVE ASSEMBLY DEPARTMENT.

NOTIFICATION.

No. 2042L.A.—17th November, 1943.—In pursuance of the provisions of rule 50 of the Bengal Legislative Assembly Procedure Rules, the following Bill which was introduced in the Bengal Legislative Assembly on September 28, 1943, is hereby published for general information together with the Statement of Objects and Reasons annexed thereto.

THE BENGAL CLOSE SEASON FOR FISHES BILL, 1943.

(As introduced in the Assembly on September 28, 1943.)

A BILL

to provide for a close season for fishes.

WHEREAS it is expedient to provide for a close season for all fishes;

It is hereby enacted as follows :—

1. (*1*) This Act may be called the Bengal Close Season for Fishes Act, 1943.

(*2*) It extends to the whole of Bengal.

(*3*) It shall come into force at once.

2. "Private waters" notwithstanding anything contained in any other Act, will mean those waters which have been excavated at the expense of the owner such as tanks, ponds, artificial lakes, etc., which have no outlet to the natural waters.

3. The Bengali months of *Jaistha* and *Ashar* shall be observed as close season for fishes throughout Bengal.

4. No person shall catch any fish fry or ova during the close season in any water :

Provided that fishing at seas, estuaries and in private waters shall be allowed at any time :

Provided also following fishes will be allowed to be caught anywhere at any time :—

(*a*) Hilsha,

(*b*) Lobster.

5. No one shall catch fries of *shol*, *taki*, *gazer* and *air* fishes during the time they live in cluster whether in close season or at any time.

6. Whoever commits any breach of sections 3 and 4 of the Act shall be punishable with a fine up to Rs. 200. In case of a continuing breach a further fine of Rs. 10 will be imposed for every day after the date of the first conviction during which the breach is proved to have been persisted in.

STATEMENT OF OBJECTS AND REASONS.

The urgency of a measure to promote the growth of fish and to save fishes from extinction cannot too strongly be advocated. Fish is not only becoming dearer day by day but in many parts of Bengal, which used to abound in fishes, it is becoming scarce also. The pinch is being most felt by rural people who have to depend for his supply on his own catches in the neighbouring natural waters. Fish is a principal element for the rice-eating Bengalis' dishes and as such the promotion of its growth is a vital concern for the state as well as the people. The present Bill aims at checking indiscriminate catches, destruction of fries and ovas and provides for unhindered movement of fishes during the general season for spawning.

Member-in-charge.

BENGAL LEGISLATIVE ASSEMBLY DEPARTMENT.

NOTIFICATION.

No. 2043L.A.—17th November, 1943.—In pursuance of the provisions of rule 50 of the Bengal Legislative Assembly Procedure Rules, the following Bill which was introduced in the Bengal Legislative Assembly on September 28, 1943, is hereby published for general information together with the Statement of Objects and Reasons annexed thereto.

THE BENGAL STEAMER KHALASIS BILL, 1943.

(As introduced in the Assembly on September 28, 1943.)

A
BILL

to make provisions for the betterment of the condition of steamer khalasis.

WHEREAS it is expedient to provide for better wages and service conditions for khalasis serving on board the steamers navigating in the province of Bengal;

It is hereby enacted as follows :—

1. (*1*) This Act may be called the Bengal Steamer Khalasi Act, 1943.

(*2*) It extends to the whole of Bengal.

(*3*) It shall come into force on such date as the Provincial Government may, by notification in the *Official Gazette*, appoint.

2. In this Act, unless there is anything repugnant in the subject or context—

(*1*) " Khalasi " means and includes the whole staff of the steamer save and except the drivers, serangs and masters and may be divided into following classes :— Tindal, Engine department khalasi, bhandari, mohtar, wheel sukani, oilman, lightman, fireman and manifest clerk.

(*2*) "Salary" means and includes what is paid to the employee by his employer for services rendered by him, payable monthly and as defined in General Clauses Act, 1897. Act X of 1897.

(*3*) "Steamer" means and includes steamships, steam launches, flats, barges, armboats, cargo boats and punsi boats plying in inland waterways.

(*4*) Duties of khalasi would not include the work of a cooly.

3. The minimum salary of the khalasi staff of the steamer shall be as follows:—Fireman, oilman, cassab, wheel sukani, each Rs. 27 per month, lightman, tindal, each Rs. 31 per month, coalman, bhandari, and other khalasis, each Rs. 20 per month and manifest clerk Rs. 33 per month, tally sukani Rs. 29 per month, deck cassab at Rs. 21 per month and wheel sukani Rs. 26 per month.

4. The entire staff of the steamers shall be directly under the control of the employer in charge of management of the steamer service and they will be considered servants of the employer with all the privileges, gratuity and pension to which the other staffs are entitled under the rules on completion of 20 years service.

5. The khalasi staff of the steamers on their completion of one year's service would be entitled to 3 months' leave each and every year in the following terms, viz., one month's leave with full pay and another two months' leave without pay and on the termination of leave they will be allowed to join their old posts.

6. Each and every khalasi would be individually responsible for dereliction of his duties and if as a result thereof the employer suffers any loss, then and in such case the employee would be liable to pay the damages to the employer :

Provided that the said damages shall be deducted from his monthly pay by easy instalments.

7. The khalasi staff shall be entitled to free pass once every year for their inward and outward journeys.

8. In the event of any of employee in the khalasi staff being attacked with small-pox, cholera, or receiving any bodily injury in course of his duties then and in such a case he will be admitted in the hospital by the employer and would remain under his supervision. He will further be allowed sick leave with full pay for the period he remains in the hospital.

9. If any employee in the khalasi staff be permanently or partially disabled on account of injuries received by him while on duty, his claim shall be considered as a claim by the Commissioner under the Workmen's Compensation Act, 1923. Act VIII of 1923.

10. Any breach of the provisions of this Act shall be penalised by a fine of Rs. 500 on a complaint made to any 1st class Magistrate.

STATEMENT OF OBJECTS AND REASONS.

The Bill aims at—

(*a*) Recognition of the khalasis directly by the employer in charge of the management of the steamers navigating in the province of Bengal.

(*b*) Total abolition of the present anomalous practice of leaving the khalasis entirely at the mercy of the masters, serangs and drivers who taking full advantage of their ignorance and economic helplessness exploit them to the fullest possible extent.

(*c*) Fixation of the minimum salary of the khalasis at Rs. 20 per month in addition to usual leave and free pass, etc.

The Bill if enacted into law would appreciably solve the growing unemployment problem of the province as the steamer companies normally require a huge number of khalasis and would improve their standard of living.

BENGAL LEGISLATIVE ASSEMBLY DEPARTMENT.

NOTIFICATION.

No. 2044L.A.—17th November, 1943.—In pursuance of the provisions of rule 50 of the Bengal Legislative Assembly Procedure Rules, the following Bill which was introduced in the Bengal Legislative Assembly on September 28, 1943, is hereby published for general information together with the Statement of Objects and Reasons annexed thereto.

THE BENGAL TENANCY (AMENDMENT) BILL, 1943.

(As introduced in the Assembly on September 28, 1943.)

A
BILL

further to amend the Bengal Tenancy Act, 1885.

WHEREAS it is expedient further to amend the Bengal Tenancy Act, 1885; Act VIII of 1885.

It is enacted as follows:—

1. This Act may be called the Bengal Tenancy (Amendment) Act, 1943.

2. It shall come into force on such date as the Provincial Government may, by notification in the *Official Gazette*, appoint.

3. In section 88, sub-section (*2*) after clause (c) of the proviso the following new clause shall be inserted, namely :—

"(*d*) In case of tenures or holdings the rent of which is payable to the Collector directly—as in Government *khas mahal*—the distribution of the rent or the division of the tenancy shall be made by the Collector or any duly empowered Revenue Officer and not by the Civil Court. Revenue Officers shall have the jurisdiction to redistribute the rent in cases where the distribution has been made by the Civil Courts."

STATEMENT OF OBJECTS AND REASONS.

In Government Estates the rent is imposed on the tenants, *i.e.*, tenure-holders and *raiyats*, on a scientific calculation leaving uniform margins as profits to the tenants and taking off the rest as public revenue.

The rents are liable to be reassessed periodically and at every assessment rent rolls are prepared and the exact rate of allowance to be awarded to the tenants of different classes are calculated on the basis of the rent roll.

There have been cases where the Civil Courts in disregard of this basic principle of assessment and of the security or otherwise of the said revenue have distributed the rents in such a way that the entire system has been upset and the Court's decision cannot but be interfered with by the Revenue authorities at the time of the next reassessment and settlement of rent

ORDINANCE No. XXXVI OF 1943.

AN

ORDINANCE

to provide for the forfeiture in certain cases not provided for by the Indian Army Act, 1911, of pay and allowances of certain persons subject to that Act.

WHEREAS an emergency has arisen which makes it necessary to provide for the forfeiture in certain cases not provided for by the Indian Army Act, 1911 (VIII of 1911) of pay and allowances of certain persons subject to that Act;

NOW, THEREFORE, in exercise of the powers conferred by section 72 of the Government of India Act, as set out in the Ninth Schedule to the Government of India Act, 1935 (26 Geo. 5, c. 2), the Governor General is pleased to make and promulgate the following Ordinance:—

1. *Short title and commencement.*—(*1*) This Ordinance may be called the Prisoners of War (Forfeiture of Emoluments) Ordinance, 1943.

(*2*) It shall come into force at once.

2. *Interpretation.*—In this Ordinance, "Indian commissioned officer" means an Indian commissioned officer as defined in clause (*2*) of section 7 of the Indian Army Act, 1911 (VIII of 1911).

3. *Forfeiture of pay and allowances of prisoner of war.*—(*1*) The whole or any part of the pay and allowances of an Indian commissioned officer may be forfeited by order of the Central Government if the officer is found by a military Court of Enquiry constituted under this Ordinance—

(*a*) to have deserted to the enemy, or

(*b*) while in enemy hands, to have served with, or under the orders of, the enemy, or in any manner to have aided the enemy, or

(*c*) to have allowed himself to be taken prisoner by the enemy through want of due precaution, or through disobedience of orders or wilful neglect of duty, or

(*d*) having been taken prisoner by the enemy, to have failed to rejoin His Majesty's service when it was possible to do so.

(*2*) The Central Government may at any time cancel in whole or in part any order made under sub-section (*1*), and any such cancellation may be with retrospective effect.

4. *Courts of Enquiry.*—The Commander-in-Chief of His Majesty's Forces in India or any officer authorised by him in this behalf may constitute a military Court of Enquiry of such composition as the constituting authority thinks fit to enquire into and report to the Central Government on any case of the nature referred to in sub-section (*1*) of section 3.

DEPARTMENT OF PUBLIC HEALTH AND LOCAL SELF-GOVERNMENT

RESOLUTION—No. 1207C./M.

Calcutta, the 24th November 1943.

In view of the fact that the arrear tax demand of the Jamalpur municipality in the district of Mymensingh gradually increased from Rs. 13,668-10-6 on the 1st April 1938 to Rs. 20,882-9 on the 1st October 1941 even though the commissioners granted remission every year on a fairly liberal scale, that the liabilities of the municipality also gradually increased from Rs. 17,316-5-9 at the end of 1938-39 to Rs. 20,613-5-6 during 1940-41 and that the extent of the liabilities then came to four-fifths of its total annual income, the municipal finances had reached a position when the total annual collection of Rs. 25,000 was barely sufficient to cover the obligatory items amounting to Rs. 21,000 and the cost of maintaining roads and tube-wells, and there was no surplus available for reducing the accumulated liabilities.

2. The causes of this unsatisfactory financial position of the municipality appeared to Government to lie in the inefficient administration of the collection department of the municipality due to continued apathy of the Commissioners to exert themselves and to their reluctance to take proper steps for the realisation of the arrear demands. On the recommendations of the local officers Government proposed to take steps for the

appointment of a suitable person under section 550 (*2*) of the Bengal Municipal Act to be in charge of the collection department of the municipality for a certain period and for taking action under section 116 of the Act to control the budget estimate of the municipality and in their order No. 691M., dated the 19th March 1942, the Commissioners of the Jamalpur municipality were asked to show cause, within a period of two months from the date of receipt of that order, why the proposed appointment under section 550 (*2*) of the Act should not be made and why action under section 116 of the Bengal Municipal Act should not also be taken.

3. The municipal commissioners at their meeting dated the 26th May 1942 considered the above order of Government and requested them not to take any action under the aforesaid sections on the grounds that the new municipal board was expected to be constituted shortly and that the municipal commissioners proposed to find out means to increase the collection of taxes and to reduce the liabilities. The municipal board was formed in July 1942 and in order to give the new members an opportunity to exert themselves to improve the financial condition of the municipality, no further action was taken by Government at that time, and in March 1943 the Commissioner of the Dacca Division was requested to furnish a report whether there had been any appreciable improvement in the administration of the municipality, particularly in the matter of collection of taxes, including arrear dues, since the new board came into office.

4. It appears from the report of the local officers that the financial condition of the municipality is still unsatisfactory and the new board has failed to show any appreciable improvement in the administration, of the municipality and in their opinion mere supersession of the collection department cannot restore the position.

5. After a very careful consideration of the whole matter, Government have reached the conclusion that the commissioners of the Jamalpur municipality have shown themselves incompetent to perform and have persistently made default in the performance of, the duties imposed on them by or under the Bengal Municipal Act, 1932. In exercise, therefore, of the power conferred by section 553 of the said Act Government declare the commissioners of the Jamalpur municipality to be incompetent and in default and supersede the said commissioners for a period of two years with effect from the fifteenth day of December 1943.

6. Ordered that this resolution be published in the *Calcutta Gazette*.

By order of the Governor,

E. W. HOLLAND, Secy.

NOTIFICATIONS.

Mymensingh.—No. 1208C./M.—24th November 1943.—Whereas the Governor has by resolution No. 1207C./M., dated the 24th November 1943, superseded the commissioners of the municipality of Jamalpur in the district of Mymensingh, the Governor is pleased to direct that the Subdivisional Officer of Jamalpur shall exercise and perform, in addition to his own duties, all the powers and duties which may under the provision of the said Act or any rule or by-law made thereunder be exercised and performed by the Chairman and by the commissioners, whether at a meeting or otherwise, of the Jamalpur municipality during the period of such supersession.

Birbhum.—No. 1237C./M.—27th November 1943.—The following draft of a set of by-laws, which has been framed by the Commissioners of the Suri Municipality, under section 417 of the Bengal Municipal Act, 1932 (Bengal Act XV of 1932), and which the Governor proposes to confirm under section 506 of the Act, is published for the information of persons likely to be affected thereby.

2. The draft will be taken into consideration on the 15th February 1943, and any objection or suggestion received by the undersigned through the District Magistrate and the Divisonal Commissioner before that date will be duly considered:—

Draft by-laws.

1. In these by-laws the word "vendor" includes a shop-keeper, stall-holder, squatter or other salesman in any market or in any other place within the municipality.

2. All vendors within the municipality shall use—

(*i*) Government standard weights, that is to say, a *maund*, consisting of forty *seers*, a *seer* consisting of eighty *tolas* and a *tola* consisting of one hundred and eighty *grains*, and

(*ii*) a standard cubit consisting of eighteen inches for the measure of commodities other than land.

3. The Commissioners shall require the superintendents of the municipal markets or any other officers duly authorised by them in that behalf, and may require the owner, manager or other person in charge of a private market to keep in their custody standards of weights and measures conforming with the standard prescribed in by-law 2 for the purpose of verifying the weights and measures used by any vendor for the sale of articles in any market or in any other place. Such superintendents or other officers duly authorised by the Commissioners shall keep in their custody a die for the purpose of stamping weights and measures, which have been duly verified in the manner provided in by-law 4.

4. The Superintendent of a municipal market or any other officer duly authorised by the Commissioners in that behalf, shall, not less than once in every three months, test and verify the weights and measures used by each vendor in every market or other place by comparison with the aforesaid standards and shall also similarly test and verify every weight or measure that may be brought to him by any person at his office for the purpose of verification; and if, in either case, he finds the same to be correct, shall stamp it with the die mentioned in by-law 3 by way of verification on payment of such fee, *not exceeding annas four* in each case as the Commissioners may from time to time direct:

Provided that weights and measures once stamped shall not be stamped with the die a second time unless the stamp has become faint or obliterated.

Bankura.—No. 1239C./M.—29th November 1943.—The following draft of an amendment, which has been made by the Commissioners of the Bankura Municipality, in the district of Bankura, under clause (*a*) of section 245 of the Bengal Municipal Act, 1932 (Bengal Act XV of 1932), in the by-laws framed by them and confirmed in notification No. 6630M., dated the 2nd December 1937, and which the Governor proposes to confirm under section 506 of the Act, is published for the information of persons likely to be affected thereby.

2. The draft will be taken into consideration on the 23rd February 1944, and any objection or suggestion received by the undersigned through

the District Magistrate and the Divisional Commissioner before that date will be duly considered:—

Draft amendment.

For by-law No. 10, *substitute* the following by-law, namely:—

"10. *Maximum load of carts.*—Without the general or special permission of the Commissioners, no buffalo cart shall carry a load in excess of twenty-four maunds and no bullock or other cart shall cary a load in excess of twenty maunds on any public street.

Fine, Rs. 10".

Hooghly.—No. 1224C./M.—25th November 1943.—Whereas in the opinion of the Governor the development of the Rishra and Konnagar municipalities in the district of Hooghly is due to an appreciable extent to, and dependent on, the industries carried on therein;

Now, therefore, the Governor, in exercise of the power conferred by clause (*i*) of sub-section (*1*) of section 18 of the Bengal Municipal Act, 1932 (Bengal Act XV of 1932), and in supersession of notification No. 1058C./M., dated the 22nd October 1943, is pleased to direct that, subject to the total number of commissioners fixed by notification No. 786M., dated the 10th June 1940, as subsequently amended, not being increased in each of the said municipalities the number of appointed commissioners shall be increased by one, that is to say, the number of appointed commissioners in the Rishra and Konnagar municipalities shall be increased from three to four and from two to three, respectively, in order to secure the proper representation of the industries carried on within the limits of the said municipalities and of labour employed therein.

Calcutta.—No. 1225C./M.—25th November 1943.—In exercise of the power conferred by section 5 of the Calcutta Improvement Act (Bengal Act V of 1911), the Governor is pleased to re-appoint Mr. Abdur Rahman Siddiqi, M.A., L.L.B., Bar.-at-Law, M.L.A., to be a member of the Board of Trustees for the Improvement of Calcutta, with effect from the 27th November 1943.

Darjeeling.—No. 1234C./M.—26th November 1943.—In exercise of the power conferred by section 506 of the Bengal Municipal Act, 1932 (Bengal Act XV of 1932), as extended to the Darjeeling municipality, the Governor is pleased to confirm the by-laws framed by the commissisoners of the Darjeeling municipality in the district of Darjeeling, under clause (*b*) of sub-section (*1*) of section 499 of the said Act and published for information under notification No. 625C./M., dated the 5th June 1943.

Burdwan-Rajshahi Divns.—No. 1236C./M.—26th November 1943.—It is hereby notified for general information that, under sub-section (*1*) of section 145 of the Bengal Municipal Act, 1932 (Bengal Act XV of 1932), the Governor is pleased to add to the list of persons qualified for appointment as municipal assessors, published with notification No. 92M., dated 17th January 1941, as subsequently amended, the name of the following persons:—

Under the Rajshahi Division.

24 Babu Ramendra Mohan Munshi, B.L., post office Sherpur, Bogra.

Under the Burdwan Division.

29 Babu Sudhir Chandra Misra, 130, Dewanagazee Road, Bally, Howrah.

AGRICULTURE DEPARTMENT

Veterinary

NOTIFICATION.

24-Parganas.—No. 3056Vety.—20th November 1943.—The following revised rules for the management of hostels of the Bengal Veterinary College approved by the Government of Bengal in supersession of the existing rules are published for general information:—

1. There are two buildings set aside in the Bengal Veterinary College expressly for purposes of residence of the 2nd and 3rd year class students of the college. The maximum limit of accommodation in these two buildings is fixed at 153 and the students of the 2nd and 3rd year classes must, unless specially exempted by the Principal, live in them and abide by the rules in force. A few students of the 1st year class are allowed to reside there if the total number of residents falls short of 153. Students who are too poor to pay the charges are allowed to live outside within a reasonable distance from the college. The hostels are the Macpherson and Fraser hostels. For purposes of convenience they are named the "Hindu Hostel" (Fraser Hostel) owing to a preponderance of Hindus usually occupying the same, and the Muslim Hostel (Macpherson Hostel) for the same reason as regards Muslims. Students of different religious dominations may occupy either at the discretion of the Principal.

The 1st year students will as a rule arrange for their own lodging and boarding outside the college. If some of the allotted 153 seats remain vacant due to an insufficient number of students in the 2nd and 3rd year classes, the Principal of the college may cause them to be filled up by allowing the same number of 1st year students to live in hostels.

Leave of absence from the hostels.

2. No special leave of absence from the hostels is required between the hours of 4 p.m. to 9 p.m. but this privilege is open to restriction by the Principal or Vice-Principal by way of punishment for any kind of offence against the college rules or for other reasons. Leave to remain absent from the hostel beyond 9 p.m. till 12 p.m. must be obtained from the Superintendent who will report to the Principal any frequent requests for such. To remain absent beyond 12 p.m. constitutes "leave from college" and application for such leave must be made through the Superintendent to the Principal.

Loss of property.

3. The students residing in the hostels are responsible themselves for the safety of their property. No compensation for loss will be made, but all assistance will be given for the recovery of the lost property.

Theft of property by any student may be punished with dismissal.

Fees.

4. Each student shall pay Rs. 5-8 per month which sum is made up as follows:—

To be credited to Government positively by the 7th of each month or the following working day if the 7th is a Sunday or holiday:—

	Rs.	a.	p.
(*i*) Seat and furniture rent ...	4	0	0
(*ii*) Municipal tax ...	0	8	0
(*iii*) Per-capita fee .	0	8	0
(*iv*) Medicines .	0	4	0
(*v*) Electric charges ...	0	4	0
Total ...	5	8	0

A fine of anna 1 per day may be imposed if not paid within the aforesaid period.

A student is liable to removal should he fail to pay these charges by the end of the month in question.

All vacation charges (viz., seat rent, etc.) from April to June are payable in advance by all students so liable. Such dues must be paid up by the 15th of April, in default of which defaulters' names shall be removed from the rolls from the 16th idem.

The above fees will be received by the cashier.

Management.

5. The direct management of the hostels devolves on the Hostel Superintendents under the authority of the Principal. The Superintendents shall be responsible for good order being maintained in the hostels.

The messing arrangement is left in the hands of the boarders themselves. No boarder shall be permitted to take his meals regularly outside the hostel nor will "prepared meals" from outside be allowed into the hostels.

Four prefects (two from each of the 2nd and 3rd year classes) shall be appointed annually. They will assist the Superintendents in keeping good order and discipline and will be entitled to special certificates from the Principal for good work done in this sphere.

The appointment and dismissal of hostel menial staff, etc., shall rest with the Superintendents, in consultation with the Secretary and the Principal.

Seats.

6. The allotment of seats shall be made by the Superintendents.

Accommodation and furniture.

7. Altogether there are 153 seats in the two hostels, *i.e.*, 125 seats in the Fraser Hostel and 28 seats in the Macpherson Hostel. The Superintendents should see that no seat should remain unoccupied causing loss of Government revenue. Each room in the Fraser Hostel is furnished with 5 beds, 2 tables, 3 chairs, 2 stools, 4 wall cupboards and 1 dwarf almirah and will accommodate 5 students and in the Macpherson Hostel each room is furnished with 4 beds, 1 table, 3 chairs and 4 wall cupboards and will accommodate 4 students. Every student must bring his own clothings and beddings but no extra furniture can be admitted without the permission of the Principal.

8. The unauthorised removal of any article of furniture from its proper place shall be punished with fine, and a student wilfully damaging any article will have to replace it or pay for its repair.

Discipline.

9. The hostel gates shall be closed precisely at 9 p.m. and opened at 6 a.m. Boarders returning to the hostels after 9 p.m. unless given permission by the Superintendents are liable to be fined.

Any boarder staying out later than 12 p.m. shall be reported to the Principal.

No religious ceremony likely to injure the feelings of any of the boarders shall be performed by any student in the hostels.

Use of tobacco or intoxicants of any kind by the boarders is not permitted.

Singing and playing upon musical instruments in the hostels is strictly prohibited. Any one found indulging in such to the disturbance or annoyance of others will be fined. On ceremonial occasions, however, music may be allowed provided previous written permission of the Superintendents is obtained.

Boarders must not throw water or refuse outside their rooms. Boarders breaking this rule shall be fined. If a boarder doing so cannot be detected all the boarders of the rooms from which such materials had been thrown shall be fined.

Boarders are not permitted to keep their own private servants in the hostels. Complaints against the hostel servants should be made in writing to the Superintendents. Boarders cannot take into their own hands the task of chastising or punishing the menials. Such is regarded as very serious misconduct and is liable to be punished by instant dismissal.

A Conduct Register is kept by the Superintendents in which the names of boarders are entered in all cases of serious misconduct, *e.g.*, (*i*) disobedience of orders or infringement of rules; (*ii*) absence without leave; (*iii*) continued neglect of studies; (*iv*) insubordination or disrespect to the authorities and any other kind of misconduct not provided for in the rules. An entry once made cannot be altered or cancelled excepting by the Principal.

Outsiders, as a rule, shall not be allowed to pass the night in the hostels. In emergent cases, however, such as during serious illness of boarders, their friends or relatives may be admitted in order to nurse them for a short period of time with previous permission of the Superintendents or Principal.

Boarders shall not be allowed to take their meals in their rooms except in cases of illness when recommended by the Medical Officer of the college. Any boarder violating this rule shall be fined.

No outsider shall be allowed to join any mess or dine in the hostel. Any boarder found to have an outsider feeding in the mess, without permission, shall be liable to a fine of one rupee or more. In exceptional cases guests may be allowed to take their meals, for a very short period, in the hostel mess, with the previous permission of the Superintendents.

Hawkers of any kind are not to be allowed to go round the hostels or enter the rooms of boarders. Boarders inviting hawkers to their rooms will be punished.

Applications, with reasons, for leave of absence from the hostels must be made in person to the Superintendents.

Neatness and cleanliness must be particularly observed by the boarders. Wilful negligence in this respect will be severely dealt with.

Students may be removed from the hostels for habitual and gross misconduct, for continued neglect of studies or for serious entries in the Conduct Register. All such removals shall be immediately reported to the authorities concerned.

Students shall not crowd round or follow a visitor or inspecting officer while on the premises. They should remain in their places, unless called out, and should pay the customary marks of respect to official visitors.

Attendance.

10. The rolls shall be called twice daily, viz., (*1*) at 6 a.m. from March to October and 6-30 a.m. from November to February, and (*2*) at 9-30 p.m. and 9 p.m. respectively.

Leave.

11. Leave is only to be applied for, and will only be given in cases of necessity.

Students must apply for leave in the proper form before and not after absenting themselves, and must, before leaving, ascertain the orders passed on their applications.

Applications on account of sick leave for more than two days must be supported by a medical certificate from a duly qualified practitioner. In the case of actual boarders in residence at the college all sick leave applications for whatever period must be recommended by the Medical Officer in charge.

When holidays are granted, it is necessary for students to ascertain if they have been detained for hospital duty or not. No excuse for absence from duty will be accepted because a general holiday has been granted.

Sickness.

12. Boarders, when ill, are attended by the Medical Officer of the college who visits the hostels every morning. If a boarder wishes to be attended by any other medical man, he must first obtain the permission of the Superintendents and notice must be given to the Medical Officer of the hostel. In such cases the Medical Officer ceases to be responsible for the patient, and, if, subsequently called in consultation, he is entitled to the fees usual for such consultation. Any extra expenses involved for diet or nursing must, in these cases, be borne by the patient.

Boarders, when seriously ill, will be removed to hospital.

In case of infectious disease, special precautions are necessary.

In all such cases (measles, chicken-pox, cholera), they are segregated from the rest of the boarders; cases of small-pox or plague must at once be removed from the hostels.

Common Room and Library.

13. There is a common room with a small library. The management of the common room and its library is entrusted to the boarders under the supervision of the Superintendents. The common room shall remain open from 9 a.m. to 9 p.m. Each student shall pay Re. 1 as "Common Room Fee" at the beginning of each session.

Dining hall.

14. Students must go to the dining rooms for their meals between 10 and 11 in the morning and 7 and 9 in the evening. Every boarder must take his meals in the common dining room except in cases of serious illness.

The dining hall will be closed about 9-30 p.m.

Light.

15. Ordinarily the lights of the hostels will be put on at dusk and put off punctually at 11 p.m. unless otherwise directed by the Principal.

Students' Athletic Club.

16. The College Athletic Club will be constituted with the Principal as President, the Vice-Principal as Vice-President, the College Secretary as Secretary and the Gymnasium Instructor as Assistant Secretary. Executive Members, Captains and Vice-Captains of each section of games played to be elected by the general body of the students of the college.

Athletic games may be played daily on the college grounds under the direction of the Athletic Club.

Athletic Club's Fund.

17. All students are to subscribe Rs. 3 per session each to the club against Government's annual contribution in the very first month of the session, *i.e.*, in July, otherwise the defaulters' name may be removed from the college roll from the 1st of the following month, but may be re-posted on payment by the defaulter of usual readmission fee of Rs. 10 *plus* the arrear dues.

Expenditure and receipts of students' athletic funds should be kept in a separate register and should not form part of the cash balance of Government money. Government contributions and students' subscriptions should be accounted for on the receipt side and all disbursements on the expenditure side. The funds are to be kept in a postal savings bank account under the title of the President. The Gymnasium Instructor as Assistant Secretary will act as Treasurer of the club's Fund under the President.

These rules are subject to modification if necessary.

By order of the Governor,
K. A. L. HILL, Secy.

PART V—Acts of the Indian Legislature assented to by the Governor-General and Ordinances promulgated by the Governor-General.

GOVERNMENT OF INDIA.

Legislative Department.

The following Act of the Indian Legislature received the assent of the Governor General on the 13th August 1943, and is hereby promulgated for general information:—

ACT No. XIX OF 1943.

An Act to amend the Motor Vehicles (Drivers) Ordinance, 1942.

WHEREAS it is expedient to amend the Motor Vehicles (Drivers) Ordinance, 1942 (V of 1942), for the purposes hereinafter appearing;

It is hereby enacted as follows:—

1. *Short title.*—This Act may be called the Motor Vehicles (Drivers) Amendment Act, 1943.

2. *Insertion of a new section 6A in Ordinance V of 1942.*—After section 6 of the Motor Vehicles (Drivers) Ordinance, 1942 (V of 1942) (hereinafter referred to as the said Ordinance), the following section shall be inserted, namely:—

"6A. (*1*) It shall be the duty of any employer by whom a person, who has been required by an order under sub-section (*1*) of section 4 to perform any service, was employed to reinstate him in his former employment on the termination of that service in an occupation and under conditions not less favourable to him than those which would have been applicable to him had he not been required to perform that service:

Provided that if the employer refuses to reinstate such person, or denies his liability to reinstate such person or if for any reason the reinstatement of such person is represented by the employer to be impracticable, either party may refer the matter to the authority authorised in this behalf by the Provincial Government and such authority shall, after due consideration, pass an order either exempting the employer from the provisions of this sub-section or requiring him to re-employ such person on such terms as it thinks suitable or to pay to such person a sum in compensation for failure to re-employ him not exceeding an amount equal to six months' remuneration at the rate at which his last remuneration was payable to him by the employer.

(*2*) If any employer fails to obey an order passed under the proviso to sub-section (*1*) by the authority authorised under that proviso, he shall be punishable with fine which may extend to one thousand rupees, and the Court by which he is convicted may, in addition to any other penalty, order him (if he is not already so required by the said authority) to pay the person whom he has failed to re-employ a sum not exceeding an amount equal to six months' remuneration at the rate at which his last remuneration was payable to him by the employer; and any amount so required by the said authority to be paid or so ordered by the Court to be paid, shall be recoverable as if it were a fine imposed by such Court:

Provided that in any proceedings under this sub-section it shall be a defence for an employer to prove that the person formerly employed by him had not been in his continuous employment for six months or did not apply to him for reinstatement within a period of two months from the termination of the service which such person was required to perform by an order under sub-section (*1*) of section 4.

(*3*) The duty imposed by sub-section (*1*) upon an employer to reinstate in his employment a person such as is described in that sub-section shall attach to an employer who before such person is actually required to present himself for service or to perform service under this Ordinance terminates his employment in circumstances such as to indicate an intention to evade the duty imposed by that sub-section, and such intention shall be presumed until the contrary is proved if the termination of the employment takes place after the delivery of an order under sub-section (*1*) of section 4 to such person."

3. *Amendment of section 8, Ordinance V of 1942.*—In sub-section (*2*) of section 8 of the said Ordinance, after clause (*c*) the following clause shall be added, namely:—

"(*d*) the manner of making references under the proviso to sub-section (*1*) of section 6A".

GOVERNMENT OF INDIA.

Legislative Department.

ORDINANCE No. XXXV OF 1943.

AN

ORDINANCE

to provide for the prevention of hoarding and profiteering.

WHEREAS an emergency has arisen which makes it necessary to provide for the prevention of hoarding and profiteering;

NOW, THEREFORE, in exercise of the powers conferred by Section 72 of the Government of India Act, as set out in the Ninth Schedule to the Government of India Act, 1935 (26 Geo. 5, c. 2), the Governor General is pleased to make and promulgate the following Ordinance:—

1. *Short title, extent and commencement.*—(*1*) This Ordinance may be called the Hoarding and Profiteering Prevention Ordinance, 1943.

(*2*) It extends to the whole of British India.

(*3*) It shall come into force at once.

2. *Interpretation.*—In this Ordinance, unless there is anything repugnant in the subject or context,—

(*a*) "article" includes any article or thing, except foodgrains, which has not, by notification in the official Gazette, been declared by the Central Government to be an article or thing to which this Ordinance does not apply;

(*b*) "dealer" means a person carrying on the business of selling any article, whether wholesale or retail;

(*c*) "Controller General" means the Controller General of Civil Supplies appointed by the Central Government and includes the Deputy Controller General or Assistant Controller General of Civil Supplies so appointed;

(*d*) "inspector" means an inspector appointed for the purposes of this Ordinance by the Central or by the Provincial Government;

(*e*) "producer" includes a manufacturer;

(*f*) an article shall be deemed to be in the possession of a person—

(*i*) when it is held on behalf of that person by another person;

(*ii*) notwithstanding that it is mortgaged to another person.

3. *Fixing of maximum quantities which may be held or sold and maximum prices.*—(*1*) The Central Government may, by notification in the official Gazette, fix in respect of any article—

(*a*) the maximum quantity which may at any one time be possessed by a dealer or producer;

(*b*) the maximum quantity which may in any one transaction be sold to any person;

(*c*) the maximum price or rate which may be charged by a dealer or producer.

(*2*) The quantities and prices or rates fixed in respect of any article under this section may be different in different localities.

4. *Restrictions on possession and sale by dealers and producers where maximum is fixed under section 3.*—No dealer or producer shall—

(*a*) have in his possession at any one time a quantity of any article exceeding the maximum fixed by notification under clause (*a*) of sub-section (*1*) of section 3; or

(*b*) sell or offer for sale to any person in any one transaction a quantity of any article exceeding the maximum fixed by notification under clause (*b*) of sub-section (*1*) of section 3; or

(*c*) sell or offer for sale to any person any article for a price or at a rate exceeding the maximum fixed by notification under clause (*c*) of sub-section (*1*) of section 3.

5. *Restrictions on possession by dealers or producers where no maximum is fixed under section 3.*—Where no maximum has been fixed by notification under clause (*a*) of sub-section (*1*) of section 3,—

(*a*) no dealer shall have in his possession at any one time a quantity of any article exceeding one-quarter of the total quantity of that article held by him in the course of the year 1939, or as the case may be, exceeding the quantity which the Controller General or other officer empowered in this behalf by the Central or the Provincial Government may intimate to him as the maximum quantity of that article which he may have in his possession at any one time; and

(*b*) no producer shall have in his possession at any one time a quantity of any article exceeding one-quarter of his total production of that article during that one of the three years 1940, 1941 and 1942 in which his production was greatest, or, as the case may be, exceeding the quantity which the Controller General or other officer empowered in this behalf by the Central or the Provincial Government may intimate to him as the maximum quantity of that article which he may have in his possession at any one time.

6. *Restriction on price where no maximum is fixed under section 3.*—(*1*) Where no maximum has been fixed by notification under clause (*c*) of sub-section (*1*) of section 3, no dealer or producer shall sell or offer for sale or otherwise dispose of an article for a consideration which is unreasonable.

(*2*) For the purposes of this section a consideration is unreasonable if, whether it is exclusively in money or not, it exceeds the amount represented by an addition of twenty per cent. or the addition allowed by normal trade practice whichever is less to—

(*a*) the cost landed of the article in the case of an imported article,

(*b*) the cost of production of the article in the case of an article which is not imported,

or if as a condition of sale the purchaser is required to purchase at the same time any other article.

(*3*) The Controller General may, by order published in the official Gazette, vary in respect of any specified article or class of articles the figure of twenty per cent. referred to in sub-section (*2*), and if he does so that sub-section shall have effect accordingly.

7. *General limitation on quantity to be possessed at one time.*—(*1*) No person shall have in his possession at any one time a greater quantity of any article to which this section applies than the quantity necessary for the reasonable needs of himself and his family for a period of three months or such longer period as may for special reasons in his particular circumstances be considered a reasonable period for which to make provision.

(*2*) For the purposes of sub-section (*1*), the expression "reasonable needs" includes the fulfilment of social or religious or other customary obligations.

(*3*) Nothing in this section shall apply to a dealer or producer in respect of any article sold by or produced by him.

(*4*) This section shall apply only to such articles as the Controller General may by order published in the official Gazette specify for the purpose.

8. *Duty to declare possession of excess stocks.*—Any person having in his possession a quantity of any article exceeding that permitted by or under this Ordinance shall forthwith report the fact to the Controller General or other officer empowered in this behalf by the Central or the Provincial Government, and shall take such action as to the storage, distribution or disposal of the excess quantity as the Controller General or such officer may direct.

9. *Refusal to sell.*—No dealer or producer shall, unless previously authorised to do so by the Controller General or other officer empowered in this behalf by the Central or the Provincial Government, without sufficient cause refuse to sell to any person any article within the limits as to quantity imposed by this Ordinance.

Explanation.—The possibility or expectation of obtaining a higher price for an article at a later date shall not be deemed to be a sufficient cause for the purposes of this section.

10. *Cash memorandum to be given of certain sales.*—(*1*) Every dealer or producer when selling any article for cash shall, if the amount of the purchase is ten rupees or more, in all cases, and, if the amount of the purchase is less than ten rupees, when so requested by the purchaser, give to the purchaser a cash memorandum containing particulars of the transaction.

(*2*) The Central Government may, by notification in the official Gazette, prescribe the particulars to be contained in any such cash memorandum.

(*3*) The Central Government or the Provincial Government may, by notification in the official Gazette, exempt specific areas, classes of dealers or producers, or commodities from the operation of this section.

11. *Marking of prices and exhibiting price list.* —(*1*) The Controller General may direct any dealer or producer to mark articles exposed or intended for sale with the sale prices or to exhibit on his premises a price list of articles held by him for sale, and may further give directions as to the manner in which any such direction as aforesaid is to be carried out.

(*2*) No dealer shall destroy, efface or alter any label or mark affixed to an article and indicating the price marked by a producer.

12. *Powers of Controller General, Inspectors, etc.*—(*1*) The Controller General or an inspector or an officer empowered in this behalf by the Central or the Provincial Government may—

(*a*) direct a dealer or producer to maintain records of all sale and purchase transactions;

(*b*) direct a dealer or producer to furnish any information he may require as to the business carried on by such dealer or producer,

(*c*) direct a dealer or producer to furnish any information possessed by such dealer or producer as to the business carried on by any other person;

(*d*) inspect or cause to be inspected any books or other documents belonging to or under the control of any dealer or producer;

(*e*) enter and search or authorise any person not bellow the status of a gazetted officer to enter and search any premises;

(*f*) seize or authorise the seizure of any article in respect of which he suspects that an offence under this Ordinance has been committed, and thereafter take or authorise the taking of all measures necessary for securing the production of the article in a Court.

(*2*) The Controller General may, by order published in the official Gazette, issue to all dealers or producers of a specified class a direction such as is referred to in clause (*a*) or clause (*b*) of sub-section (*1*).

13. *Penalties.*—(*1*) Whoever contravenes any of the provisions of this Ordinance shall be punishable with imprisonment for a term which may extend to five years, or with fine or with both.

(*2*) Whoever fails to comply with any direction made under authority conferred by this Ordinance shall be punishable with imprisonment for a term which may extend to three years, or with fine or with both.

(*3*) A Court convicting any person of an offence punishable under this Ordinance may order any article, in respect of which the offence was committed, to be forfeited to His Majesty.

14. *Procedure.*—No prosecution for any offence punishable under this Ordinance shall be instituted except with the previous sanction of the Central or the Provincial Government, or of an officer not below the rank of a District Magistrate empowered by the Central or the Provincial Government to grant such sanction.

15. *Certain officers to be deemed public servants.*—The Controller General, an inspector and any officer empowered for the purposes of section 5, 8, 9 or 12 by the Central or the Provincial Government shall be deemed to be a public servant within the meaning of section 21 of the Indian Penal Code (XLV of 1860).

16. *Bar of legal proceedings.*—No suit, prosecution or other legal proceeding shall lie against any person for anything done or in good faith intended to be done under this Ordinance.

17. *Saving of other laws.*—The provisions of this Ordinance shall be in addition to and not in derogation of any other law for the time being in force regulating the keeping, storage distribution, disposal, or price of articles.

LINLITHGOW,

Viceroy and Governor General.

DEPARTMENT OF PUBLIC HEALTH AND LOCAL SELF-GOVERNMENT

ORDER.

Pabna.—No. 1260C./M.—1st December 1943.—Whereas the Provincial Government by its resolution No. 546M., dated the 31st March 1941, issued an order under section 553 of the Bengal Municipal Act, 1932 (Bengal Act XV of 1932), superseding the Commissioners of the Serajganj Municipality in the district of Pabna for a period of two years, with effect from the 1st April 1941;

And whereas by subsequent orders the term of supersession of the Commissioners of the said municipality has been extended till the 30th November 1943;

And whereas it will not be possible to reconstitute the Commissioners of the said municipality under clause (*ii*) of sub-section (*2*) of section 554 of the said Act on the expiration of the said extended period of supersession;

Now, therefore, in exercise of the power conferred by clause (*i*) of sub-section (*2*) of section 554 of the said Act, the Governor is pleased to extend the period of supersession of the Commissioners of the said municipality till the 31st December 1943 or the date of the first meeting of the newly formed body of Commissioners of the said municipality at which a quorum is present, whichever is earlier.

II. In exercise of the power conferred by clause (*b*) of sub-section (*1*) of section 554 of the said Act, the Governor is further pleased to direct that the Subdivisional Officer, Serajganj, shall, during the extended period of supersession of the said municipality, continue to exercise and perform, in addition to his own duties, powers and duties conferred and imposed on him by notification No. 547M., dated the 31st March 1941.

By order of the Governor,
E. W. HOLLAND, Secy.

NOTIFICATIONS.

No. 1004C./L.S.-G.—30th November 1943.—The following draft of an amendment which, in exercise of the powers conferred by clause (*a*) of section 138 of the Bengal Local Self-Government Act of 1885 (Bengal Act III of 1885), the Governor proposes to make in the rules published with notification, dated the 15th December 1885, as subsequently amended, is published for the information of persons likely to be affected thereby.

2. The draft will be taken into consideration on or after the 29th February 1944, and any objection or suggestion with respect thereto which may be received by the undersigned through the District Magistrate before that date will be duly considered:

Draft amendment.

For the rule 75B (*1*) of the said rules, *substitute* the following:—

"75B. (*1*)(*a*) Whenever a meeting of a newly constituted or reconstituted district board is held for the purpose of electing a Chairman, it shall be presided over by a member of the district board who shall be elected by the members of the board for conducting the election. The proceedings of the meeting relating to the election of the President shall be conducted by a person appointed by the District Magistrate.

The President in such cases must be duly proposed and seconded and must not be a candidate for the office of the Chairman.

(*b*) If only one member is proposed and seconded as President, he shall be deemed to be duly elected as such. If more than one member is proposed and seconded, the election shall be decided by vote which shall be by show of hands.

If the votes of two or more members proposed as President of the meeting are equal, then the selection of one of them shall be decided by lot to be arranged by the person appoined under rule (*a*).

The person appointed under rule (*a*) shall not, unless he is also a member of the newly formed board be entitled to cast any vote for the election of the President or to take part in the subsequent proceedings of the meeting relating to the election of the Chairman."

ORDERS.

No. 3202.—4th December 1943.—In exercise of the powers conferred by clauses 4 and 5 of the Gur Control Order, 1943, and by virtue of the authorisation by the Gur Controller under sub-clause (*a*) of clause 2 of the said Order to exercise the powers of the Controller under the said clauses 4 and 5, I hereby make the following Order and give the following directions, namely:—

1. No sugarcane shall, after the date of commencement of this Order, be exported from any of the areas specified in Schedule A annexed hereto to any place outside that area except under and in accordance with the conditions of a permit in writing issued by the Director of Agriculture, Bengal, or by any person authorised in writing by him in this behalf.

2. All sugarcane growers in the areas specified in Schedule A annexed hereto shall during the prescribed period deliver all sugarcane grown by them to the sugar factories respectively specified against each such area in that Schedule subject to the conditions specified in paragraphs 3 and 4.

Explanation.—In this paragraph "prescribed period" means the period commencing on the 13th December 1943 and ending on the 30th April 1944.

3. All sugarcane to be delivered to a sugar factory under paragraph 2 shall be purchased by such factory at the prices from time to time fixed in that behalf by me.

4. (*1*) When a sugar factory requires the delivery under paragraph 2 of the sugarcane or any part of the sugarcane grown by a sugarcane grower, such factory shall give at least twenty-four hours' previous notice of the fact to such sugarcane grower and name in such notice the nearest or the most convenient collecting centre of the factory at which such sugarcane is to be delivered and specify the date or dates on which the delivery is to be made.

(*2*) On receipt of a notice under sub-paragraph (*1*) the sugarcane grower shall harvest and cart so much of the sugarcane as is required by the sugar factory and deliver it at the collecting centre named in such notice on the date or dates specified therein.

Note.—Canegrowers in the areas specified in Schedule A are advised as soon as possible after the promulgation of this order to inform at the sugar mill or its nearest cane receiving centre the area they have under cane cultivation with the name of the village and the approximate yield expected during this season.

5. No producer shall manufacture *gur* from sugarcane juice or use any sugarcane crusher or other machinery either driven by power other than hand power or driven by draught-animals within any of the areas specified in Schedule A annexed hereto for the purpose of manufacture of *gur* from such juice.

6. No producer shall manufacture *gur* from sugarcane juice or use any sugarcane crusher or other machinery either driven by power other than hand power or driven by draught-animals for the manufacture of *gur* from such juice in any place within the areas specified in Schedule B annexed hereto except under and in accordance with the conditions of a permit in writing issued in this behalf by the District Magistrate having jurisdiction over such place.

7. This Order does not extend to *gur* made out of date-palm juice.

[ILLEGIBLE], for Collector.

FORM No. 27.

(*See* paragraph 145.)

Advertisement of sale.

NOTICE is hereby given that the undermentioned plots of land, no longer required by Government, situated along the Bengal and Assam Railway, in the district of Mymensingh, will be put up to sale at 12 O'clock on Monday, the 28th February 1944, corresponding with the 15th Falgun 1350 B.S. at the Collector's ejlas.

The purchasers of the several plots of land will be subject to the following conditions :—

1st—The purchasers will have no power to make any excavations on the land nearer than 15 feet from the railway boundary or to plough the land nearer than three feet from the same.

2nd—If the amount of purchase-money does not exceed Rs. 100, the whole amount must be paid down at once.

3rd - If the amount of purchase-money exceeds Rs. 100, one-fourth of the amount must be immediately deposited. If the balance be not paid by noon of the fifteenth day after the sale, reckoning the day of sale as one, or if that day be a close holiday, then by noon of the first succeeding office day the sale shall be cancelled, the sum deposited being forfeited to Government and the lot again put up for sale at the risk of the defaulting purchaser, after the issue of advertisement, as in the case of original sale.

4th—The plots of land will be sold to the highest bidders, revenue free.

5th—The sale will become final on reciept by the Collector of the orders of the Commissioner confirming it and a regular conveyance will be granted to the purchaser.

GOVERNMENT OF BENGAL.

Legislative Department.

NOTIFICATION.

No. 1144L.—1st December 1943.—The Governor having been pleased to order, under rule 47 of the Bengal Legislative Assembly Procedure Rules, the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information.

THE CORONERS AND CRIMINAL PROCEDURE (BENGAL AMENDMENT) BILL, 1943.

A BILL

to amend the Coroners Act, 1871 and the Code of Criminal Procedure, 1898.

WHEREAS it is expedient to amend the Coroners Act, 1871, and the code of Criminal Procedure, 1898, in their application to Bengal in the manner hereinafter appearing; IV of 1871. Act V of 1898.

It is hereby enacted as follows:—

Short title.

1. This Act may be called the Coroners and Criminal Procedure (Bengal Amendment) Act, 1943.

Amendment of the Coroners Act, 1871 and Code of Criminal Procedure, 1898.

2. The Coroners Act, 1871, and the Code of Criminal Procedure, 1898, shall, in their application to Bengal, be amended in the manner provided in this Act.

Amendment of section 8 of Act IV of 1871.

3. To the first paragraph of section 8 of the Coroners Act, 1871, ending with the words 'inquire into the cause of death" the following proviso shall be added, namely:—

"Provided that, unless the Provincial Government otherwise directs, no such inquiry shall be held in the case where the death of any person has been caused by enemy action".

Amendment of section 174 of Act V of 1898.

4. To sub-section (*1*) of section 174 of the Code of Criminal Procedure, 1898, the following proviso shall be added, namely:—

"Provided that, unless the Provincial Government otherwise directs, it shall not be necessary under this sub-section, in any case where the death of any person has been caused by enemy action, to make any investigation or to draw up any report or to send any intimation to a magistrate empowered to hold inquests".

STATEMENT OF OBJECTS AND REASONS.

Under section 8 of the Coroners Act, 1871, or under section 174 of the Code of Criminal Procedure, 1898, in their application to Bengal, a Coroner or a Police Officer is required to hold inquests or to make any investigation in cases of deaths caused by an accident. Government are advised that a death caused by enemy action may be regarded as "accident" within the meaning of section 8 of the Coroners Act or section 174 of the Code of Criminal Procedure. In the case of fatal casualties caused by enemy air-raids, it is considered necessary to preclude inquests by the Coroner or any investigation by the Police Officer in such cases as this procedure is likely to cause great inconvenience and delay in the disposal of bodies. It is moreover unnecessary to have an inquest held or investigation made in such cases. It is therefore proposed to amend the Coroners Act and the Code of Criminal Procedure to provide that no inquiry should be held by the Coroner or by the Police Officer in cases of deaths caused by enemy action unless the Provincial Government so directs.

NOTIFICATION.

No. 990C./P.H.—15th November 1943.—The thirty-seventh Annual Report of the Bengal Smoke Nuisances Commission for the year 1942 is published for general information.

E. W. Holland,
Secretary to the Govt. of Bengal.

Thirty-Seventh Annual Report of the Bengal Smoke Nuisances Commission for the year 1942.

At the close of the year under report the Commission was composed as follows:—

(1) O. M. Martin, Esq., C.I.E., I.C.S., Commissioner of the Presidency Division, President.

(2) A. C. Hartley, Esq., O.B.E., I.C.S., Magistrate and Collector of Howrah.

(3) J. B. McBride, Esq., O.B.E., M.I.Mech.E., Chief Inspector of Factories, Bengal.

(4) H. J. Creswell, R.I.N., Engineer-Commander, Principal Engineer and Ship Surveyor to Government.

(5) Dr. B. Mukherjee, M.B., D.P.H., Director of Public Health, Bengal.

(6) N. M. Irvine, Esq., B.Sc. (Edin.), M.I.Mech.E., Chief Mechanical Engineer, Port Commissioner, Calcutta (representing the Commissioners for the Port of Calcutta).

(7) R. J. Oliver, Esq., A.C.S.M., A.I.M.M., Messrs. Martin & Co., Calcutta (representing the Bengal Chamber of Commerce).

(8) J. M. Grant, Esq., Manager, Clive Jute Mills, Matiabrooz (representing the Bengal Chamber of Commerce).

(9) Kassim A. Mohamed, Esq., of Messrs. Kassim & Ismael, Calcutta (representing the Muslim Chamber of Commerce).

(10) Nirmal Chandra Ghose, Esq., B.L., Calcutta (representing the Bengal National Chamber of Commerce).

(11) Jogendra Nath Mondal Esq., M.L.A., Councillor, Corporation of Calcutta (representing the Corporation of Calcutta).

(12) M. G. Bhagat, Esq., of the Bengal Potteries, Ltd., Calcutta (representing the Indian Chamber of Commerce).

B. N. Mitter, Esq., Chief Inspector and Secretary.

Factory smoke.

The Bengal Smoke Nuisances Commission commenced its activities in 1906 for the abatement of smoke emission within the areas controlled by the Calcutta and Howrah Municipalities. The average emission of black smoke recorded per chimney was at that time 13·1 minutes per hour, to-day it stands at ·11 minute. Much of this success is due to the generous co-operation of the factory owners with the Commission. It is realised that smoke is coal and in its prevention lies a gilt-edged investment.

General control by the Commission.

All the activities of the Commission were affected by the war to an even greater degree than during 1941.

Supplies for war purposes have led to increased production in industries which were already well established and have also led to the establishment of additional industries for the production of war materials. In the best

interests of this country though limit product has been accorded to factories engaged in war production; and rules and regulations under the Smoke Nuisances Act were not strictly enforced during the year.

The interests of the public health were not however overlooked. The Commission adopted remedial measures for abatement of smoke as far as possible.

The Commission held 11 meetings during the year. It endeavoured to keep abreast of the latest progress in the scientific use of fuel towards the abatement of industrial smoke. It is feared however that war condition stand in the way of rapid progress in this direction.

During the year action was taken as under:—

Offences reported for departmental action—2,254.
Offences reported by telephone for departmental action—460.
Inspection and tests of installation—2,233.
Statutory warnings served—5.
Prosecutions—17.
Convictions—15.

In addition to the above preventive action 596 steam ships were reported to the local marine authorities for departmental action, which in all cases was readily undertaken.

Two Smoke Observers, appointed in October 1938, kept the whole controlled area, including the river, under constant observation. The Inspectors were engaged in inspection duty, and in imparting technical advice to offenders.

One of the Inspectors was appointed to officiate as Chief Inspector, and one of the Smoke Observers was appointed to act as temporary Inspector from 1st September 1942, leaving his post vacant until a new temporary Observer was appointed from 25th January 1943.

Of the 17 prosecutions which were launched (Appendix II), two cases had to be kept pending because the owners could not be found till the end of the year. The maximum fine imposed for offences under the Act was Rs. 125 and the minimum Rs. 10.

Observation of smoke.

A constant watch of smoke nuisance is kept from the Central Smoke Observatory, which is equipped with a telephone so that the owner or manager of an offensive chimney may be called up and the emission of smoke of prohibited density immediately brought to his notice. Observations of locomotives, steamers, launches, road-rollers and minor industrial plants are taken locally. The total number of observations made during the year was 7,094 against 7,221 of the previous year.

Plans for furnaces, flues and chimneys.

Well designed plants are necessary for smoke prevention and fuel economy and it is not only obligatory but convenient to consult the Commission, whose wide experience is always at the disposal of the public. Smoke prevention must begin at the furnace and not at the chimney top. Properly proportioned furnaces, flues and chimneys increase the power of the plant and reduce the overload and fuel cost.

During the year the Commission examined and approved 56 plans of which 47 were made in the office of the Commission, covering nearly all types of industrial furnaces. The number of plans approved by the Commission since 1916, when the Act was amended to govern construction of or alteration to plants, now totals 1,775. The low average emission of smoke per chimney which is shown in Appendix I, has been attained through by the carrying out of these plans.

The total fees received during the year on account of plans, etc., are detailed below:—

For making plans—Rs. 357.
For approval of plans—Rs. 450.
For final inspection of chimneys, etc., and grant of permission—Rs. 859.

Complaints.

The Commission cannot with its small staff regularly keep in touch with every case of smoke nuisance within its controlled area of approximately 80 square miles. It has again been indebted to the public for bringing cases to its notice by means of complaints. During the year 33 complaints were received against 75 in the preceding year. On receipt of such complaint, prompt and careful enquiry was made. Relief was given wherever possible, and the Commission endeavoured, at the same time, to see that industry was not subjected to unreasonable demands.

Reduction of smoke by electricity and gas.

Electricity.

The appliance of electricity and gas to meet domestic requirements has an important bearing on the general comfort and the health of the public and it is pleasing to record that there was an increased demand by property owners for smokeless appliances.

Electric appliances both for commercial and domestic use should be encouraged as permanent remedies for atmospheric pollution.

It has been ascertained from the Calcutta Electric Supply Corporation that during the year 1942, 12,300 H.P. of electric motors were connected to the Corporation's system, and that this figure represents an additional load, of which 4,460 H.P. replaced existing steam and oil engines.

Gas.

The contribution made to the solution of the city's smoke problem by the Oriental Gas Company, Limited, increases every year. They report a continued increase in the installation of cooking and water heating appliances for domestic purposes and they have fitted up several large blocks of flats with gas appliances during the year. They state, that during their last financial year ended 30th June 1942, a nett total of 858 gas consuming appliances were fixed. Of these 493 were domestic appliances, many of them replacing "chulas" in densely populated areas in Calcutta. Considering the restricted building of new flats, etc., the figure is satisfactory. Three hundred and sixty-five industrial appliances were installed and the demand increases. Had supplies been available, there is no doubt that these figures would have been doubled.

Inspectorate.

As Mr. R. Grant, Chief Inspector and Secretary, was still in military service, Mr. B. N. Mitter, senior Inspector continued to officiate as Chief Inspector and was assisted by Mr. B. Mukherjee and Mr. D. P. Ganguly, Inspectors of Smoke Nuisances. The Inspectorial staff was short of one Inspector up to 31st August 1942.

Conclusion.

The Commission records its grateful thanks to those local owners, managers and engineers whose co-operation and valuable assistance have greatly helped the Commission, and to the technical staff for their energy and loyalty in carrying out the policy of the Commission.

B. N. MITTER,
Chief Inspector and Secretary.

O. M. MARTIN,
President.

Simla, the 25th November 1943.

No. F. 23(7)-R. II/43.—The following resolution by the Secretary of State for India is published for general information:—

"THE INDIAN CIVIL SERVICE PROVIDENT FUND RULES, 1942.

I, Leopold Charles Maurice Stennett Amery, one of His Majesty's Principal Secretaries of State, in virtue of the powers conferred by section 247(1) and section 250(1) of the Government of India Act, 1935, hereby make, with the concurrence of my advisers, the following amendments to the Indian Civil Service Provident Fund Rules, 1942, namely:—

1. After rule 3, there shall be inserted the following rule:—

3A. (1) Every person who on the 3rd June 1942 was a subscriber to the Fund shall be entitled to elect whether he will be governed by rules 5 and 12 or by rule 12A.

(2) Unless such person has within three months from the date of the publication of this rule in the official Gazette or, if he was on leave on that date, within three months of his return to duty, notified in writing to the Account Officer that he elects to be governed by rules 5 and 12 or by rule 12A, as the case may be, he shall be deemed to have elected to be governed by rule 12A.

(3) An election notified to the Account Officer or deemed to have been made shall be final, and if a subscriber who has elected or is deemed to have elected to be governed by rule 12A has previously made a nomination under rule 5, the nomination shall be deemed to have been cancelled.

(4) If such person died on or after the date of the publication of this rule in the *Gazette of India* with no election made or deemed to have been made, action shall be taken in accordance with rule 12A.

(5) If such person has died on or after the 3rd June 1942 but before the date of the publication of this rule in the *Gazette of India* and payment in accordance with clause (b) of sub-rule (1) of rule 12 has not been made before the last named date, action shall be taken in accordance with rule 12A

2. In sub-rule (1) of rule 5, for the words "shall as soon as may be after joining the Fund send to the Account Officer a nomination", there shall be substituted the following words:—

"shall, unless he has, or is deemed to have, elected for the provisions of rule 12A, send to the Account Officer, as soon as may be after the coming into force of these rules or after joining the fund, whichever is later, a nomination".

3. In rule 12 for the words "on the death of a subscriber" there shall be substituted the words "If a subscriber other than one who has, or is deemed to have, elected for the provisions of rule 12A dies."

4. After rule 12 there shall be inserted the following rule:—

"12A. On the death of a subscriber who has, or is deemed to have, elected for the provisions of this rule the Account Officer shall take steps in consultation with Government to ascertain the

person legally entitled to receive the amount at the subscriber's credit, and shall pay the amount to that person. But if a widow or children survive the deceased subscriber, then, unless the Account Officer has received from him a direction to the contrary in writing, Rs. 5,000 of the sum standing to the credit of the subscriber at the time of his decease, or the whole of such sum if it be less than Rs. 5,000, shall be payable to the widow, or if there be no widow, to the children, or to such person as may be authorised by law to receive payment on behalf of the widow or the children as the case may be."

Given under my hand this 20th day of October 1943.

L. S. AMERY,
One of His Majesty's Principal Secretaries of State."

P. C. MUKHERJI,
Inspector of Schools, Presidency Division.

Calcutta University.

Senate House, the 15th November 1943.

NOTICE.

In August 1944, a Tagore Professor of Law will be elected by the Senate. The Professor will be expected to deliver a course of not less than twelve lectures on one of the following subjects:—

(*i*) Civil Liberties during War.
(*ii*) Moslem Law of Wakf and Endowments.
(*iii*) The Law relating to Mines and Minerals, with special reference to British India.

The salary of the Professor is Rs. 9,000 and will be paid in twelve equal monthly instalments, the first instalment to be paid on the first day of the month following that in which the first lecture is delivered.

Candidates for the Professorship are required to forward their applications to the Registrar on or before the 1st May 1944, stating on which of the abovenamed three subjects they are prepared to lecture. Each candidate will forward, with his application, one hundred copies of a brief synopsis of his proposed lectures, and, if he so pleases, the same number of copies of his introductory lecture.

The Professor will, not later than the expiry of twelve months from the date of his election, forward to the Registrar a complete copy (manuscript or typewritten) of the lectures which he proposes to deliver. The copy will be forthwith referred by the Faculty of Law to a Committee of not more than three persons to be selected for their special competence in this behalf, who will examine the same, and, before the expiry of two months from the date of the submission of the copy by the Professor to the Registrar, report to the Faculty whether the work is complete and ready for the Press. If, upon such report, the Faculty are satisfied that the work is complete, the Professor will commence to deliver his lectures within three months from the date of the resolution of the Faculty and shall complete the delivery thereof in another three months. The copy of the lectures delivered will remain in the custody of the Registrar and shall be sent to the Press, as soon as practicable, after delivery thereof.

If the Professor fails to submit the copy of the lectures, or if the copy submitted be found, on examination, to be incomplete and not ready for the Press, the matter will be referred to the Faculty of Law, upon whose recommendation the Senate may either extend the time or cancel the appointment.

Copy of memorandum No. 1653G., dated Howrah, the 8th June 1942, from the District Magistrate of Howrah, with copies of the enclosures, forwarded to the Secretary to the Government of Bengal, Department of Public Health and Local Self-Government, for information.

No. 1653G., dated Howrah, the 8th June 1942.

Memo. by—The District Magistrate of Howrah.

Copy in duplicate forwarded to the Commissioner of the Burdwan Division for information.

No. L.D.218, dated Howrah, the 30th May 1942.

From—Sj. Barada Prasanna Pain, B.L. (Advocate), M.L.A., Chairman, Howrah Municipality,

To—The Magistrate of Howrah.

With reference to your letter No. 1213G., dated 29th April 1942, regarding the report on the working of the Calcutta Fire Brigade Act for the year 1941-42, I have the honour to submit two statements, one showing the receipts and disbursements on account of the same for the year 1941-42 and the other showing the warehouses licensed under the Fire Brigade Act. The latter statement has been prepared in accordance with the instructions contained in the Government of Bengal, Municipal Department, letter No. 470M., dated 14th February 1917, to the Commissioner of Burdwan Division, a copy of which was forwarded under his memorandum No. 137-XXIII-8., dated 16th February 1917.

The collection of fees worked out to be 74 per cent. of the arrear demand and 83·8 per cent. of the current demand as against 68 per cent. of the arrear demand and 85·2 per cent. of the current demand for the year 1940-41.

The demand for the year under report amounted to Rs. 33,800 and collection to Rs. 27,716 as against Rs. 37,758 and Rs. 31,101 respectively for the year 1940-41.

The contribution which the Commissioners were called upon to pay for the maintenance of the Fire Brigade amounted to Rs. 64,099 and the Commissioners have paid a further annual contribution to the building fund of the Fire Brigade a sum of Rs. 15,768. The directions contained in the first proviso to section 10 of the Act have been followed.

No. 14759H., dated Calcutta, the 28th November/1st December 1942.

From—The Commissioner of Police, Calcutta,
To—The Additional Secretary to the Government of Bengal, Public Health and Local Self-Government Department.

I have the honour to forward herewith a Report on the working of the Calcutta Fire Brigade for the year ending 31st March 1942.

Calcutta, the 23rd November 1942.

From—F. A. Tucker, Esq., M.B.E., M.I.FIREE., Chief Officer, Fire Brigade, Calcutta,
To—The Secretary to the Government of Bengal, Department of Public Health and Local Self-Government (Municipal).

(Through C. E. S. Fairweather, Esq., M.A., C.I.E., Commissioner of Police, Calcutta.)

I have the honour to submit the following report on the working of the Calcutta Fire Brigade for the year ending 31st March 1942.

The year under review was a busy one for the Fire Brigade. Government sanctioned the scheme of temporary expansion of the Calcutta Fire Brigade as an A.R.P. measure with increased number of appliances and personnel, and the whole staff of the Calcutta Fire Brigade was busily engaged in training the additional men newly recruited, and also persons from other parts of India in connection with A.R.P.

Financial statement.—The statement of receipts and expenditure and payments made by the municipalities within the jurisdiction of the Fire Brigade and Licensed Warehouse Act I of 1893 is given in Appendix I.

The cost of maintenance of the Fire Brigade is contributed by (*a*) the Calcutta Municipality, (*b*) the Howrah Municipality and (*c*) the Garden Reach Municipality at the rate of 83·5 per cent., 14 per cent. and 2·5 per cent., respectively.

Fees for licensed warehouses are charged under section 10 of the Licensed Warehouse and Fire Brigade Act I of 1893, and are levied at 10 per cent. of the annual valuation of warehouses, subject to a maximum of Rs. 1,500 per warehouse per annum, and the income thus derived provides the 50 per cent. of the cost of the upkeep of the Fire Brigade under the Act.

Fires, etc.—The total number of calls to fires or supposed fires was 492 being an increase of 10 as compared with the previous year. The actual number of fires attended was 379 which shows a decrease of 32 as compared with the previous year, and the number of fires classed as serious (*i.e.*, over Rs. 20,000 damage per fire, see Appendix III) was 19, being an increase of 1 as compared with the previous year.

The following statement shows the hours when the calls were received:—

Midnight	to	1 a.m.	...	16
1	to	2 a.m.	...	12
2	to	3 a.m.	...	7

		Total	...	492

I regret to report that the number of wilful false alarms of fire given from fire alarm pillars in the public streets has slightly increased this year. Fifty-six calls of this nature were received during the year under review as compared with 41 for the previous year.

The calls were classified as follows:—

Fires	379	(411)
False alarms, wilful, from street fire alarms ...	56	(41)
False alarms due to electrical defects ...	27	(18)
False alarms given with good intent or accidental ...	9	(6)
False alarms due to lightning	5	...
Special service (buildings collapsed, etc.) ...	16	(6)
	492	(482)

(*Note*.—The figures in brackets refer to the previous year.)

On 126 days 1 fire or supposed fires occurred	...	126
On 93 days 2 fires or supposed fire occurred	...	186
On 29 days 3 fires or supposed fires occurred	...	87
On 17 days 4 fires or supposed fires occurred	...	68
On 5 days 5 fires or supposed fires occurred	...	25
Total	...	492

The actual number of calls received during the year was 655 as compared with 659 during the previous year. These figures include instances where more than one call was received for the same fire, and are given for the purpose of classifying and comparing the means by which calls for fires, etc., are given.

These calls were transmitted to the Fire Brigade as follows:—

By private telephones 395 (424 in 1940-41); by street fire alarms 242 (203 in 1940-41); by messengers giving information at fire stations 18 (23 in 1940-41).

Means by which fires were extinguished.—In 116 cases, fires were extinguished by first-aid machines, chemical fire extinguishers, buckets of water by firemen or by occupiers before the arrival of the Fire Brigade; in 51 cases by cutting or disconnecting electric fuses and closing gas mains;

in 31 cases by application of sand; in 9 cases by hydrants; in 106 cases by one motor fire engine and hydrants; in 25 cases by two fire engines and hydrants; in 2 cases by two fire engines; in 8 cases by three fire engines; in 2 cases by four fire engines and hydrants; in 2 cases by four fire engines and sprinklers; in 1 case by five fire engines, hydrants and fire float; in 1 case by five fire engines and hydrants; in 1 case by six fire engines, hydrants and fire float; in 1 case by seven fire engines and fire float; in 1 case by eleven fire engines, trailer pump, portable pump and fire float.

Fires in licensed premises.—Twenty-eight fires occurred in premises licensed under the Licensed Warehouse and Fire Brigade Act 1 of 1893, as compared with 22 fires in the previous year.

Fire loss.—The total damage caused by fire and water during the year has been estimated at Rs. 14,41,853 as compared with Rs. 19,68,908 during the previous year.

The loss per fire is classified as follows:—

255	fires under Rs. 100		(305)
60	fires from Rs. 100 to Rs. 1,000 ...		(66)
37	fires from Rs. 1,000 to Rs. 5,000 ...		(8)
9	fires from Rs. 5,000 to Rs. 20,000 ...		(12)
14	fires from Rs. 20,000 to Rs. 1,00,000 ...		(15)
4	fires over Rs. 1,00,000		(5)
Total ... 379			(411)

(*Note.*—The figures in brackets refer to the previous year.)

The following summaries are given:—

Statement showing the number of fires or supposed fires occurring in each district protected by the Calcutta Fire Brigade and damage resulting therefrom—Appendix II.

Short report of fire of Rs. 20,000 and over—Appendix III.

Number of "Turn-outs" from each fire station—Appendix IV.

Causes of fires and classes of buildings affected—Appendix V.

Short reports of fires involving loss of life or serious accidents—Appendix VI.

Appliances.—The following is a list of the principal appliances now in commission by the Calcutta Fire Brigade:—

Twenty motor fire engines as follows:—

Five motor pumps, 500-700 gallons per minute capacity, fitted with telescopic fire escapes (55 feet), etc. (motor pumps Nos. 1, 15, 18, 19 and 29).

Two motor pumps, 450-550 gallons per minute capacity, fitted with telescopic ladders, first-aid cylinders and reels, scaling ladders, etc. (motor pumps Nos. 9 and 10).

Three motor pumps, 450 gallons per minute capacity, fitted with first-aid cylinder and trussed telescopic ladders (motor pumps Nos. 14, 11 and 8).

Three motor pumps, 300 gallons per minute capacity, fitted with telescopic ladders, first-aid cylinders and reels, etc. (specially designed for use in narrow streets and congested areas) (motor pumps Nos. 3, 12 and 16).

Four motor pumps, 350-450 gallons per minute capacity, with new world-body and fitted with first-aid cylinders and telescopic fire-escapes, etc. (motor pumps Nos. 2, 5, 6 and 7).

Two "G" types low-load line motor pumps, 250-300 gallons per minute capacity, fitted with 35 gallons first-aid cylinders and 30 feet trussed telescopic ladders (motor pumps Nos. 4 and 17).

One motor trailer pump, 250 gallons per minute capacity (specially designed for use in positions that cannot be reached by the ordinary type of motor fire engines).

One 80-100 gallons per minute portable pump.

One mechanically-operated 85 feet motor turn-table ladder, 4 lorries, 1 motor car, 24 hook ladders, 56 scaling ladders, 13 telescopic ladders, 17 smoke helmets and breathing apparatus, 85,650 feet of 2¾" canvas hose, etc.

One emergency tender fitted with six half-hour breathing apparatus, flood-lights and spares of all descriptions including 15 lengths of canvas hose.

The appliances are distributed as follows:—

Headquarters.—Four motor fire engines (Nos. 5, 6, 1 and 19), 1 motor trailer pump, 2 motor lorries, 1 motor car, 7 hook ladders, 9 scaling ladders, 2 smoke helmets, 3 telescopic ladders, 8 breathing apparatus and 34,200 feet of 2¾" canvas hose, 1 emergency tender.

Central Avenue.—Four motor fire engines (Nos. 20, 2, 7 and 18), 1 motor turn-table ladder, 1 portable pump, 2 lorries, 13 scaling ladders, 10 hook ladders, 4 smoke helmets, 2 telescopic ladders, and 18,750 feet of 2¾" canvas hose.

Howrah.—Three motor fire engines (Nos. 11, 12 and 14), 3 hook ladders, 1 lorry, 5 scaling ladders, 2 telescopic ladders and 7,200 feet of 2¾" canvas hose, 1 breathing apparatus.

Cossipore.—Two motor fire engines (Nos. 8 and 10), 3 telescopic ladders, 3 hook ladders, 1 smoke helmet, 6 scaling ladders and 8,775 feet of 2¾" canvas hose, 1 lorry.

Garden Reach.—Two motor fire engines (Nos. 4 and 9), 1 telescopic ladder, 4 scaling ladders and 4,500 feet of 2¾" canvas hose.

Nimtolla.—One motor fire engine (No. 17), 1 telescopic ladder, 3 scaling ladders and 2,775 feet of 2¾" canvas hose.

Sibpore.—One motor fire engine (No. 3), 1 telescopic ladder, 3 scaling ladders and 2,625 feet of 2¾" canvas hose.

Kalighat.—Two motor fire engines (Nos. 15 and 16), 1 telescopic ladder, 4 scaling ladders and 5,925 feet of 2¾" canvas hose, 1 smoke helmet, 2 respirators.

It is estimated that motor fire engines, lorries, etc., travelled 30,273 miles during the year to and from calls as compared with 26,615 miles in the previous year.

The following statement gives the number of times each motor fire engine has been turned out in response to calls:—

Motor Fire Engine No.	1	...	...	67

The total number of pumping hours at fires during the year was 942 hours 11 minutes as compared with 872 hours 19 minutes in the previous year.

Fire stations.—Appendix IV gives the number of times each fire station has been turned out in response to fire calls together with monthly statements.

Staff.—The strength of the Brigade during the year was 291 as detailed below:—

One Chief Officer, 1 Second Officer, 1 Chief Engineer, 5 Station Officers, 8 Engineers, 7 firemen, 1 Warehouse Inspector, 5 clerks, 1 store-keeper, 3 telephone clerks, 2 carpenters, 2 lathe-mechanics, 1 fitter, 1 blacksmith, 1 tinsmith, 16 Indian drivers, 1 head tindal, 30 tindals, 188 khallasies and 16 menial employees.

I am pleased to say that the general conduct and discipline of the officers and men of the Brigade have been very good, and I record my appreciation of the assistance afforded to me by my senior officers and office staff in connection with the expansion of the Calcutta Fire Brigade for Auxiliary Fire Service.

Fatalities and accidents.—Appendix VI gives short reports of fires and special occurrences involving loss of life or serious accidents.

The number of lives lost at fires during the year under review is 3 being a decrease of 3 as compared with the previous year.

I am glad to report that no serious accidents occurred during training recruits, or at drill.

In all cases, where necessary, first-aid was rendered by the Fire Brigade and the injured persons conveyed to hospital by motor ambulance.

Water-supply.—In Calcutta, water for fire extinguishing is obtained from the unfiltered water-supply system maintained by the Corporation of Calcutta with pumping stations located on the banks of the river Hooghly at Mullick Ghat and Watgunge.

Fire in Cossipur-Chitpur and adjoining areas are extinguished with water supplied from ponds or tanks, many of which are replenished only by rainfall.

In Howrah, the condition cannot be said as satisfactory, although there are some hydrants on the filtered water-supply for being used at fires. The authorities may consider about the installation of more hydrants.

Fire float.—The fire float (5,000 gallons per minute capacity) is stationed on the river opposite the Prinsep's Ghat. During the year under review, it has responded to 7 calls as compared with 3 calls in the previous year.

Street fire alarms, telephones and electrical communications.—I am pleased to record my appreciation of the excellent service rendered by the Bengal Telephone Company.

Inspection Department.—The majority of theatres, cinemas and other places of public amusement, with few exceptions, have no serious fire risks and there were no serious fires during the year under review.

In connection with the Licensed Warehouse and Fire Brigade Act I of 1893, 6,690 inspections of warehouses have been made during the year. Four hundred and ninty-six applications and complaints have been attended to and disposed of. Seventy-three prosecutions were made under section 14 of Act I of 1893 which resulted in 40 persons being fined, the fines aggregating in all Rs. 398-8. Three cases were warned and discharged and 22 cases were withdrawn and 8 cases were pending.

General.—The Calcutta Fire Brigade protects the City of Calcutta and the municipalities of Howrah and Garden Reach, and may attend fires outside the boundaries of the above, but not exceeding a radius of 12 miles from Fire Brigade Headquarters, provided appliances can be spared, and on payment of a prescribed fee. The total area protected is approximately 112 square miles, comprising a population of over 2,000,000 persons; only during the emergency period of war, the radius has been raised to 20 miles from Fire Brigade Headquarters.

Auxiliary Fire Service. —Since the beginning of the war, volunteers have been taken on as auxiliary firemen and drivers in order to assist the Fire Brigade for precaution against fires through air radis.

But, as the Volunteer Service could not be relied upon on account of their irregular attendance and poor response, scheme for temporary expansion of the Brigade with increased number of appliances and personnel together with additional temporary fire stations spread over the most important districts and areas throughout Calcutta, Garden Reach and Howrah was submitted to Government last year and was sanctioned in the year under review.

The senior staff of the Calcutta Fire Brigade had to work very hard to give effect to the proposal of the scheme for expansion of the Fire Brigade as an A.R.P. measure.

The following is a list of appliances received for the Auxiliary Fire Service during the year:—

75,032 feet of 2¾″ canvas hose.
18,250 feet of rubber-lined hose.
639 pairs of couplings.
19 trailer pumps (12 large and 7 small).
20 lorries.
10 pumping sets fitted on 5 barges.
50 canvas water storage dams.
6 motor cycles.
18 cycles.

Telephone.—Extensive alterations in the existing system of telephone connection of the Fire Brigade in Calcutta and Howrah have been carried out.

Water-supply.—Fifty canvas water storage dams were purchased during the year, and arrangements for fixing them in wooden frames to put on

commandeered lorries, were made so that they may be easily carried at any spot in case other sources of water-supply breaks down. Besides the above—

(*a*) Six-8,000 gallons capacity underground reservoirs at the following places, fitted with 5″ tube wells have been completed:—

(1) No. 53 Strand Road and Prosanna Kumar Tagore Street (north-west side of Mayo Hospital).

(2) No. 54, Strand Road and Kali Krishna Tagore Street.

(3) No. 44, Darmahatta Street and Strand Road.

(4) No. 69, Upper Circular Road and Gas Street (Mechua Bazar Street near the fire alarm).

(5) No. 64, Raja Dinendra Street and Garper Road.

(6) Ochterlony Road and Chowringhee Road.

(*b*) Arrangements for access to tanks in Calcutta squares in order to obtain water-supply have been made, and also,

(*c*) Constructions of platforms in 26 different places of Circular Canal and Tolly's Nullah have been completed.

Fire float barges.—Ten pumping sets, 500 gallons capacity each, have been fitted on 5 river barges hired for the purpose, and are moored on the river off Fort Point. These appliances will be used for the supply of water from the river and canal to land engines for fires along the vicinity of the river and canal. These pumping sets being mobile on the river or canal could be got to work wherever needed at any point along the riverside regardless of the places.

Fire stations.—In addition to 5 auxiliary fire stations reported last year, 9 more fire stations (5 at Calcutta and 4 at Howrah) are under construction.

Staff.—The strength of the Auxiliary Fire Service sanctioned during the year was:—

*Station Officers	...	2
*Assistant Officers	...	3
Recruiting Officer	...	1
Anglo-Indian Mechanic	...	1
Firemen	...	34
Clerks	...	4
Telephone Supervisors	...	4
Telephone Operators	...	34

Fitters and Mechanics	...	4
Drivers	...	99
Lorry Drivers	...	130
*Tindals	...	80
Khallasies	...	427
Menials	...	22

(*Duties of Station Officer, Assistant Station Officer and tindal were allotted to Senior Officers and men of the Calcutta Fire Brigade, besides their own duties.)

Proposal for further expansion of staff and appliances for the Auxiliary Fire Service has been submitted to Government, and in order to train the new recruits, it was found that a Training School is absolutely necessary, and a scheme has also been submitted to Government for sanction.

Definitions.

In the following rules and regulations, unless there is anything repugnant in the subject or context:—

(*a*) "Council" means the General Council and State Faculty of Homeopathic Medicine, Bengal, constituted under the Statutes;

(*b*) "Section" means a section of the Statutes;

(*c*) "Statutes" means the statutes promulgated by the Provincial Government under Resolution No. 1568Medl., dated 24th June 1941.

Regulations regulating affiliation of Homeopathic Colleges.

1. Every college may be affiliated provided it conforms with the provisions of these regulations.

2. The privilege of affiliation can be conferred only by the Council and the application shall be sent to the Registrar.

3. Every college applying for affiliation shall satisfy the Council on the following matters:—

(*a*) That the college has a hospital attached thereto with 30 beds.

(*b*) That the college is a public institution, managed by a governing body consisting of members in which at least one-third of the teaching staff is included.

Provided that the Council may at its discretion affiliate a college which is the private property of a person or body of persons if it is satisfied that the financial matters and other requirements under these regulations have been so provided that it is fit to be affiliated.

(c) That the financial resources of the college are adequate for its continued maintenance.

4. Every college shall have an adequate teaching staff. Every member of such staff shall have the required qualifications.

5. Every college shall at the time of making the application for affiliation, satisfy the Council that arrangements have been or shall be made for imparting medical teaching in accordance with the curriculum and method provided in Schedule A annexed to these regulations, subject to such alterations as may be made in the Schedule by the Examination Sub-Committee and approved by the Council.

6. On the receipt of an application for affiliation the Council may direct a person or persons to make an enquiry and to report thereon. The person in charge of the college shall give every facility to such person when conducting the enquiry.

7. When the Council has granted an application for affiliation the college shall pay to the Council a minimum fee of Rs. 200 on the receipt of which the college shall be entered in the list of affiliated colleges.

8. Every student of an affiliated college shall be registered with the Council.

9. Every college which has been affiliated shall have its accounts audited by a registered accountant annually. A copy of the audited accounts shall be sent to the Council annually.

10. Every college after affiliation shall be entitled to exercise the rights conferred on it by affiliation.

11. The Secretary or the Principal of every affiliated college shall send to the Registrar the name of every student of the college and in the case of fresh student shall send his name within one month of his admission. The Secretary or the Principal shall send a fee of Rs. 2 per student to the Registrar for registration of the student with the Council.

12. The Registrar shall maintain a register of students registered. No student other than registered students shall be eligible to sit at any examination held by the Council.

13. The Council shall grant diplomas only to such students as have appeared from affiliated colleges and passed the requisite examination held by the Council.

14. On receipt of a diploma every student shall be entitled to practise as a registered homeopathic medical practitioner on payment of a fee of Rs. 20 to the Council for the registration of his name.

15. The Registrar shall maintain a register of all such registered practitioners.

16. Every affiliated college shall report any change in the management or in its teaching staff to the Council.

17. Every affiliated college shall supply all such information, etc., as may be required by the Council from time to time.

18. Notwithstanding anything contained in these regulations and for a period of one year from the date of the passing of these regulations, the Council may direct any college with hospital to be affiliated, provided that the authorities in charge of such college give an undertaking in writing to the Council that within the period of one year or such further time as the Council may allow, they will make necessary arrangements for complying with the provisions of these regulations.

19. The Council shall elect five representatives from amongst the members of the managing committee or the teaching staff or the visiting staff of the homeopathic colleges with hospitals which have been affiliated.

20. The Registrar shall call on each such college to send to him within a time to be specified by him the name of one representative of the college. When all the names have been received and if not more than five names have been so received, the Council shall elect the persons named as representatives for the purpose of clause (*h*) of section 2 of the Statutes. If more than five names are received the Council shall elect, if necessary by voting, five names from amongst the names received in this behalf.

21. Whenever there is a vacancy by reason of death, resignation, etc., of the membership of a representative under clause (*h*) of section 2, the Council shall elect another representative in the manner provided in regulation 20 and such new member shall hold office for the unexpired period of membership of the previous member.

22. In every subsequent election of representatives when there is more than five, the Council shall, as far as possible, follow the principle of rotation of college representatives.

ORDER.

No. 4125Com.—16th December 1943.—Whereas a trade dispute exists between the employers of the (1) Kaiyachara Tea Estate, (2) Datmara Tea Estate, (3) Naptune Tea Estate, (4) Chandranagor Tea Estate and (5) Daloo Tea Garden in the district of Chittagong and the workmen employed in the said tea estates;

Now, therefore, in exercise of the powers conferred by clause (*b*) of sub-rule (*1*) of rule 81A of the Defence of India Rules, as are directed to be exercised by the Provincial Government by notification of the Central Government No. L3005, dated the 20th May 1942, and by clause (*bc*) of sub-rule (*2*) of rule 81 of the Defence of India Rules, the Governor is pleased to make the following order, namely:—

The employers of the said tea estate shall observe the following terms and conditions of employment of the workmen:—

(*1*) The wages for tea leaf plucking shall be paid at the rate of one anna for four pounds of tea leaf plucked excluding the weight of the basket. The weight of the basket and the number of pounds of tea leaf plucked shall be announced to all pluckers every day during weighing;

(*2*) The wages for light hoeing shall be five nals for an anna and for deep hoeing two and a half nals for an anna;

(*3*) The wages for jungle cutting shall be at the rate of four nals for an anna;

(*4*) In respect of factory work the minimum wages for each working day for a child shall be annas six, for a female adult annas eight and for a male adult annas ten;

(*5*) Carters of firewood shall be paid at the rate of annas eleven for each full day's work;

(*6*) Cowherds shall be engaged by the employers for the purpose of looking after the cows on the tea estate;

(*7*) Every employee certified as sick by the doctor of the tea estate shall be paid at the rate of annas eight per day;

(*8*) An adequate supply of medicines shall be stored in a properly furnished hospital established for the purpose of serving all the tea estates and such hospital shall have free beds for the workmen and there shall be a qualified medical officer in charge of the hospital for the purpose of prescribing and supplying medicines to the inhabitants of the tea garden coolie lines. The medicines shall be supplied free of cost;

(*9*) The following essential commodities shall be supplied to the employees at the Government controlled rates:—

(*a*) Rice and Atta—Seven seers per employee per week,

(*b*) Dal—Two seers per employee per week,

(*c*) Mustard oil—Half seer per employee per week,

(*d*) Salt—One seer per employee per week,

(*e*) Kerosene oil—22 ozs. per family of employees per week;

(*10*) Maternity benefit shall be granted to the female employees for the period of one month before and one month after child birth at the rate of annas eight per day and leave for this period shall also be granted. Rations shall also be supplied during the period as laid down in clause (*9*) above;

(*11*) Relief kitchens shall be started at once for the relief of those employees who are not getting any income either as wages or as any allowance from the estate;

(*12*) The five bales of cloth lying at the Datmara Tea Estate shall be distributed at once free to the inhabitants of the coolie lines attached to the said tea estates;

(*13*) Uncultivated land of the said tea estates shall be rented in equal shares among the landless employees' families at a nominal rent of one rupee per year per kani.

This order shall remain in force for a period of four months from the date of publication of the order in the *Calcutta Gazette* and it shall continue in force after that period unless notice of any alteration of its terms has been given either by the said tea estates or by the workers to the Provincial Government not less than twenty days before the date of expiry of the said four months, and considered and agreed to by the Provincial Government.

By order of the Governor,
M. K. KIRPALANI, Secy.

RESOLUTION—No. 3323IND.

Calcutta, the 16th December 1943.

Read an application, dated the 10th March 1943, from Hazi Safatullah Biswas of Murshidabad, for a loan of Rs. 2,000 (Rupees two thousand only) under section 19(*1*)(*a*) of the Bengal State Aid to Industries Act, 1931 (Bengal Act III of 1931), for the purpose of expanding his existing silk reeling industry.

Read also the resolution adopted by the Board of Industries, Bengal, at a meeting held on the 27th August 1943, incorporated in the report, submitted with letter No. 11192B.I., dated the 23rd November 1943, from the Secretary to the Board of Industries, Bengal.

Order.—Ordered that the loan of Rs. 2,000 (Rupees two thousand only) be sanctioned, provided that it does not exceed 50 per cent. of the net value of the assets of the applicant in the industry together with his landed property in Murshidabad after deducting all encumbrances thereon existing at the time when the application was made. The loan is also subject to the following conditions:—

(1) That the entire amount of the loan should be utilised in purchasing up to date machines and cocoons;

(2) That a mortgage bond be executed by the applicant in the form prescribed by Government for the purpose;

(3) That interest be charged at the rate of 8 per cent. per annum payable with each instalment on the balance of the unpaid principal;

(4) That if the instalments with interest thereon are paid promptly on the due dates or within seven days thereafter, interest will be accepted at the reduced rate of 6¼ per cent. per annum; and

(5) That the entire amount of the loan with interest thereon be repaid in five yearly instalments of Rs. 400 each *plus* interest, the first instalment being payable next year on the day and month in which it will be advanced this year.

Ordered also that the resolution be published in the *Calcutta Gazette*.

No. 5888G.—11th December 1943.—The following by-laws which the district board of Noakhali have adopted in a resolution of their meeting held on the 24th July 1943 are hereby confirmed:—

Model by-laws for regulating the sanitation of restaurants, eating houses, tea-shops and lodging houses under section 139 of the Bengal Local Self-Government Act of 1885.

1. For the purpose of these by-laws—

(*a*) "lodging house" means a house in which pilgrims or other persons are lodged on hire and where there is arrangement for both eating and sleeping.

(*b*) "eating house" means a house or other accommodation where people meet to partake of food or drink on payment but where there is no accommodation for sleeping or rest on payment, and includes a restaurant, and

(*c*) "tea-shop" means a shop where liquid refreshment, such as tea, coffee, cocoa, aerated water or other drinks either hot or cold are mainly sold and served for consumption at such shop.

2. Every keeper of a tea-shop, eating house or lodging house shall affix or put up in front of or within the compound thereof and in a conspicuous place a sign board in English and in the local vernacular language or such other vernacular languages as may be required by the district board stating the purpose for which such premises are intended for and used. The name of the keeper shall be written on the sign board.

3. Structures used or intended to be used as a tea-shop, eating house or lodging house shall be constructed of such materials as may be specified in that behalf by the district board, provided that no part thereof shall be constructed of inflammable materials and the floors of such structures shall be made impervious and shall be drained to the satisfaction of the district board.

4. Every tea-shop, eating house or lodging house shall be provided by the keeper thereof with such—

(*a*) means of ventilation and lighting in each room,

(*b*) supply of water,

(*c*) receptacles for the deposit of garbage and refuse of all kinds,

(*d*) drains and latrines, and

(*e*) in the case of a lodging house, bathing and sleeping accommodation.

as may be approved or directed by the district board in each case:

Provided that arrangements shall be made for the use of latrines, bathing places and sleeping rooms by males and females separately.

5. Every keeper of a tea-shop, eating house or lodging house shall make arrangement to prevent smoke from the kitchen from having a direct access into the sleeping rooms.

6. Every keeper of a lodging house shall put up a notice in each sleeping room showing the dimensions thereof and the maximum number of persons to be lodged therein and shall not allow any room therein to be occupied at any time by a larger number of persons than may be accommodated with a floor space not less than 40 square feet and a cubic space of 400 cubic feet for each adult person, two children under ten years of age being counted as one adult person.

7. In every tea-shop, eating house or lodging house—

(*a*) all floors shall be thoroughly cleaned and washed and all deposits of garbage and refuse removed from the receptacles provided for such deposits at least once, in every twenty-four hours.

(*b*) the inner surfaces of all walls and ceilings shall be limewashed biennially in the month of April and October or oftener if so required by the district board.

(*c*) all drains shall be maintained in good working order and in a proper state of repair, and

(*d*) the premises shall generally be kept clean and free from jungles and undergrowth.

8. No keeper of a restaurant, tea-shop, eating house or lodging house shall employ lepers or persons suffering from an open sore or any loathsome or infectious disease to serve in such premises.

Explanation.- Leucoderma or white skin will be regarded as a loathsome disease for the purpose of this by-law.

9. Every keeper of a lodging house shall give or cause to be given immediate notice to the district board of the outbreak of any infectious disease in the premises and shall comply with such orders and instructions as the district board may give regarding the prevention and control of the spread of infection and shall not receive or allow to be received in such premises any lodger without the written permission of the district board. The keeper may refuse admission to any person suffering or reasonably suspected to be suffering from any loathsome or infectious disease into the premises.

Explanation.—(*1*) For the purpose of this by-law information given to the sanitary inspector of the district board shall be deemed as information sent to the district board within whose jurisdiction the lodging house is situated.

(*2*) Permission of the health officer of the district board concerned to receive lodgers shall be deemed to be the permission of the district board.

10. The keeper of a tea-shop, eating house or lodging house shall allow such tea-shop, eating house or lodging house to be inspected at any time by the health officer of the district board or his representative.

11. Whoever commits a breach of any of the above by-laws shall be punishable with fine which may extend to fifty rupees; and in case of a continuing breach with a further fine which may extend to five rupees for every day during which the breach continues after the offender has been convicted of such breach.

WAR TRANSPORT DEPARTMENT.

PORTS.

New Delhi, the 3rd December 1943.

No. 9P (19)/42.—In exercise of the powers conferred by sub-section (*1*) of section 6 of the Indian Ports Act, 1908 (XV of 1908), and in supersession of the rules published with the notifications of the Government of Bengal in the Marine Department, Nos. 82-Marine and 7-Marine, dated the 15th July 1919 and the 20th February 1934, respectively, the Central Government is pleased to make the following rules for the Port of Calcutta, the same having been previously published as required by sub-section (*2*) of the said section, namely:—

CALCUTTA PORT RULES.

PART I.—PRELIMINARY.

1. *Short title.*—These rules shall be called the Calcutta Port Rules.

2. *Definitions.*—In these rules, unless there is anything repugnant in the subject or context,—

"Port of Calcutta" means the Port of Calcutta as defined in the notification of the Government of Bengal in the Marine Department, No. 13-Marine, dated the 14th February 1929;

"port" means the Port of Calcutta and the navigable river and channels leading to it in which the Indian Ports Act, 1908 (XV of 1908) is for the time being in force;

"the Commissioners" means the Commissioners for the Port of Calcutta constituted under the Calcutta Port Act, 1890 (Bengal Act III of 1890), and appointed to be Conservator of the Port of Calcutta and the navigable river and channels leading to it under the Indian Ports Act, 1908 (XV of 1908);

"Deputy Conservator" means the officer appointed by the Commissioners, as Conservator of the Port of Calcutta and the navigable river and channels leading to it, to exercise or perform, subject to their control, their functions as such under the Indian Ports Act, 1908 (XV of 1908);

"Harbour Master" means the officer appointed by the Commissioners to have charge under the supervision of the Deputy Conservator of the Harbour Master's Department and of the berthing, mooring and movement of all vessels within the Port of Calcutta;

"Howrah Bridge" means the bridge constructed and maintained under the provisions of the Howrah Bridge Act, 1871 (Bengal Act IX of 1871);

"navigable channel" means that portion of the river Hooghly used from time to time by sea-going vessels and defined by navigational marks and buoys;

"daybreak" means half an hour before surise;

"dark" means half an hour after sunset;

"Master", when used in relation to any vessel, means any person (except a pilot or harbour master) having for the time being the charge or control of the vessel;

"vessel" includes anything made for the conveyance by water of human beings or property;

"vessel under way" means a vessel not at anchor or made fast to the shore or aground;

"sea-going vessel" means every description of vessel used in sea-navigation or notified as 'sea-going' by the competent authority;

"steam-vessel" means every description of vessel propelled wholly or in part by the agency of steam or other mechanical means;

"inland steam vessel" means any vessel which is subject to the provisions of the Inland Steam Vessels Act, 1917 (I of 1917);

"ferry steamer" means every description of inland steam vessel which regularly plies on a fixed route within or partly within and partly without the port;

"small craft" means every description of vessel not being a sea-going vessel or an inland steam vessel, which is used for the conveyance by water of human beings or of property;

"boat" means every kind of small craft by whatever name described not mechanically propelled;

"flat" means a decked-in boat which can ply only in tow of an inland steam vessel;

"passenger boat" means any boat which ordinarily carries other persons in addition to the manjhi or boatman in charge and the crew;

"cargo boat" means any boat which ordinarily carries all kinds of moveable or personal property, including animals;

"ton" means a ton as determined or determinable by the rules for the time being in force for regulating the measurement of the net tonnage of British ships except in the rules for licensing and regulating flats or boats where "ton" means a ton as determined by the provisions of rule 65.

3. *Application.*—These rules shall, unless it is otherwise stated, be applicable only within the Port of Calcutta. Nothing contained in these rules shall affect the provisions of—

(a) any rules made by the Central Government under the Petroleum Act, 1934 (XXX of 1934);

(b) any rules made by the Central Government under the Obstruction in Fairways Act, 1881 (XVI of 1881);

(c) any rules made by the Provincial Government under the Inland Steam Vessels Act, 1917 (I of 1917);

(d) any bylaws made by the Provincial Government or the Commissioners under the Howrah Bridge Act, 1871 (Bengal Act IX of 1871); and

(e) any bylaws made by the Commissioners under the Calcutta Port Act, 1890 (Bengal Act III of 1890).

PART II.—RULES FOR SEA-GOING VESSELS.

Sea-going vessels.

4. *Restriction on movement.*—Every vessel shall, as and when ordered by the Deputy Conservator or Harbour Master, move to or from any berth, mooring or anchorage in the Port, provided that below Garden House all sea-going vessels shall proceed up or down the river under the direction of an officer of the Bengal Pilot Service.

5. *Regulation of berths and moorings.*—All sea-going vessels shall take up the berths or moorings or occupy the places appointed for them by the Deputy Conservator or Harbour Master, and move from any berth, mooring or place to any other berth, mooring or place to the direction and under the charge of any duly authorised officer of the Commissioners: Provided that between Budge Budge and Garden House sea-going vessels inward or outwardbound shall move to the direction and under the charge of an officer of the Bengal Pilot Service.

6. *Applications for Assistant Harbour Masters.*—All applications for sea-going vessels to be hauled into, or cast off from, moorings or for any other assistance shall be made either personally or by letter, to the Harbour Master.

7. *Use of tugs.*—Every sea-going vessel wishing to move within the port shall employ such tugs for the purpose as are, in the opinion of the Harbour Master or Pilot in charge, necessary for her safety.

8. *Steam pressure.*—The Master of every sea-going vessel entering or leaving any mooring or any Dock or Jetty berth under her own steam shall be responsible for the maintenance of sufficient pressure of steam to work her engines at full speed, ahead or astern as may be required.

9. *Use of moorings.*—No sea-going vessel shall make fast to, or use any mooring, fixed or swinging, without the permission of the Deputy Conservator or Harbour Master.

10. *Vessels at swinging moorings.*—Every sea-going vessel lying at a swinging mooring shall, from the 15th June to the 31st October have, in addition to her bower chain, the end of a good hawser made fast to the ring of the mooring.

11. *Anchors at bow.*—Every sea-going vessel under way, or lying in the stream or at a mooring shall at all times have at least one anchor at the bow with a cable bent ready for letting go.

12. *Mooring of vessels.*—No person shall moor any sea-going vessel in any manner other than that prescribed by the Deputy Conservator or Harbour Master, or alter without the permission of the Harbour Master, the mooring of any sea-going vessel save for the purpose of easing undue strain or of taking up undue slack.

13. *Prohibition of anchoring.*—Unless a Pilot or Assistant Harbour Master is on board no sea-going vessel shall lie at anchor in the port without the authority of the Deputy Conservator or Harbour Master.

14. *Precautions against bore tides.*—When bore tides are expected every sea-going vessel lying at moorings in the stream—

(a) shall have her best hawsers made fast to the flood moorings or to her own chains close to the moorings and hove taut with sufficient strain to relieve the jerk on the chains and bitts when the bore makes;

(b) shall take up bore anchor moorings whenever required to do so by the Deputy Conservator or Harbour Master;

(c) shall, if so required by the Harbour Master, have powder ready on her main engines, steering gear, windlass and winches for immediate use in an emergency.

15. *Trial of engines.*—No sea-going vessel occupying moorings in the docks or in the stream or lying at a dock berth shall turn her screws without giving sufficient warning to all boats in the vicinity. During engine trial screws may only be turned at dead slow speed for short periods, in each direction. No trial under steam shall be made by a vessel lying alongside the Calcutta or Garden Reach Jetties except by direction of the Assistant Harbour Master in charge.

16. *Dismantling of engines.*—No sea-going vessel shall, without the permission of the Deputy Conservator or Harbour Master, dismantle her engines or otherwise render herself incapable of movement.

17. *Storm signals.*—When storm signal No. VIII, IX or X is hoisted on the flagstaff at the Commissioners' Office, Koilaghat Street, the flagstaff on the clock tower at the entrance to Kidderpore Docks and the flagstaff on the Assistant Harbour Master's house at Budge Budge or other authorised position in the port the Masters of all sea-going vessels shall immediately take every precaution in their power to make their vessels snug and secure, and in particular shall keep a second anchor ready for letting go.

18. *Crews for vessels.*—Subject to the provisions of rules 19, 20 and 21, all sea-going vessels in the port shall have on board a sufficient number of crew to perform any duties which may become necessary for their safety or movement in any emergency.

19. *License for smaller crew.*—Whenever any sea-going vessel is laid up in any berth or mooring specially allotted to her for that purpose, it shall be lawful for the Commissioners by the hand of their Chairman to grant for a stated period a license, in Form A of the Schedule authorising the vessel to remain at her berth or mooring with the minimum crew specified in that license.

20. *Revocation of license.*—It shall also be lawful for the Commissioners, by the hand of their Chairman, in Form B of the Schedule to revoke the aforesaid license in Form A, and on and after the publication of such revocation, which shall be effected by posting a copy thereof upon some conspicuous part of such vessel, the provisions of rule 18 shall apply to the vessel as if no such license had ever been granted.

21. *License to be without crew.*—Whenever it shall appear to the Commissioners that any creek, river or dock is so situated that sea-going vessels without any crew therein may remain afloat in such creek, river or dock without danger to any vessels in any part of the port, it shall be lawful for the Commissioners to grant by the hand of their Chairman in Form C of the Schedule a license exempting any such vessel from the provisions of rule 18 and if they think fit to revoke, or from time to time amend the aforesaid license.

22. *Smoking and lights.*—No person shall smoke or use naked lights of any description in a hold or between decks of a sea-going vessel or in any enclosed space in such vessel containing stores, cargo or inflammable materials.

23. *Fires.*—Fires on sea-going vessels shall be permitted only in galleys or properly constructed fire-places.

24. *Fire-works.*—The discharge of fire-works is prohibited on all sea-going vessels.

25. *Measures during fire.*—When a fire has broken out in any vessel, the masters of all sea-going vessels in neighbouring berths or moorings shall furl their awnings, get their force pumps and hoses ready for use and prepare to slip their cables or hawsers.

26. *Projections from vessels.*—All sea-going vessels proceeding to or from the docks or jetties shall turn in all boats, and remove all projections likely to collide with any wall, pier or jetty or quay equipment.

27. *Projecting fitments.*—No sea-going vessel lying above Garden House shall have projecting from her side any anchor, spar, or other equipment likely to cause damage to other vessels.

Signals.

28. *Sounding of whistles.*—No sea-going vessel shall sound her whistle or siren except in accordance with the International Regulations for Preventing Collisions at Sea as modified for the River Hooghly: Provided that no sea-going vessel shall continuously sound a steam whistle or siren.

29. *Blue Peter.*—Every sea-going vessel about to leave the Port shall hoist the Blue Peter at the fore at 6 A.M. on the day prior to that on which she breaks moorings, and shall keep it hoisted until the pilot assumes charge to take her to sea. Provided that this rule shall not apply in time of War.

30. *International Code Flag "A".*—Every sea-going vessel entering moorings or proceeding to a jetty berth shall hoist International Code Flag "A" on the triatic stay and shall keep it so hoisted until the Assistant Harbour Master in charge,

when he considers it safe for inland steam vessels and small craft to come alongside, orders it to be lowered.

31. *Prohibition of private signals.*—No signals, excepting those authorised by the International Code of Signals shall be hoisted by a sea-going vessel without the authority of the Deputy Conservator or of the Assistant Harbour Master or Pilot in charge.

32. *Signal lights.*—Every sea-going vessel shall between dark and daybreak exhibit the lights required by the International Regulations for Preventing Collisions at Sea. No other signal lights shall be exhibited except by direction of the Assistant Harbour Master or Pilot in charge.

33. *Use of search-lights.*—The use of search-lights by any sea-going vessel whilst within the port is prohibited except by the direction of the Deputy Conservator, Harbour Master or the Pilot or Assistant Harbour Master in charge.

34. *Towing lights.*—Every sea-going vessel in the port—

(a) shall, when in tow astern, carry the lights required by Article 5 of the International Regulations for preventing collisions at sea;

(b) shall, when in tow of vessels lashed alongside both sides, carry only the white lights required by *Article 3* of the said Regulations;

(c) shall, when in tow of only one vessel lashed alongside, carry the white lights required by the aforesaid *Article* and in addition a side light on the side away from the towing vessel;

(d) shall, when in tow astern of a vessel and with tugs lashed alongside, carry the white lights required by the aforesaid *Article*.

35. Every sea-going vessel in the port in tow of tugs lashed alongside, shall extinguish all lights which interfere with the visibility of the lights exhibited by the tugs.

36. A sea-going vessel towing another sea-going vessel in the port shall—

(a) when towing ahead exhibit lights prescribed by Article 3 of the International Regulations for preventing collisions at sea;

(b) when towing alongside exhibit side lights only on the side away from the tow.

37. The additional white light mentioned in *Article* 2(e) of the aforesaid Regulations shall not be carried by a sea-going vessel in tow in the port.

38. *Lights for vessels aground.*—Every sea-going vessel aground in the port in or near a fair-way—

(a) shall, during night, exhibit the lights required by *Article II* of the aforesaid Regulations, provided that such vessel shall, when in tow, exhibit, immediately she starts to make way over the ground, the lights required by rule 34 above;

(b) shall, during day, hoist in place of the red lights mentioned in the aforesaid *Article*, two black balls 2 feet in diameter and 6 feet apart.

39. *Sea-going sailing vessels.*—Every sailing vessel classified as sea-going:—

(a) shall, on arrival in the Port of Calcutta rig in her jib and driver booms, and keep them so rigged until the pilot assumes charge for the purpose of taking her to sea. Yards and masts shall also be struck when so directed by the Harbour Master. Top-gallant yards may be sent aloft 48 hours before the vessel leaves her moorings.

(b) shall from the 1st day of May to the 30th day of June, and from the 1st day of October to the 15th day of November have her royal and top-gallant yards on deck, and mast-ropes rove in readiness to send the top-gallant mast down at short notice. All such vessels entering the Port of Calcutta between the said dates may be placed in moorings with their top-gallant masts and yards aloft, but their top-gallant yards shall be send down within 24 hours after they are moored.

Precautions against accidents.

40. *Discharge of steam.*—The Master of every sea-going vessel shall take all necessary precautions by placing guards or otherwise to prevent injury to persons or damage to property through the discharge of steam, oil or water from any part of his vessel.

41. *Securing beams and hatchways.*—When cargo is being loaded into, or unloaded from, a sea-going vessel through any of her hatchways, whether on deck or below, the longitudinal (fore and after) and athwartship beams and hatchway covers of such hatchways shall be secured in such a manner as will effectually prevent them from falling into the hold or overboard.

42. *Safety of workmen.*—The Master of any sea-going vessel requiring work to be done in bilges, boilers or double bottoms shall take all precautions to ensure that working conditions in such places are made safe before any person is sent into them.

43. *Exposure to sun.*—No Master of a sea-going vessel shall, from the 1st day of April to the 31st day of October inclusive, employ, or cause to be employed, between the hours of 9 A.M. and 4 P.M. any European seaman or apprentice for the purpose of cleaning or painting the vessel that necessitates the direct exposure of such seaman or apprentice to the rays of the sun.

PART III.—RULES FOR INLAND VESSELS.

Inland steam vessels.

44. *Comprehensive rule.*—The provisions of rules 9, 10, 11, 22, 23, 24, 28, 36 and 37 shall apply in relation to inland steam-vessels as they apply in relation to sea-going vessels.

45. *Navigable channel.*—Every inland steam-vessel shall navigate so as to keep free the navigable channel required by sea-going vessels moving within the port.

46. *Regulation of berths and moorings.*—Every inland steam-vessel shall take up, or move to or from, any berth, mooring or place when directed to do so by a duly authorised officer of the Commissioners.

47. *Anchoring.*—No inland steam-vessel shall anchor in such a position, or in such a manner, as to offer obstruction to any navigable channel within the port.

48. *Restriction on movement.*—No inland steam-vessel shall proceed alongside any sea-going vessel for any purpose while International Code Flag "A" is flying on the triatic stay of the latter.

49.—*Prohibited anchorage.*—No inland steam-vessel shall anchor—

(a) in Garden Reach between the Lower College Sand buoy and the Upper Panchpara Flat buoy; or

(b) in Budge Budge Reach between the Fort Gloster buoy and the southern boundary pillars of the Port of Calcutta.

50. *Free passages.*—Every inland steam-vessel, at anchor or under way, shall at all times afford free passages of sufficient width to piers, jetties, landing places, wharves, quays, docks and moorings.

51. *Navigation rules.*—Inland steam-vessels navigating the River Hooghly shall navigate at all times as follows:—

(a) Between Kidderpore Docks and King George's Dock, on the edge of College Sand: Provided that no inland steam-vessel with a flat or flats in tow when coming up on the flood tide between sunset and sunrise shall proceed above King George's Dock until the ebb tide has made;

(b) Between King George's Dock and Rajabagan Ferry Station, either close to the right bank or to the outer line of moorings close to the left bank of the River: Provided that every inland

steam-vessel other than a stern wheeler, launch, tug or ferry steamer which has no other craft in tow shall when sea-going vessels are underway and about to turn either on the flood or ebb tide heave to on the College Sand if she is above the sea-going vessels and on the Union South Jute Mill if she is below them until such time as the sea-going vessels have completed the manœuvre of turning around;

(c) Between Rajabagan Ferry Station and Akra Semaphore, on the edge of Sankral Sand;

(d) Between Akra Semaphore and Pir Serang Shrine, on the edge of Munikhali Sand;

(e) Between Pir Serang Shrine and the north end of Budge Budge, on the edge of Koffri Sand;

(f) Between the north end of Budge Budge and the Premchand Jute Mill, near the right bank of the River and on the edge of Budge Budge Sand: Provided that between Fort Gloster Flat Buoy and the Lothian Jute Mill no inland steam-vessel other than a stern wheeler, launch, tug or ferry steamer which has no other craft in tow shall navigate the channel when sea-going vessels are turning or about to turn on either the flood or ebb tide;

(g) Between the Premchand Jute Mill and the upper end of Moyapur Bar, on the edge of Achipur Sand;

(h) On Moyapur Bar, the shallow tracks;

(i) In Royapur Reach, on the edge of Royapur Sand;

(j) On Royapur Bar, the shallow tracks;

(k) In Brul Reach, on the edge of Brul Sand;

(l) In Fisherman's and Fulta Reaches, on the edge of Fulta Sand;

(m) In Ninan Reach, on the edge of Shipgunge Sand;

(n) In Nurpur Reach and in the vicinity of the James and Mary, the Western Gut: Provided that between the 15th August and 1st December they may navigate the Eastern Gut during the ebb tide;

(o) From Hooghly Point to Hospital Point, the left bank of the River over Hooghly Sand;

(p) From Hospital Point to the entrance to the Rangafala Channel, the left bank of the River.

52. From Howrah Bridge down to and including Luff Point inland steam-vessels crossing or intending to cross from one side of the navigable channel to the other, shall not obstruct the passage of, or cause risk of collision with, any sea-going vessel which is using the crossing at the time, but shall slacken speed, stop or reverse and if necessary turn round.

53. *Restriction on speed.*—Between Howrah Bridge and Garden House inland steam-vessels shall at all times proceed at a moderate speed: Provided that the Commissioners may by special direction exempt ferry steamers from the observance of this rule.

54. *Unmooring during freshets.*—Inland steam-vessels lying above Howrah Bridge shall not haul out of moorings from 15th June to 31st October during the last quarter of the ebb.

55. *Storm signals.*—When a storm signal is hoisted on the flagstaff at the Commissioners' Office, Koilaghat Street, the flagstaff on the clock tower at the entrance to Kidderpore Docks and the flagstaff on the Assistant Harbour Master's house at Budge Budge or other authorised position in the port the Masters of all inland steam-vessels shall immediately take every precaution in their power to make their vessels snug and secure.

56. *Crews for vessels.*—Every inland steam-vessel shall have on board a sufficient number of crew to perform any duties which may become necessary for her safety or movement in any emergency.

57. *Prescribed lights.*—Every inland steam-vessel shall exhibit the lights prescribed in the rules made under the Inland Steam Vessels Act, 1917 (I of 1917).

58. *Searchlights.*—Inland steam-vessels are permitted to use searchlights for navigational purposes: Provided that no searchlight shall in any circumstances be directed so as to interfere with the navigation of any vessel under way.

59. *Fire appliances.*—Every inland steam-vessel shall carry the fire appliances prescribed in the rules made under the Inland Steam Vessels Act, 1917 (I of 1917).

PART IV.—RULES FOR FLATS AND BOATS.

Flats and boats.

60. *Comprehensive rule.*—The provisions of rules 9, 10, 11, 24 and 37 shall apply in relation to flats or boats as they apply in relation to sea-going vessels; and the provisions of rules 45, 46, 47, 48, 50 and 55 shall apply in relation to flats or boats as they apply in relation to inland steam-vessels.

61. *Boat registration and licensing.*—No flat or boat shall ply whether regularly or occasionally, within, or partly within and partly without, the port, unless it has been registered and licensed on payment of the fees prescribed by the Commissioners whose Boat Surveyor shall at the time of registration brand on the flat or boat her registered number and tonnage.

62. *Application for registration.*—Every application for the registration of a flat or boat shall be made in writing to the Commissioners' Boat Surveyor in Form D of the Schedule and shall contain the following particulars:—

(a) the owner's name and address, or

(b) the name and address of his duly authorised agent in Calcutta,

(c) description of the flat or boat, and

(d) nature of license, cargo or passenger, held or required.

63. *Method of registration.*—Every flat or boat requiring registration shall, if a flat, be placed at a convenient mooring or, if a boat be sent to the special licensing buoys at Shibpore for measurement under rule 65 by the Commissioners' Boat Surveyor who shall enter in a register, to be kept by him, the particulars mentioned in rule 62, together with all relevant measurements taken under rule 65: Provided that any flat may, on payment of the prescribed fees, be surveyed at the owner's work-shops.

64. *Cancellation of registration.*—The registered number of a flat or boat shall remain in force as an identification number throughout the whole working life of the flat or boat unless—

(a) the flat or boat remains unlicensed for a period of 3 years.

(b) the flat or boat is condemned by the Commissioners' Boat Surveyor as unfit for further service,

(c) the number branded on the flat or boat becomes obliterated and cannot otherwise be traced, and

(d) the dimensions of the flat or boat are altered.

65. *Method of measurement.*—Every flat or boat shall for the purpose of these rules be measured—

(i) for Tonnage by the formula $L \times B \times D \times K =$ Tonnage, where L is the length in feet and inches measured from the inside of the stem post to the inside of the stern post;

B is the greatest breadth in feet and inches measured from side to side inside the ceiling planks or inside the frames whichever measurement is less:

D is the greatest depth in feet and inches measured from a line extended from side to side across the uppermost continuous strakes to the upper side of the floor ceiling plank or to the upper side of the floor whichever measurement is less:

K is a constant dependent on the type of flat or boat and taken from the following table:—

Class I.—

(a) Flush decked, square built and open boats and flats	K = ·009
(b) Bazar boats where the brake forward and aft does not exceed 9 inches ..	K = ·008
(c) Bazar boats where the brake forward and aft exceeds 9 inches	K = ·007

Class II.—Open country boats known as:—

(a) Jolly boats or powcoes	K = ·009
(b) Hollahax	K = ·0083
(c) Bhurs and pansways .	K = ·008
(d) Dinghees and Bowleahs ..	K = ·0064
(e) Chotes	K = ·0063

Provided that for straw boats (i) Tonnage shall be measured by the same formula in which L and K are taken as above, and

B is the breadth in feet and inches measured inside the ceiling planks or inside the frames, whichever measurement is the less, under the deck beam amidships,

D is the depth in feet and inches measure from the underside of the deck beam amidships to the upper side of the floor ceiling planks or to the upper side of the keelson whichever measurement is the less;

(ii) for Freeboard—

(a) by taking if it is a decked or open flat or boat of iron and steel, the figure in the column headed "F"1 or "F"2 as the case may be corresponding to the depth of the vessel (D) in accordance with the following table, the correction (C) being applied where the length (L) does not correspond with the depth:—

D	L	F_1	F_2	C
5′ 6″	55′	8¼″	11¼″	¼″
6′ 0″	60′	9¼″	12⅜″	¼″
6′ 6″	65′	10¼″	14″	¼″
7′ 0″	70′	11¼″	15½″	¼″
7′ 6″	75′	12¼″	16⅝″	¼″
8′ 0″	80′	13¼″	18″	¼″
8′ 6″	85′	14¼″	19½″	7/8″
9′ 0″	90′	15¼″	20⅝″	7/8″
9′ 6″	95′	16¼″	22″	7/8″
10′ 0″	100′	17¼″	23½″	7/8″
10′ 6″	105′	18¼″	24⅝″	7/8″
11′ 0″	110′	19¼″	26″	7/8″
11′ 6″	115′	21″	28″	1″
12′ 0″	120′	22¼″	30″	1″
12′ 6″	125′	23¼″	31¼″	1″
13′ 0″	130′	25″	33½″	1″
13′ 6″	135′	26¼″	35⅝″	1″
14′ 0″	140′	27¼″	36¼″	1″

D = Depth,

L = Length,

F_1 = Freeboard for decked flats or boats of iron or steel,

F_2 = Freeboard for open flats or boats of iron or steel,

C = Correction to be applied to the freeboard for every 10 feet difference in length.

(b) by taking, if it is a wooden boat either suqare built or country built, or a composite built boat, 3 inches for every foot depth of hold, as measured under clause (i) above.

(iii) for Passengers by dividing the superficial area in square feet of the deck space available for passengers by 6 and counting, if carried, two children below the age of 12 years or two maunds weight of luggage as the equivalent of one passenger:

Provided that for boats belonging to private firms or companies and used exclusively for the conveyance of their employees, the divisor shall be 4 instead of 6,

(iv) for Passengers and Cargo under clauses (i) and (ii) above.

66. *Application for license.*—Every application for a license for a flat or boat shall be made in writing to the Commissioners' Boat Surveyor in Form E of the Schedule and shall contain the following particulars:—

(a) the owner's name and address, or

(b) the name and address of his duly authorised agent in Calcutta,

(c) a description of the flat or boat,

(d) the registered number branded on the flat or boat by the Commissioners' Boat Surveyor, and

(e) the name of the Manjhi in charge of the flat or boat.

67. *Method of licensing.*—Every flat or boat requiring a license shall, if a flat, be placed at a convenient mooring or, if a boat, be sent to the special licensing buoy at Sibpore for survey by the Commissioners' Boat Surveyor who, on payment of the prescribed fees, shall—

(a) issue a license, if the flat or boat is found to be in good order and suitable for the purpose for which it is intended; or

(b) indicate, if the flat or boat is not in good order, the repairs or alterations necessary before a license can be granted:

Provided that any flat or boat may, on payment of the prescribed fees, be surveyed at the owner's workshops

Every flat or boat so licensed shall have her registered number in figures not less than 6 inches high painted on both bows by the Commissioners' Boat Surveyor.

68. *Manjhi's license.*—No flat or boat shall be allowed to ply within the port unless it is in charge of a Manjhi licensed by the Commissioners. The Manjhi's license, which is not transferable, shall ordinarily be issued at the same time as the flat or boat license. A Manjhi newly placed in charge of a flat or boat shall himself apply for a license to the Commissioners' Boat Surveyor and shall produce the license of the flat or boat in which his name shall be entered by the said surveyor.

69. *Cargo boat crew.*—(*1*) Every flat or cargo boat plying in the port shall carry:—

(a) when under way, when in tow or when waiting outside the entrance to the Kidderpore or King George's Docks, the crew laid down in sub-rule (*2*);

(b) when waiting empty at moorings laid for sea-going vessels, the crew laid down in sub-rule (*2*);

(c) when waiting under conditions not specified in clause (a) or clause (b) above, one less than the crew laid down in sub-rule (*2*);

(d) when moored outside the navigable channel where no obstruction to navigation can occur, two men;

(e) when laid up, one watchman only.

(*2*) The crew for a flat or cargo boat—

(i) not exceeding 5 registered tons shall be 2 Dandees, 1 Manjhi;

(ii) exceeding 5 tons but not exceeding 40 tons shall be 3 Dandees, 1 Manjhi;

(iii) exceeding 40 tons but not exceeding 60 tons shall be 4 Dandees, 1 Manjhi;

(iv) exceeding 60 tons but not exceeding 80 tons shall be 5 Dandees, 1 Manjhi;

(v) exceeding 80 tons shall be 6 Dandees, 1 Manjhi.

70. *Passenger boat crew.*—Every passenger boat plying in the port shall carry—

(a) when under way or plying for hire, if she is licensed for—

not more than 10 passengers, a crew of 2 Dandees, 1 Manjhi;

not more than 15 passengers, a crew of 3 Dandees, 1 Manjhi;

not more than 20 passengers, a crew of 4 Dandees, 1 Manjhi;
not more than 25 passengers, a crew of 5 Dandees, 1 Manjhi;
not more than 30 passengers, a crew of 6 Dandees, 1 Manjhi;
not more than 35 passengers, a crew of 7 Dandees, 1 Manjhi;

(b) when laid up for the night or when lying at anchor if she is licensed for—

not more than 15 passengers, a crew of 1 man,
not more than 20 passengers, a crew of 2 men,
not more than 30 passengers, a crew of 3 men,
more than 30 passengers, a crew of 4 men.

71. *Load line.*—Every flat or boat exceeding the registered measurement of ten tons shall have her load line, which shall at no time be submerged, indicated by a conspicuous mark cut into the hull and painted white on dark ground. This mark shall be made by the Commissioners' Boat Surveyor at the time of registration.

72. *Exhibition of passenger plate.*—Every boat licensed to carry passengers shall exhibit a passenger plate on which shall be shown in English and Bengali the registered number of the boat, the license number, the number of passengers she is authorised to carry and the number of her crew.

73. *Inspection of licenses.*—Every manjhi in charge of a flat or boat plying in the port shall carry his own license and the license of his flat or boat, each of which shall be produced whenever it is required by the Port Police or by an officer duly authorised by the Commissioners.

The license of a passenger boat shall also be produced for inspection at the request of any passenger.

74. *Duration of licenses.*—Every license granted under these rules shall continue in force for one year from the date on which it is granted unless it is duly revoked.

Every expired or revoked license shall be surrendered to the Boat Surveyor without delay.

75. *Extension of license.*—An extension of license may be granted for a period not exceeding 3 months at a rate of one-sixth of the annual license fee per month or part of a month: Provided that no such extension shall be granted until the flat or boat has been surveyed and found to be in good order and suitable for the purpose for which it is intended.

76. *Refusal of license.*—The Commissioners may in their discretion refuse any application for the issue of a license.

77. *Re-measurement.*—The owner or agent of a flat or boat which has been altered in dimensions during the currency of its license shall at once send it to the Commissioners' Boat Surveyor for re-measurement.

78. *Re-Survey.*—The Commissioners may at any time direct a licensed flat or boat to be re-surveyed, without charge to the owner.

79. *Transfer of ownership.*—Every transfer of ownership shall be duly notified to the Commissioners' Boat Surveyor by a letter accompanied by the boat license, the instrument of transfer, and the certificate of registry on which the said surveyor will make a suitable endorsement.

80. *Loss of boat.*—If a flat or boat is broken up or lost, the owner or agent shall without delay return the Certificate of Registry to the Boat Surveyor for cancellation.

81. *Unlicensed boat with cargo.*—Every flat or boat arriving in the Port of Calcutta without a license or with a license which has expired and wishing to discharge cargo shall at once apply for an unloading permit at the nearest Inland Vessels Wharves Toll Office and deposit with the cashier in charge the sum of Rs. 32, the maximum license fee payable for one year.

Any flat or boat discharging cargo under this rule shall, within 15 days of the date of entering the Port, or if a straw boat, within 30 days, proceed for survey and license to the licensing buoy at Sibpore. Any balance of the deposit remaining after payment of the prescribed fees for licensing shall be refunded to the party concerned.

82. *Carriage of passengers.*—No person in charge of a licensed passenger boat plying for hire in the port shall, without good reason, refuse to carry in such boat a passenger tendering the proper hire.

83. *Rates of hire.*—Passenger boats plying for hire shall not charge rates of hire exceeding those given below:—

Trip	Per head.		Per boat.			
	Passengers embarking between 6 a.m and 6 p.m.	Passengers embarking between 6 p m. and 6 a.m.	If the voyage begins between 6 a.m. and 6 p m.		If the voyage begins between 6 p.m. and 6 a.m.

Between flats and shore	½	½	.		..	

A copy of the above scale of charges shall be exhibited on board such boats in a conspicuous place so that it can be easily inspected by any passenger desiring to do so.

84. *Boats to be under control.*—All boats under way within the port shall themselves have sufficient control or shall be in tow of a vessel of sufficient power so that they are able to keep free the navigable channel required by sea-going vessels.

85. *Clearance area for sea-going vessels.*—The navigable channel between the Lower College Sand Buoy and the Upper Panchpara Flat Buoy and between the Fort Gloster Flat Buoy and the southern boundary pillars of the Port of Calcutta shall, at all times, be kept clear for the manœuvring of sea-going vessels.

Boats may lie ashore on the right bank in Garden Reach but they shall not place or have, any anchors or mooring tackle in the stream.

86. *Navigation rules.*—(*1*) Flats or boats within the port shall, at all times, navigate as follows:—

(a) Between Kidderpore Docks and King George's Dock, between the right bank of the river and the line of buoys marking the edge of College Sand;

(b) Between King George's Dock and Rajabagan Ferry Station, close either to the right bank or to the outer line of mooring buoys on the left bank of the river;

(c) Between Rajabagan Ferry Station and Akra Semaphore, on the edge of Sankral Sand;

(d) Between Akra Semaphore and Pir Serang Shrine, on the edge of Munikhali Sand;

(e) Between Pir Serang Shrine and north end of Budge Budge, on the edge of Koffri Sand;

(f) Between the north end of Budge Budge and the southern boundary of the port, on the right bank of the river.

(*2*) From Howrah Bridge down to and including Luff Point every flat or boat navigating near a

crossing shall proceed with caution and, if necessary, anchor outside the navigable channel so that sea-going vessels may pass clear.

87. *Restriction on small craft coming alongside sea-going vessels.*—No small craft shall proceed alongside any sea-going vessel entering moorings or proceeding to a jetty berth while International Code Flag "A" is flying at the triatic stay of the latter.

88. *Cargo boats alongside sea-going vessels in moorings.*—The maximum number of cargo boats permitted to lie abreast of each other on the outside of vessels in the outer berth of the undernoted moorings shall be:—

in No. 5 Calcutta Moorings, 1 flat or 2 boats,
in No. 4 Calcutta Moorings, 1 flat or 3 boats,
in No. 3 Calcutta Moorings, 1 flat or 3 boats,
in No. 2 Calcutta Moorings, 1 flat or 2 boats,
in No. 1 Calcutta Moorings, 1 flat or 2 boats,
in No. 4 Esplanade Moorings, 1 flat or 4 boats,
in No. 3 Esplanade Moorings, 1 flat or 4 boats,
in No. 2 Esplanade Moorings, 1 flat or 5 boats,
in No. 1 Esplanade Moorings, 1 flat or 5 boats,
in No. 2 Princeps Moorings, 1 flat or 4 boats,
in No. 1 Princeps Moorings, 1 flat or 4 boats,
in No. 4 Hastings Moorings, 1 flat or 5 boats,
in No. 3 Hastings Moorings, 1 flat or 5 boats,
in No. 2 Hastings Moorings, 1 flat or 5 boats,
in No. 10 Garden Reach Moorings, 1 flat or 5 boats,
in Garden Reach Jetties Moorings, 1 flat or 5 boats.

89. *I. V. Wharves.*—No flat or boat shall lie at or alongside the Inland Vessels Wharves, that is to say, at or alongside any wharf notified under the provisions of the Calcutta Port Act, 1890 (Bengal Act III of 1890), for the receiving, landing or shipment of goods out of, or into, any vessel, not going a sea-going vessel, except when such flat or boat is so landing or shipping goods.

90. *Fishing boats.*—Fishing boats shall observe all the rules applicable to boats: Provided that between day-break and dark no fishing boats may be moored in the navigable channel between the south end of Uluberia Reach and Fultah Point.

91. *Exhibition of lights.*—Every boat whether at anchor or under way shall between dark and daybreak exhibit at a height of at least 6 feet above the deck a white light in a weather proof lantern so constructed as to give an uniform and unbroken light of sufficient power to be visible all round the horizon at a distance of at least 1 mile.

92. Every dumb barge, lighter or flat in tow of a sea-going vessel in the port—

(a) shall, if in tow alongside, exhibit in a properly constructed lantern on the outer edge of the vessel and at a height of not less than 3 feet above any obstruction on deck, a white light, clear, uniform and unbroken, which shall be visible all round the horizon at a distance of at least two miles;

(b) shall, if in tow astern exhibit a similar white light at the after end at a height of not less than 6 feet above the deck.

93. *Fire-places.*—No fire shall be lighted in a flat or boat except in a properly constructed iron caboose or fire-place which shall be kept on deck or in such other part of the flat or boat as the Commissioners' Boat Surveyor may direct.

94. *Lost property.*—When property belonging to any passenger is left in a boat it shall at once be sent by the person in charge of the boat to the Deputy Commissioner, Port Police.

95. *Reporting accidents.*—Whenever any accident occurs to a flat or boat, the owner, agent or person in charge of such flat or boat shall at once proceed to the nearest Port Police Station and report to the Officer in Charge, the circumstances connected with the accident.

96. *Owner or Manjhi's responsibilities.*—Without affecting his other responsibilities under these rules, the owner or the person in charge of any boat shall, in particular, be responsible—

(a) that the boat is provided with the number of crew required by these rules;
(b) that the boat is kept thoroughly clean;
(c) that the registered number is kept clearly painted on both sides in the manner prescribed by these rules;
(d) that valid licenses are carried both for the boat and the manjhi;
(e) that the gear and tackle specified in the license are provided and maintained in good working order;
(f) that load line is clearly marked and at no time submerged;
(g) that the boat, if carrying passengers does not contain any person in excess of the number for which it is licensed;
(h) that the boat is at all times moved so as to keep a free navigable channel for sea-going vessels.

97. *Revocation of license.*—A license granted to any flat or boat may be revoked—

(a) whenever the flat or boat is in the opinion of the Commissioners unfit for the purpose for which it is licensed;
(b) whenever any breach of the conditions of the license or of these rules has been committed by the owner or his agent or by the manjhi in charge of the flat or boat;
(c) whenever the Commissioners may think fit.

PART V.—RULES FOR VESSELS CARRYING PETROLEUM.

Petroleum.

98. *Definitions.*—In this part unless there is anything repugnant in the subject or context:—

"petroleum" means any liquid hydrocarbon or mixture of hydrocarbons, and any inflammable mixture (liquid, viscous or solid) containing any liquid hydrocarbon;

"dangerous petroleum" means petroleum having its flashing-point below 76°F.;

"heavy petroleum" means petroleum which has its flashing-point not below 150°F.;

"petroleum in bulk" means petroleum contained in a receptacle exceeding two hundred gallons in capacity;

"non-dangerous petroleum" means petroleum having its flashing-point below 150°F. but not below 76°F.;

"excluded petroleum" means petroleum having its flashing-point not below 200°F. to which these rules do not apply;

"flashing-point" of any petroleum means the lowest temperature at which it yields a vapour which will give a momentary flash when ignited, determined in accordance with the provisions of Chapter II of the Petroleum Act, 1934 (XXX of 1934) and the rules made thereunder;

"gas-free certificate" means a certificate granted by an officer appointed by the Central Government in this behalf to the effect that a vessel has been thoroughly cleaned and freed from petroleum and inflammable vapour;

"petroleum vessel" means a vessel carrying more than 500 gallons of dangerous or non-dangerous petroleum;

"bulk oil vessel" means a petroleum vessel with petroleum in bulk;

"case oil vessel" means a petroleum vessel with petroleum in cases, casks, drums or other receptacles;

"discharged vessel" means a petroleum vessel which has completed the discharge of her petroleum;

"to transport" means to move petroleum from one place to another within the port.

99. *Regulation of petroleum vessels.*—No petroleum vessel shall proceed above the anchorage

at Diamond Harbour until she has been allotted a berth in the Port of Calcutta.

100. *Restriction on movement.*—No petroleum vessel shall proceed above Budge Budge with—

(a) dangerous petroleum;

(b) non-dangerous petroleum which is not intended for discharge at the petroleum berth in King George's Dock; or

(c) heavy petroleum which is not intended for discharge at the petroleum berths at Kidderpore Docks or King George's Dock:

Provided that this rule shall not apply to—

(i) a recognised wagon ferry;

(ii) a vessel licensed under rule 113 following a route approved by the Deputy Conservator;

(iii) a vessel carrying heavy petroleum as fuel;

(iv) a vessel carrying in double bottoms or deep tanks heavy petroleum which is not being imported;

(v) a vessel carrying petroleum with a flashing-point not less than 150° F. for bunkering ships in the Port of Calcutta;

(vi) a vessel proceeding into dry dock in accordance with rule 118.

101. *Attendance of tug.*—No petroleum vessel with non-dangerous petroleum and no discharged vessel without a gas-free certificate for all tanks shall be transported between Garden Reach and King George's Docks unless she has a tug in attendance.

102. *Discharge of petroleum in bulk.*—Petroleum vessels shall discharge petroleum in bulk direct into tanks at the Petroleum Depot, Budge Budge, on behalf of importers who have installations at Budge Budge, or non-dangerous petroleum or heavy petroleum in bulk at the Petroleum Berth, King George's Dock, on behalf of importers who have installations at King George's Dock or heavy petroleum in bulk at the Petroleum Berth, Kidderpore Docks, on behalf of importers who have installations at Kidderpore Docks.

103. *Discharge of case oil vessels.*—Every case oil vessel shall discharge her petroleum at Budge Budge, but no such vessel shall begin her discharge until the Deputy Conservator is satisfied that—

(a) the Collector of Customs has permitted her petroleum to be landed;

(b) proper arrangements have been made for the disposal of leaky casks, drums or other receptacles;

(c) the receptacles satisfy the requirements of rule 17(2) of the Petroleum Rules, 1937.

104. No case oil vessel shall discharge under the foregoing rule any petroleum into lighters unless such lighters can be cleared and unloaded into a storage shed at Budge Budge between sunrise and sunset.

105. *Inadequate facilities for discharge.*—If the Collector of Customs at any time declare that the accommodation for the discharge of petroleum by any petroleum vessel is unsuitable, the Deputy Conservator may direct that the vessel be removed to Diamond Harbour or elsewhere within the port.

106. *Discharging under own steam.*—No petroleum vessel shall without the permission in writing of the Deputy Conservator, discharge dangerous or non-dangerous petroleum in bulk with steam generated in her own boilers.

107. *Petroleum in small quantity.*—A vessel, carrying otherwise than in bulk a quantity of petroleum not exceeding 500 gallons, may land it at the Docks or Jetties or discharge it overside into boats or lighters under the following conditions:—

(a) that dangerous petroleum is covered by an import license granted under the Petroleum Rules, 1937;

(b) that each consignee who imports dangerous petroleum in quantity exceeding 60 gallons produces a certificate of storage accommodation in Form C of the Petroleum Rules, 1937, signed by him or his agent; and

Discharge forbidden at certain ghats.—(c) that the petroleum is not unloaded from boats or lighters at the following ghats, namely:—

(i) on the Howrah side-Bechali Ghat, north of Cowie's Ghat Spur, or

(ii) on the Calcutta side-Juggernath Ghat, Sahib Bazar Ghat, Ruthtolla Ghat or Bagbazar Ghat.

108. *Cleaning.*—Every discharged vessel shall, unless she is proceeding direct to sea move, without delay to appointed moorings at which she shall, subject to any direction of the Harbour Master, remain until she is cleaned and freed from petroleum and inflammable vapour: Provided that the Harbour Master may, if he is satisfied that due precautions have been taken to prevent the discharge of oil, oily water or refuse on to a wharf or into a dock or stream, permit her to perform her cleaning operations alongside the berth at which she has discharged.

109. *Precautions in King George's Dock.*—Every vessel discharging non-dangerous petroleum in King George's Dock shall carry at each end a 4-inch wire pendant fitted at either end with an eye. The inboard end of the wire shall be placed on the nearest available bitts and the outboard end shall hang within reach of the water. The length of each pendant shall be 15 fathoms and the bight shall be lightly stopped to the rails.

110. *Bunkering with petroleum.*—No vessel shall bunker with petroleum from any boat or barge between sunset and sunrise. Between sunrise and sunset bunkering of vessels with petroleum from any boat or barge will be permitted—

(a, at moorings in the stream,

(b) at the jetties, and

(c) in the Docks, if the Dock Master is satisfied that the flashing point of the petroleum is not below 150° F.

111. *Precautions during bunkering.*—Every vessel loading petroleum for bunkers shall observe the following conditions:—

(a) The Master or 1st Mate of the vessel shall be on board and shall be responsible for ensuring that bunkering rules are observed and that all reasonable precautions for safety are taken;

(b) An officer of the vessel shall be on watch and an attendant shall be stationed at the flexible connecting pipe;

(c) No smoking, cooking, naked lights or forges shall be allowed within 100 feet of the flexible and inlet pipes;

(d) a suitable gutter or other contrivance shall be placed under the connecting pipe to prevent any petroleum dripping into the river or dock;

(e) An attendant shall always be on duty at the pump of the vessel supplying the fuel.

112. *Craft not allowed alongside.*—No inland steam-vessel or small craft shall approach within 100 feet of—

(i) a petroleum vessel bunkering or discharging in bulk;

(ii) a discharged vessel until all her openings are closed.

113. *Certification of boats or barges.*—No boat or barge shall transport petroleum in bulk within the port unless she has been licensed by the Commissioner's Boat Surveyor and also licensed by the appropriate authority in accordance with the Petroleum Rules, 1937: Provided that this rule shall not apply to a recognised wagon ferry.

114. *Restriction on night work.*—No vessel shall load, discharge or transport dangerous petroleum within the Port of Calcutta between sunset and sunrise; Provided that this rule shall not apply to bulk oil vessels discharging at Budge Budge in accordance with the provisions of the Petroleum Rules, 1937.

115. *Transhipment of heavy petroleum.*—Any vessel may, with the consent in writing of the Harbour Master, tranship to any other vessel heavy petroleum in bulk.

116. *Cleaning of boats or barges.*—No boat or barge used for the carriage of petroleum shall pump out bilges—

(a) in the docks,
(b) alongside any tug or bulk oil vessel.

117. *Restrictions on straw boats.*—No fires or smoking or naked lights shall be permitted on any vessel carrying straw within 500 feet of the high water line of the Budge Budge Petroleum Depot.

118. *Gas-free certificate for entry into dry dock.*—No bulk oil vessel shall enter a dry dock or effect any repairs therein unless she has first produced a gas-free certificate. Such certificate shall be exhibited at the gangway of the vessel.

Provided that a bulk oil vessel which since the date of her last gas-free certificate has not carried petroleum with a flashing point below 150° F. may, without producing such a certificate, enter a dry dock for the purpose of hull painting and examination only.

119. Every bulk oil vessel entering the port with a gas-free certificate shall, before carrying out repairs involving the use of naked lights in any compartment, obtain a further certificate for that compartment.

120. Every vessel in the port which uses oil fuel shall, before carrying out any repairs in the bunkers, obtain a gas-free certificate.

121. *Officers on board.*—During the time that any petroleum vessel is in port, a responsible Dock Officer and Engineer Officer shall be on board to carry out and give effect to the provisions of these rules.

During the time that a petroleum vessel is loading or discharging, or preparing to load or discharge petroleum, the Master or First Mate and the Chief or Second Engineer shall be on board and shall see that every precaution is taken to ensure the safety of the vessel and her cargo and in particular that the boilers and machinery are maintained in working order so that the vessel may be moved without delay if so required by the Harbour Master.

WAR TRANSPORT DEPARTMENT.

New Delhi, the 2nd December 1943.

No. LV-7 (1)/43.—In exercise of the powers conferred by sub-rule (2) of rule 81 of the Defence of India Rules, the Central Government is pleased to direct that the following further amendments shall be made in the Lease/Lend Vehicles Control Order, 1943, namely:—

In the said Order,—

(1) For sub-clause (b) of clause 2, the following sub-clause shall be substituted:—

"(b) 'dealer' means any person whose name is for the time being specified in the First Schedule to this Order;"

(2) For clause 3, the following clause shall be substituted:—

"3. A Provincial Motor Transport Controller may by notification in the official Gazette declare any person to be a sub-dealer for the purposes of this Order within such area as may be specified in the notification."

(3) After clause 14, the following clause shall be inserted:—

"15. If in the opinion of the Central Government, any dealer has:—

(a) contravened any of the provisions of this Order, or of the Motor Vehicle Spare Parts Control Order, 1943; or

(b) made any false declaration or statement in relation to any transaction in respect of a Lease/Lend vehicle or controlled spare parts; or

(c) committed a breach of the terms of any contract with the Central Government or a Provincial Government relating to the operation or maintenance of transport vehicles; or

(d) been declared an insolvent; or

(e) otherwise shown himself unfit to continue as a dealer under the provisions of this Order, the Central Government may, without prejudice to any other action that may be taken against such dealer, direct the removal of his name from the First Schedule to this Order; and a Provincial Motor Transport Controller may for like reasons cancel any notification declaring any person to be a sub-dealer; whereupon such person shall cease to be a dealer or, as the case may be, sub-dealer for the purposes of this Order."

CENTRAL ELECTRICITY BOARD.

New Delhi, the 30th November 1943.

No. A.-803.—In exercise of the powers conferred by section 37 of the Indian Electricity Act, 1910 (IX of 1910), the Central Electricity Board directs that the following further amendments shall be made in the Indian Electricity Rules, 1937, the same having been previously published as required by sub-section (*1*) of section 38 of the said Act, namely:—

In the said rules—

I. To clause (*d*) of sub-rule (*1*) of rule 60 the following proviso shall be added, namely:—

"Provided that this clause shall not apply in the case of transformers, motors and other apparatus where these are controlled by remotely operated switchgear and where suitable arrangements are made for preventing the remote switch from being closed while men are working on the transformer, motor or other apparatus controlled by the switch, or in cases where compliance with this clause would render inoperative the provisions of sub-rules (*2*) and (*3*) of rule 62."

II. In rule 62, sub-rules (*3*) and (*4*) shall be renumbered as sub-rules (*4*) and (*5*), respectively, and for sub-rule (*2*) the following sub-rules shall be substituted, namely:—

"(2) A consumer supplied with energy at high pressure shall provide and maintain a locked weather-proof and fire-proof enclosure of agreed design and location for the purpose of housing the licensee's terminal high pressure apparatus and metering equipment. This enclosure should preferably be in a separate building to the consumer's sub-station or installation but where this is not feasible, the licensee's terminal high pressure apparatus and metering equipment shall be completely segregated from any other part of consumer's apparatus by fire-proof walls. The licensee shall, at all times, have access to the enclosure for the purpose of inspecting his apparatus:

Provided that in case of disagreement between the licensee and consumer in regard to the design and the location of the enclosure either party may appeal to the Inspector:

Provided further that installations connected to the licensee's high pressure supply before the 4th December 1943 and not fulfilling the conditions of the sub-rule, need not comply therewith before the 4th December 1944.

(3) Where a consumer proposes to use energy at high pressure, he shall not bring the installation into use except with the approval, in writing, of the Inspector, and such approval shall not be given until the following conditions have been complied with, namely:—

(*a*) every oil-filled switch or switch board, or static condenser or transformer having an oil capacity exceeding 50 gallons shall be segregated from all other apparatus by suitable fire-proof walls, and suitable oil drains and soak pits shall be provided so as to prevent the spread of oiled fires from any part to any other part of the installation; and

(*b*) cable trenches inside sub-stations and containing cables shall be filled with sand, pebbles or similar non-inflammable materials or covered with non-inflammable slabs; and

(*c*) such other conditions (if any) as the Inspector may think fit to impose:

Provided that installations brought into use before the 4th December 1943 and not fulfilling the conditions of this sub-rule, need not comply therewith before the 4th December 1944."

III. In sub-rule (*1*) of rule 118 after the figures "61", the figures and brackets "62(2), 62(3)", shall be inserted.

IV. In rule 119 for the figures and word "48 and 60", the figures and word "48, 60 and 62" shall be substituted.

PART VI—Bills introduced in the Council of State and Legislative Assembly, Reports of Select Committees presented to the Council and Assembly and Bills published under Rule 18 of the Indian Legislative Rules.

GOVERNMENT OF INDIA.

Legislative Assembly Department.

L. A. BILL No. 35 OF 1943.

A Bill further to amend the Indian Tea Control Act, 1938.

WHEREAS it is expedient further to amend the Indian Tea Control Act, 1938 (VIII of 1938), for the purposes hereinafter appearing:—

It is hereby enacted as follows:—

1. *Short title.*—This Act may be called the Indian Tea Control (Second Amendment) Act, 1943.

2. *Amendment of section 11, Act VIII of 1938.*—In section 11 of the Indian Tea Control Act, 1938 (VIII of 1938) (hereinafter referred to as the said Act), for clause (*d*), the following clause shall be substituted, namely:—

"(*d*) exported with the previous sanction of the Central Government, within the limits prescribed in this behalf, by a Red Cross Society or by any organisation for providing amenities for troops overseas".

3. *Amendment of section 17, Act VIII of 1938.*—In section 17 of the said Act, in sub-section (*5*), after the words "the Committee may" the words "with the general or special previous sanction of the Central Government refuse to issue a special export licence or" shall be inserted.

4. *Amendment of section 29, Act VIII of 1938.*—In sub-section (*1*) of section 29 of the said Act, for the words and figures "Where any land which was on the 31st day of March, 1943, planted with tea", the following shall be substituted, namely:—

"Where any land which was at the 31st day of March, 1933, planted with tea (including land planted with tea at the 31st day of March, 1931, from which the original bushes had been uprooted and which had not been replanted with tea at the said 31st day of March, 1933), or where any land

planted with tea after the 31st day of March, 1933—".

5. *Amendment of section 33, Act VIII of 1938.*—In section 33 of the said Act, after the words "A breach of the provision of" the words, brackets and figures "sub-section (*4*) of section 12 or" shall be inserted.

STATEMENT OF OBJECTS AND REASONS.

Certain defects in the wording of the Indian Tea Control Act, 1938, as amended by the Indian Tea Control (Amendment) Act, 1943, have come to light during the application of the amended Act. Sub-section (*1*) of section 29 of the Act as it now stands requires that in order to qualify for the benefits contemplated by that sub-section, the land in question should have been planted with tea on the 31st March, 1943, whereas the intention was that the benefit should extend to all tea areas in existence on the 31st March, 1933 or planted thereafter. It is proposed to amend sub-section (*1*) of section 29 to give effect to the original intention. The consent of the Governors of all Provinces has been obtained to the proposed amendment of sub-section (*1*) of section 29, as this relates to the provincial subject of Agriculture.

2. Advantage is also being taken of this occasion to amend clause (*d*) of section 11 of the Act to exempt from the requirements of export licences, small gift parcels of tea sent for troops overseas under the auspices of the Directorate of Welfare and Amenities and also to provide for powers by which the Central Government can authorise the Indian Tea Licensing Committee to refuse the grant of special export licences by amending sub-section (*5*) of section 17.

Mymensingh, the 15th December 1943.

Auditors' Report upon the Accounts of the Calcutta Corporation for the year 1937-38 together with the Replies of the Corporation, the Audit Rejoinders, further replies of the Corporation and Final orders of Government.

Auditors' Report.	Replies of the Departmental replies and Chief Accountant's remarks.
SECTION I—INTRODUCTORY.	
The accounts of the Corporation of Calcutta for the year 1937-38 have been examined and test audited.	PARA 1.—No remarks.
2. The more important points arising out of audit are incorporated in this report which is due to be published under section 123A of the Calcutta Municipal Act. A Test Audit Note embodying the less important irregularities is being sent to the Chief Executive Officer for disposal.	PARA 2.—No remarks.
Previous Reports.	
3. Replies of the Corporation were received on all previous Audit Reports. Replies have not yet been furnished to any of the Test Audit Notes for the years 1934-35, 1935-36 and 1936-37.	PARA 3.—The Chief Accountant reports :— The Test Audit Notes for 1934-35 and 1935-36 are being dealt with by the Chief Executive Officer. The Test Audit Note for 1936-37 is being dealt with by the Accounts Department.

Corporation.

Chief Executive Officer's remarks.	Resolutions of the Corporation.	Audit Rejoinder together with further replies of the Corporation.	Final orders of Government.
	The Audit Report for the year 1937-38 was considered by the Finance Standing Committee on 26th and 29th August, 1939 and by the Corporation on 13th September, 1939 when they passed the following resolutions :— That the departmental explanations furnished in connection with the points raised in the different paragraphs of the Audit Report for 1937-38 be accepted, subject to the following directions and remarks : *These directions and remarks have been shown against the paragraphs concerned.* The further comments of the Accountant-General, Bengal, and the Examiner of Local Accounts Bengal, as per their Letter No. LA. 2000 dated the 29th November, 1939 to the Secretary to the Government of Bengal, Department of Public Health and Local Self Government, were considered by the Finance Standing Committee on 16th July, 1940, 30th July, 1940 and 8th August, 1940, when they recommended as follows :— (1) That the departmental replies noted against the Auditor's remarks regarding the relevant paragraphs of the Audit Report for the year 1937-38 be accepted with the following observations :— *The departmental replies and the observations of the Finance Committee have been shown against the respective paragraphs. The concluding portion of the Chief Accountant's report regarding these further remarks has been shown at page 56.* (2) That the attention of the Government be drawn to the fact that Rule 6 of the rules regarding audit of accounts to the Calcutta Corporation has not been complied with by the Auditors in as much as before making a reference to the Local Government under this Rule they have not given the Corporation an opportunity to offer further explanation, if any, on the points on which there was a difference of opinion. *The above observations were confirmed by Corporation on 21st August, 1940.*		*Letter No. 671-M dated Calcutta the 23rd April, 1941, from T. I. M. Nurannabi Chaudhuri, Esq., I.C.S., Secretary, to the Government of Bengal, Department of Public Health and Local Self-Government to the Secretary, Calcutta Corporation.* I am directed to refer to the correspondence ending with your letter No. S. 2887 dated the 25th, 26th September, 1940, regarding the report on the audit of the accounts of the Calcutta Corporation for the year 1937-38. 2. I am to say that Government have carefully considered the Audit Report together with the explanation submitted by the Corporation and I am to communicate the following observations and orders of Government in the matter :— [*The observations and orders of Government have been shown against the relevant paragraphs.*] 3. I am to request that the Audit Report together with the replies of the Corporation, the audit rejoinder and the final orders of Government may now be published as required by Rule 7 of the rules regarding the audit of the accounts of the Calcutta Corporation, issued under Government Notification No. 2986-M dated the 10th May, 1935 as subsequently amended.
		Accountant-General, Bengal, and Examiner of Local Accounts, Bengal's Letter No. LA 2000 dated 29th November, 1939. PARA—3. Replies to the Test Audit Notes for the years 1934-35 and 1935-36 were received on the 3rd and 4th November, 1939, respectively. Those for the years 1936-37 and 1937-38, have not yet been received. Such abnormal delays in the disposal of the objections are not desirable. It seems necessary to fix a suitable date by which the replies to the Test Audit Note may be furnished annually by the Chief Executive Officer. *The Chief Accountant reports—* This relates to the previous reports of the Auditors. The Test Audit Notes for 1936-37 and 1937-38 with departmental replies and my remarks are being separately submitted to the Chief Executive Officer through 1st Deputy Executive Officer. The remarks of the Chief Executive Officer will be communicated to the auditors as early as possible. The objections in the Test Audit Notes have all along been characterised by the Auditors themselves in their successive reports as "*less important irregularities*" and are dealt with finally by the Chief Executive Officer in addition to the Audit Reports and other objections of the auditors that are placed before the Committees and the Corporation. Every endeavour is always made to dispose of these Test Audit Notes as early as possible. But as we have frequently to attend to innumerable and diverse kinds of queries, reports or requisitions of the Government Auditors, marked by them as "urgent" "very urgent" or the like or to matters that have to be finished within fixed dates

Para 7.—No remarks except for the last paragraph—the morning collection of 1st April. The question has many times been dealt with in our replies to the previous Audit Reports. My reply to the further remarks of the Joint Auditors on para 8(b) of the Audit Report for 1936-37 is quoted below for ready reference.

"This relates to the method of accounting for the sums realised by various officers of the Corporation on or before 31st March of a financial year and deposited in the Treasury on the first working day of the following year. These sums are remitted to the Bank in one lot with other collections lodged in the previous year, on the first

Chief Executive Officer's remarks	Resolutions of the Corporation.		
		under the Act, we are forced to leave the unimportant ones for spare time work. This accounts for the delay in the disposal of the Test Audit Notes I am afraid, it cannot be possible to keep to time-programmes in every matter concerning the Government Auditors. *Recommendation of the Finance Committee as confirmed by the Corporation on 21st August 1940* That the Committee are of opinion that unless the schedule of time programme for disposal of Audit Reports, drawn up in 1933, is altered to conform to the needs of the existing situation, a definite date as asked for cannot be laid down; they however, direct the department to dispose of the Test Audit Notes with the least possible delay *Accountant General, Bengal, and Examiner of Local Accounts Bengal's Letter No. L.A.2000 dated 29th November, 1939.* PARAS—4 to 6 No remarks. *The Chief Accountant reports* No remarks.	
PARA 7—It seems that the Auditors will not see reason. Our practice is quite sound and should be adhered to	PARA 7 That the Corporation reiterates their previous resolution in connection with para 8 (b) of the Audit Report for 1936-37, which runs as follows :— That Government be informed that the system followed by the Corporation is the only proper way and the suggestion of the Auditors is wrong and that Government be therefore requested to reconsider their decision	*Accountant-General, Bengal, and Examiner of Local Accounts Bengal's letter No. L.A., 2000 dated 29th November, 1939.* PARA 7.—The order passed by Government in this matter is final under Section 123 of the Act and the Corporation should give effect to the said order so long as it is not rescinded. *The Chief Accountant reports* This relates to the method of accounting for the sums realised by various officers of	(1) PARA 7.—Cash in hand (with the Treasurer). The attention of the Corporation is invited to paragraph 2(3) of the Government Order No. 19 F.M., dated the 27th April, 1940, in which it has already been directed that the Collections up to the evening of the 31st March of any year should be remitted to the Corporation Treasury on the same

(b) Short credits, being—			working day of the following year, i.e., exactly when the collections of 31st March become due for remittance to the Bank. As a long standing practice, these amounts are shown in our accounts as collections of the previous year. The Auditors want us to take these to the accounts of the following year We have repeatedly pointed out that the procedure suggested by the present auditors is wrong and cannot be accepted. One should have thought that this attempt to send all the collections in the hands of the officers of the Corporation on the 31st March to the Bank on the next working day would have been praised but the attitude taken up by the auditors is quite the contrary. What the auditors want is wrong and the practice which has been in vogue for decades is right.

The inclusion of the collection of the 1st April in the cash book of the Corporation for the 31st March preceding as at (a) above was pointed out in previous audit reports and Government ordered on the 6th October, 1936 that if it was desired to report such collection, this should be done by a note attached to the accounts. These orders have not been given effect to in the accounts for the year 1937-38.			The question was fully dealt with in our replies to the further remarks of the Auditors on the replies of the Corporation to the Audit Report for 1934-35 and previous years. Further decision of Government in the matter is awaited."

Cash in Bank (Imperial Bank Current Account)

8. Against the sum of Rs. 4,39,953 1-11 shown in the cash book as being "In Bank" the balance actually in the Imperial Bank of India at the credit of the Municipal Fund on the 31st March, 1938 amounted to Rs 9,29,190-3-9 The difference of Rs. 4,89,237-1-10 is explained below :—

Dishonoured Cheques.

9 Out of the dishonoured cheques outstanding on 31st March, 1938, 42 cheques amounting to Rs 9,902 15 6 were outstanding on 31st October, 1938. Out of these, the 4 cheques mentioned in the margin were outstanding for over 12 years. Of these again, items 1, 2 and 4 and one other cheque dated 29th July, 1928 for Rs. 90 were stated by the Chief Law Officer to have been cancelled by the Law Department Special Committee in 1936. A suit filed for item 3 was dismissed. It is not clear why further action was not taken for their writing off by the Corporation and elimination from the list of outstanding cheques.

		the Corporation on or before 31st March, of a financial year and deposited in the Treasury on the first working day of the following year. In our replies to the previous reports of the Government Auditors, we have repeatedly pointed out that the procedure suggested by the Auditors is wrong and cannot be accepted. The Corporation on 15th September, 1939 resolved that Government be informed that the system followed by the Corporation is the only proper way and the suggestion of the Auditors is wrong and that Government be requested to reconsider their decision. It appears from the remarks of the Auditor now under consideration that they have no objection to such a modification being made by Government. The Auditors however want that we should act up according to their suggestion so long as the order previously passed by Government is not rescinded. This, I think, can never be a desirable course in view of the fact that the matter is already engaging the attention of Government and because the procedure suggested by the auditors is wrong	day and that the morning Collections on the 1st April, should be accounted as Collections of arrear rates of the previous year.

ADVANCES.	
10. (a) The amount of advances outstanding on 31st March, 1938 was Rs. 26,87,422 against Rs. 15,43,327 on 31st March, 1937. Out of the increase of about Rs. 11 lakhs, about 6·52 lakhs were due to advances paid to the Land Acquisition Collector and about Rs 4 lakhs to advances given for Drainage works.	PARA 10 (a).—The Chief Accountant reports :— The outstanding balance has since come down to Rs. 20,92,400 and steps have been taken for further reduction of the amount. These advances are mostly payment for work done or goods purchased or land acquired or the like. There is very little recoverable advance included in the total.
(b) Advances amounting to Rs 18,528-9-11 were outstanding against the Executive Engineer, Water Works for temporary connections Out of this, Rs 9,538-7-8 was advanced during the period from the year 1920 21 to 1930 31 and Rs. 6,578-12-2 during the years 1931-32 to 1934 35. It is understood that the officer had submitted accounts for advances paid up to 1930 31 which, however, had to be returned for further information.	PARA 10 (b).—The Executive Engineer, Water Works reports :— Regarding unadjusted advances for temporary connections, I should like to state that the amounts shown in the Audit Report comprises a number of small amounts, being the values of stores issued in making a large number of temporary connections from time to time and strictly speaking, they are not advances in real sense of the term as no cash money was ever advanced to the Executive Engineer, Water Works, on this score. The values of stores issued for each connection, were adjusted by debit to this account with the orders of the Chief Executive Officer pending final disposal of the cases whether they were to be removed or permanently retained. It will not be out of place to mention here that these temporary conenctions are generally effected on the requisition of the Health Officer. A statement of such account was previously submitted by me for adjustment of some of the old outstandings but that was returned to me for some further informations. I am however submitting shortly my proposal with a comprehensive statement of the advances referred to in the audit report for getting them adjusted, after obtaining necessary orders
(c) Want of action for the recovery of some items of expenditure incurred on works the cost of which was recoverable from others having been reported in paragraph 10 (d) of the Audit Report for 1936 37, the Corporation have recently called for a detailed statement showing the list of unadjusted items up to 31st March, 1937 relating to such works with short particulars The final action for adjustment or recovery is awaited The total outstanding on the 31st March, 1938, amounted to Rs 1,18,803.	PARA 10 (c).—The Chief Accountant reports :— A detailed statement of outstanding items was prepared by me and submitted to the Chief Executive Officer The Heads of departments were asked by the Chief Executive Officer to send their reports to me early The reports received are being dealt with by the Accounts Department. Adjustments have been made in some cases under orders of the Chief Executive Officer, certain other cases will be placed before the appropriate Committee A revised outstanding list as per the directions of the Corporation will be submitted to the Chief Executive Officer as soon as the above mentioned departmental reports and proposals for adjustment of the outstandings are disposed of.
(d) Adjustment of Rs. 1,59,448-9-8 advanced on different dates for cost of steel sheet piling, trench cutting, etc., previous to 1929 30 and Rs 15 000 advanced during 1932 33 was stated to be pending disposal of a suit filed by Messrs Bando & Co., Ltd An advance of Rs 50,000 to Nadia Engineering & Co, was also stated to be pending disposal of a suit filed by them	PARAS 10 (d e).—The Chief Accountant reports — Advance of Rs. 50 000 to Nadia Engineering Co. has since been adjusted as per J V 143/6 of 1938 39 The final bill of Indo Swiss Trading Co Ltd has not yet been received The other advances are still lying unadjusted as the suit is pending
(e) Advances amounting to Rs 2,71,500 made since 1931 32 to Messrs Indo Swiss Trading Co, Ltd., on account of Water Works Extension Contract No 27 would be adjusted, it is understood, at the time of passing of the final bills	
(f) Details of some other noticeable advances (some outstanding for over 5 years) are given in Annexure A attached.	PARA 10 (f).—The Chief Accountant reports :— The cases cited in Annexure A are dealt with below :— Serial No. 1— Controller of Stores—2-6-31—Rs. 24-10-0 The Controller of Stores reports :— The sum of Rs. 24-10-0 is the half-yearly rent of the coal depot at Bhadreswarghat Railway Siding taken by us on lease from E. I. Railway and has been retained as security deposit by the Railway authorities according to the rules for their depot holders. As the lease of the said depot is continuing since June 1931 this sum has been retained by them. Serial No. 2— U. N. Misra—10 10-31—Rs. 7,000 Do. do.—11-4-32—Rs. 4,000 These sums have since been adjusted. The Chief Law Officer gave his opinion that the claim was not barred. The Finance Committee at their meeting dated 28th March, 1939 ordered that the opinion of the Chief Law Officer be recorded. Serial No. 3— District Magistrate, 24-Parganas—9-11-31—Rs 251. The Chief Law Officer reports :— I have written to the Magistrate about the matter.

STORES. *Result of Verification.* 11. Out of stores valued at Rs. 10,23,791-7-1 shown in the accounts as in stock on the 31st March, 1938, Rs. 70,779-9-3 represented the value of surplus pipes purchased in 1931 from Messrs. Berrurk and Comens & Co., which had not been made over to the Controller of Stores or verified. Issues of stores valued at Rs. 2,40,617-0-2 remained unadjusted at the end of the year. These included articles valued at Rs. 1,475-3-1 and Rs. 1,343-15-1 issued in 1933-34 and 1934-35 respectively.	PARA 11. The Chief Accountant reports :— It appears from a note dated 20th January, 1939 of the Controller of Stores that some of the surplus pipes are now being laid in Narkeldanga Main Road and the surplus will be delivered to Baghbazar Stores on completion of the work now in hand. Necessary adjustment by the Controller of Stores will be made as usual after their delivery to Controller of Stores and thereafter Stock verification will be done in the usual way. The balance of Rs. 2,40,617-0-2 was reduced to Rs. 37,633-2-5 on 16th February, 1939. The unadjusted bills for 1933-34 and 1934-35 amounted to Rs. 580-0-2 and Rs. 510-1-2 respectively on that day
Amount of stamp duty wrongly debited to Loan Account. 12. The cost of stamp duty amounting to Rs. 13,591 for raising loans was charged to the Loan Account of 1937-38 without the specific sanction of Government. Objection having been taken to a similar charge in paragraph 36 of the Audit Report for 1933-34, Government ordered that the amount should be refunded to the Loan Account. The Corporation have since moved Government for a revision of the order. If the orders already passed are not modified by Government, steps should be taken for the write back of the sum of Rs. 13,591 referred to above from the loan account.	PARA 12.—The Chief Accountant reports :— This matter has been dealt with threadbare in connection with the previous reports of the Auditors. Our contention is that the procedure of accounting which has been made applicable in the case of the Calcutta Port Trust should also apply to the Calcutta Corporation. It is hoped that Government will see the reasonableness of this contention and modify their orders. *It appears from the concluding sentence of the Auditors' remarks in this paragraph, that they have no objection to such a modification being made by Government.*

Adjustment of old deposits.	
13. Outstanding deposits do not appear to have been regularly scrutinised to ascertain the reasons for their non-adjustment and some of them had to be adjusted after several years without any details by mere credit to the Budget Item 22 (n) Miscellaneous Receipts—Vide Instances below :—	PARA 13.—The Chief Accountant reports :—
(i) Rs. 1,757-5-9 (out of Rs. 1,785-13-9) and Rs. 2,097-10-9 deposited by the Telephone Corporation and Calcutta Tramway Co. Ltd., on 26th August, 1927 and 26th April, 1929 respectively for the restoration of asphaltum pavement in certain roads were adjusted by credit to Budget Item 22 (n)—Miscellaneous Receipts—for want of papers. Action should have been taken in time to adjust these outstanding deposits against the cost actually incurred for these restoration works so that it might have been possible to ascertain whether any further sum was due to be realised from or any balance refundable to the parties.	(i) & (ii) -In the usual course, i.e., by lapse of time these deposits came to be adjusted by transfer to B. I. No. 22 (n) Miscellaneous Receipts.
(ii) Two sums of Rs. 5,110-4-6 and Rs. 4,261-13-6 deposited by the Executive Engineer, Water Works Department on sundry dates from 3rd July, 1926 to 22nd December, 1933 for restoration of Indian Patent Stone and Brick-on edge pavements, lying at credit of Deposit Miscellaneous Account so long, were transferred to Lapsed Deposit Account by credit to Budget Item 22 (n) "Miscellaneous Receipts" (*vide* Journal Voucher Nos. 281/12 and 282/12 of March, 1938).	
A few items were scrutinised and it was found that out of the deposits of Rs. 4 and Rs. 10 on the 2nd July, 1929 works to the value of Rs. 3-1-3 and Rs. 7-2-0 respectively were done on behalf of the parties and the balances of As. 0-14-9 and Rs. 2-14-0 refunded to them *vide* Cash Voucher Nos. 12713 and 12712 dated September, 1935. Similarly Rs. 4 deposited on 12th April, 1933 was refunded to the party in full *vide* Cash Voucher No. 13267 dated September, 1935. Clearly the expenditure on works and the refunds made which should have been met out of the respective deposits were wrongly accounted for at the time these were incurred. Although no rectification of the mistake need now be made, the entry of these items in the Lapsed Deposit Register is clearly wrong and may lead to refunds which are not due. It may be considered by the Corporation whether the items now transferred to the lapsed deposit register should not be scrutinised in each case to see whether any refunds are actually due.	(iii) The items have been scrutinised as far as possible and no refund appears to be due. If so decided, these may be omitted from the Lapsed Deposit Register.
"Register of cash received" not available.	
14. A sum of Rs. 438-9-6 stated to have been deposited on 20th May, 1927 by Mr. Trailakya Nath Mookerjee was refunded to him as per Cash Voucher No. 16050 dated 24th September, 1937 on the certificate of the Accounts Department of its non-payment. As the "Register of Cash received" for the year 1927 was stated to have been destroyed in May 1938 and as further the receipt granted to the party in 1927 could not be furnished, this refund could not be subjected to any audit check If the admissibility of the refund was certified to on the strength of entries in any records, these should have been preserved at least till the completion of the audit of the year's accounts.	PARA 14.—The Chief Accountant reports :— The records were destroyed as they became due for destruction as prescribed in the Office System Manual.

		Accountant-General, Bengal, and Examiner of Local Accounts, Bengal's letter No. L A 2000, dated 29th November, 1939. Para 14.—It is not understood why "the register of cash received" for the year 1927-28 was preserved for over ten years (though according to the Office System Manual it was to be preserved for 3 years only and destroyed shortly before it was required for audit. It would not have been possible for the Accounts Department to certify non-payment of this particular sum or to check against double payment from any other record, had the register been duly destroyed after the prescribed period of 3 years. The Corporation may therefore consider whether this register of cash received may not be made a permanent record to guard against double claims in future. *The Chief Accountant reports*— This relates to the destruction of the "Register of Cash Received" for the year 1927 as prescribed in the Office System Manual. At present it is a "C" class record. When one volume of the Register is utilised for several years it has to be kept for 3 years from the last year of entry.	(3) Para 14.—*"Register of Cash received" not available.* In the opinion of Government, the "Register of cash received" should be made a permanent record if the Corporation desire to entertain claims for refund of money at any time irrespective of the ordinary law of limitation. If, however, the Corporation propose to entertain such claims for a limited period only, then the Register should be preserved at least till the completion of audit of the accounts of the last year of entry in the Register. The decision of the Corporation on this point may be communicated to Government as early as possible.

OUTSTANDING CONSOLIDATED RATES.

Demand, Collection, Remission and Balance.

15. (a) The figures for Demand, Collection, Remission and Cancellation and Balance on account of the consolidated rates for the last four years as shown in the accounts of the Corporation are detailed in Annexure B. The balance on the 31st March, 1938 amounted to Rs. 46,84,418 against Rs. 41,71,411 at the end of 1936-37. The outstandings have thus increased to the extent of more than 5 lacs.

(b) The arrears on account of the previous years and the current year were as follows :—

Department.	Previous years.	1937-38.	Total.
	Rs. As. P.	Rs. As. P.	Rs. As. P.

1937-38	52·2	89·7	85·1	—	...	8·3

PARA 15.—The Assessor reports :—
Of the total amount of rate bills outstanding in this Department, nearly one-half is covered by the few premises noted below :—

	Premises.	Quarter.	Amount.
			Rs.
(1)	6, Esplanade Row West (Bengal Council Chamber.)	1/31-32 to 4/37-38.	4,24,820
(2)	1-1, Jogen Mukherji Lane (Circular Canal.)	1/32-33 to 4/37-38.	1,71,914
	2-1, Canal South Road (Belliaghata Canal).	1/35-36 to 4/37-38.

(3)	92-1, South Sinthee Road, (Dum Dum Railway Station.)	1/32-33 to 4/37-38.	12,656
		Total .	6,09,390

The valuations of all the above premises are still under dispute, and the outstanding amount relating to the Department will be considerably reduced as soon as these cases are finally decided.

The Collector reports :—
So far as this department is concerned, the increase of outstandings is due, amongst other things, to—
(1) Considerable increase of demand by issue of supplementary bills, major portion of which was received during the later part of the year.
(ii) Increase of demand in respect of fresh bills.
(iii) Additional levy of Howrah Bridge Tax.

The Chief Law Officer reports :—
This has been dealt with under para 26

Corporation			
Chief Executive Officer's remarks	Resolutions of the Corporation.	Audit Rejoinder together with further replies of the Corporation.	Final orders of Government.
		The question of preserving the register for the purpose of entertaining a claim for refund of money ordinarily creditable to the revenue fund of the Corporation is to be considered with the other question whether the claim filed after it is barred would at all be entertained At present no question of limitation is generally raised and refunds are allowed provided the deposits are traceable from the records available. This course is adopted in the light of the opinion held by the executive authorities that the Corporation as a public body should not raise the question of limitation unless it is so enjoined in the Act. The registers, if permanently preserved would mean that we are ready to entertain any refund at any time That is not certainly a desirable position	
	PARAS 15 AND 26(1).—That the Corporation find that about half of the outstandings shown against the Assessment Department is covered by cases concerning Government and the Railways. A portion of this has already been realised and the balance is pending with Government for final settlement. (2).—That the Auditors be informed that the Corporation have taken definite steps in this direction and that a Special Officer has been appointed to cope with the heavy outstandings in the Collection and the Law Departments and an improvement in the position is expected.	*Accountant-General, Bengal, and Examiner of Local Accounts, Bengal's letter No. L A 2000 dated 29th November, 1939.* PARA 15.—The result achieved in reducing the heavy outstanding taxes by the appointment of the Special Officer will be reviewed in the audit of 1939-40 accounts. *The Chief Accountant reports*—This relates to outstanding consolidated rates—No remarks. SECTION III—RECEIPTS. ASSESSMENT DEPARTMENT. *Continued illegal grant of proportionate remission.* 16. In the case of partly occupied premises, proportionate remission was being granted for the portion vacant unler section 537 (c) of the Calcutta Municipal Act, though this was not legal under the Act. This was pointed out in paragraph 17 of the audit report for the year 1928-29. In their letter No. 131 T.M., dated 6th October, 1936 to the Chief Executive Officer, Government also observed that the grant of such remission was not admissible under section 537 (c) of the Act. The Advocate General, too, in reply to a reference made by the Corporation opined in January, 1938 that the proportionate remission was not contemplated by any provision in the Act and that the practice of granting such proportionate remission should be discontinued. He further observed that such remission already granted should be revoked and fresh bills issued. The grant of such illegal remissions was noticed to have been continued upto the 1st quarter of 1938-39. It appears that a sum of Rs. 2,41,737-1-3 as detailed in Annexure C has been illegally remitted on account of partially vacant holdings during the period from 1928-29 (*i.e.*, the year in which the point was first raised in audit) to 1937-38. The Chief Executive Officer has informed Government on 4th January 1939 that in view of the facts that the rate-paying public had come to regard such remissions as all but guaranteed by law and that if the practice was stopped altogether there would be serious difficulties in realising the rates in full, the Estates and General Purposes Committee decided to suggest an amendment of the Act which was under consideration. He has further informed Government that in view of the above he did not propose to consider the question of revoking the remissions at this stage.	PARA 16.—The Assessor reports :— The practice of allowing proportionate remission has been discontinued. Action is being taken to amend the Act so as to make a provision for allowing proportionate remission.

	Para 16.—That Government be informed that when the objection was raised by the Auditors they themselves were not sure whether it was illegal and the practice of allowing proportionate remission was discontinued as soon as a definite legal opinion was received A proposal for amendment of the relevant section of the Municipal Act has already been accepted by the Corporation and will be submitted to the Government shortly.	*Accountant-General, Bengal, and Examiner of Local Accounts, Bengal's letter No. L A 2000 dated 29th November, 1939* Para 16.—There was little justification for the continuance of the illegal practice of granting remission after the receipt of Government Order No. 131 T. M. dated 6th October, 1936. The proposed amendment of the Calcutta Municipal Act, even if passed will not validate the remissions already granted. It is therefore desirable to consider the question of revoking the illegal remissions already granted and if it be decided not to revoke the same it is to be considered how the said illegal remission would be legalised *The Chief Accountant reports—* This relates to grant of proportionate remission for partly occupied premises *The Assessor reports—* The Corporation at their meeting held on the 14th August, 1939 have decided to amend the Act by inserting two clauses after Section 151, with a view to giving legal authority to the provisions of Articles 295 and 296 of the Assessment and Collection Manual relating to the granting proportionate remission or rates in suitable cases. The Secretary to the Government of Bengal Department of Public Health and Local Self-Government has also been written to for taking necessary action for amendment of the Act. The Government in their letter dated 6th October, 1936, stated that they were advised that Section 537 (2) does not cover such cases. As the matter was not altogether free from doubt, opinion of the Advocate General was obtained On receipt of the opinion of the Advocate-General, the practice of allowing proportionate remission has been discontinued after obtaining orders of the Chief Executive Officer. *Recommendation of the Finance Standing Committee as confirmed by the Corporation on 21st August, 1940* That with regard to the amendments proposed to enable the Corporation to grant proportionate remission in case of partial vacancy of premises, Government be requested to give retrospective effect to such amendments and to include a clause in the form suggested below:— "The amendments set forth in the proposed Section 151-A and 151-B shall have retrospective effect and shall be deemed to have been made with effect from the date on which the Calcutta Municipal Act 1923, came into force and all remissions which have hitherto been granted according to the principles laid down in those sections shall be deemed to be as valid as if they have been granted thereunder.	

Auditor's' Report.

Reduction of valuation under Section 146 *of the Calcutta Municipal Act.*

17. In several cases annual value of lands and buildings worked out under Section 127 of the Calcutta Municipal Act and finally fixed after hearing the objection under Section 139 of the Calcutta Municipal Act was again reduced under Section 146 on the very date of the disposal of the objection. The following are a couple of instances :—

No. and name of premises	Annual value fixed after hearing appeal.	Reduced annual value under Section 146	Annual reduction in taxes due to reduction shown in the previous column.
101-1, Clive Street ...	Rs. 1,18,800	Rs. 87,500	Rs. 6 200
3, Chowringhee Square ..	Rs. 97,281	Rs. 80,000	Rs. 3,446-3-0

The Chief Executive Officer was requested on 19th November, 1938 to state the reasons for such reduction in the above cases, but no reply was received. As the reasons are not available the auditors have not been able to scrutinise the propriety of reductions..

Replies of the Departmental replies and Chief Accountant's remarks.

PARA 17.—The Assessor reports :—

The reply of the Chief Executive Officer has since been sent to the Accountant-General, Bengal, a copy of the letter being put up below.

"I have the honour to refer to your letter No. L. A. 1831 dated the 19th of November, 1938 (and subsequent reminders) asking for the reasons for which the valuation fixed after hearing the objction under Section 139 of the Calcutta Municipal Act, 1923, in respect of certain premises have again been reduced under Section 146 Before the matter can be proceeded with further, I would like to be informed under what section of the Act the enquiry has been addressed and shall be glad to have an early reply".

Corporation			
Chief Executive Officer's remarks.	Resolutions of the Corporation	Audit Rejoinder together with further replies of the Corporation.	Final orders of Government.
PARA 17.—The position is quite clear. Section 146 confers the right on the Executive Officer to exercise his discretion. It is not understood how the Auditors can interfere.		*Accountant-General, Bengal, and Examiner of Local Accounts, Bengal's letter No. L A 2000 dated 29th November, 1939.* PARA 17.—The Chief Executive Officer in his letter No. S/658 dated 15th May, 1939 stated as follows. "The power conferred under this Section (Section 146 of the Calcutta Municipal Act) is entirely discretionary and the Chief Executive Officer is not required to place on record the reasons or grounds for any amendment made by him in exercise of such powers." The auditors however do not agree with this view. The Legal Remembrancer opined as follows on 13th June, 1936 "Section 146 (b) is wide. . . ." Legally the Officer is not limited as to the deductions he makes. * * * The power of decision in these matters is given to the Officer and he has a right to err so long as he is left with the power. If he errs too much another Officer can be given the job. The Auditors cannot assume his functions but they are of course perfectly entitled to point out to the Corporation the inefficiency of the officer to whom this work has been entrusted." So unless the grounds for reductions and the details showing how the reduced valuation has been arrived at under Section 146 are recorded or furnished to the Auditors for Scrutiny, it would not be possible for them to see whether the officers vested with the powers under Section 146 of the Calcutta Municipal Act have been erring too much and are inefficient. It may therefore kindly be decided by Government whether the officers vested with the powers under Section 146 (b) should not furnish reasons for reductions and the details as to how the reduced valuations have been arrived at. *The Chief Accountant reports*— This relates to stating reasons by Chief Executive Officer for reduction of valuation under Section 146 of the Act. This question does not arise in view of the opinion given by the Legal Remembrancer that legally the officer is not limited as to the reductions he makes. *Recommendation of the Finance Committee as confirmed by the Corporation on 21st August, 1940.* The Committee note with regret that the Legal Remembrancer has thought fit to use certain unhappy expression such as "He has a right to err." They do not agree with them in the opinion that the Auditors can question the efficiency of any officer of the Corporation. They can only draw the attention of the Corporation to an irregularity where such irregularity has actually occurred. They also note that the Auditor does not state whether the Legal Remembrancer has expressed any opinion on the point at issue, *viz.*, whether the Chief Executive Officer is required to assign the reason for reduction.	PARA 17.—*Reduction of valuation under Section 146 of the Calcutta Municipal Act.* No explanation has been furnished for the reduction of the valuation of the holdings in question under Section 146 on the very day of disposal of the objection under Section 139. Government suggest that the Corporation should reconsider their attitude to direct the Executive Officer to place on record as far as possible, the reasons for any reduction of valuation made under Section 146 of the Act.

Auditors' Report.	Replies of the Departmental replies and Chief Accountant's remarks.
Irregular reduction of Assessment. 18. The annual valuation of premises 2-1A, Narayan Sur Street was fixed at Rs. 695 with effect from the 2nd quarter 1933-34. The owner of the premises who had not paid any portion of the taxes for more than 4 years applied on 14th September, 1937 for a reduction in the annual valuation by calculating the same at a percentage lower than the usual 5 per cent. on the cost of erecting the building less depreciation. The annual value being in excess of Rs. 500, reduction of assessment by taking a lower percentage was not admissible under proviso (iii) below Section 127 (b) of the Calcutta Municipal Act, 1923 The 1st Deputy Executive Officer, however, on the 26th September, 1938, in view of the party's straitened circumstances reduced the valuation to Rs. 250 with retrospective effect from the 1st quarter of 1933-34 under Section 146 of the Act. It is doubtful whether Section 146 of the Act was intended to empower the Chief Executive Officer to reduce taxes on the ground of straitened circumstances.	Para 18.—The Assessor reports :— In the case of a premises of which the annual valuation exceeds Rs. 500 but the financial condition of the party is bad enough to justify reduction of valuation by taking a lower percentage under proviso (iii) of section 127 of the Act, relief is granted to party under Section 146 of the Act, as lower percentage cannot be allowed on account of legal difficulty. I think, Section 146 is wide enough to cover all cases of reductions allowed on the ground of straitened circumstances. Opinion of the Chief Law Officer may be obtained, if necessary. The Chief Law Officer reports :— I agree with the view expressed by the Assessor. Section 146 gives a discretion to the Executive Officer to reduce the amount of any valuation. Chief Executive Officer may exercise such discretion as he thinks best. The language of the Section is very wide and I do not see why it would not cover a case like the one under notice.
Howrah Bridge Tax not levied on Municipal properties deriving income. 19. Municipal buildings viz., markets, dhobikhanas etc. from which any income is derived are assessable to tax under Section 8 of the Howrah Bridge Act with effect from January, 1937. They have, however, not yet been so assessed and no payment on account of taxes on the municipal buildings has so far been made to the Bridge Commissioners.	Para 19.—The Assessor reports :— Necessary action is being taken in the matter.
COLLECTION DEPARTMENT. Outstanding Rates *Want of proper action leading to accumulation of arrears.* 20. In their letter No. 186M dated 19th January, 1938 Government desired that a list of persons who were in arrears for Rs. 500 or more should be prepared and the reasons for non-realisation and the steps taken to deal with them should be recorded therein. No such list was available. A few cases of such outstandings that came to notice in the course of audit are shown in Annexure D. It did not appear that any warrants were issued or any suits filed in these cases although the arrears were considerable and in some cases were outstanding for a long time.	Para 20.—The Collector reports :— Our reply to the further remarks made by the Accountant-General, Bengal on Para 24 of the Audit Report for the year 1936-37 relating to the same question as raised herein, namely, preparing a "list of persons who are in arrears of Rs. 500 or more", was as follows :— The words "List of persons" in the Government order are misleading and the matter has since been made clear to the Government auditor in connection with his query statement No. 535 of 1937-38. The accounts in this department are not kept by persons but by premises. What a bailiff does in a "Group List" is to prepare first a list of outstandings against a particular holding and afterwards these holdings are grouped together as far as they are known to be belonging to one party. This does not guarantee that each party of each bailiff has been regrouped with the same party of a different bailiff in mathematical certainty. It is inevitable for the reason that the bailiffs are about 200 scattered over the whole department and the parties of each bailiff are good many. Our Group list, therefore, is a list of holdings with their outstandings, against persons

The Chief Accountant reports :— The matter as to whether a list of properties or a list of persons must be made out is under consideration of the Chief Executive Officer.
Formal receipts not issued in certain cases of realisation. 21. In reply to the suggestion made in paragraph 33 of the Audit Report for 1935-36 for the introduction of a printed form of receipt for amounts received without sufficient details and for partial recoveries of bills, the Corporation in their meeting dated the 25th May, 1938 observed that the present arrangement to which no objection was taken by the parties should continue as the records maintained afford sufficient facilities for purposes of audit. The only record which the department could produce was the "Collector's Suspense Deposit Register" in which entries are made showing the amounts sent to the Treasurer who puts his seal in token of receipt against each item. It is, however, not possible for audit to satisfy itself that all sums, the receipt of which have been acknowledged by the Collector or by his subordinates by letters or otherwise have been entered in this register. A proper check is possible if receipts in printed form with counterfoils are issued. The Collector, however, thinks that there are legal difficulties to the adoption of this procedure. If so, audit will have to be conducted on the basis of entries in the Register. To ensure, however, that entries are duly made in this register in respect of all sums acknowledged, the Collector or any other officer authorised to sign the acknowledgment should see that the necessary entry has been made in the Register and attest such entry in token of check at the time of signing the acknowledgment.	PARA 21.—The Collector reports :— We have no objection to the suggestion.
COMMERCIAL MUSEUM.	
Sanction to the rate of rents for spaces in the Museum wanting. 22. During the year under audit more than Rs. 4,000 were realised from various parties as rent on account of spaces occupied by their exhibits in the Commercial Museum, but the sanction of the Corporation to the rate of rent to be charged has not been obtained as yet. In the absence of such sanction audit is not in a position to satisfy itself about the correctness of the demands shown against the different parties. It is understood that the Estates and General Purposes Committee appointed a special committee for the purpose of recommending rates of rent and that at present the matter stands there. As rent is being demanded from September 1936, without proper sanction, a decision in the matter should be expedited.	PARA 22.—The matter is pending before the Committee.

ENGINEERING DEPARTMENT.	
Want of a Demand Register in respect of License Fees for unauthorised Scaffolding etc.	
23. In the case of unauthorised scaffoldings etc., or of similar deposits of building materials, earth, etc. on public streets notices are issued for taking out licenses on payment of double the fees ordinarily payable. No register is, however, maintained to watch the consequent realisations. Maintenance of a demand register in suitable form is necessary to ensure a proper check on these realisations.	PARA 23.—The Chief Accountant reports :— The Chief Engineer has proposed the introduction of a set of registers and this has been accepted for future use.
HEALTH DEPARTMENT.	
Ambulance Fees reduced.	
24. Rule 2A (iv) of the rules for the use of Motor Ambulances empowers the Health Officer to reduce or remit in special cases the charges prescribed for the use of the ambulances. A few cases in which a reduction was granted are given below. 1. A reduction of Rs. 4 allowed to Babu Ardhendu Bhusan Mukherjee, Assistant Surveyor, Chief Valuer and Surveyor's Department of the Calcutta Corporation for the use of the ambulance on 28th October, 1937 by his daughter-in-law. 2. A reduction of Rs. 5 allowed to a lecturer of the Presidency College for the use of the ambulance on 29th October, 1937 by one of his relatives. 3. A reduction of Rs. 4 allowed on 14th July, 1937 in respect of the trip for removing Mrs. Marks from Shalimar Rope Works to Presidency General Hospital. The propriety of the reductions could not be scrutinised in audit as the reasons for granting the same were not furnished by the Health Officer even though he was requested to do so by the auditors	PARA 24.—The Health Officer reports :— Answers to these queries were submitted long before and these answers may be referred to. The Corporation rules have empowered the Health Officer to reduce or remit the ambulance charges in certain cases. The Health Officer made enquiries and after proper investigation satisfied himself that in these cases he was justified in reducing the usual charges. I do not see how the Government Auditor can question the action of the Health Officer.
Want of a Demand Register in the Corporation Slaughter Houses.	
25. The receipts from slaughter house include license fees in respect of the items noted in the margin. 1. Permit fees for Slaughtering animals. 2. Fees from Hookka Boys. 3. Fees from offal dealers. 4. Fees from offal vendors. 5. Fees from head vendors. 6. Fees from hoofs and horns dealers. As licenses in connection with these fees are issued for specified periods and have to be renewed on the expiry of the period for which they had been previously issued, on payment of fresh fees, the maintenance of a Demand Register is necessary to watch that the licenses are regularly renewed.	PARA 25.—The Health Officer reports :— Instructions are being issued for maintaining Demand Registers henceforth.

(8) PARAS 23 & 25.—*Want of Demand Registers in respect of license fees for unauthorised scaffolding, etc., and the Corporation Slaughter house.* Government fail to understand how the Departments of the Corporation have so long managed to check the realisation of the license fees without maintaining a Demand Register for the same.
Para. 24—The Health Officer satisfied himself that the reduction was justifiable and he exercised his discretion in the cases. I do not see how this can be questioned by the Auditors.		*Accountant General, Bengal, and Examiner of Local Accounts, Bengal's letter No. L A 2000 dated 29th November, 1939.* PARA 24.—No reasons were furnished by the Health Officer for reducing the ambulance fees in the cases cited. The fact that the Health Officer has the discretion to reduce the charges for motor ambulance does not mean that whatever he does is proper and should not be questioned. It is the duty of the Auditors to scrutinise the propriety of his financial orders and to see whether the discretion vested in him in such matters is exercised properly with due respect to the interest of the tax payers (*vide* Section 122 (a) of the Calcutta Municipal Act). As however the then Health Officer Dr. Biswas has since retired and as the amounts involved are petty, the objection in question need not be pursued. *The Chief Accountant reports*— This relates to reduction of ambulance fees by the Health Officer in a few cases. This case is analogous to the one referred to in para 17 above and I think it was proper for the auditors not to raise the objection at all. The Health Officer has nothing to add what was stated by his department before. The Auditors are not willing to pursue the objection.	(9) PARA 24.—*Ambulance fees reduced.* The Health Officer may be directed to record reasons for reducing the ambulance fees in future.
Para. 25—A Demand Register should be maintained by the Department as suggested by the Auditors.		*Accountant General, Bengal, and Examiner of Local Accounts, Bengal's letter No. L A 2000 dated 29th November, 1939.* PARA. 25.—Action taken in opening a demand register as approved by the Corporation will be reviewed during the course of audit of the accounts of 1939-40.	*Vide Paragraph 23 above.*

It will be seen from the above that the total outstanding on 31st March, 1938 have increased from Rs. 17,47,852 to Rs 20,13,965, *i.e.*, by more than Rs. 2 lakhs and 60 thousands during the year under audit. The increase, however, was mainly due to heavy incoming of bills to the Law Department during the year

PARA 26.—The Chief Law Officer reports :—
It has been pointed out that the total outstandings in the Law Department on 31st March, 1938 have increased by more than two lacs and sixty thousand As has been pointed out by the Auditors this increase is mainly due to heavy incoming of bills to the Law Department, during the year; as against Rs. 1,96,314 realised during the year there has been a transfer to the tune of Rs. 4,88,637 which I should add was, nearly 2 lacs in excess of the amount transferred in the previous year (*viz.*, Rs. 2,92,314). I have pointed out times without number that due to such heavy annual transfer the staff has proved to be inadequate and unable to cope with the heavy outstandings. The question of strengthening the staff has been pending before the Law Department Special Committee for sometime past and although the Committee have been convinced that the staff is inadequate and needs supplementing no final decision has yet been arrived at. I may also mention here that in my reply to the previous Audit Report I pointed out that there is hardly any possibility of reducing the outstanding balance unless and until the transfer of bills is controlled and I cannot but repeat that this increase in the outstandings cannot be reduced unless the transfer is controlled and the staff is strengthened in the near future

DELAY IN TAKING ACTION.

(i)—Arrear Taxes

27. A sum of Rs. 14,852-11-0 was outstanding at the time when the present audit closed as owner's and occupier's shares of consolidated rate in respect of 5, Dhurrumtola Street from the 2nd quarter to the 4th quarter 1933-34 and the 2nd quarter to the 4th quarter 1934-35.

PARA 27.—The Chief Law Officer reports :—
By an order of the Hon'ble High Court dated 28th July, 1936, the Sheriff of Calcutta was directed to sell by public auction the right, title and interest of J. F. Madan in premises No. 5, Dharamtolla Street in execution of a decree in Suit Kameswar Lal Gunerigalla—*vs.*—J. F. Madan.

		The Chief Accountant reports— This relates to maintenance of a Demand Register in the Corporation Slaughter Houses *The Health Officer reports*— The Register will come into use from 1st April, 1940.	
Remarks of the Deputy Executive Officer I:— Para. 26—Transfer of rate bills from the Collection Department to the Law Department will have to be more strictly controlled. An annual transfer of nearly 4 lacs from the Collection Department is much in excess of the capacity of the Law Department to cope with, with the staff at its disposal. The first thing to be seen is, whether the Collector is transferring rate-bills for realisation by suit which may have been collected with the exercise of coercive powers he enjoys If, however, it is found that with the best efforts by the Collector the transfer figures cannot be reduced, there will be no option left but to re-organise and strengthen the Law Department to cope with the abnormal transfer made by the Collector. *The Chief Executive Officer's remarks.* There is no doubt that the Law Department requires further re organisation and the matter has been taken in hand.	Paras. 15 and 26.—(1) That the Corporation find that about half of the Outstandings shown against the Assessment Department is covered by cases concerning Government and the Railways. A portion of this has already been realised and the balance is pending with Government for final settlement. (2) That the Auditors be informed that the Corporation have taken definite steps in this direction and that a Special Officer has been appointed to cope with the heavy Outstandings in the Collection and the Law Departments and an improvement in the position is expected.	*Accountant General, Bengal, and Examiner of Local Accounts, Bengal's letter No. L A 2000 dated 29th November, 1939* Para 26.—The result of the appointment of the Special Officer to cope with these heavy outstandings is awaited. *The Chief Accountant reports*— Bills outstanding in the Law Department—No remarks	(10) Para 26.—*Law Department Heavy Outstandings.* The work of the department seems to be far from satisfactory. The Corporation are requested to submit, within 6 weeks of the receipt of this letter, a statement showing in detail the steps so far taken to reduce the heavy outstandings in the Law Department, the total amount outstanding at present, the amount covered by decrees not yet executed, the amounts covered by suits pending before several courts, the amount for the recovery of which no suits have yet been instituted and any other matters likely to give a true picture of the work of the Department so that Government may decide whether a Special Audit or a thorough inspection of the Department by an officer is called for
		Accountant General, Bengal, and Examiner of Local Accounts, Bengal's letter No. L A 2000 dated 29th November, 1939. Para 27.—The matter will be further dealt with in the next	

Auditors' Report.	Replies of the Departmental replies and Chief Accountant's remarks.
The Chief Law Officer stated on the 10th December, 1937 that searches would be made preliminary to the institution of a suit. He again replied on the 22nd December, 1938, i.e., after more than a year that searches and enquiries were being made preparatory to the filing of charge suit. The file does not show that any action was taken after April, 1933. It is desirable to expedite action as this heavy amount has been outstanding for a long time.	The Solicitors in charge of the sale have included in the sale proclamation the amount due on account of taxes in respect of these premises. As there is a chance of getting the amount out of the sale proceeds we are awaiting the result of the sale which is still pending. This explains the delay complained of in taking action.
(ii)—Exemption Fees.	
28. Exemption fees in respect of premises No. 17/1, Asutosh Mukherjee Road under Section 357 (2) of Calcutta Municipal Act, 1899, have not been realised from the year 1931, the outstanding on 31st March, 1938 being Rs. 784. Similarly exemption fees in respect of premises No. 6 & 7, Bethune Row have not been realised from the year 1928, the arrear dues on 31st March, 1938 amounting to Rs. 1,460. In both cases, the Collection Department passed on the claims to the Law Department in 1932. No suits, however, have yet been filed.	Para 28.—The Chief Law Officer reports :— Different Advocate Generals have given adverse opinion to the effect that it is doubtful whether the exemption fee forms a charge under the Old Act without any Registered agreement and even it is so it is not binding on a bonafide purchaser for value without notice. In view of the above opinion all suits for realisation of exemption fee have been kept in abeyance unless any general line of action is decided upon for recovery of such dues. Regarding the present two premises, apart from the legal difficulties pointed out above, all the owners and interested persons to be impleaded in the proposed suits could not be ascertained to enable us to file charge suits if decided upon as a test case.
LICENSE DEPARTMENT.	
Outstanding License Tax.	
29. (a) From the following statement of total demand, collection and balance, it would appear that license fees amounting to more than seven lacs of rupees under various sections of the Act were outstanding on the 31st March, 1938. A classified statement of the outstanding amounts is given in Annexure E Some of the arrears date back to the year 1924-25.	Para 29.—The License Officer reports :— These outstanding demands being mostly irrecoverable are to be cancelled under Section 213 of the Calcutta Municipal Act. The outstanding irrecoverable demands for 1931-32 and 1932-33 have already been recommended for cancellation by the Finance Standing Committee and are pending for confirmation by the Corporation. A further list is almost ready and will be placed before the Committee as soon as possible. Lists of all outstanding arrears including 1925-26 to 1930-31 and 1931-32 onwards also are being made ready and will be placed before the Committee by batches. We are trying our best to act upon the resolution of the Corporation that the list of irrecoverable demands should be placed before the Committee within the next financial year and once the outstanding lists so far due are cancelled we hope to be upto date in future. As regards the lists for 1924-25 I have already reported that they were placed before the Committee by the late License Officer Mr. C. C. Mitra but I could not lay my hands on them after that nor do I find any resolution of the Committee recommending their cancellation. As these lists are not traceable and as it is not worthwhile dragging them on year to year I would submit that the entire outstanding demand of Rs. 22,915 for 1924-25 be cancelled in lump by a resolution of the Finance Committee and the Corporation.

Under-Assessment of Tax on Trades and Profession.

30. Permanent stalls at a daily market are assessable to a minimum license fee of Rs. 12 per annum *vide* item 64 of Schedule VI of the Calcutta Municipal Act and paragraph 27 of the License Manual. But many permanent stalls at the Bowbazar Market were assessed at Rs. 4 only in 1937-38. It was stated that the parties were allowed reduction of License Tax under Section 175 (c) of the Act in previous years and that the relief continued in 1937-38 also under Paragraph 47 of the License Manual. The orders for allowing them to take out license under a lower class could not, however, be shown as they were stated to have been destroyed long ago. As the relief is being continued from year to year either the original order should have been preserved in support thereof or sanction under Section 175 (c) obtained every year. It was stated that the circumstances of the parties in which they were assessed previously at a lower class remained unchanged during the year under audit. As the orders reducing the fees were destroyed presumably with all papers relating thereto, it is not clear how the circumstances in which the orders were issued were ascertained.

PARA 30.—The License Officer reports:
Those relate to petty shopkeepers and dealers in a market on whom an imposition of a tax of Rs. 12 as permanent stall-keeper would be hardly justifiable and would practically kill their small business. The relief granted to them under Section 175 (c) in previous years was allowed to be continued for the year. These sanctions are not forthcoming now. However in future sanction will be obtained before granting them relief for the satisfaction of the Auditors, which, however, I may mention is not necessary under the License Manual (*vide*, License Manual Para 47).

MARKETS

Laxity in collection of rents.

31. A sum of Rs. 1,555-6-9 representing the rent and additional rent of rooms E. 41—and E. 88 up to 5th February, 1937, was allowed to be accumulated against the occupier Mr. H. Ghosh of College Street Market. The accumulation in respect of E 41 was for more than 255 days. The goods in the rooms when seized and sold by public auction fetched Rs. 1,139 only leaving a balance of Rs. 416-6-9. Proposal to write off this balance is under consideration.

Under Rule 13 of the Bye-laws for the inspection of markets, etc., and Management of Municipal Markets, rent of stalls is payable daily. The question of writing off revenue in the above case would not have arisen if the above rule was properly enforced.

A list of losses which appeared in the accounts of the year owing to the infringement of the above rule is given in Annexure F to this report.

PARA 31.—The Superintendent, College Street Market reports:—

The occupier of the room Nos. E-88 and 41 fell into arrears to the amount of Rs. 1,555-6-9 on account of rent and additional rent. The goods of the rooms as well as the right of occupation were auctioned and sold at Rs. 1,550. Out of this amount Rs. 1,139 the price of goods was adjusted against the outstanding rent of the rooms and the balance of Rs. 411 was paid as initial rent by the new tenant. The balance of outstanding dues was Rs. 416-6-9 on account of additional rent. So the actual loss to the Corporation was Rs. 5-6-9 though the paper loss figures at Rs. 416-6-9. A portion of the goods seized by the Corporation was taken possession of by the Deputy Registrar, Court of Small Causes, Calcutta on the ground of his seizure otherwise there might not have been any necessity for writing off even Rs. 416-6-9.

The rent of the room No. E-88 was fixed at Rs. 100 per month for the previous occupier. After his vacating the room, the rent was revised and fixed at Rs. 139 per month with effect from 1st September, 1937. Thus there has been a recurring gain of Rs. 444 per year in respect of the room No. E-88.

Remarks of the Deputy Executive Officer I:— Para 31—The collection of rent in the Municipal Market is kept at a very high standard and it can compare favourably with collection made by any department of a similar public body. Considering the volume of the demand, the amount cancelled every year is infinitesimal. It is true that most of the stalls are to pay daily rent and attempt is made to realise such rent daily. But as the markets may be taken to be a business concern, more or less, it is not possible, nor is it advisable in the interest of the administration to take immediate action when few of such stalls fail to pay their rent daily. It may have the effect of killing some of these stalls if the payment of daily rent is strictly enforced		*Accountant General, Bengal, and Examiner of Local Accounts, Bengal's letter No. L A* 2000 *dated 29th November,* 1939. Auditors' Report.	Replies of the Departmental replies and Chief Accountant's remarks.
	Regarding Rule No. 13 of the Bye-Laws for the Inspection of Markets, etc., and Management of Municipal Markets, viz., rent of stalls payable daily, it is submitted that the rule is generally enforced.
	Allowance is sometimes made under extraneous circumstances. Since 1930 the world has been in the midst of the greatest depression it has ever experienced. The present slump is more severe than any of its predecessors, in its depth, extension and duration. It has already exploded the pet theory of trade cycle. So under the present condition of trade the strict enforcement of the rule may indeed avoid the paper loss, with which the Auditors are concerned, but the actual loss to the Corporation may be much greater. There is already a large number of rooms in the Markets unoccupied and if the existing tenants find it too difficult to obtain any breathing time in their hard struggle to carry on, in the distant hope of a revival of trade, the vacancy may go up, resulting in a greater loss to the Corporation.
	On examination of records it will be found that as far as College Street Market is concerned there was practically no outstanding in rent or additional rent prior to 1930.
	Attempts are no doubt made to enforce the rule in case of daily and monthly tenants as best as possible. The occupier of the room No. E 88 was a monthly tenant. There was in fact no laxity on the part of the Executive in their attempts for realisation of the dues. The market is something like a trading concern. The amount of Rs. 416-6-9, if it is a bad debt is not a bad figure in consideration of the annual receipt of the market, viz., Rs. 2,45,000.
	The Superintendent, S. S. Hogg Market reports :—
	With reference to the Audit Report for 1937-38, so far as this market is concerned, regarding the losses which appeared in the accounts of the year owing to the infringement of Rule 13 of the Bye-laws for the inspection of Markets, etc., and Management of Municipal Makrets, I may point out at the outset that the total losses as appeared in the accounts of the year amount to Rs. 77-6-0, which is an infinitely small figure in comparison with a collection of about 8¾ lacs and hence the loss referred to is a negligible one.
	There is a great practical difficulty in enforcing the rule referred to by the Government Auditor. The only remedy that lies with us for realisation of Corporation dues is to take action under a Notice of Demand and the usual procedure that we have got to follow takes some time before the final execution of the decree under a Distress Warrant. It is not practicable to issue a Notice of Demand for default of rent for a single day. The Department is always on the alert to see that there is no loss of revenue but we have, on occasions, to concede time to the parties. In the cases referred to in the annexure 'F', it will be seen that the Department seized the goods of the parties concerned under Distress Warrants and could have realised Corporation dues in full if there had been no dearth of buyers due to acute economic distress. There was thus no laxity on part of the Department.
	The Superintendent, Entally Market, reports :—
	With reference to the cases relating to the Entally Market, viz., Miscellaneous Stalls Nos. 29,49,64 and No. 37, I may submit that in view of trade depression causing a large number of vacancies in the market, we could not afford to be too strict in each one of the cases referred to by the auditors. Since that would have the only effect of scaring away our tenants, adding to the number of our vacancies and thus affecting our revenue ultimately. It would thus appear that it was in the interest of the market, that we did not strictly enforce rule 13 of the Bye Laws. The fact that all told only Rs. 59 and odd were written off under Section 213 during 1937-38 proves that we were as strict as the circumstances permitted.
	The Superintendent, Park Circus Market reports :
	With reference to two cases 78 A and 74 in the Park Circus Market, I may submit that so far as 74 is concerned, we could not afford to be too strict in the case Since that would have the only effect of scaring away not only this tenant but others as well, the market consisting of only a cluster of temporary stalls As the party had hardly any goods to be distrained towards satis

	faction of our dues, we could not enforce daily payment as per Rule 13 of the Bye laws referred to in the Audit Report. We did not, however, relax our efforts to realise as much of the arrears as we could afford to even after the party had left the market, and had no other alternative but to get the balance of Rs. 17-3-0 written off under Section 213 of the Act as there was no further hope of any recovery. As for Stall No. 78 A—(Musammat F. K. Choudhury) I may submit that the party raised a small bamboo structure and went on paying rents, though she actually carried on no business therein; as a matter of fact the lady had paid all told Rs. 103 before her death and that all in the expectation of a full-fledged market on the site in near future. Though she fell in arrears before her sudden death, we had every hope that we would realise our dues if she were only alive. Besides her husband had a big stake in the market and did actually pay Rs. 35 out of the outstanding demand of Rs. 135-8-0 on his wife's behalf after the latter's death We had nothing to doubt the lady's *bonafides*. Her sudden death, however, deprived us of our dues, more so because, she had hardly any goods in the said stall Hence the necessity for getting the amount of Rs. 100-8-0 written off as irrecoverable under Section 213 of the Municipal Act.
THEATRES. *Inspection Fees not realised.* 32. Under Clause 82 (now 85) of the Theatre Bye-laws framed under Section 559 (52) of the Calcutta Municipal Act, 1899 (sanctioned by the Local Government on 13th January, 1908) the Corporation at their meeting dated 21st April, 1909 prescribed the levy of inclusive fee of Rs. 16 for each inspection of all fire appliances, etc., at the theatres under Clauses 30 to 81 of the said Bye-Laws. Those inspections were then done by outside agency and the fees were paid to them by the Corporation and recovered from the theatre managers. This system did not, however, continue long and after a short period the work of inspection was entrusted to the Corporation employees and the realisation of such fees was discontinued but the order of the Corporation for the non-realisation of such fees could not be shewn Although no fees are now being paid to any outside agency, the cost is still being incurred in the shape of pay of the departmental inspecting staff. In view of this, the matter is brought to the notice of the Corporation for consideration and orders as to whether the discontinuance of the realisation of the fees in question has their approval.	PARA 32.—The D. E. O. II observes :— It is no doubt true that we cannot trace and as such we could not supply to Audit query any order of Corporation directing discontinuance of realisation of fees. Possibly there is no such order in existence. The section has become obsolete by disuse. Whether Corporation after appointing their own agencies did not encourage certificates from outsiders or the system of recognising outsiders to give certificates of guarantee went to disuse is not traceable from any records. Only the presumption is drawn from long disuse that the section was not acted upon because Corporation has made its own arrangement for twenty four hours' vigilance and inspection.
SECTION IV—EXPENDITURE. CALCUTTA MUNICIPAL GAZETTE *Net expenditure exceeds the sanctioned limit.* 33. The Corporation resolved on 7th October, 1936 that the excess of expenditure over the income of the Calcutta Municipal Gazette should be limited to Rs. 5,000 in any one year. It will, however, be seen from the figures given below that with regard to the year 1937-38 the expenditure exceeded the income by Rs. 6,186.	PARA 33.—The Editor, Municipal Gazette reports :— During the year 1937-38, the limits of expenditure exceeded by Rs. 1,186 only, and this was due to abnormal circumstances beyond the control of the Department. The most important factor was, however, a falling off in advertisement revenue due to the Sole Advertising Agent's inability to maintain the maximum level of guaranteed advertisements. The fact was discussed at the last Budget Special Committee meeting in connection with the provision of Receipts under Budget item 15-A—"Calcutta Municipal Gazette"—"Advertisement fees", when the Chief Accountant observed as follows :—"The contract with Mr Khemka expired last year and there was considerable delay in renewing the contract. Mr. Khemka did not therefore, work as before, not being quite sure of his contract. The result was that the Corporation suffered loss and Mr Khemka also sustained loss to the extent, say, 25 per cent. Even after the renewal of the contract, Mr Khemka could not do the same amount of work as before as he said he was under a handicap"

PARA 32—I do not think that it was the intention of the Corporation to levy the fees when they had employed their own officers for inspection.	*Recommendation of the Cinema Enquiry Special Committee dated the 8th February, 1940 as confirmed by the Corporation on 6th March, 1940* :— That in view of the fact that the Corporation are having constant supervision exercised by their own permanent officers as regards fire appliances at the theatres, which is more desirable than inspections by an outside agency twice a year or so, the realisation of the inclusive fee of Rs 16 which was levied for each inspection of all fire appliances, etc., at the theatres under clauses 30—81 of the Theatre Bye Laws framed under Section 559 (52) of the Calcutta Municipal Act, 1899, be discontinued in modification of the Corporation resolution dated the 21st April, 1909. Auditors' Report.	Replies of the Departmental replies and Chief Accountant's remarks.
	In this connection, I should like to observe that the resolution of the Corporation referred to by the Government Auditor was based upon a misconception as the publication of the Gazette of any year cannot be regulated according to its receipts. The expenditure incurred during the year in question was covered by the budget grant, but when the receipt fell short of our expectation it was not possible to curtail the expenditure accordingly. I would further add that the Gazette cannot be treated as a trading concern. It has more than once been recognised that the Gazette has enhanced the prestige of the Corporation immensely in the eyes of the world, and its educational value and help in popularising the municipal government of the city is greater than the small sum that the Corporation have to spend over its publication. The proceedings of the Committees and the Corporation relating to the publication of the Gazette show that, when the paper was started in 1924 the principal motive was to educate the citizens of Calcutta in civic affairs and to carry on health propaganda. At that time the Corporation clearly laid down that the main objects of the venture were (1) to supply information about the decision and activities of the Corporation; (2) to develop the civic sense of the people of Calcutta, (3) to counteract unjustifiable criticisms of the Corporation; (4) to publish Corporation notices regarding contracts and other matters; (5) to furnish vital and hygienic statistics and (6) to incorporate its forerunner the weekly bulletin of Market Prices Current. The last of these is a statutory obligation of the Corporation, and the rest are designed to promote public health and convenience of the citizens of Calcutta. To regularise the expenditure of a year on the basis of the income of that particular year by a fixed margin, I am afraid, cannot always be practicable nor does this question arise in the case of the "Gazette" as it does not arise in regard to other public activities of the Corporation. The expenditure incurred over the "Gazette" is covered by section 477 (XVIII) of the Calcutta Municipal Act 1923. This view *has already been reiterated by the Corporation* and has been confirmed by a notification (*vide, Calcutta Gazette* dated the 5th December, 1935) by the Local Self Government Department of the Government of Bengal, which clearly says that the "Publication of the *Calcutta Municipal Gazette* by the Corporation and the expenditure incurred in connection therewith are matters likely to promote the public health and convenience etc."
CITY ARCHITECT'S DEPARTMENT *Personal allowance in addition to increment in substantive pay* 34. On the 17th February, 1937 the Corporation sanctioned a personal allowance of Rs. 15 in favour of Babu Nirmal Chandra Chowdhury, a clerk of the Building Department working at the Manicktola Office The grounds for the grant were :— (1) Abnormal increase of work at the Manicktola Office, and (2) the clerk had been drawing the maximum of his grade (Rs. 40—5—125) for several years. Babu Nirmal Chandra Chowdhury was transferred to the Central Office on 7th September, 1937. The scale of pay was also raised by the Corporation to Rs. 40—5—150 with effect from 1st April, 1936 and Babu Nirmal Chandra Chowdhury began to draw Rs. 130 from 1st April, 1937 and is drawing Rs. 135 from 1st April, 1938. The full amount of personal allowance of Rs. 15 is also being drawn all along in addition. As the circumstances justifying the personal allowance have materially changed, the matter is brought to the notice of the Corporation for considering whether the amount thereof should not be correspondingly reduced, as his substantive pay increases This is what is ordinarily done in the case of a Government servant.	PARA 34.—The Chief Accountant reports :— There is nothing in the resolution of the Corporation that his personal allowance will be decreased with each increase of pay in his grade. According to the Government rule, it is also open to the sanctioning authority to direct that no such decrease be made.

	Para 34.—That the Corporation agree with the Chief Accountant that in raising the scale of pay of Babu Nirmal Chandra Chowdhury, it was not the intention of the Corporation to reduce his personal allowance In fact, there is nothing in the Corporation Service Rules to support the contention of the Auditors.	*Accountant General, Bengal, and Examiner of Local Accounts, Bengal's letter No. L A 2000 dated 29th November, 1939.* Para 34.—The Corporation appear to have missed the point at issue. The point is that the personal allowance was granted on the grounds of (1) abnormal increase of his work at the Manicktola Office and (2) drawing the maximum pay of Rs. 125 for several years. As he has since been transferred from the Manicktola Office to the Central Office and as the maximum pay of his grade has since been raised from Rs 125—150 both the grounds on which the personal allowance had been sanctioned, now ceased to exist It is therefore for the Corporation to reconsider whether his personal allowance would still continue and if so on what grounds. *The Chief Accountant reports.*— This relates to the grant of a personal allowance.	(11) Para 34.—*Personal allowances in addition to increment in substantive pay.* The attention of the Corporation is invited to the Audit rejoinder with the request that the matter may be reconsidered as suggested by the Auditors and the decision of the Corporation communicated to Government.

Deputation of Dr. B. N. Dey.	
35. Dr. Dey while on leave in England was required by the Chief Executive Officer to instruct the Counsel engaged in connection with a Privy Council Appeal then pending (Port Commissioners, *vs.* Corporation of Calcutta). For the period from 12th October, 1936 to 20th November, 1936, Dr. Dey was accordingly treated as on deputation, *vide*. Corporation resolution dated 22nd November, 1938, and allowed to draw his substantive pay plus a deputation allowance at Rs. 750 per month equivalent to his motor car, duty and house allowances. Sanction of Government is necessary for the deputation allowance according to the proviso to Section 51 (1) of the Act	PARA 35.—The Chief Accountant reports :— Government in their letter No 384M dated 14th March, 1939 sanctioned the deputation allowance of Dr. B. N. Dey for the period from 12th October, 1936 to 20th November, 1936.
Enforced Payment of Overtime Allowance.	
36. A suit for arrear overtime allowance amounting to Rs 206-4 0 and other reliefs was allowed to be decreed against the Corporation for the said amount plus costs amounting to Rs. 30-10-0. The amount was paid on Voucher No. 8602 dated 19th July, 1937.	PARA 36.—The Executive Engineer, Water Works reports :—
The plaintiff, Gopal Chandra Das worked as an Assistant Tube-well Driver from 1st September, 1933 to 30th November, 1934 He had submitted a petition on 11th July, 1934, praying for the allowance but no action was taken then. About a year after he had been discharged, a bill for overtime allowance amounting to Rs 206 4-0 at a uniform rate of 4 hours per day for the entire period of his service was made out on 21st November, 1935, all on one day, on fresh muster rolls for this man only and submitted by the Executive Engineer, Water Works for payment with the report that the man had actually worked overtime. The Chief Executive Officer however refused to sanction payment in the absence of satisfactory evidence of overtime work. After another petition on 6th July, 1936 the man preferred the suit. On the report of the Chief Law Officer that the evidence of the superior officers of the Water Works Department was likely to be in favour of the plaintiff, the Officiating Chief Executive Officer agreed on the 9th July, 1937 not to contest the suit. Although the payment was made in pursuance of a decree, the matter is brought to the notice of the Corporation as the claim related to overtime allowance which required their sanction but was never put up to them for consideration. The fact that the claim could not be passed by the Accounts Department owing to absence of record of overtime work in the muster roll is also brought to their notice.	The reason why the question was never placed before the Corporation is to be found in the auditor's own note wherein he states that "the Chief Executive Officer refused to sanction payment in the absence of satisfactory evidence for overtime work." As against the omission in the master roll the fact that the Tube-Well did work for 12 hours a day as well as the fact that the Driver was duly paid overtime allowance for 4 hours extra work daily should be taken into consideration. The Assistant Tube-Well Driver was engaged to help the driver in keeping record of trips of lorries made in Garden Reach and the lorries used to draw water from the Tube-Well during the whole period that the tube-well worked. These are positive proofs that the Assistant Driver worked overtime. The fact is further corroborated by the notes (1) of Superintendent Water Works dated 27th November, 1935, (2) of Offg. Superintendent, Water Works dated 15th November, 1935 and (3) of Executive Engineer, Water Works dated 28th November, 1935, and all these officers spoke from *personal* knowledge. There can be no doubt left that the man did over time work. The real trouble was that he did not know that he was entitled to overtime payment until after his services had been dispensed with Had he known it and claimed it earlier the Overseer would have taken orders to enter such overtime attendance in the muster roll earlier and the whole thing would have been regularised in proper time.

"That the Committee agree with the Chief Accountant that in raising the scale of pay of Babu Nirmal Ch. Chowdhury, it was not the intention of the Corporation to reduce the personal allowance. In fact there is nothing in the Corporation service rules to support the contention of the Auditors." Delay in considering tender causes loss. 37. Tenders for the construction of additional menial's quarters at Tallah Pumping Station were opened on 15th September, 1936 and were current for 3 months from that date. The tenders, however, were submitted for the consideration of the Corporation as late as 9th December, 1936 and as the latter desired information on a certain point, the matter could not be disposed of till 22nd December, 1936, when a tender amounting to Rs. 34,759-13-0 was selected. The tender had, however, lapsed in the meantime, *viz.*, on 15th December 1936 and as prices had risen in course of the interval, the selected contractor was not bound by his previous offer. Fresh tenders were invited and the Corporation finally accepted a tender amounting to Rs. 39,117-4-0 For this loss of about Rs. 4,000 the Engineering Department appears to be primarily responsible. Under Paragraph 173 of the Office System Manual, a comparative statement of tenders was due to be laid before the Water Supply Committee within a week after they were opened. In this case, however, it was not till 26th November, 1936, *i.e.*, after 2 months and 11 days that the comparative statement was placed before the Committee.	Para 37.—The Executive Engineer, Water Works reports :— Although the contractors at first withdrew their tender they subsequently in a letter dated 30th August, 1937, agreed to abide by the same. This letter was printed in the agenda, but it appears it was decided in the circumstances of the case to call for fresh tenders. The Department can hardly be blamed for the fact that the fresh tenders were higher than the previous one which the Committee had the option to accept. I do not think the Government Auditor is justified in questioning the wisdom of the Committee in discharging the tenders.
Laying electric cables between Maliakghat and Tallah. 38. Similarly, in the case of laying electric cables from Tallah to Maliakghat Pumping Station although the tenders were opened on 6th May, 1937 it was not till the 28th June, 1937, *i.e.*, after an interval of 1 month and 22 days that they were submitted to the Works Committee for consideration, so that when after provision of funds the Corporation accepted the tender of Mr. S. N. Paul (on 4th August, 1937) and the party was informed of this (on 7th August, 1937) the period for which it was open, *viz.*, up to 5th August, 1937, had already elapsed. The contractor stated his inability to keep to his tendered rate unless cables of a different make were accepted. This was refused and fresh tenders had to be called for. The contractor's fresh tender, which was the lowest and which was accepted, was for the same make as had been rejected before but exceeded the last offer by Rs. 980. There could have been no occasion for this loss if the department concerned did not make delay in the submission of the original tenders to the Works Committee.	Para 38.—The Chief Engineer has forwarded the following note of the Electrical Engineer :— Tenders in this connection were opened on 6th May, 1937 and were received by me on the 8th or 9th May, 1937. Report was submitted on 19th May, 1937 for approval of the Chief Engineer; an item was submitted on 29th May, 1937 and item was sent up by the Chief Engineer on 1st June, 1937. So the matter was not held up in this department for more than 20 days. The Audit Report therefore is wrong in saying that there was delay in the department in submitting the original tender to the Works Committee. A reference to file shows that the item was first on the agenda on 24th June, 1937, with all reports and sanctions. All the rest of the delay, due to which order could not be placed until a day too late has been in the various Committees. It should be pointed out that this department is not responsible for intimation of acceptance nor for issuing of letters in time, when there is likelihood of delay in the final disposal of a tender, to tenderers to keep their tenders open if they can. The Secretary reports that the item was disposed of by the Works Committee on the 28th June but as a motion was tabled for reconsideration of the matter, it could not be proceeded with further. The motion was disposed of on the 15th July after which the item had to be placed before the Finance Committee and almost simultaneously (3rd August) the tenderers were asked to extend time. It is not possible usually to send intimation of acceptance on the very next day after the Corporation Meeting.

	PARA 37.—That the Corporation are of opinion that the Auditors are not entitled to question the *bona fide* decision of the Committee which expected to get a lower tender	*Accountant General, Bengal, and Examiner of Local Accounts, Bengal's letter No L A 2000 dated 29th November, 1939* PARA 37.—The Corporation have missed the point at issue Exception was taken not to the calling of fresh tenders but to the delay in placing before the Corporation, the tenders of September 1936 which led to the calling of fresh tenders and loss of about Rs 4,000 On 7th July, 1937 the Corporation also called for an enquiry into the responsibility for the delay, but no findings appeared to have been come to. To avoid such loss tenders should promptly be disposed of with in the stipulated period *The Chief Accountant reports*—This relates to delay in considering the tender regarding construction of additional menials quarters at Tallah Pumping Station From what was stated by the Department in their previous reply and from the resolution of the Finance Committee confirmed by the Corporation on 13th September, 1939 it would be seen that in this case the Water Supply Committee decided to discharge the old tender and call for fresh tenders in expectation of getting a lower tender The department therefore cannot be held responsible Then again the point referred to in the resolution of the Corporation dated 7th July, 1937 relates to delay in forwarding the agreement to the Contractors after acceptance of their tender by the Corporation and is altogether a different matter from the delay in placing the tenders of September, 1936 before the Corporation. This point has been thoroughly dealt with in the agenda of the Water Supply Committee dated 17th September, 1937. *Accountant General, Bengal, and Examiner of Local Accounts, Bengal's letter No. L A 2000 dated 29th November, 1939* PARA 38.—No remarks *The Chief Accountant reports*—No remarks	(12) PARA 37.—*Delay in considering tender causes loss.* The Corporation are requested to issue necessary instructions so that tenders in future may be invariably disposed of within the stipulated period

Loss over supplying filtered water in Manicktola area 39 (a) The expenditure involved in the supply of filtered water by lorries in the Manicktola area during 1936 37 amounted to about Rs 1,12,466 of which about Rs. 22,500 was paid in 1937-38 and the balance in the previous year. The tender for the supply during 1936 37 was called for as late as October, 1936 and the decision on the tenders was reached in July, 1937, i.e., after the year was over. For supplies made from January, 1937 to March, 1937, the contractors were paid at the rates offered by them and accepted by the Corporation in July, 1937. But for supplies from April to December, 1936, involving an expenditure of about Rs. 90,000 they were paid at Rs. 1-7-0 per trip which was the rate in force for the year 1935 36 The rates offered by the contractors when tenders were called for in October, 1936 were appreciably less than Rs. 1-7-0 per trip and on the assumption that the quotations would have been more or less the same at the beginning of 1936 37, there would have been a saving of about Rs. 20,000 if tenders were called for in due time. Under Section 69 of the Act, the Corporation is required to call for tenders at least 7 days before entering into any contract involving any expenditure exceeding Rs. 1,000. The provisions of this Section were not followed The payment made at the old rate for the work done during the period from April to December, 1936 did not therefore comply with the provisions of the law.	Para 39.—The Executive Engineer reports :— There is no justification for Auditors' assuming that "the quotations would have been more or less the same at the beginning of 1936-37" i.e., that the prices were steady for 7—8 months. On the line of argument it might as well be said that the amounts paid in 1935 36 were also too high although the payments were made on the basis of accepted tendered rate. In fact, there would be no end to such argument. Corporation dated 9th September, 1936, sanctioned extension of their contract at Rs. 1-7-0 per trip from 1st April, 1936 till the question of estimate and tender for 1936 37 for supply of filtered water by lorries at Manicktola area was settled. As regards the delay in calling for tenders, the following history of the case will explain the position :— On 9th December, 1935, the Executive Engineer, Water Works asked the Estimator to put up an estimate at once for supply of lorries in Manicktolla from 1st April, 1936 to 31st March, 1937 together with draft specification This was followed up by another note dated 8th January, 1936 requesting the Superintendent, Water Works to put up an estimate by 9th January, 1936. An item together with an estimate for Rs. 96,000 was sent up on 14th February, 1936. On 12th March, 1936, the Deputy Chief Accountant returned the item on the ground that there was a provision of only Rs 42,000 in the Budget for 1936-37 and the estimate could not be certified The question of provision of funds was placed before the Chief Executive Officer through the Chief Accountant *vide* Executive Engineer, Water Work's note dated 17th March, 1936 and on 9th April, 1936. The Chief Executive Officer ordered that the estimate was to be revised In the meantime the question of funds was referred to the Budget Special Committee, who at their meeting dated 10th March, 1936 reduced the provision to Rs 30,000 The Executive Engineer, Water Works (Mr Chakravarti) was on privilege leave from 20th April, 1936 to 31st May, 1936 and Mr P C. Gupta was officiating for him during the time On 21st May, 1936 the Offg. Executive Engineer, Water Works reported to the Chief Executive Officer that the expenditure during the months of April and May, 1936, being Rs 25,492 already, it was not possible to curtail it to any figure below Rs 96,000 as desired The matter was discussed between the Offg Executive Engineer, Water Works and the Chief Executive Officer on the 28th May and again on the 8th June, 1936, when he ordered that an item was to be placed before the Water Supply Committee at once Accordingly an item explaining the situation in full was put up again on the 13th June, 1936. The matter came up before Water Supply Committee on the 16th July, 1936 when the Committee postponed consideration of the matter for definite suggestions from the Chief Executive Officer as to how to reduce the cost under the head The matter was placed before the Water Supply Committee on the 27th August, 1936, when they recommended, amongst others, an estimate amounting to Rs 96,000 for sanction The Corporation sanctioned the estimate on the 9th September, 1936, and tenders were called for thereafter which were received on the 6th November, 1936 The tenders were sent up with my note before the Water Supply Committee dated the 10th December, 1936 who recommended tenders of 8 contractors who were to supply at a uniform rate to be fixed by the Chief Engineer The Corporation, however, on 26th January, 1937 did not accept the recommendation of the Water Supply Committee and referred back the matter. The Committee on 4th March, 1937 re-affirmed their previous resolution and the Corporation on 30th March, 1937 again referred the matter to them At last the Corporation on 7th July 1937 accepted the tenders of 8 contractors at different rates.

		Accountant General, Bengal, and Examiner of Local Accounts, Bengal's letter No. L A 2000 dated 29th November, 1939. PARA 39.—Even if the question of saving of about Rs. 20,000 from April to December, 1936 be ignored, it is evident that there would have been a saving of over Rs. 3,000 at least had the tendered rates been enforced from 7th November, 1936 (the date following the date of opening the tenders) instead of from 1st January, 1937. It is not clear why the Contractors were not informed after the opening of tenders that they would be paid at their tendered rates instead of at Re. 1-7-0 per trip up to 31st December, 1936 *The Chief Accountant reports*— This relates to alleged loss over supplying filtered water in Maniktola area. *The Executive Engineer reports* :— In reply to Item 39 (a) of the Audit Report for 1937-38, I said that the Corporation on 9th September, 1936, sanctioned extension of the contract of Rs. 1 7 0 per trip from 1st April, 1936, till the question of estimate and tender for 1936-37 was settled. The Water Supply Committee finally settled the matter on 21st December, 1936, and the Corporation on 7th July, 1937. The Department gave effect to the Committee's resolution with effect from 1st January, 1937, in anticipation of the Corporation sanction. Such being the case, I fail to see how the Department may be to blame	(13) PARA 39.—Loss over supplying filtered water in *Maniktola area.* Government are not satisfied with the explanation given by the Corporation. Evidently the Corporation suffered loss to the extent of at least Rs. 3,000 if not more in this case due to inordinate delay in accepting the orders. Steps should be taken to fix responsibility for the loss and report of the action taken should be submitted for the information of Government within three months of the receipt of this letter.

Auditors' Report.	Replies of the Departmental replies and Chief Accountant's remarks.
	It would appear from the foregoing history of the case that so far as the Department is concerned there was nothing that was left undone. The whole trouble appears to have started on the wrong principle that estimates were to be prepared on the basis of Budget provision instead of Budget provision being made on the basis of estimates particularly in a job like this where the work cannot be done in parts, nor can there be any arrear left to be done in future. There can be no arrear in the work of supply of water by lorries like this.
(b) As already stated the total expenditure actually incurred for the above work during 1936-37 was about Rs. 1,12,466. The sanctioned estimate, however, provided for Rs. 96,000 only. No action appeared to have been taken by the Executive Engineer, Water Works for obtaining the sanction of the Corporation for the excess over the estimate, though about 21 months have elapsed after the close of the year 1936-37. It was irregular to incur expenditure in excess of the estimate without obtaining the previous sanction of the Corporation. Sanction should be obtained early.	PARA 39 (b).—It would appear from Corporation resolution dated 3rd February, 1937, that they sanctioned the appropriation of Rs. 38,000 from the closing balance to meet the total expenditure of Rs. 1,12,466. I do not know why over and above such a sanction, another sanction is necessary to the estimate. A revised estimate of 1936-37, has since been sanctioned by the Corporation on 31st March, 1939.
(c) Liability incurred for this work in 1937-38 also exceeded the estimate of Rs. 90,000. It was stated by the Executive Engineer, Water Works, that a revised estimate was being submitted.	PARA 39 (c).—The revised estimate of 1937-38, was sanctioned by the Corporation on 18th January, 1939.
HEALTH DEPARTMENT.	
Loss due to want of timely action.	
40. Suite No 5 of the Samavaya Mansions was taken on lease by the Corporation for 3 years from 1st March, 1933 to 29th February, 1936 at Rs 150 per month for the location of the Mosquito Control Office. The lease expired on 29th February, 1936 but the office continued in the same premises without the previous approval of the Corporation. The Budget Special Committee, however while considering the budget for 1936-37 decided on 9th March, 1936 that the office should be shifted to the Town Hall. This was confirmed by the Corporation on 19th March, 1936 The lessor was informed accordingly on 20th March, 1936, but he claimed rent for the month of April, 1936 as due notice had not been given and it was sanctioned by the Corporation on 20th July, 1937 on the opinion of the Law Officer. Thus the Corporation had to suffer a loss of Rs. 150 for want of proper action by the Health Department. They should have placed the matter before the Corporation in sufficient time before the expiry of the lease, and if they did so, it is probable that the shifting would have been ordered from 1st March, 1936 and the Corporation saved the expense of paying rent for the period for which the premises were occupied without their previous sanction.	PARA 40.—The Health Officer reports :— The question of shifting the Mosquito Controlling Office to the Town Hall was once previously raised and the matter was very carefully gone into by the Chief Executive Officer, the Estates and General Purposes Committee and then by the Corporation and it was decided by the last named body on the 5th September, 1934 that the Mosquito Controlling Officer's office should be located in Samabaya Mansions for administrative convenience. Hence the department could not reasonably anticipate that the Budget Special Committee would all of a sudden decide on 9th March, 1936, upon shifting the Mosquito Controlling Officer's office to the Town Hall from 1st April, 1936.
LAW DEPARTMENT	
Defence of Dr. J. P. Choudhury.	
41. In accordance with the orders issued by Dr. J. P. Choudhury, District Health Officer, fees for the grant of vaccination certificates were illegally realised in certain cases. In one such case, *viz.*, a fee of Re. 1 realised from Mr. H. Graham, I.C.S., District Magistrate of 24-Parganas in March, 1936, one of the vaccinators who had realised the fee alleged that he had made over the amount to Dr. Choudhury. As the amount had neither been credited to the Corporation fund nor refunded to Mr. Graham, Mr. Choudhury was prosecuted for criminal misappropriation and was acquitted on appeal as there was no proof that the money had actually been made over to him. The cost of the defence of Dr. Choudhury was met out of the Corporation funds under the orders of the Chief Executive Officer who had been given powers to sanction expenditure under Section 537 (d) of the Calcutta Municipal Act, 1923 to obtain legal assistance for securing the lawful exercise or discharge of any power or duty vesting in or imposed upon the Corporation or any municipal officer or servant. The amount involved was Rs 10,027.	PARA 41.—The Chief Law Officer reports :— I do not agree that the Section 537 has been misapplied in this case. The reply of Chief Executive Officer to the Accountant General Bengal with reference to the notice served under Section 123-B (1) of the Calcutta Municipal Act deals with the matter in details I quote the said reply below :— "With reference to the notice No. L. A. 2715 dated the 20th February, 1939, served on me under Section 123-B (1) of the Calcutta Municipal Act 1923, I have the honour to state as follows :— It appears that the Auditors have taken exception to the costs of defending Dr. J. P. Choudhury as being an item of account contrary to law on the ground that he acted illegally in authorising the levy of fees and that the case against him did not arise as a result of any lawful exercise of discharge of any power vesting in or duty imposed upon him.

Auditors' Report.	Replies of the Departmental replies and Chief Accountant's remarks.
The auditors are of the opinion that the Section of the Act has been misapplied in this particular case. The case did not arise as a result of any lawful exercise or discharge of any power vesting in the officer or duty imposed upon him. Dr. Choudhury acted illegally in authorising the levying of fees and there is no authority in the Act for incurring any expenditure arising out of an illegal action of a Corporation servant. Apart from this Dr. Choudhury did not exercise the ordinary prudence of prescribing a detailed procedure for the custody of money realised and the maintenance of an account of the collections. Had he done this, there could have been no occasion for this criminal case. As Dr. Choudhury acted illegally and without ordinary care the tax-payer should not have been made to bear the cost of his defence. *Prima facie* the Chief Executive Officer who sanctioned the expenditure is liable to be surcharged. The auditors will pursue the matter further, if necessary, on receipt of his explanation as laid down in Section 123 (b) of the Calcutta Municipal Act.	In the first place I have to point out that there is no finding of the Appellate Court that in directing the levy of such fees Dr. Chowdhury acted illegally or unjustifiably. On the other hand it appears that the learned District Judge who presided over the said Court accepted his explanation that "he directed the realisation of the fees because he construed the order of the Chief Executive Officer as one which empowered him to do so". This sufficiently indicates that the learned Judge accepted the position that Dr. Chowdhury acted in the matter lawfully and in the exercise of the power vested in him as aforesaid. The circumstances in which Dr. J. P. Chowdhury authorised the levy of such fees were as follows :— On 13th March, 1936 Dr. Chowdhury (then D. H. O. IV) submitted proposal to the Chief Executive Officer suggesting that four annas should be charged for the vaccine lymph in the interest of the Corporation and one rupee should be charged for vaccination certificate fees in the interests of the District Health Officers concerned. This proposal was accepted on 14th March, 1936, by the Chief Executive Officer with the remark that fees realised should go to the Corporation funds. Thereupon Dr. Chowdhury sent a note to the Health Officer asking him to place the matter before the Public Health Committee for their sanction. He (Dr. Chowdhury) bonafide construed this order of the Chief Executive Officer, as being a permission to collect the fees suggested in anticipation of such sanction; he accordingly intimated the said order to his Assistant Sanitary Officers and asked them either to realise the fees or to take an undertaking from the parties that they would pay the fees when demanded after the sanction of the Corporation. It may be mentioned here that such action on the part of Dr. Chowdhury was justified and necessary, as by the time we obtained the approval of the Committee, the epidemic season which was then current might be over, resulting in the loss of these fees. Dr. Chowdhury apparently proceeded on the basis that Chief Executive Officer having passed orders approving of the scheme of realisation of fees for vaccination certificates, a duty was imposed upon him (Dr. Chowdhury) to see that effect was given to the same, and further that a power was vested in him to realise the fees in question. It was in the exercise of this power and/or in the discharge of this duty that he authorised realisation of the fees in question. The learned District Judge also held that there was no dishonest intention on the part of Dr. Chowdhury when he ordered realisation of the fees. The above facts and circumstances, on a fair and impartial consideration, go to show beyond any doubt that in authorising the levy of the fees, he acted bonafide in the interest of the Corporation and in lawful exercise or discharge of the power vested in or duty imposed upon him. In this case Dr. Chowdhury was in his official capacity charged with criminal misappropriation in respect of fees realised or caused to be realised by him in the circumstances set out above. The prosecution against him was one concerning or connected with the lawful exercise or discharge of a power or duty. As the charge made against him was on the face of it unfounded and malafide it was up to the Corporation, nay a duty of the Corporation to defend him in the interest of the administration, the efficient working of which demanded protection of their employees from vexations and unfounded charges made against them for action taken bonafide in the course of their official duties. The facts and circumstances of the case pre-eminently called for legal assistance at the cost of the Corporation not only in the interest of the officer concerned but in the interest of the employees of the Corporation in general. In affording legal assistance to Dr. Chowdhury in the circumstances set out above, it is submitted that Section 537 of the Act has not been misapplied as the Auditors allege or at all. The application of this Section to the present case was absolutely justified and in order. In conclusion it may be pointed out that the Chief Executive Officer did not act in the matter solely on his own authority or in the exercise of his own discretion only. Dr. Chowdhury

	having applied for legal help, he (Chief Executive Officer) referred the matter to the Services Committee with a view to ascertain their views. On 9th March, 1937 the said Committee authorised the Chief Executive Officer to afford such legal assistance as he might consider suitable as per their resolution which runs as follows :— "That the Chief Executive Officer be authorised to afford such legal assistance as he may consider suitable to Dr. J. P. Chowdhury, D. H. O. IV in connection with the case brought against him by one Sudhir Kumar Bose." It was pursuant to such orders and in exercise of the authority given by the said Committee that the Chief Executive Officer passed orders to engage Mr. A. N. Chaudhuri and Mr. G. P. Ghatak having due regard to the gravity of the charge and the position of the officer concerned. On a fair and impartial consideration of all the facts and circumstances of the case it will appear that the objection taken by the Auditors is unwarranted and unreasonable and that the items of account to which exception has been taken cannot be characterised as being contrary to law. I have accordingly the honour to request you to consider the matter in the light of the observations made above and to withdraw the notice of surcharge."
Papers not produced in Audit. 42. Rs. 146 and Rs. 60 were paid in cash vouchers No. 1013 dated April 1937 and 3326 dated May, 1937 as pleader's fees for defending Dr. Bimalananda Ukil, Medical Officer, Ultadanga Dispensary in a criminal case brought against him by one Abdul Rashid. As the relevant papers could not be produced, no audit scrutiny could be excercised to see whether the case had any connection with the lawful discharge of his official duties and whether the amount could be legitimately expended under section 537 (d) of the Act.	PARA 42.—The Health Officer reports :— The following report by the Medical Officer of the Ultadanga Dispensary Dr. B. Ukil was given on 29th November, 1938, in reply to the Government Auditor's query No. 42 of 1937-38. "While discharging my official duties one Abdul Rashid, an inhabitant of the locality where the dispensary is situated created some disturbance and actually abused me as I could not satisfy his claim to examine a patient brought by him in preference to others who had come before him and prevented me from performing my duties. He subsequently filed a false case against me in the Criminal Court and the Chief Executive Officer was pleased to order that I should be defended at Corporation cost as I was served with summons by the Sealdah Police Magistrate. On the order of the Chief Executive Officer Babu Ambuj Kumar Chattarjee was engaged as my lawyer. Ultimately the case was dismissed as false and I was honourably acquitted. The above are the facts of the case. As regards papers I do not understand what papers the Government Auditors want to see. Only a summons was served and the Chief Executive Officer passed his order on that paper which was possibly handed over to my pleader. There are no papers in this connection with me." I have nothing further to add. The above report of the Medical Officer may be placed before the proper authorities. In the meantime I am asking the Chief Law Officer to obtain a certified copy of the judgment. As soon as this is received, it will be sent to you. There are no papers in this connection in my office.
SECTION V—MISCELLANEOUS. SURVEY DEPARTMENT. *Non-maintenance of an important Register in the Survey Department.* 43. The Register in Form No. Sur. 12 to show acquisition and use of lands, as required under paragraph 515 of the Engineering Manual, is not maintained by the Chief Valuer and Surveyor's Department. In the absence of the Register, audit is not in a position to scrutinise the disposal of lands acquired by the Corporation or to bring to notice any surplus lands which may be lying undisposed of for a long time and from which the Corporation is not getting any return. The Register should be introduced immediately. The matter was brought to the notice of the Corporation through the auditors' *ad-interim* report dated 7th July, 1938. The action taken thereon by them has not yet been communicated to the auditors.	PARA 43.—The Chief Accountant reports :— The Corporation at their meeting dated 8th February, 1939 resolved as follows :— "That the Auditors be informed that a Register in Form No. Sur. 12 has been started and is being maintained since October, 1938." The above resolution was communicated to the Joint Auditors as per Secretary's endorsement No. S/6806 dated 27th February, 1939.

Hosainshah Park—No authority from Corporation.	
44 About 9 bighas of land were acquired in 1920 at Mominpur in connection with the construction of a road and the estimate provided for the sale of surplus lands not actually thrown into the roadway. The surplus lands were accordingly divided into plots for sale and the allotment plan was duly sanctioned by the Corporation in 1934-35. It appears, however, that plots No. 17 to 21 measuring about 1 bigha and 5 kottahs out of these surplus lands have been converted into a park without the sanction of the Corporation and expenditure incurred irregularly for its up keep	Para 44.—The District Engineer, District No. IV reports :— It appears that the District Committee on 14th February, 1931 accorded administrative sanction to Engineer's estimate amounting to Rs 989 for erecting pale fencing round the Corporation land at the junction of Mominpore Lane and Mominpore Road in Ward 24. On 23rd June, 1931, the District Committee sanctioned executively the Engineer's estimate, amounting to Rs. 810-1-9 (including Rs. 39-9-0 for contingencies), based on the lowest tender, for erecting pale fencing round the Corporation land at the junction of Mominpore Lane and Mominpore Road Extension.' On 9th July, 1932 the District Committee sanctioned the revised estimate of Rs. 993 based on the actual works done for erecting pale fencing round the Corporation land at the junction of Mominpore Road and Mominpore Lane. From the above it will be seen that the Corporation surplus land was fenced off in 1931 with the sanction of the District Committee and since then it has been used as a park. I tried to find out when this park had been constructed or when the name had been given, but no files are traceable in this office. Chief Valuer and Surveyor was also referred to but he could not give any information on the subject. It appears that this surplus land has all along been treated, since 1931, as a Corporation park although the sanction of the Corporation to this is not traceable. However, to meet the objection of the Government Auditors, I suggest that the matter be placed before the Corporation through Estates and General Purposes Standing Committee for formal sanction. The Chief Accountant reports :— The Chief Law Officer of the Corporation expressed his views in the matter as follows :— "The power under Section 477 (iii) *is in addition to the* power under Section 305 In the present case, the expenditure being below Rs. 5,000 sanction under Section 477 (iii) is sufficient." The Chief Accountant further reports on 28th July, 1939 :— The orders of the Chief Executive Officer have been communicated to District Engineer IV for placing the matter before the Estates and General Purposes Standing Committee.

Loss in manufacture of screens 46. Twelve cast iron screens manufactured at the Entally Workshop (*vide* Transfer Statement No. 1830 of 20th December, 1937) were found to be useless as they were not up to the specification prescribed by the indenting department. They had accordingly to be converted into scraps involving a net loss of Rs. 94-8-3 which was written off by the Chief Executive Officer. As the power to write off such losses has not been delegated to the Chief Executive Officer the formal sanction of the Corporation seems to be necessary.	Para 46.—The Chief Accountant reports :— The cost was adjusted by debit to Profit and Loss Account of the Workshop under orders of the Chief Executive Officer. The auditors hold that sanction of the Corporation is necessary to this write off. In reply to query statement page 243 of 1937-38 we stated that "this is not a case of writing off a demand but of adjustment of cost incurred by the Manager, Entally Workshop."

Auditors' Report.	Replies of the Departmental replies and Chief Accountant's remarks.
	Instances of losses during the manufacture of articles are not rare. Ordinarily, when such a loss occurs, the Workshop sends a Transfer Statement debiting the loss to their Profit and Loss Account. Journal voucher numbers 5401/12, 5402/12 and 5414/12 of 1937-38 are some examples of this nature. These were passed for adjustment without the sanction of the Chief Executive Officer even. The auditors have ticked off these Journal Vouchers which shows that they have got no objection, on these accounts. Such things happened in the previous years also and the auditors never raised any objection. So far as the present case is concerned the question before the Chief Executive Officer was to decide whether the loss should be borne by the Asphaltum Department or by the Workshop. There are no reasons why the matter should go up to the Corporation.
Petty Losses. 47. Petty losses not referred to in the preceding paragraphs which were discovered in the course of audit of the accounts of the year and which on examination appeared to have been caused by negligence are summarised below, the details of each case being given in Appendix G. Police Costs—Rs. 170-0-0 *vide* Item 1 of Appendix G. Rent of a Municipal Cabin—Rs. 220-9 3 *vide* Item 2 of Appendix G. License fees for collection of rags and bones—Rs. 300-0-0 *vide* Item 3 of Appendix G. Rent of Market Stalls—Rs 318 4-0 *vide* Item 4 of Appendix G.	Para 47—Item (1) of Annexure G. :—Police cost—Rs. 170. The City Architect reports :— The Finance Committee went into the merits of the case and recommended writing off of the demand as unrealisable at its meeting held on 7th March, 1938 and the Corporation on the 28th March, 1938 confirmed the recommendation of the Finance Committee. Item (2) of Annexure G—Rent of cabin—Rs. 220-9 3. The Collector reports :— This was a case of disputed possession. The miscellaneous bills in question being all rent bills, the department had no other alternative than to wait till the dispute regarding date of possession was settled by the Survey Department who were dealing with the same. Rent bills are not recoverable by distress warrants. Still, every effort was made to induce the party to pay and it was on the pressure given by this department that the party had deposited some money towards payment of bills. The whole circumstances were placed before the Corporation who were pleased to cancel the remaining bills. Item (3) of Annexure G—Rs. 300. License fees for collection of rags and bones. The Chief Law Officer reports :— It appears that the then Law Officer (Late Mr. B. B. Mukherjee) who all along dealt with the case discussed the matter with the Surveyor and Valuer and the party and made certain suggestions for settlement of the claim but the party ultimately did not agree to abide by them with the result that the late Mr. Mukherjee placed the matter before Chief Executive Officer and suggested a suit. It is not possible for me to say whether or not the late Law Officer discussed the matter with Chief Executive Officer as desired by him, on 28th July, 1930, or why a suit was not filed as suggested by him. The bills in question were not transferred to this Department until December 1934, by which time they became barred and the whereabouts of the party became unknown. In the circumstances it was hardly possible for this Department to take any action. Item (4) of Annexure G—Rent of Market Stalls - Rs. 318-4-0. The Chief Law Officer reports :— No action could be taken against the receivers as they had no legal liability for payment of arrear rents The amount was thus irrecoverable from the very beginning and no action taken during the 5 years could have saved it. There was thus no alternative but to get the claim cancelled. In the circumstances the Law Department cannot be said to be responsible for the loss as suggested

Chief Executive Officer's remarks.	Resolutions of the Corporation.	Audit Rejoinder together with further replies of the Corporation.	Final orders of Government.
		Accountant General, Bengal, and Examiner of Local Accounts, Bengal's letter No. L A 2000 dated 29th November, 1939 PARA 47—Annexure G—The Departmental replies accepted by the Corporation do not show that these loses could not have been avoided. As, however, the amounts involved are petty and as the Corporation have written them off, the auditors do not propose to pursue the matter further. *The Chief Accountant reports*— No remarks.	

(Sd.) S. N. CHATTERJEE,
Examiner of Local Accounts.

(Sd.) E. R. SESHU IYER,
Accountant-General, Bengal.

The concluding portion of the Chief Accountant's note regarding the further remarks of the Accountant-General, Bengal and the Examiner of Local Accounts as per their letter No. LA 2000 dated the 29th November, 1939 :—

As per the "Rules regarding Audit of Accounts of the Calcutta Corporation" these rejoinders have to be published in newspapers in parallel columns with each item of the original report, the replies of the Corporation and final orders of the Government.

These Audit Rules have no provisions for including in the publication any replies of the Corporation to the audit rejoinders. Rule 6 of the said Audit Rules however, provides that when there is a difference of opinion on any point between the Corporation and the Auditor, the matter together with the explanation of the Corporation if any, shall be referred by the Auditors to the Local Government for orders. This suggests that in all cases where the Auditors do not agree with the Corporation, the further comments of the Auditors should first be sent to the Corporation for their replies, if any, and they may be then referred to Government.

The time allowed for submission of the Audit rejoinders and the further replies of the Corporation is two months only from the date of our submitting the original replies which in this case was 23rd September, 1939.

The Accountant-General of Bengal and the Examiner of Local Accounts, however ignored the provision of Rule 6 and sent the Audit rejoinders to Government direct on 29th November, 1939, *i.e.*, after the expiry of the said period of two months. A copy of their letter to Government has been sent to us.

Similar further remarks on the Audit Reports for 1933-34 to 1936-37 were also sent by the Joint Auditors direct to Government and only copies of their letters to Government were sent to us.

In connection with the further remarks on the Audit Report for 1933-34, the Corporation, at their meeting on 8th June, 1938, resolved as follows :—

"That the attention of Government be drawn to the fact that Rule 6 of the rules regarding audit of accounts to the Calcutta Corporation has not been complied with by the auditors inasmuch as before making a reference to Local Government under this rule they have not given the Corporation an opportunity to offer further explanation, if any, *on the points on which there was a difference of opinion*."

We should communicate to Government our views on the further remarks of the Audit Report in question now before Government passes final orders for publication of the same as we did in the case of the rejoinders to the reports for 1933-34 to 1936-37.

ANNEXURE G.

Showing particulars of petty loss.

(*Vide* paragraph 47 of the report).

CITY ARCHITECT'S DEPARTMENT.

1. A miscellaneous bill (No. 856) for Rs. 170 in respect of the cost of maintaining police watch from 27th December, 1929 to 7th February, 1930 to prevent unauthorised construction at Nos. 17, 19 and 21, Bhowani Dutt Lane was issued by the City Architect on 14th September, 1937. As the demand had already become time barred, the amount had to be written off. The Building Department appears to have been responsible for the loss.

COLLECTION DEPARTMENT

2. The Municipal cabin in front of the Imperial Bank was leased out on a rent of Rs. 26 a month to one Bonni Rout who was given nominal possession thereof on 22nd November, 1935. The cabin, however, was in need of repairs and it was after these had been done by the Engineering Department that the lessee got actual possession and this was from 1st February, 1936. He accordingly applied on 3rd March, 1936 for the rent to run from 1st February, 1936 The petition was granted but not till eleven months had elapsed in the process. In the meantime, the Collector suspended action for realising the rents with the result that these continued to accumulate. Allowing for 3 months' rent deposited on 23rd May, 1936, the arrears amounted to 9 months' rent in January, 1937 when the petition was finally disposed of. Another 5½ months' rent accumulated before it was discovered that the party had no assets to make realisation possible and he was asked to vacate. Out of an accumulation of Rs. 376-9-3 a sum of Rs. 156 was adjusted against the security deposit and the balance *viz.*, Rs. 220-9-3 cancelled by the Corporation on 13th July, 1938. The loss could have been avoided if the Collection Department did not suspend action for realisation pending orders on the party's petition.

3. A sum of Rs. 300 due from Sk. Nizam Uddin & Ors. for the license of collecting rags and bones in Cossipore area for the period from December, 1928 to February, 1930 was cancelled by the Corporation on the 6th July, 1938, as having been time-barred long ago.

On 25th July, 1930 the Law Officer informed the Chief Executive Officer that the arrears could not be realised except by a suit and that if a suit was to be filed, it should be done at once. On 28th July, 1930 the Chief Executive Officer desired the Law Officer to discuss the matter with him. This did not appear to have been done. Neither was any suit filed nor any other action taken. In October, 1932 the Collection Department in which the bills were outstanding obtained the file from the Law Department and the fresh enquiries which they started showed that the debtors had meanwhile disappeared. The bills, too, in the meantime became time-barred.

LAW DEPARTMENT.

4. A sum of Rs. 313 being rents and additional rents as detailed in the margin, was outstanding from the lessees of stalls Nos. A—45 and A—47 of the Sir Stuart Hogg Market on the 1st October, 1930, when Messrs. Abinash Chandra Dutt and Basanta Kumar Dutt having obtained a decree were appointed Receivers by the High Court, and took possession of the goods in the stalls. They vacated stall A—45 with effect from 6th October, 1930 and A—47 with effect from 21st December, 1930, when the outstanding rent and additional rent of these two stalls amounted to Rs. 318/4. As the Market Superintendent did not find it possible to make the collection, the case was transferred to the Law Department on the 5th May, 1931. The Law Department issued a notice of demand on the Receivers on the 18th May, 1931, but thereafter took no action for more than 5 years. The amount had become time-barred in the meantime and had to be written off as irrecoverable (Corporation resolution dated 21st January, 1938) The Law Department seems to be responsible for the loss, on account of their failure to take action for more than 5 years.

Extract from the Minutes of the Proceedings of the Finance Standing Committee dated 11th July, 1941.

29. PARA 39 OF THE AUDIT REPORT FOR 1937-38.—The Committee were asked to consider the observations of Government on para 39 of the Audit Report for the year 1937-38—Loss over supplying filtered water in Manicktolla area.

The Original Audit Report for the year 1937-38 with the departmenal replies was considered by the Finance Committee at their meeting held on 28th and 29th August, 1939. The recommendations of the Committee were duly confirmed by the Corporation on 13th September, 1939.

The Finance Committee at their meetings held on 16th, 30th July and 8th August, 1940 considered the further remarks of the Joint Auditors on the replies of the Corporation to the Audit Report for the year 1937-38 together with the departmental replies thereon and on their recommendation, the Corporation on 21st August, 1940 accepted the departmental replies regarding this para. A copy of the resolution together with the replies was accordingly forwarded to Government who now puts the following objection :—

"Government are not satisfied with the explanation given by the Corporation. Evidently, the Corporation suffered loss to the extent of at least Rs. 3,000 if not more in this case due to inordinate delay in accepting the orders. Steps should be taken to fix responsibility for the loss and report of the action taken should be submitted for the information of Government within 3 months from the receipt of this letter."

The above is an extract from the final orders of Government on the Audit Report for the year 1937-38 as per their letter No. 671-M, dated 23rd April, 1941. The letter was received by Calcutta Corporation on 24th April, 1941. The replies in this case are, therefore, due for submission to Government not *later than 24th July*, 1941. The matter was placed before the Corporation through the Finance Committee for consideration and necessary orders under ordors of the Chief Executive Officer.

The final orders and observations of Government on other paragraphs of this Audit Report for 1938-39 with the remarks will be submitted to the Committee separately.

(*The original objections raised by the Auditors in para 39 of the Audit Report*, 1937-38 *together with the departmental replies attached.*)

In reply to the Chairman, the Chief Accountant said that the position was this: There was delay in finally disposing of tenders for the supply of filtered water by lorries in Manicktola area during 1936-37, and the contention of the Government Auditors was that because of that delay the Corporation had to pay a higher rate resulting in a loss to the Corporation, for which the Government now say that somebody must be held responsible. The Executive Engineer, Water Works, has explained the position very clearly in his report. He has pointed out that the Corporation on 9th September, 1936 sanctioned the extension of the contract from 1st April, 1936 till the question of estimate and tender for 1936-37 was settled. The Water Supply Committee considered the new tenders and made their recommendation on 21st December, 1936 and on the 23rd December, the department issued intimations to the contractors giving effect to the resolution from the 1st January, 1937 in anticipation of Corporation sanction. Such being the case, he failed to see how the department could be blamed.

Mr. Burns said that this matter came up before the last Finance Committee and although he did not exactly remember the details, his impression was that the Finance Committee were satisfied that the Corporation were not remiss.

The Chairman: The Auditors said that the provisions of Section 69 of the Act have not been complied with in this case. Therefore, if there is any dereliction of duty, it lies with the agency which is responsible for not complying with Section 69 of the Act.

The Assistant Secretary: In this case there was no fresh contract from 1st April; the old contracts were continued by the Corporation by their resolution dated 9th September pending disposal of new tenders.

Mr. T. C. Roy: Is there any question of infringement of Section 69?

The Assistant Secretary: It will be seen from the extracts that in their further remarks, the Auditors have abandoned that point; in their first report, they estimated the loss to be in the neighbourhood of Rs. 20,000, but in their further remarks on the Corporation's replies, the loss has been estimated to be about Rs. 3,000.

The Chief Accountant: The Executive Engineer, Water Works has explained that the Corporation accepted the new rates on 7th July, 1937 while the department enforced the new rates from 1st January, 1937 *i.e.*, immediately after the Wafer Supply Committee considered the new tenders, where then is the blame? On the contrary, the department should be thanked.

The Chairman: The Auditors say, "It is not clear why, the contractors were not informed immediately after the opening of tenders that they would be paid at their tendered rates instead of at Rs. 1-7-0 per trip.

Mr. Dalal: That is no business of theirs.

The Chairman: What Government now say is that they are not satisfied with the explanation given by the Corporation. The Government say "Evidently, the Corporation suffered loss to the extent of at least Rs. 3,000, if not more, etc." It is not evident, to us. They are proceeding upon a hypothesis which is not correct.

The Chief Accountant: The Auditors want to encroach upon the rights of the Corporation and the Committee. What they say is that when the new tenders offering lower rates by the contractors were opened, the Corporation should have insisted upon paying the contractors on the basis of the new rates instead of the old rates, from the date of opening of the tenders.

Mr. Burns: Was it not stated in the resolution as to the period for which the new rates would be given effect to?

The Assistant Secretary: The period of contract specified on the tender form was "from 1st April, 1936 or any subsequent date," meaning thereby the date of acceptance by the proper authority. The Water Supply Committee's resolution was passed on 21st December, 1936, but the Corporation did not finally accept the recommendation till July, when the contract had ceased.

Mr. T. C. Roy: When did the old contract expire?

The Assistant Secretary: On 31st March, 1936.

Mr. N. N. Dalal: The practice is that an item is sent up to the Committee a few months before the expiry of the contract and I want to know why the matter came up in September.

The Chief Accountant said that an item with estimates was sent up for the Committee on 14th February, 1936, but owing to reasons, stated in the Departmental reply to the Auditor's remarks, tenders were delayed.

The Assistant Secretary: The question of delay which you are now discussing has been dropped by the Auditors. In their further remarks the only contention they make is that the lower rate should have been enforced by the executive from 7th November, 1936, instead of from 1st January, 1937.

Mr. N. N. Dalal: When was the tender opened?

The Assistant Secretary: 6th November, 1936.

The Chairman: As a matter of fact, the Government Auditors have shifted their ground First of all they said that there was inordinate delay to which we gave a reply. Now they say that the real default was that the new rate was not enforced from the date of opening of tenders.

The Special Officer: What the Executive Engineer, Water Works, says is that he went out of his way and induced the contractor to accept the lower rate from 1st January, 1937 without waiting for the final decision of the Corporation, which he need not have done. What the Auditors say in effect is this, "If you could induce them to accept the lower rate from 1st January, 1937 why could you not go back a few months more?"

The Chief Accountant: The executive did their best in the circumstances, they cannot be called upon to enforce tendered rates until the tenders had been scrutinised and accepted by the proper authority.

The Chairman: Should we not point out to the Government that they are not correct when they say that "evidently, the Corporation suffered loss to the extent of at least Rs. 3,000, if not more, in this case due to inordinate delay in accepting the orders " The Government have made the observations on the basis of the Auditors' remarks and have taken it for granted that the tendered rates can be made effective when the tenders are opened. But this is quite incorrect.

The Committee agreed.

After some further discussion, it was

Resolved—

That this Committee recommends that Government be informed that the Corporation having gone into the matter very fully, are unable to agree with the Government that the Corporation had suffered any avoidable loss and therefore they do not consider that any question of fixing responsibility arises in this case.

The delay in accepting fresh tenders which was raised by the Auditors in the first instance was explained by the Corporation in their first reply, to the satisfaction of the Auditors. In their further remarks the Auditors stated that there would have been a saving of Rs. 3,000 if the lower tendered rates had been enforced from 7th November, 1936, instead of from 1st January, 1937. In reply to this remark, on which obviously the observations of Government are based, the Corporation would point out that rates quoted in tenders do not become operative directly tenders are opened but the same must be accepted by the proper authority before they can be enforced by the executive. Therefore, there is no power to make the new rates effective as from the date the tenders are opened In this case the tenders were for contracts involving an expenditure exceeding Rs. 10,000 and therefore the final power of acceptance lay with the Corporation on the recommendation of the Water Supply Committee. It will appear however that in this case, the Executive went out of their way and gave effect to these rates as soon after the selection of contractors by the Water Supply Committee as was humanly possible and took upon themselves the risk of rejection by the Corporation of the recommendations of the Committee. The appropriate Committee made its recommendations on 21st December, 1936, late in the evening and letters were issued by the department concerned to the contractors on the 23rd December, 1936 in anticipation of the sanction of the Corporation Obviously action could not have been taken more promptly than was done in this case.

The above recommendation of the Finance Standing Committee was confirmed by the Corporation on 23rd July, 1941. The resolution of the Corporation was communicated to Government in Chief Executive Officer's letter No. S/1730 dated 25th July, 1941.

3. FINAL ORDERS OF GOVERNMENT ON THE AUDIT REPORT FOR 1937-38. —The Committee were asked to consider the final orders of Government on the Audit Report for the year 1937-38.

Letter No. 671-M, dated 23rd April, 1941, from the Secretary to the Government of Bengal:—

[The contents of the letter have been shown under column "Final orders of Government of this Audit Report."

Chief Accountant's report regarding Final Orders of Government on the Audit Report of the Accounts of the Corporation of Calcutta for the year 1937-38.

Kindly see the final orders of Government on the accounts of the Corporation of Calcutta for the year 1937-38 as per their letter No: 671M dated 23rd April, 1941 below.

In para 3 of his letter, the Secretary, Public Health and Local Self Government Department, Municipal Branch, requests that the Audit Report with relevant matters may now be published as required by rule 7 of the rules regarding the audit of the accounts of Calcutta Corporation issued under Government Notification No. 2986-M dated 10th May, 1935 as subsequently amended. This work has already been taken up by my department and the Report will be sent to the Press as soon as they finish the reports for previous years pending with them.

The Audit Rules do not provide for inclusion in the publication of any further replies or remarks subsequent to the passing of final orders by Government. The orders and observations of Government are however of a nature deserving the attention of the Corporation. Government have also called for further replies of the Corporation on some paragraphs of this Audit Report. The letter may therefore, be placed before the Corporation through the Finance Committee to which your orders are necessary.

The paragraphs of the Audit Report referred to in the Government letter are dealt with *seriatim* below.

Paragraph 7—Cash in hand with the Treasurer—

While considering the final orders of Government on para 8(b) of the Audit Report for 1936-37 as per their letter No. 48 T. M. dated 25th May, 1940 the Corporation on 28th March, 1941 resolved as follows:—

That the Corporation maintain that the procedure they have been following for decades is the correct one as will be found from the Chief Accountant's note explaining in detail how the collections on the 31st March are dealt with; it would appear that the whole issue has been clouded by the term "morning collections" and it has been assumed by the Auditors that this money is collected during the morning of the 1st April, which is not the real fact. The collections are actually made by the officers of the Corporation late in the evening of the 31st March, too late to be deposited and accounted for in the Treasury along with the collections of the 30th and the earlier part of the 31st. Similar late collections made on any other day are deposited and accounted for in the Treasury a day later as it is not considered necessary to make a special treatment of them except for the purpose of closing periodical accounts.

The annual accounts would not give a realistic picture of the actual state of affairs of the Corporation if an integral part of the *de facto* collections made in one year, is credited to the following year's account, particularly when there is not the slightest difficulty in crediting it to the proper year's account. The Corporation regret that they cannot accept the Auditor's view and request the Government to vacate their orders dated 27th April, 1940.

The matter has been further dealt with in our reply to para 10 of the Audit Report for the year 1939-40.

Paragraph 10 (b)—Advances remaining unadjusted —

The outstanding advances for 1920-21 have since been squared up The oldest item now outstanding relates to the year 1924-25.

Some outstanding items have since been adjusted on receipt of the departmental reports. The modified list of outstandings and the departmental reports received are under scrutiny now for submitting to the Finance Committee.

In connection with the final orders of Government on the Audit Report for 1936-37, the Corporation resolved on 28th March, 1941 as follows :—

"That the Departments concerned should strictly adhere to the directions given by the Corporation on 8th June, 1938 for adjustment of advances within 5 years from the date of the advances in the ordinary course."

Para 14—"*Register of Cash received*" *not available.*

"Register of Cash" maintained in the Accounts Department for checking the collection of revenues other than consolidated rate and license fees, have been classified in the Office System Manual, as "C" class records and as such those are preserved for 3 years and are destroyed after audit of the accounts relating to the year of the last entry made in the same. Any claim for refund of money deposited during the period and traceable in the said register is scrutinised in the ordinary way. But there are sometimes very rare occasions in which a claim for refund is entertained even after the destruction of the Cash-register and that is done only when there are found to exist other reasons to prove that the money was actually deposited and that the refund is otherwise due, such as production of cash receipts by the claimant, submission of proper accounts and the relative files by the departments concerned, an assurance by the departmental head to the effect that the refund has not been previously granted on the same account and so on. The Government order is meant to prohibit any refund of the nature. If the limitation rule is strictly followed in future a general notification to that effect will be of great help to the ratepayers. It is at the same time a necessity for the guidance of the different departments of the Corporation.

Refunds are generally allowed on the strength of the certificate given after reference to two books *viz.* (1) *Cash Book* showing the total collection of the day allocated under different budget heads and (2) *Register of Cash* showing individual item of receipts. The former is a permanent record. and the latter is a "C" class one. The order of the Government relates to the *Register of Cash.*

Paragraph 15—*Outstanding Consolidated Rates*

The Special Officer reports on 11th July, 1941 :—

The following figures show the position of the amount outstanding in the Law Department from year to year:—

	Rs.
Balance outstanding on 31st March, 1938 (Bills and Decrees.)	19,46,952
Amount transferred in 1938-39	4,38,365
Total ...	23,85,317
Collection in 1938-39	2,11,280
Remission, Cancellation, etc. in 1938-39 ...	17,720
Balance outstanding on 31st March, 1939 ...	21,56,317
Amount transferred in 1939-40	5,93,211
Total ...	27,49,528
Collection in 1939-40	2,61,769
Remission, Cancellation, etc. in 1939-40 ...	31,622
Balance outstanding on 31st March, 1940 ...	24,56,137
Amount transferred in 1940-41 (approximately)	5,20,000
Total ...	29,76,137
Collection (approximately) in 1940-41 ...	3,48,000
Remission, Cancellation, etc. (approximately) in 1940-41 ...	19,704
Balance outstanding on 31st March, 1941 (approximately) ...	26,08,433

The outstandings have increased inspite of a steady increase in Collection. This is due to the heavy transfers from the Collection Department. To reduce the outstandings the collection must overtake the annual transfer. This can only be achieved by filing more and more suits every year.

Suits are now being filed in larger numbers than before as the following figures will show:—

Number of suits filed in 1937-38—137.
" " " 1938-39—125.
" " " 1939-40—197.
" " " 1940-41—371.

It is to be borne in mind that up to the middle of 1939-40, when the Specal Officer was appointed (August, 1939) there were 5 Law Assistants for this work. From the second half of that year 2 temporary Law Assistants have been added.

Each Law Assistant is now required to file 10 suits a month. As there are 7 Law Assistants (one of whom cannot give his full time to this work), the number of suits per month is expected to be 65 which would give say 800 suits to be filed departmentally per year.

Besides the departmental output, a number of outside Lawyers (Solicitors for the High Court and Pleaders for Alipore and Sealdah Courts) have been engaged for filing suits. They have just made a beginning and it is hoped that when their services begin to bear fruit the accumulations will be cleared. The number of new files transferred by the Collector in 1939-40 and 1940 41 was about 750 each year.

Paragraph 17.—*Reduction of valuation under Section* 146 *of the C. M. Act.*

The further remarks of Joint Auditors on the replies of the Corporation to this para 17 of the Audit Report for 1937-38 as per their letter No. LA 2000 dated 29th November 1939 were considered by the Corporation on 21st August 1940 when they resolved as follows:—

"The Committee note with regret that the Legal Remembrancer has thought fit to use certain unhappy expression such as "He has a right to err." They do not agree with him in the opinion that the Auditors can question the efficiency of any officer of the Corporation. They can only draw the attention of the Corporation to an irregularity where such irregularity has actually occurred. They also note that *the Auditor does not state whether the Legal Remembrancer has expressed any opinion on the point at issue, viz., whether the Chief Executive Officer is required to assign the reason for reduction.*

The further remarks of the Joint Auditors referred to above are quoted below for ready reference.

Auditors' remarks.	*Chief Accountant's report.*
Para 17.—The Chief Executive Officer in his letter No. S/658 dated 15th May, 1939 stated as follows. "The power conferred under this section (Section 146 of the Calcutta Municipal Act) is entirely discretionary and the Chief Executive Officer is not required to place on record the reasons or grounds for any amendment made by him in exercise of such powers". The auditors however do not agree with this view. The Legal Remembrancer opined as follows on 18th June, 1936 "Section 146 (b) is wide * * * * Legally the Officer is not limited as to the deductions he makes. The power of decision in these matters is given to the officer and he has a right to err so long as he is left with the power. If he errs too much another officer can be given the job. The auditors can not assume his functions but they are of course perfectly entitled to	PARA 17.—This relates to stating reasons by C. E. O. for reduction of valuation under Section 146 of the Act. This question does not arise in view of the opinion given by the Legal Remembrancer that legally the officer is not limited as to the reductions he makes.

Auditors' remarks. *Chief Accountant's Report.*

point out to the Corporation the inefficiency of the officer to whom this work has been entrusted." So unless the grounds for reduction and the details showing how the reduced valuation has been arrived at under section 146 are recorded or furnished to the auditors for scrutiny, it would not be possible for them to see whether the officer vested with the powers under section 146 of the Calcutta Municipal Act have been erring too much and are inefficient. It may therefore kindly be decided by Government whether the officers vested with the powers under section 146(b) should not furnish reasons for reductions and the details as to how the reduced valuations have been arrived at.

In connection with paras 37 and 38 of the Audit Report for 1934-35 which relate to stating reasons for acceptance of other than the lowest tenders, Government observed in their final orders as follows :—

"In connection with these paras, a question has been raised as to the proper function of the auditors under Section 122 (a) of the Calcutta Municipal Act. The Auditors have held that in the cases mentioned in these paras, there was "a material impropriety" in the expenditure within the meaning of the aforesaid section, *while the Corporation has maintained that the auditors have no power to challenge the statutory rights of the Corporation in regard to the acceptance of tenders.*"

As the matter is of considerable importance, Government have taken legal opinion and are advised that Section 69 (4) of the Calcutta Municipal Act gives full power to the Corporation to reject the lowest or lower tenders and that the rejection of such tenders is not, therefore, illegal and that it is not also necessarily improper in all cases. Government are, however, advised that under Section 122 (a), it is the duty of the auditors, to point out, not only illegalities but also any material impropriety or irregularity in the expenditure and that, if the auditors consider that the rejection of the lowest or lower tenders is improper and unjustified, they are not only entitled to, but are bound to point it out.

It appears that the Corporation has also objected to the direction given by Government in para 2 (17) of their letter No. 186-M dated the 19th January, 1938, for placing on record the reasons for rejecting the lowest or lower tenders on the ground that this is not enjoined by the Act and that it would not always be feasible to do so. Government are, however, of opinion that the rejection of the lowest or lower tenders may often raise a question as to the propriety of such rejection and that the reasons for the rejection should therefore be placed on record as far as possible."

Corporation on 7th January, 1941, confirmed the following recommendation of the Finance Committee.

"The Committee are of opinion that the attitude taken up by the Corporation in this matter is correct and should be adhered to."

Paragraph 20—Want of proper action leading to accumulation of arrears.

The Collector reports on 7th May, 1941 :—

The Government has appreciated the difference between the "List of persons" and the "list of properties." The present order seems to come in line with our existing practice.

Paragraph 22—Sanction to the rate of rents for spaces in the Museum.

With regard to the original remarks of the Auditors as per paragraph 22 of the Audit Report, the Corporation resolved on 13th September, 1939, as follows:—

"That the attention of the Estates and General Purposes Committee be drawn to the remarks of the Auditors and they be requested to expedite the matter."

On the recommendation of the Estates and General Purposes Committee dated 6th October, 1939, the Corporation on 23rd November, 1939, resolved as follows:—

That the following schedule of rates for exhibits in the Commercial Museum, as recommended by the Advisory Board, be accepted:

(i) That the rate for each 75 watt lamp for special illumination of exhibits in show-cases be fixed at Re. 1 per month, the lamps and fittings of which are to be supplied by the Corporation

(ii) That the following schedule of rates as suggested by the Department, be approved:—

(a) Showcase shelf- Re. 1-8 to Rs. 2-8 per month according to position.

(b) Kiosks—Rs. 10 to Rs. 12 per month according to position.

(c) One Almirah -Rs. 7 per month.

(d) Special Glass Almirah—Rs. 8 to Rs. 10 per month according to position.

(e) Special show case Rs. 5 per month.

(f) Special square Show-cases—Rs. 10 per month.

(iii) That the rates for special position be fixed by the Chief Executive Officer for the first year and that the matter be placed before the Corporation through the Advisory Board for the rates for subsequent years.

(iv) That the Chief Executive Officer be authorised to grant (a) free spaces to institutions promoting Technical and Industrial education (b) concessions not exceeding 25 per cent. on the fixed rates to infant and struggling industries, it being understood that such free spaces and concessions should be restricted to ordinary spaces and that the area of such free and concession rate spaces should not, in any case, exceed 20 per cent. of the total available space in Museum.

(v) That the forms for bills etc., as drafted by the Officer-in Charge, be accepted provided they are approved by the Chief Accountant and the Chief Law Officer.

Paragraphs 23 and 25—Want of Demand Registers in respect of License Fees for unauthorised scaffolding etc., and the Corporation Slaughter house.

No remarks. The observations of Government were communicated to the Chief Engineer and to the Health Officer.

Paragraph 24—Ambulance Fees reduced.

This case is analogous to the one dealt with in paragraph 17 above.

Paragraph 26—Law Department heavy outstandings.

On 5th May, 1941, the Chief Executive Officer was pleased to pass orders for writing to Government for extension of time till 29th September, 1941, and to direct the Chief Law Officer to start the work at once. Extension of time was applied in Chief Executive Officer's letter No. S/682 dated 23rd May, 1941 Government have granted an extension up to the 15th August.

The Chief Law Officer reports on 8th July, 1941:—

The accounts for the 4/40-41 are expected to be made ready by the end of this month. As soon as they are ready, the statement wanted by the Auditors will be ready. I accordingly ask for time till the end of this month.

Paragraph 34—Personal allowance in addition to increment in substantive pay.

The original objections of the auditors and their further remarks together with the departmental replies and the resolutions of the Corporation are quoted below for ready reference.

Auditors' Report. *Chief Accountant's Report.*

CITY ARCHITECT'S DEPARTMENT.

Personal allowance in addition to increment in substantive pay.

34. On the 17th February, 1937 the Corporation sanctioned a personal allowance of Rs. 15 in favour of Babu Nirmal Chandra Chowdhury, a clerk of the Building Department working at the Manicktola Office. The grounds for the grant were:—

(1) Abnormal increase of work at the Manicktolla Office, and

(2) the clerk had been drawing the maximum of his grade (Rs. 40—5—125) for several years.

Babu Nirmal Chandra Chowdhury was transferred to the Central Office on 7th September, 1937. The scale of pay was also raised by the Corporation to Rs. 40—5—150 with effect from 1st April, 1936 and Babu Nirmal Chandra Chowdhury began to draw Rs. 130 from 1st April, 1937 and is drawing Rs. 135 from 1st April, 1938. The full amount of personal allowance of Rs. 15 is also being drawn all along in addition. As the circumstances justifying the personal allowance have materially changed, the matter is brought to the notice of the Corporation for considering whether the amount thereof should not be correspondingly reduced, as his substantive pay increases. This is what is ordinarily done in the case of a Government servant.

PARA 34.—The Chief Accountant reports:—

There is nothing in the resolution of the Corporation that his personal allowance will be decreased with each increase of pay in his grade. According to the Government rule, it is also open to the sanctioning authority to direct that no such decrease be made.

The Corporation on 13th September, 1939 confirmed the following recommendation of the Finance Committee.

"That the Committee agree with the Chief Accountant that in raising the scale of pay of Babu Nirmal Chandra Chowdhury, it was not the intention of the Corporation to reduce his personal allowance. *In fact, there is nothing in the Corporation Service Rules to support the contention of the Auditors.*"

Further remarks of Joint Auditors as per their letter No. L. A. 2000 dated 29th November, 1939.

Auditors' remarks. *Chief Accountant's Report.*

The Corporation appear to have missed the point at issue. The point is that the personal allowance was granted on the grounds of (1) abnormal increase of his work at the Manicktola office and (2) drawing the maximum pay of Rs. 125 for several years. As he has since been transferred from the Manicktola office to the Central Office and as the maximum pay of his grade has since been raised from Rs. 125 to Rs. 150, both the grounds on which the personal allowance had been sanctioned, now ceased to exist. It is therefore for the Corporation to reconsider whether his personal allowance would still continue and if so on what grounds

This relates to the grant of a personal allowance of Rs. 15 to Babu Nirmal Ch. Chowdhury of the Building Department.

The Corporation at their meeting dated 13th September, 1939 confirmed the following recommendation of the Finance Committee in this connection.

The recommendation of the Finance Committee has been quoted above.

Under Section 51 (2) of the Act it is for the Corporation to fix the salaries and allowances of their officers. In the circumstances the Auditors should not pursue the matter any further.

The departmental replies were accepted by the Corporation on 21st August, 1940.

Paragraph 37—Delay in considering tender causes loss.

No remarks.

Paragraph 39.—Loss over supply of Filtered Water in Manicktola Area.

A separate item in this connection was considered by the Corporation through the Finance Committee and a reply has accordingly been forwarded to Government Auditors.

Resolved—

That it be recommended that the orders and suggestions of Government as per their letter No. 671M dated 23rd April, 1941, be given effect to subject to the following directions and remarks:—

Para 7.—

That the Committee re-iterate the recommendations made by them in connection with the further remarks of the Auditors regarding Para 8 (b) of the Audit Report for 1936-37 which run as follows:

(i) *That the Collector be asked to record the late collections of the 31st March, as late collections of that day instead of as "morning collections" of the 1st of April, next.*

(ii) *That the Committee fully agree with the Chief Accountant that the method of accounting suggested by the Auditors is incorrect and that the Government be requested to vacate the orders previously passed by them for reasons clearly set forth in the Chief Accountant's note.*

(iii) *That the Committee understand that in their further remarks to para 10 of the Audit Report for 1939-40, the Auditors have expressed their views that they are not wrong judging from the strict tenets of Book-Keeping; these further remarks are coming up before the Finance Committee shortly when they will express their further views in the matter for consideration of Government.*

Para 10 (b) (i).—

(i) *That the Chief Executive Officer be requested to see that the Departments concerned strictly adhere to the directions given by the Corporation on 8th June, 1938, for adjustment of advances within 5 years from the date of advances in the ordinary course.*

(ii) *That the Chief Executive Officer be also requested to look into this matter and report why there was so much delay in adjusting advances made so far back as in 1920-21.*

Para 14.—

(i) *That the Chief Law Officer be asked to find out if any rule regarding the period of limitation of claims can be drawn up which is to be incorporated in the body of the receipt granted to party.*

That if the Chief Law Officer is of opinion that such a rule can be drawn up, the Cash Register should be maintained for the period during which claims for refund can be put in or a year or two longer.

Para 15.—

That the Committee find that the figures of outstanding consolidated rate for the year ending 31st March, 1939 was Rs. 17,78,000, while in 1940 the figure was Rs. 13,11,000. The outstanding amount on the 31st March, 1941 was Rs. 9,07,000. The figures show that the realisations have been better than during the last 3 years and the outstanding has been diminished. It is apprehended, however, that the outstanding on 31st March, 1942, will increase to Rs. 18 lakhs on account of the difficulty in realisation of rates during the latter part of 1941-42 on account of the abnormal situation created by the war in the Far East.

Para 17.—

(i) *That the Committee find that there is nothing in the Calcutta Municipal Act which enjoins on the Chief Executive Officer the duty of recording his reasons for making any reduction in valuation under section 146 of the Act.*

(ii) *That the attention of Government be drawn to the concluding portion of the resolution of the Corporation dated 21st August, 1940 in this connection which runs as follows:—*

"They also note that the Auditor does not state whether the Legal Remembrancer has expressed any opinion on the point at issue viz., whether the Chief Executive Officer is required to assign the reason for reduction".

Para 22.—

That the resolution already passed by the Corporation in the matter be communicated to Government for information.

Paras 23 *and* 25.—

That so far as register of Demand for Slaughter Houses is concerned, the Committee is informed by the Health Officer that such a register is being maintained now.

That as regards demand register for scaffolding fees, etc., there cannot be any such register as scaffolding fees must be paid before a scaffolding is erected. A register is, however maintained showing cases where necessary fees have not been paid beforehand and such cases are taken to court.

Para 24.—

That although the Committee find it useful to record whenever possible the reasons for reducing or amending the ambulance fees by the Health Officer, the Committee do not see any reason to deviate from present practice as the Health Officer has got absolute discretion in the matter and as there is no statutory obligation on his part to record such reasons.

Para 26.—

That the Committee understand that a statement showing in detail the steps taken to reduce the heavy outstanding in the Law Department, etc., as required by Government, in their letter dated the 11*th October*, 1941 *has been furnished.*

Para 34.—

That the attention of Government be drawn to the resolution of the Corporation dated the 13*th September*, 1939 *in this connection purporting that in raising the scale of pay of Babu Nirmal Chandra Chowdhury, it was not the intention of the Corporation to reduce his personal allowance. Under Section* 51(2) *of the Act, the Corporation are the final authority to fix the salary, allowance, etc., of their officers.*

Para 37.—

That the Corporation be requested to draw the attention of the different Standing Committees to this point.

Para 39.—

That it appears from the report of the Executive Engineer, Water Works, that all steps that could possibly be taken to expedite acceptance of offer had been taken. The Auditors have not stated the authority on the strength of which the Department could have compelled the contractors to accept lower rate with effect from 7*th November*, 1936. *They were induced to accept the lower rates with effect from January*, 1, 1937, *evidently as a result of persuasion.*

The above recommendations of the Finance Standing Committee were confirmed by the Corporation on 22nd January, 1943.

The resolutions of the Corporation were communicated to Government in Chief Executive Officer's letter No. S/3424 dated the 8th/10th March, 1943 and by the Secretary to the Chief Accountant, Collector, Chief Law Officer, Health Officer, Executive Engineer, Water Works, the Chief Executive Officer and to the meeting clerk of the Secretary's Department on 30th January, 1943.

PART I—Orders and Notifications by the Governor of Bengal, the High Court, Government Treasury, etc.

GOVERNMENT OF BENGAL

BENGAL ORDINANCE No. IV OF 1943.

The Bengal Alienation of Agricultural Land (Temporary Provisions) Ordinance, 1943.

WHEREAS the Bengal Legislature is not in session, and the Governor is satisfied that it is urgently necessary in the public interest to provide for the restoration to *raiyats* and under-*raiyats* of agricultural lands alienated by them during the year 1943 as a result of the prevailing economic distress and that immediate action should be taken for that purpose;

The Governor is pleased, in exercise of the power conferred by sub-section (*1*) of section 88 of the Government of India Act, 1935, to make and promulgate the following Ordinance, namely:— 26 Geo. V, Ch. 2.

Short title, extent and Commencement.

1. (*1*) This Ordinance may be called the Bengal Alienation of Agricultural Land (Temporary Provisions) Ordinance, 1943.

(*2*) It extends to the whole of Bengal.

(*3*) It shall come into force on the date of its publication in the *Official Gazette*.

Definitions.

2. In this Ordinance, unless there is anything repugnant in the subject or context,—

(*1*) "Collector" means the Collector of a district or any other officer appointed by the Provincial Government to discharge the functions of a Collector under this Ordinance;

(*2*) "prescribed" means prescribed by rules made under this Ordinance;

(*3*) "under-*raiyat*", "*raiyat*", "holding", "improvement" and "complete usufructuary mortgage" have the same meanings as they have in the Bengal Tenancy Act, 1885; Act VIII of 1885.

(*4*) reference to a "holding" shall be deemed to include reference to a portion of a "holding".

Effect of provisions of this Ordinance where inconsistent with other law.

3. The provisions of this Ordinance shall have effect notwithstanding anything to the contrary in any other law for the time being in force.

Procedure for effecting restoration of lands alienated by *raiyats* or under-*raiyats* in 1943.

4. If on or after the 1st January 1943 and before the 1st January 1944 a *raiyat* or under-*raiyat* has transferred any holding by sale for any consideration the amount or value of which does not exceed two hundred and fifty rupees, and if,—

(*a*) he applies in the prescribed manner to the Collector within two years from the date on which this Ordinance comes into force for the restoration of such holding to his ownership and possession; and

(*b*) he satisfies the Collector that he could not have maintained himself or his family except by making such alienation of his holding; and

(*c*) he deposits with the Collector the amount of such consideration or its value together with interest on such amount at the rate of three and one-eighth *per centum per annum* from the date of his receipt of such consideration and the amount of any compensation for improvements effected to the holding, allowed by the Collector and determined by him in the manner prescribed, less the amount of the net income determined in the manner prescribed derived from such holding by the person in possession of the holding as a result of such alienation,

the Collector shall make an order in writing restoring such holding to the ownership and possession of such *raiyat* or under-*raiyat*, as the case may be:

Provided that the Collector before making any order under this section may make such inquiry as he may consider necessary and shall give a hearing to the transferee, and to the person in possession of the holding if other than the transferee.

Effect of order for restoration of lands.

5. When the Collector makes an order under section 3 restoring any holding to the ownership and possession of a *raiyat* or under-*raiyat*, such order shall have effect on the 1st *Baisakh* next following the date of the order, and if on or before that date the person in possession of the holding has not yielded possession of the holding to such *raiyat* or under-*raiyat* the Collector may of his own motion, and shall, on the application of the *raiyat* or the under-*raiyat*, eject such person and place such *raiyat* or under-*raiyat* in possession of the holding.

Manner of payment of compensation for land restored.

6. (*1*) If the transferee of any holding in respect of which an order under section 3 has been made has not alienated the holding and is in possession thereof, the amount deposited with the Collector under clause (*c*) of that section shall be paid to the transferee on his application and in the manner prescribed.

(2) If the transferee of such holding has alienated the holding prior to the date of the order under section 3 the amount deposited with the Collector under clause (*c*) of that section shall be paid on the application of the person entitled to payment under this sub-section and in the manner prescribed,—

(*a*) in the case of alienation by means of,—

(*i*) a *bona fide* transfer for valuable consideration,

(*ii*) a *bona fide* gift by a registered instrument or *heba*,

(*iii*) a usufructuary mortgage,

to the person in possession of the holding;

(*b*) in the case of alienation by means of a *bona fide* lease for valuable consideration,

to the transferee and the person in possession of the holding in such proportion as the Collector may deem fair and equitable.

Optional conversion of transfer of land into complete usufructuary mortgage.

7. (*1*) Instead of applying under clause (*a*) of section 3 for the restoration of his holding a *raiyat* or an under-*raiyat* may at his own option apply for the conversion of the transfer by sale of his holding into a complete usufructuary mortgage and in such case if the *raiyat* or under-*raiyat* otherwise complies with the provisions of clauses (*a*) and (*b*) of section 3, the Collector shall make an order in writing converting the said transfer by sale into a complete usufructuary mortgage with—

(*a*) in the case of alienation by any of the means referred to in clause (*a*) of sub-section (*2*) of section 6, the person in possession of the holding as the mortgagee, and

(*b*) in the case of alienation by means of a *bona fide* lease for valuable consideration, the transferee as mortgagee,

as for a period of ten years or such shorter period as in the circumstances of the particular case is in the opinion of the Collector justified.

(*2*) When the Collector makes an order under sub-section (*1*) converting a transfer by sale into a complete usufructuary mortgage for a period specified by him, it shall not be necessary for the *raiyat* or the under-*raiyat*, as the case may be, to deposit the amount referred to in clause (*c*) of section 3 with the Collector and instead the liability for the payment of such amount shall be deemed to be extinguished on the expiry of the said period.

(*3*) On the expiry of the period of the mortgage, if the mortgagee does not yield possession of the mortgaged holding to the *raiyat* or the under-*raiyat*, as the case may be, the Collector may of his own motion, and shall on application of the *raiyat* or the under-*raiyat*, eject the mortgagee and place the *raiyat* or the under-*raiyat*, as the case may be, in possession of the holding.

Exclusion of jurisdiction of High Court and Civil Courts.

8. Neither the High Court nor any Civil Court shall have jurisdiction in any matter which the Collector is empowered to dispose of under this Ordinance.

Power to make rules.

9. (*1*) The Provincial Government may make rules for carrying out the purposes of this Ordinance.

(*2*) In particular and without prejudice to the generality of the foregoing power, such rules may provide for all or any of the following matters, namely:—

(*a*) the manner in which a *raiyat* or under-*raiyat* is to apply to the Collector under clause (*a*) of section 4;

(*b*) the manner in which the Collector is to determine the amount of any compensation allowed under clause (*c*) of section 4;

(*c*) the manner in which the net income referred to in clause (*c*) of section 4 is to be determined; and

(*d*) the manner in which the payments referred to in section 6 are to be made.

GOVERNMENT OF BENGAL.

Legislative Department.

NOTIFICATION.

No. 1214L.—28th December 1943.—The following Regulation made by the Governor under sub-section (*2*) of section 92 of the Government of India Act, 1935, has been assented to by the Governor-General, and is hereby published for general information:—

BENGAL REGULATION NO. V OF 1943.

The Mymensingh Partially Excluded Areas Tenancy (Amendment) Regulation, 1943.

(Assent of the Governor-General was first published in the *Calcutta Gazette* of the 30th December, 1943.)

A Regulation further to amend the Mymensingh Partially Excluded Areas Tenancy Regulation, 1940, for certain purposes.

WHEREAS it is expedient to amend the Mymensingh Partially Excluded Areas Tenancy Regulation, 1940, for the purposes hereinafter appearing;

It is hereby enacted as follows:—

Short title.

1. This Regulation may be called the Mymensingh Partially Excluded Areas Tenancy (Amendment) Regulation, 1943.

Insertion of new sections 10 to 15 in Bengal Regulation III of 1940.

2. After section 9 of the Mymensingh Partially Excluded Areas Tenancy Regulation, 1940, the following sections shall be inserted, namely:—

"Time and place for payment of rent.

10. (*1*) Notwithstanding anything contained in any other law for the time being in force or in any contract between the parties made before or after the commencement of this Regulation—

(*a*) a person who is a tenant under any such system as is referred to in sub-section (*2*) of section 2 shall pay or tender each instalment of produce rent before sunset of the day on which it falls due:

Provided that the tenant may pay or tender the produce rent payable for the year at any time during the year before it falls due;

(*b*) the payment or tender of such produce rent may be made at the landlord's village-office or at such other convenient place as may be appointed in that behalf by the landlord;

(*c*) a tender of such produce rent may also be made by—

(*i*) transmitting the price of the amount of produce payable as rent to the landlord by postal money order in the manner prescribed by rules made by the Provincial Government in this behalf; or

(*ii*) depositing the price of the amount of produce payable as rent in Court in accordance with the provisions of section 11;

(*d*) any instalment or part of an instalment of produce rent not duly paid or tendered at or before the time when it falls due shall be deemed to be an arrear.

(*2*) The price of the amount of produce payable as rent shall for the purposes of this section be calculated in such manner as may be prescribed by rules made by the Provincial Government in this behalf.

(*3*) Where the price of the amount of produce payable as rent is remitted by postal money order in the manner prescribed, the postal receipt for such money order shall be conclusive proof that the remittance has been made and the Court may presume until the contrary is proved that a tender has been made.

(*4*) Where the amount of any money order remitting the price of the amount of produce payable as rent to the landlord in the manner prescribed is returned from the post office with an intimation that the acceptance of the payment of such money order has been refused, and such intimation is produced in Court, it shall for the purposes of section 15, be presumed until the contrary is proved that the landlord or his agent has refused without reasonable cause to receive payment of the price so remitted.

(*5*) When the landlord accepts the price of the amount of produce payable as rent sent by postal money order, the fact of this acceptance shall not be used in any way as evidence that he has admitted as correct any of the particulars set forth in the postal money order form.

Deposit in Court.

11. (*1*) In any of the following cases, namely:—

(*a*) when a tenant tenders produce rent and the landlord refuses to receive it or refuses to grant a receipt for it;

(*b*) when the tenant bound to pay produce rent has reason to believe, owing to a tender having been refused or a receipt withheld on a previous occasion, that the person to whom the produce rent is payable will not be willing to receive it and to grant him a receipt for it;

(*c*) when the produce rent is payable to co-sharers jointly and the tenant is unable to obtain the joint receipt of the co-sharers for the produce and no person has been empowered to receive the produce rent on their behalf; or

(*d*) when the tenant entertains a *bona fide* doubt as to who is entitled to receive the produce rent,

the tenant may deposit in the Court having jurisdiction to entertain a suit for the rent of his tenure or holding by an

applictaion in writing a sum not less than the price of the amount of produce payable as rent then due.

(*2*) The application shall contain a statement of the grounds on which it is made, shall state—

in cases (*a*) and (*b*), the name of the person to whose credit the deposit is to be entered and the name of his common agent, if any, in case (*c*), the names of the sharers to whom the rent is due or of so many of them as the tenant may be able to specify, and in case (*d*), the names of the persons to whom the rent was last paid and of the person or persons now claiming it;

shall be signed and verified in the manner provided in sub-rules (*2*) and (*3*) of rule 15 of Order VI in Schedule I to the Code of Civil Procedure, 1908, by the tenant, or when he is not personally cognizant of the facts of the case by some person so cognizant; and shall in cases (*a*) and (*b*) be accompanied by such cost of transmission of the money deposited to the landlord as may be prescribed by rules by the Provincial Government in this behalf and in cases (*c*) and (*d*) by a fee of such amount as may be prescribed by rules by the Provincial Government in this behalf.

(*3*) Where the deposit under sub-section (*1*) is made by a tenant in person, the Court shall, notwithstanding anything contained in any other law, allow such deposit to be made without requiring any identification of the tenant.

Receipt granted by Court for amount deposited to be a valid acquittance.

12. (*1*) When the price of the amount of produce payable as rent is deposited in Court under section 11, the Court shall give a receipt for it under the seal of the Court.

(*2*) A receipt given under this section shall operate as an acquittance for the amount of the rent payable by the tenant and deposited as aforesaid, in the same manner and to the same extent as if that amount had been received,—

in cases (*a*) and (*b*) of section 11 by the person specified in the application as the person to whose credit the deposit was to be entered; in case (*c*) of that section, by the co-sharers to whom the rent is due; and in case (*d*) of that section, by the person entitled to the rent.

Procedure for payment to the landlord of the amount deposited.

13. The Court receiving a deposit—

(*i*) in case (*a*) or (*b*) of section 11 shall forthwith forward the same by postal money order to the address of the landlord, or of the common agent, if any, of the landlord empowered to receive rent;

(*ii*) in case (*c*) or (*d*) of that section, shall forthwith cause to be affixed in a conspicuous place at the Court-house a notification of the receipt thereof containing a statement of all material particulars, and, if the amount of the deposit is not paid away under section 14 within the period of fifteen

days following the date on which the notification is so affixed, the Court shall forthwith in case (*c*) cause a notice of the receipt of the deposit to be posted free of charge at the landlord's village-office, if any, and in some conspicuous place in the village in which the tenure or holding or any portion thereof is situated, and in case (*d*) cause a like notice to be served free of charge on every person, who it has reason to believe, claims, or is entitled to, the deposit.

Payment or refund of deposit.

14. (*1*) The Court may pay the amount of the deposit notified under section 13 to any person appearing to it to be entitled to the same, or may, if it thinks fit, retain the amount pending the decision of a Civil Court as to the person so entitled.

(*2*) If no payment is made under clause (*i*) of section 13 or under sub-section (*1*) before the expiration of three years from the date on which a deposit is made, the amount desposited may, in the absence of any order of a Civil Court to the contrary, be repaid to the depositor upon his application and on his returning the receipt given by the Court with which the rent was deposited.

(*3*) No suit or other proceeding shall be instituted against the Crown or against any officer of the Crown, in respect of anything done by a Court receiving a deposit under section 12 but nothing in this section shall prevent any person entitled to receive the amount of any such deposit from recovering the same amicably from a person to whom it has been paid under this section.

Penalty for refusing to receive the amount tendered by postal money order or deposited in Court.

15. If a landlord or his agent refuses without reasonable cause to receive payment of the price of the amount of produce payble as rent remitted by postal money order or deposited in Court, the landlord shall be precluded from recovering the same by suit.

The plea of the existence of any dispute as to the amount of rent or area of land of the tenure or holding shall not be deemed to be a reasonable cause under this section:

Provided that when a landlord accepts the price of the amount of produce payable as rent which has been deposited or remitted by postal money order, the fact of his acceptance shall not be used in any way as evidence that he has admitted as correct any of the particulars set forth in the application for deposit or in the postal money order form".

Public Health

NOTIFICATION.

Malda.—1147C./P.H.—21st December 1943.—Whereas the Governor is satisfied that the municipality of Nawabganj is threatened with an outbreak of cholera:

Now, therefore, in exercise of the power conferred by section 2A, read with sub-section (*1*) of section 2 of the Epidemic Diseases Act, 1897 (Act III of 1897), the Governor is pleased to prescribe the following temporary regulations for the prevention and control of cholera, and for the medical inspection, isolation, observation and surveillance of persons suffering from, or suspected of being infected with, cholera in the said town, for a period of three months:—

Temporary regulations for the prevention and control of cholera.

1. In these regulations, unless there is anything repugnant in the subject or context:—

(*a*) "Health Officer" means the Health Officer of the Municipality;

(*b*) "Sanitary Inspector" means a Sanitary Inspector appointed by the Municipality;

(*c*) "suspected cholera" means any disease accompanied by vomiting and diarrhœa;

(*d*) "patient" means a person suffering from or suspected to be suffering from cholera;

(*e*) "medical practitioner" means any person practising the medical profession.

2. Whenever any land is held jointly by two or more persons, whether as owners or occupiers of that land, such persons shall be held jointly and severally liable for carrying out any measure ordered in a notice under these regulations, and the names of any one or more of such joint-holders may be entered upon such notice at the discretion of the Health Officer or a Sanitary Inspector and the Health Officer or a Sanitary Inspector shall not be bound to enter the names of all the joint-holders in the notice.

Notices.

3. If in any case the Health Officer or a Sanitary Inspector considers that the issue of a notice under these regulations is likely to lead to such an amount of delay as might facilitate the spread of cholera he may forthwith take such steps as he may think fit for carrying out the work, and shall thereafter, as soon as possible, issue a notice on the person concerned stating the reason why such work has been carried out.

4. If any measure which the Health Officer or a Sanitary Inspector has, by a notice issued under these regulations, required to be carried out, be not carried out to his satisfaction within the time stated in the notice the Health Officer or a Sanitary Inspector shall be entitled to carry out the measure.

Costs and compensation.

5. (*1*) All expenses incurred in carrying out any work in pursuance of an order issued under these regulations shall be paid by the municipality

except in any case where the order directs a person to carry out any work in relation to property in his possession, in which case the expenses shall be paid by that person:

Provided that where the conditions, which led the Health Officer or a Sanitary Inspector to pass such an order, are not attributable to any act or default of the persons in possession of the property, the municipality may pay to such person the whole or a part of expenses incurred by him in carrying out the order.

(2) The municipality may recover all expenses incurred by the Health Officer or a Sanitary Inspector in carrying out the measure under regulation 4 from the person or persons to whom the notice was originally issued.

6. The municipality shall pay adequate compensation to any person who has sustained substantial loss or damage by reason of anything done under these regulations:

Provided that no person shall receive any compensation for anything done or suffered under these regulations, if he has failed to carry out an order issued under these regulations within the time specified in the order and to the satisfaction of the Health Officer or a Sanitary Inspector.

Location of disease.

7. When a case of cholera or suspected cholera occurs in a house, the nearest male relative in attendance upon the patient, or in the absence of any such relative the occupier of the house, or if the occupier be the patient, some male inmate of the house shall, within twenty-four hours of the onset of the disease, give information regarding the occurrence of such case either personally or in writing to the Health Officer or a Sanitary Inspector.

8. (1) If information has not already been given under regulation 7, the medical practitioner called in to attend upon any case of cholera shall forthwith give notice of the case by special messenger to the Health Officer or a Sanitary Inspector and the cost of such messenger in each case shall be defrayed by the municipality.

(2) The doctor-in-charge of a hospital or a dispensary within the municipality shall forthwith give notice of any case of cholera brought to such hospital or dispensary for treatment to the Health Officer or a Sanitary Inspector by a special messenger and the cost of such messenger in each case shall be defrayed by the municipality.

9. Registrars of births and deaths shall supply to the Health Officer or a Sanitary Inspector such periodical returns of cases of cholera as he may from time to time call upon them to furnish.

10. The Health Officer or a Sanitary Inspector may examine any person who is, or suspected to be, suffering from cholera or who, in his opinion, may be infected with or likely to spread cholera.

Isolation of patients and evacuation of houses, etc.

11. When the Health Officer or a Sanitary Inspector considers that the isolation of any patient is a precaution necessary for the protection of the neighbouring population, he shall order the patient to observe isolation and may order the nearest relative in attendance on the patient, or the occupier of the house in which the patient is staying, to arrange for the isolation of the patient in such a manner and for such a time as may be approved by the Health Officer or a Sanitary Inspector.

He shall not direct the patient to be removed from the house unless it is in his opinion impossible... to make proper arrangements for his isolation therein.

12. The Health Officer or a Sanitary Inspector may order that any person, who has in his opinion been exposed to infection from cholera, shall take such drugs in such quantities as may be specified by the Health Officer or a Sanitary Inspector or shall submit himself to anti-cholera inoculation within a time to be specified in the order.

13. No person shall enter any place wherein a patient is isolated under regulation 11 without the permission of the Health Officer or a Sanitary Inspector.

14. The municipality shall provide free of charge suitable places, with necessary attendants, medicine, diet and other necessaries for persons isolated under regulation 11: Provided that a private individual may provide places certified by the Health Officer or a Sanitary Inspector as being fit for the purpose of such isolation.

14A. If it is not possible for the municipal commissioners to provide suitable places with necessary attendants, diet and other necessaries for isolation of the patient or if satisfactory arrangement for such isolation is not also possible in the house where the patient is staying, the patient shall be sent, under proper sanitary precautions, to the hospital within or outside the nearest municipality where there is suitable arrangement for isolation.

15. No person, who is or has been suffering from cholera, shall leave the place where he has been staying until he has received from the Health Officer or a Sanitary Inspector written permission to do so.

16. The Health Officer or a Sanitary Inspector may require any person to allow to be carried out by such agency and within such time as may be specified in the order, such measures for the disinfection or evacuation of any premises in the occupation of such person or for the disinfection or destruction of any of his personal effects, as the said officer or inspector may consider necessary.

17. The Health Officer or a Sanitary Inspector may direct the owner or occupier of any premises to cause to be inoculated with anti-cholera vaccine within a time to be specified in the order any person residing on such premises and under the control of such owner or occupier if the Health Officer or a Sanitary Inspector is of opinion that such person has been exposed to infection from cholera.

18. The Health Officer or a Sanitary Inspector may forbid any person who has been a patient or who has, to his knowledge, been in contact with a patient, to act as vendor of any article for such period as may be specified in the order.

18A. No person shall carry or permit to be carried in a public conveyance a patient except in the case where a patient is carried with proper precautions to a hospital.

19. No person shall sell any article which has been in contact with a patient until it has been disinfected to the satisfaction of the Health Officer or a Sanitary Inspector.

19A. No person shall expose in any street, shop, bazar or any public place any clothing, bedding or other article which has been in contact with a patient or shall cause or suffer such article to be carried in any public conveyance, but nothing in this regulation shall apply to a person who transmits with proper precautions against spreading the disease any such article for the purpose of having the same disinfected.

19B. No person shall carry or permit to be carried in a public conveyance the dead body of any person who has died of cholera without the previous written permission of the Health Officer

or a Sanitary Inspector, and without taking proper precautions against spreading the said disease.

Water-supply.

20. (*1*) When the Health Officer or a Sanitary Inspector is of opinion that the water in any well, tank, pool or other possible source of water-supply is contaminated or is likely to be contaminated, he may at once take such steps as he deems necessary to close such well, tank, pool or other source of water-supply, or may require the owner or occupier of land upon which such well, tank, pool or source of water-supply is situated, to take steps to close the same to the satisfaction of the Health Officer or the Sanitary Inspector, as the case may be, within such time as may be specified in the order.

(*2*) The Health Officer or a Sanitary Inspector may require such owner or occupier to keep closed during such a period as shall be specified in the order any well, tank, pool or other sources of water-supply closed under paragraph (*1*) of this regulation.

Explanation.—In this regulation, "to close" includes the placing of watchman to prevent access to the well, tank, pool or other source of water-supply.

21. When the Health Officer or a Sanitary Inspector is of opinion that the water in any well, tank, pool or source of water-supply is contaminated he may disinfect it or order its owner or occupier to disinfect it with such disinfectants as he may specify in such quantities and at such times as he may think fit.

22. The Health Officer or a Sanitary Inspector may prohibit persons from entering into or using for drinking, bathing, or any other purpose, during such period as may be specified in the order, the water in any well, tank, pool or other possible source of water-supply, which, in his opinion, is contaminated or likely to be contaminated.

23. The Health Officer or a Sanitary Inspector may, by an order published at such places as he may think fit, set apart any well, tank, part of a river, stream or channel not being private property, or being private property with the consent of the owner, for the supply of water for drinking or culinary purposes and may prohibit therein or within a distance therefrom to be stated in the order all bathing, washing of clothes or animals, or other acts calculated to pollute the water; and may similarly set apart any well, tank, part of a river, stream or channel for the purpose of bathing or for the purpose of washing animals or clothes or for any other purpose connected with the health and cleaniness of the people using such water-supply.

24. The Health Officer or a Sanitary Inspector may prohibit persons from easing themselves, or throwing, depositing or discharging any rubbish, sewage or offensive matter, into any well, tank, pool or other source of water-supply, which is used by the public, or within such a distance from such well, tank, pool or source of water-supply as he may fix.

Conservancy and sewage disposal.

25. The Health Officer or a Sanitary Inspector may (*1*) prohibit the committal or continuance of any nuisance, or (*2*) require the person causing any nuisance or the person occupying the premises on which any nuisance exists to remove such nuisance.

Explanation.—In this regulation, "nuisance" means anything which in the opinion of the Health Officer or Sanitary Inspector is likely to spread or to cause the outbreak of cholera.

26. Whenever the Health Officer or a Sanitary Inspector is satisfied that the condition of any privy, urinal, drain, sewer or cesspool is such as to cause risk of spreading cholera to the inhabitants of the neighbourhood he may order the occupier of the land in which such privy, urinal, drain, sewer or cesspool is situated to disinfect, or to allow an officer of the municipality to disinfect, the same with such disinfectants in such quantities and at such time as the said officer or inspector shall think fit.

27. The Health Officer or a Sanitary Inspector may for the prevention of the outbreak or spread of cholera order the owner or occupier of any land to repair or make efficient to the satisfaction of that officer or inspector any drain, sewer, privy, urinal or cesspool which is situated upon such land or to remove any such drain, sewer, privy, or urinal or close any such cesspool within such time as may be fixed by the said officer or inspector.

Miscellaneous.

28. The Health Officer or a Sanitary Inspector may during the prevalence of any outbreak of cholera order that any market, shop or other public place shall remain closed for such time as may appear to him to be necessary and may forbid the holding of any fair, *mela* or other gathering to which people from surrounding places commonly or periodically resort.

29. The Health Officer or a Sanitary Inspector may require the owner or occupier of any land to clear and remove, within the period specified in the order, any vegetation upon such land the existence of which in the opinion of the said officer or inspector conduces to the committing of nuisances upon such land.

30. The Health Officer or a Sanitary Inspector may issue general orders that by a specified date certain sanitary precautions of a simple nature, such as lime-washing of houses, clearing of latrines or the removal of filth or rubbish shall be carried out to his satisfaction.

31. The Health Officer or a Sanitary Inspector may prohibit persons from retaining or selling clothes taken from the bodies of persons who have died of cholera and may cause any such clothes to be destroyed.

32. No person shall, without the written permission of the Health Officer or a Sanitary Inspector, dispose of any corpse except by burning or burial.

33. The Health Officer or a Sanitary Inspector may approve burning or burial grounds and may by order direct either generally or specially in respect to any specified area, that corpses shall not be burned or buried at places other than those so approved by him.

34. Any person burning or causing to be burnt any corpse shall cause the same to be completely reduced to ashes, and shall likewise cause the clothes or other articles brought with such corpse to be reduced to ashes.

35. The Health Officer or a Sanitary Inspector may direct that no person shall bury or cause to be buried any corpse which, in the opinion of the Health Officer, is likely to spread cholera, in a grave, not constructed of masonry and less than six feet deep.

36. The Health Officer or a Sanitary Inspector may order that no *dome* or other servant of the municipality employed for the disposal of corpses shall withdraw from his duties without the permission of the Health Officer or a Sanitary Inspector unless such *dome* or other servant of the municipality has given notice in writing not less than one month previously of his intention so to withdraw.

37. The Health Officer or a Sanitary Inspector may through any person authorised by such officer or inspector in that behalf seize and dispose of any corpse, which in the opinion of the said officer or inspector, is infected with or is likely to spread cholera, unless the relatives or friends of the deceased person satisfy him that they are prepared and able to dispose of the corpse in a manner which will prevent the spread of cholera.

38. (*1*) The Health Officer or a Sanitary Inspector may require any person who appears to be acquainted with facts in connection with any case of cholera or suspected cholera to attend before him at a time to be stated in the order and at any place not more than one mile from the place where such person resides or is staying when the order is issued, and such person shall appear as so required.

(*2*) When the person summoned to appear under paragraph (*1*) is a female who, by the custom of the country, does not appear in public suitable precaution shall be taken to respect the said custom.

39. (*1*) The Health Officer or a Sanitary Inspector may examine orally any person who appears to be acquainted with the facts and circumstances of a case of cholera or suspected cholera.

(*2*) When the person to be examined under paragraph (*1*) is a female who, by the custom of the country, does not appear in public, the officer shall take her statement under such conditions as shall admit of due respect to the said custom.

(*3*) Such person shall be bound to answer all questions relating to such case put to him or her by such officer, other than questions the answers to which would have a tendency to expose him or her to any criminal charge.

40. The Health Officer or a Sanitary Inspector may, with such assistants (if any) as he thinks fit, enter upon any land, or after two hours' notice in writing, into any premises or building used for human habitation at any time between sunrise and sunset for the purpose of carrying out any measure or making any enquiries authorised by these regulations.

41. The crew of any inland steam vessel or boat which plies in any canal or river and other persons residing on such vessel or boat shall be subject to these regulations.

42. All inoculations under these regulations shall be performed gratuitously.

43. (*i*) Orders issued by the Health Officer or a Sanitary Inspector under these regulations shall be in writing.

(*ii*) The officer issuing such orders shall cause copies of them to be served upon any persons named in them.

(*iii*) The nearest relative of a patient or the occupier of the house in which the patient is staying shall, if a copy of the order under regulation 11 has been served upon him, give to the nearest Sanitary Inspector or to his office, immediate notice of any disobedience of the order by the patient.

WHEREAS it is expedient further to amend the Indian Companies Act, 1913 (VII of 1913), for the purposes hereinafter appearing;

It is hereby enacted as follows:—

1. *Short title.*—This Act may be called the Indian Companies (Amendment) Act, 1943.

2. *Amendment of section 132, Act VII of 1913.*—In sub-section (*1*) of section 132 of the Indian Companies Act, 1913 (VII of 1913) (hereinafter referred to as the said Act), after the word "company", the following shall be inserted and shall be deemed always to have been inserted, namely:—

"in accordance with the requirements indicated by the items contained in the form marked F in the Third Schedule."

3. *Amendment of section 151, Act VII of 1913.*—In sub-section (*3*) of section 151 of the said Act, for the words "Any such table or form, when altered, shall be published in the official Gazette, and on such publication shall have effect as if enacted in this Act,", the following shall be substituted and shall be deemed always to have been substituted, namely:—

"Any alteration or addition made under sub-section (*1*) shall be published in the official Gazette, and on such publication the table or form as so altered or the added form, as the case may be, shall have effect as if enacted in this Act,".

4. *Amendment of First Schedule, Act VII of 1913.*—In Table A in the First Schedule to the said Act, in Regulation 107, after the words "the amount of gross income", the brackets and words "(diminished in the case of a banking company by the amount of any provision made to the satisfaction of the auditors for bad and doubtful debts)" shall be inserted and shall be deemed always to have been inserted.

5. *Amendment of Third Schedule, Act VII of 1913.*—In the form marked F in the Third Schedule to the said Act, the following substitutions shall be made and shall be deemed always to have been made, namely:—

(*a*) in the column headed "CAPITAL AND LIABILITIES", for the sub-head "PROVISIONS FOR BAD AND DOUBTFUL DEBTS", the following sub-head shall be substituted, namely:—

"PROVISION FOR BAD AND DOUBTFUL DEBTS (IN THE CASE OF COMPANIES OTHER THAN BANKING COMPANIES)";

(*b*) in the column headed "PROPERTY AND ASSETS", for the sub-head "BOOK DEBTS", the following sub-head shall be substituted, namely:—

"BOOK DEBTS (OTHER THAN BAD AND DOUBTFUL DEBTS OF A BANKING COMPANY FOR WHICH PROVISION HAS BEEN MADE TO THE SATISFACTION OF THE AUDITORS)".

STATEMENT OF OBJECTS AND REASONS.

Following the recognised practice of banking companies in India and the United Kingdom, such companies were, by a notification issued in 1927 under section 151 of the Indian Companies Act, 1913, relieved from the obligation to disclose in Form F in the Third Schedule to the Act, those bad and doubtful debts for which adequate provision had been made in their accounts to the satisfaction of the auditors. When the Indian Companies (Amendment) Act, 1936, was brought into force in January, 1937, a similar notification was issued on the 16th January, 1937.

2. In a recent judgment the Bombay High Court has hold that the notification of the 16th January, 1937, issued under section 151 of the Indian Companies Act, 1913, is *ultra vires* in so far as it seeks to distinguish banks from other companies. The amendments to the Act sought to be made by the amending Bill are designed to meet the objections pointed out by the Bombay High Court and to legalise the long-standing practice followed by the banks.

GOVERNMENT OF INDIA.

Legislative Assembly Department.

The following Bill* was introduced in the Legislative Assembly on the 8th November, 1943:—

L. A. BILL No. 38 OF 1943.

A Bill further to amend the Indian Trade Unions Act, 1926.

WHEREAS it is expedient further to amend the Indian Trade Unions Act, 1926 (XVI of 1926), for the purposes hereinafter appearing;

It is hereby enacted as follows:—

1. *Short title and commencement.*—(*1*) This Act may be called the Indian Trade Unions (Amendment) Act, 1943.

---

*The Governor General has been pleased to give the sanction required by sub-section (*2*) of section 126 of the Government of India Act, 1935, to the introduction in the Legislative Assembly of this Bill.

(2) It shall come into force on such date as the Central Government may by notification in the official Gazette, appoint.

2. *Amendment of the long title of Act XVI of 1926.*—In the long title of the Indian Trade Unions Act, 1926 (XVI of 1926) (hereinafter referred to as the said Act), after the word "registration" the words "and recognition" shall be inserted, and after the word "registered" the words "and recognised" shall be inserted.

3. *Amendment of the preamble to Act XVI of 1926.*—In the preamble to the said Act, after the word "registration" the words "and recognition" shall be inserted, and after the word "registered" the words "and recognised" shall be inserted.

4. *Amendment of section 2, Act XVI of 1926.*—In section 2 of the said Act,—

(*a*) after the words ' "the appropriate Government" means' the words, figure and letter "subject to the provisions of section 28A" shall be inserted;

(*b*) clause (*a*) shall be relettered as clause (*aa*), and, before clause (*aa*) as so relettered, the following clause shall be inserted, namely:—

'(*a*) "Board" means in relation to a Trade Union a Board of Recognition appointed by the appropriate Government under sub-section (*1*) of section 28B;';

(*c*) after clause (*c*), the following clause shall be inserted, namely:—

'(*cc*) "Recognised Trade Union" means a Trade Union recognised under this Act;'.

5. *Insertion of new Chapter IIIA in Act XVI of 1926.*—After Chapter III of the said Act, the following Chapter shall be inserted, namely:—

"CHAPTER IIIA.

Recognition of Trade Unions and Rights and Liabilities of recognised Trade Unions.

28A. *Modification of the definition of 'the appropriate Government' for certain purposes.*—Notwithstanding anything to the contrary in the definition of 'the appropriate Government' in section 2, the Central Government shall be deemed to be the appropriate Government for the purposes of this Chapter in respect of Trade Unions consisting of workmen employed by the Central Government or by a Federal Railway or in a major port.

Explanation.—In this section and for the purposes of this Chapter, a Trade Union of which not less than seventy per cent. of the members are workmen employed by the Central Government or by a Federal Railway or in a major port, shall be deemed to be a Trade Union consisting of workmen employed by the Central Government or by a Federal Railway or in a major port, respectively.

28B. *Appointment and constitution of Boards of Recognition.*—(*1*) The appropriate Government may appoint a Board of Recognition consisting of one representative of such Government, one representative of employers and one representative of workmen.

(*2*) The procedure for the selection of the representatives referred to in sub-section (*1*) shall be such as may be prescribed.

(*3*) The business of and before Boards appointed under sub-section (*1*) shall be regulated and conducted in such manner as may be prescribed.

28C. *Application for recognition.*—(*1*) The executive of a Trade Union may make an application for the recognition of the Trade Union under this Act to the Board or if no Board has been appointed, to the Registrar.

(*2*) Every application under sub-section (*1*) shall be accompanied by a statement furnishing the prescribed particulars.

28D. *Conditions for recognition.*—(*1*) A Trade Union shall not be entitled to recognition under this Act, unless it fulfils the following conditions, namely:—

(*a*) that all its members are workmen employed in one and the same industry;

(*b*) that it is, and has been for at least twelve months prior to the date of the application for recognition, a registered Trade Union and that it has complied with all the provisions of this Act;

(*c*) that its rules do not provide for the exclusion of members on communal or religious grounds;

(*d*) that its executive meets at least once a quarter;

(*e*) that it is a representative Trade Union;

(*f*) that it has applied for recognition to the employer not less than three months prior to the date of the application to the Board or the Registrar for recognition;

(*g*) any further conditions that may be prescribed.

(*2*) No Trade Union shall be deemed to be a representative Trade Union for the purposes of clause (*e*) of sub-section (*1*) unless it satisfies such conditions as may be prescribed.

28E. *Power of Registrar and the Board.*—(*1*) The Board or the Registrar, as the case may be, may call for further information for the purpose of ascertaining whether the Trade Union concerned is entitled to recognition under section 28D and if a Trade Union fails to supply the required information within the prescribed period, its application for recognition shall be deemed to have been withdrawn.

(*2*) The Board or the Registrar, as the case may be, shall investigate whether the Trade Union fulfils the conditions laid down in section 28D for recognition, and shall forward the application to the appropriate Government with a report and a recommendation regarding the grant or withholding of recognition.

28F. *Grant and withdrawal of recognition.*—(*1*) On receipt of the application for recognition and the report referred to in sub-section (*2*) of section 28E, the appropriate Government, if satisfied that the Trade Union is fit to be recognised, may, by notification in the official Gazette, declare the Trade Union to be a recognized Trade Union.

(*2*) Recognition granted to a Trade Union under sub-section (*1*) shall be withdrawn by the appropriate Government by notification in the official Gazette, if such Government is satisfied that—

(*a*) a member or members of the Trade Union has or have taken part in an illegal strike, or

(*b*) members of the executive have advised or actively supported an illegal strike or any propaganda directed against the efficient prosecution of war.

(*3*) If, after considering a report from the Board or Registrar, the appropriate Government is satisfied that a Trade Union has ceased to be representative or has become unfit for recognition for any reason other than a reason specified in sub-section (*2*), such Government may, in its discretion, by notification in the official Gazette, withdraw the recognition previously granted to the Trade Union under sub-section (*1*).

(*4*) No notification withdrawing recognition from a Trade Union shall be issued under sub-section (*2*) or sub-section (*3*) unless the Trade Union concerned has been given a reasonable opportunity of showing cause against the withdrawal.

28G. *Rights of a recognised Trade Union.*—(*1*) The executive of a recognised Trade Union shall be entitled to negotiate with the employer in respect of matters affecting the common interests of the members of the Trade Union, and the employer shall receive and send replies to letters sent by the

executive on, and grant interviews to that body regarding, matters affecting the interests of the members of the Union.

(2) Nothing in this section shall be construed as requiring an employer to send replies to letters on, or grant interviews regarding, matters on which, as a result of previous discussion with the Union or the members thereof, the employer has arrived at a conclusion, whether in agreement with the executive or not.

(3) Any dispute between the employer and the executive as to whether a conclusion has been arrived at within the meaning of sub-section (2) shall be referred to the Registrar whose decision shall be final.

28H. *Returns.*—Every recognised Trade Union shall submit to the Registrar, at the prescribed time and in the prescribed manner, such returns, in addition to those referred to in section 28, as may be prescribed.

28I. *Power of Central Government to give directions.*—The Central Government may give directions to a Provincial Government as to the regulations to be made in exercise of the power conferred by sub-section (2) of section 28B or clause (*g*) of sub-section (1) or sub-section (2) of section 28D.

28J. The provisions of this Chapter shall not, until the termination of the hostilities in being at the commencement of the Indian Trade Unions (Amendment) Act, 1943, apply to any Trade Union consisting of workmen employed by or under the Crown or by a Federal Railway or in a major port, unless the Central Government by notification in the official Gazette so directs in the case of any specified Trade Union."

6. *Amendment of section 31, Act XVI of 1926.*—To section 31 of the said Act, the following sub-section shall be added, namely:—

"(3) The provisions of sub-section (1) and sub-section (2) shall apply also to defaults in submitting and to false entries in and omissions from any return required to be submitted under section 28H."

7. *Insertion of new section 32A in Act XVI of 1926.*—After section 32 of the said Act, the following section shall be inserted, namely:—

"32A. *Failure by employer to comply with section 28G(1).*—Any employer who fails to comply with the provisions of sub-section (1) of section 28G shall be punishable with fine which may extend to five hundred rupees."

STATEMENT OF OBJECTS AND REASONS.

Trade disputes often occur or are prolonged because an employer refuses to recognise a trade union of his workmen.

The Royal Commission on Labour considered the question of the recognition of trade unions and gave the reasons for which employers were not inclined to recognise unions. These were that the union embraced only a minority of workers; that another union was already in existence; that the union had refused to dispense with the services of a particular official; that outsiders had been included in the executive; or that the union had failed to register under the Trade Unions Act. The Commission discussed these reasons and showed why all except the last, were invalid. Deprecating obligatory recognition it pleaded for recognition

in the spirit as well as in the letter and expressed the view that "recognition may mean much, but it may mean nothing. No law can secure that genuine and full recognition which we desire to see".

The position has not much improved since the Royal Commission completed its report and it is felt that the time has now come when the compulsory recognition of trade unions must be provided for by legislation. With all its limitations recognition by statute will at least clarify the position and give organised and well conducted trade unions the status they deserve. It may achieve much more.

The present Bill provides for the compulsory recognition of trade unions under certain conditions and defines what recognition will imply. Power is taken to set up tripartite Boards of Recognition which will report on the representativeness of trade unions and their fitness to be recognised. The main conditions of recognition will be that the trade union must have been a registered union for 12 months and that it must have previously applied to the employer concerned for recognition. Unions formed on a communal or sectarian basis will not be eligible for recognition. Besides laying down the basic conditions required for recognition, the Bill allows for additional conditions to be imposed by the appropriate Government and power is given to the Central Government to issue directions to Provincial Governments in this matter.

Recognition will be granted or withdrawn by the appropriate Government after receiving a report from the Board of Recognition, where one is appointed, or, in other cases from the Registrar. Recognition will entitle a union to negotiate with the employer in respect of matters affecting the common interests of its members. The Bill also states the obligations of employers consequent on recognition.

DEPARTMENT OF AGRICULTURE, BENGAL

Calcutta, the 20th December 1943.

Second Forecast of the Winter Rice Crop of Bengal, 1943-44.

(*Note.*—On an average of the five years ending 1941-42 the areas under winter rice in Bengal has represented some 20·7 per cent. of the total area under winter rice in India.)

Character of the season.—Since the submission of the First Forecast of the crop the weather conditions have been favourable.

Acreage.—According to the figures returned by the District Officers, the total area under winter rice this year is estimated to be 18,114,300 acres as compared with 16,181,300 and 16,207,100 acres in the corresponding and final forecasts of last year. The increase in area this year is due to "Grow more food" campaign and high price of paddy.

Outturn.—From the summary of the district returns it will be seen that all districts expect normal outturn of 100 per cent. Bogra and Mymensingh anticipate bumper crop.

According to the above estimates the provincial outturn works out at 101 per cent. of the normal against 73 and 68 per cent. respectively, in the corresponding and final forecasts of last year.

Accepting 101 per cent. as the provincial outturn, the gross yield of the crop, on the basis of the normal yield of 12 2/5 maunds of clean rice (husked) per acre, is estimated at 8,333,800 tons this year against 5,380,600 and 5,020,100 tons estimated respectively, in the corresponding and final forecasts of last year.
